SUBJECT: **AVAILABILITY OF DRAFT RATE STUDY REPORT**

This is in follow-up to the Draft Rate Study presentation on June 8, 2011. Upon conferring with the Auditor-Controller's Office, the Substance Abuse Prevention and Control (SAPC) was instructed not to post the Draft Rate Study Report on its web site. Since the Work Order is between the Auditor-Controller's Office and the consultant, the Auditor-Controller must approve the final document before it can be posted. SAPC staff is making every effort to expedite the finalization of the Rate Study Report within the next month. We will continue to keep you updated on this project.

If you have any questions or need additional information, please let me know.
