

The Clean Hands Club Certificate

I belong to the *Clean Hands Club!* I know the proper way to wash my hands and I pledge to wash my hands with soap and water often!

I know that washing my hands properly will help keep me healthy.

I also know that washing my hands often will help stop germs from spreading.

As part of my pledge, I will fill out my *Clean Hands Club Weekly Hand Washing Chart* for Home. (Or I will ask my parent or my guardian to help me fill it out.)
