

JUMPP Member Organization

Pledge Form

Joint/shared-use is an increasingly important strategy for supporting organizations with limited resources to meet their overall outreach goals. The Los Angeles Countywide JUMPP (Joint Use Moving People to Play) Coalition was formed to create partnerships throughout Los Angeles County in order to activate safe spaces for families to play, learn, and improve their overall well-being. The Coalition collects, develops, and disseminates resources and provides networking opportunities to facilitate the establishment of health-promoting joint/shared-use agreements.

As a JUMPP Member Organization you can help:

- Facilitate the development, implementation and monitoring of policies and practices to increase community access to spaces/facilities for physical activity and recreation, or overall health
- Convene partners (CBO's, governmental institutions, community residents) to foster collaboration to advance joint/shared use
- Communicate and disseminate your organization's joint/shared use successes and challenges with like-minded peers

If you would like to become a JUMPP Member Organization, please enter your Organization's name below, sign the form, and email it to JUMPP@ph.lacounty.gov.
