

# Transforming Nursing Home Care Together (TNT) Program

**Unit 1, Session 1: July 6, 2022**

## **Transforming Nursing Home Care Together (TNT) Program - Introduction Questions and Answers**

**Question:** Do we need to sign in to the chat during every session?

**Answer:** You will not need to sign in. As long as you have logged onto the meeting, your attendance will be recorded in the attendance report. However, your log on name must clearly indicate your name in order to receive credit for your attendance.

**Question:** All of the designated participants from our facility are logged into the session using our facility log in, is that okay?

**Answer:** Yes, you can log in with your facility log in. As long as you remain in the session during the entirety of the session, your facility will receive credit for attendance. However, individual participants will not receive credit. To receive individual credit, designated participants must either log into the session using their own log in, or watch the recording AND take and successfully pass the post-session evaluation quiz found on the TNT website. To successfully pass the quiz, you must achieve a score of 80 or more.

**Question:** Will the slides and recording be shared after the session?

**Answer:** Presentation slides and recording of this session will be uploaded to our website following each training. However, please note that for the facility to receive attendance credit towards the facility's completion requirements, at least one designated participant per facility must be present during the entire LIVE session on Wednesday mornings. The recordings can be used for future reference or for obtaining individual CEUs after successful completion of the post-session evaluation quiz.

**Question:** Will we receive CEUs today?

**Answer:** If you are a licensed professional such as (LVN, RN or physician), you will receive a CEU as long as you are present during the entirety of the session AND successfully complete the post-session evaluation survey.

**Question:** Where can I find the post-session evaluation quiz?

**Answer:** The post-session evaluation quiz will be shared in the chat during the sessions, and will be available on the TNT Website in the [Past Events: TNT Program Didactic Weekly Sessions](#) section. Select the date of the session you are interested in and the drop down menu will provide the link to the Quiz.
