

# Regional Healthcare Network of LA County

## Step 01

### Overview

The Regional Healthcare Network is a new program to connect healthcare facility leaders across Los Angeles County and facilitate the sharing of helpful information between facilities.

## Step 02

### Networking Opportunity

This is an opportunity to meet with other leaders in your regional network to identify and address ways to improve healthcare concerns specific to your regions.

## Step 03

### Timeline

Meetings will take place quarterly, with the first virtual meeting in November 2024.
