

ASK AN IP SERIES

Please join the Los Angeles County Department of Public Health on our monthly learning and communication series **Ask an IP** to discuss infection prevention and control topics for our Skilled Nursing Facility (SNF) setting. Our goal is to foster discussion among SNFs in the county. This series is meant to be an all teach all learn environment.

This series will resume on **January 10, 2024** and will be held on the second Wednesday of the month from **1:30 p.m. to 2:30 p.m.**

Instructions to register:

- Click [here](#) to register.
- Follow the prompts to register.
- On the left side of the page, please select all the dates for which you would like to register.
- On the right side of the page, please fill out all the requested information. Please make sure the email address entered is correct to ensure that you receive your registration confirmation with the webinar link.
- When you receive the registration confirmation email from DPH-ACDCWebEx, please open the attachment in the email and respond to the meeting invitation to add it to your calendar.

For more information, please visit the Ask an IP website:
