# Housekeeping

- How to use poll (Must add "Forms" Tab):

The screenshot shows a Microsoft Teams meeting interface. At the top, the time is 04:30. The meeting controls bar includes icons for participants, chat, mute, video, and a 'Leave' button. A 'Forms' tab is active, displaying a poll created by Matt Wade: 'Where should we have Andrea's going away luncheon?'. The poll options are: Johnny's, Red Front (selected), Deli & Brew, and Angelo's 677 Prime. A 'Submit' button is at the bottom right of the poll. On the right side, a 'Polls' sidebar is open, showing a list of polls. The first poll is 'LIVE' and matches the one in the main window. The second poll is 'DRAFT' and asks 'How many days per week should we work?'. At the bottom left, a name tag for Megan Bowen is visible. At the bottom center, a circular profile picture of a man is shown.

# Reminder

We want to thank you all for your wonderful questions these last few weeks, during our Ask the IP Sessions. The focus of these sessions are to focus on core infection prevention practices (beyond COVID-19) that must be used in all care settings & to foster discussion among LA County Skilled Nursing Facilities about infection control practices.

We would like to remind everyone that the LACDPH Guidance has been updated as of 6-25-2021, please take time to review the updates and the current guidance from the county. We will not be reviewing guidelines during these sessions.
