

# Perinatal HIV Specialty Centers Guide

Providers Across Los Angeles County

Ending  
the  
HIV  
Epidemic

The **County of Los Angeles, Department of Public Health, Division of HIV and STD Programs (DHSP)** recommends all pregnant people with HIV be referred to medical centers with coordinated expertise in perinatal and pediatric HIV care. Please see the listings below for referral information to these specialty sites.

## Could your patient benefit from extra assistance?

Please contact the DHSP Linkage and Reengagement Program (LRP) at (213) 639-4288. Our team of a social worker and community health worker can provide navigation and transportation assistance for patients who need extra support in linking and staying in care.
