Billing Medical Supply Claims Electronically

There have been many requests from providers asking for electronic billing of medical supply claims. CMS Branch has just been informed that electronic billing is possible provided the transaction is in "ASC X12N 4010A1 837P electronic format".

CCS Counties should refer providers to contact HP Enterprises (formerly EDS) at their Telephone Service Center (TSC) at 1-800-541-5555 and select the option for POS, Internet, LSRS and CMC inquiries.

Also, the Medi-Cal web site contains a section on Medical Supplies Billing Requirements: FAQs — Billing Forms and Formats:

http://files.medi-cal.ca.gov/pubsdoco/medsupply/medsupply_faqs1.asp

Providers are encouraged to contact their computer software vendor for specific directions and/or upgrades.
