<http://publichealth.lacounty.gov/dhsp/Trainings.htm>

All participants will need to provide proof of full vaccination or a negative COVID-19 test within 72-hours of an in-person training. (In-person trainings do not have "virtual" by the training title.)

Note that trainings are targeted to specific audiences. Please see the next page for course descriptions and intended audiences.
For questions about courses or registration, please e-mail DHSP at trainingquestions@ph.lacounty.gov

Training Descriptions

<p>ABCs of Hepatitis: Focuses on the prevalence, transmission, diagnosis, treatment of viral hepatitis and liver related complications due to infectious hepatitis. Also include simple messages and counseling strategies for clients at risk of, or dually diagnosed with, HIV and viral hepatitis. [Half-day, 8am-12:00pm]</p> <p>Audience: HIV test counselors, HE/RR* staff, HIV case managers, case workers, and other staff at community based organizations.</p>	<p>Motivational Interviewing: This training introduces the guiding principles, strategies and skills for incorporating motivational interviewing techniques with clients, with a particular focus on creating opportunities for behavior change. Participants are introduced to the foundation, theories and framework for using motivational interviewing to build rapport with clients, engage them in treatment and/or intervention, explore clients’ ambivalence, motivate clients towards behavior change, and support efforts to reduce risk behaviors [2 days, 8am-4:30pm]</p> <p>Audience: Experienced HIV test counselors, HE/RR staff, HIV case managers, case workers, and clinic staff that have been working with patients for at least 6 months.</p>
<p>Addressing Implicit Bias, Medical Mistrust and Cultural Humility (Implicit Bias): This half-day training provides and overview of implicit bias, cultural humility and a historical perspective of how medical mistrust develops/developed among the Black/African American community in order to improve the quality of HIV service delivery to the Black/African American community. [Half-day, 8am-12:30pm]</p> <p>Audience: HIV test counselors, HE/RR staff, HIV case managers, case workers, and clinic staff working with patients/clients. This course is REQUIRED for DHSP-contracted providers.</p>	<p>OraQuick Advance Rapid HCV Test: This training will certify HIV counselors who are already certified in HIV test counseling and collecting blood via finger stick procedures to read and interpret the OraQuick Rapid HCV Test. [1 day, 8am—5:00pm]</p> <p>Audience: Certified HIV test counselors working at DHSP-funded test sites using the OraQuick Advance Rapid HIV/HCV test. Call for schedule.</p>
<p>Alere Determine Rapid HIV Test: This training will certify HIV counselors who are already certified in HIV test counseling and collecting blood via finger stick procedures to read and interpret the Determine Rapid HIV Test. [1 day, 8am—5:00pm]</p> <p>Audience: Certified HIV test counselors working at DHSP-funded test sites using the Determine Rapid HIV test. Call for schedule.</p>	<p>Partner Services: Designed to provide HIV prevention and care staff with an overview of disclosure assistance services. Focuses on the skills needed to effectively work with HIV positive persons to ensure that their sex and needle-sharing partners are notified of exposure. Participants will be able to support clients in making an informed decision about HIV disclosure. [1 day, 8am-4:30pm]</p> <p>Audience: HIV test counselors, HIV case managers and HE/RR* staff.</p>
<p>Basic 1 HIV Test Counselor Certification: A State of California training that certifies staff as a HIV Test Counselor. Participants will develop and practice strong client-centered counseling skills, learn how to help clients assess HIV risks and work with clients to develop realistic steps towards reducing HIV risk(s). Participants will also be certified to perform finger sticks, operate rapid HIV and HCV tests, as well as read, interpret and deliver rapid HIV and HCV test results. [6 days, 8am-5:00pm]</p> <p>Audience: HIV test counselors from DHSP or CDC-funded providers. (It is <u>REQUIRED</u> that participants complete DHSP’s HIV 101 training prior to taking this course).</p>	<p>Pre Exposure Prophylaxis (PrEP) 101 - This training is designed for staff providing HIV health education and risk reduction services. The training provides participants with an overview of Pre-Exposure Prophylaxis (PrEP) & skills for integrating PrEP into existing prevention efforts. [1 day, 8am-4:30pm]</p> <p>Audience: HIV counselors, HE/RR* staff, HIV case managers, case workers, and other staff at community based organizations working with individuals at high risk for HIV.</p>
<p>Bridging Theory and Practice: Applying Behavioral Theory to HIV/STD Prevention: For individuals planning, developing and implementing HIV/STD prevention programs. Provides an overview of behavioral science, factors that influence behavior change, and domains that influence HIV/STD risk-taking behavior. Highlights the importance of using theory in intervention planning. [2 Days, 8am-4:30pm]</p> <p>Audience: HE/RR* staff, HIV test counselors, HIV case managers</p>	<p>Safer Sex, Drugs and Alcohol: A Training for Commercial Sex Venue Staff: For managers and staff of commercial sex venues (CSV) licensed to operate in Los Angeles County. Covers the basics of HIV and STD prevention, how substance use contributes to HIV/STD risk, including all topics required by the City/County of Los Angeles ordinances licensing commercial sex venues (CSV).</p> <p>Audience: CSV staff. Call for information.</p>
<p>Facilitation Skills for Group-Level Interventions: For staff providing group-level HIV health education and risk reduction services. Provides information on how to deliver group level interventions effectively to at-risk clients. [2 days, 8am-4:30pm]</p> <p>Audience: HE/RR* staff who facilitate group level HIV interventions/support groups.</p>	<p>Social Determinants of Health: Introduces the essentials of social determinants of health, in order to more accurately provide culturally-appropriate and relevant client-centered harm reduction and HIV/STD services. The training will provide participants with tools to understand how social determinants of health influence client decision making regarding HIV/STD risk behaviors. [1 day, 8am-4:30pm]</p> <p>Audience: HIV test counselors, HE/RR staff, HIV case managers, case workers, and clinic staff working with patients/clients.</p>
<p>HIV 101: For employees of the County of Los Angeles and community based organizations funded by DHSP to assist them in obtaining the latest information on HIV and AIDS. Held in various locations throughout Los Angeles County. [1 day, 8am-4:30pm]</p> <p>Audience: HIV test counselors, HE/RR* staff, case managers, others County staff that work with at-risk clients. This course is REQUIRED for Basic 1. Call for locations.</p>	<p>STI/STD TD 101: For employees of the County of Los Angeles and community based organizations funded by DHSP who are working with people at risk for or affected by Sexually Transmitted Infections/ Diseases (STIs/STDs) a basic understanding of how STDs impact our community. [1 day, 8am-4:30pm]</p> <p>Audience: HIV test counselors, HE/RR* staff, HIV case managers, others.</p>
<p>HIV Basics for Taxicab Drivers: For taxicab drivers who transport clients with HIV to and from medical appointments. Includes basic information on HIV transmission and prevention, dispelling misconceptions about HIV and reducing anxiety around transporting clients with HIV. Offered one to three times per year. [2 hours, times vary]</p> <p>Call for schedule.</p>	<p>Syringe Services Program (SSP) 101: This training provides an overview of Syringe Service Programs (SSPs). Participants will gain a basic knowledge of policies and practices regarding SSPs. The topics discussed will prepare participants to offer effective assistance to people who seek syringe exchange services throughout the community. [Half-day, 8am-12:30pm or 12:30pm-4:30pm]</p> <p>Audience: HIV test counselors, HE/RR staff, HIV case managers, case workers, and clinic staff working with patients/clients. Taking HIV 101 and ABCs of Hepatitis prior to this course is strongly encouraged.</p>
