I. BACKGROUND

The Needs Special Assistance (NSA Project) was initiated in Fall 2010 by the Department of Health Services (DHS) Los Angeles County University of Southern California Medical Center (LAC+USC MC) management to help reduce the large number of persons with chronic homelessness and co-occurring disorders (COD) who were frequent users of the Emergency Department for health conditions arising from their homelessness and behavioral health conditions.

The NSA Project and interdepartmental work group efforts are led by DHS. Other partners involved in this collaborative are: the Department of Public Health (DPH) Substance Abuse Prevention and Control (SAPC), the Board of Supervisors, First District, the Chief Executive Office (CEO) Integrated Services Branch, Department of Mental Health (DMH), Department of Public Social Services (DPSS), Los Angeles County Sheriff’s Department, Los Angeles Housing Services Authority (LAHSA), and various community-based service providers throughout Los Angeles County. The NSA project is a component of the multi-departmental NSA workgroup at LAC+USC MC in which SAPC is administering the referrals and assessments for substance use disorders services.

In February 2011, SAPC conducted an environmental assessment of the LAC+USC MC grounds and surrounding community to identify risk and protective conditions for alcohol and other drug use by patients. The environmental assessment findings are attached as Exhibit I and will be used to guide the environmental project.

According to research, the health and well being of individuals depend on both quality coordinated health care services, and community conditions that support health and safety. A successful, equitable health system will fuse these two areas, merging efficient, accessible, and culturally appropriate care with comprehensive efforts to prevent illness and injury by improving community environments.

This coordinated thrust will produce the most effective, sustainable, and affordable health solutions1. Community prevention is integral to effective health reform. It reduces the burden placed on the health system by reducing rates of preventable injury and illness and better aligning resources to address the factors that shape health and safety outcomes.2

The Community Centered Emergency Room Project (CCERP) was developed to serve as the vehicle for providing the needed community-based prevention services to NSA populations with MH and SUD. It aims to educate and empower local community organizations and residents toward addressing health disparities and reducing chronic diseases by promoting healthy living and tackling the social and economic causes of poor health. The CCERP was designed to complement current NSA integrated health care efforts which assist patients with COD or accompanied by other chronic physical health conditions. It is in line with the provisions of the Affordable Care Act (ACA) and federal

funding that include addressing the root causes of health disparities and providing the opportunity to engage community members in this process.

The CCERP bridges the gap between health services, public health, and community prevention. According to the Prevention Institute, a nonprofit, national center, the health and wellbeing of individuals depend on both quality coordinated health care services and community conditions that support health and safety. A successful, equitable health system will fuse these two areas, merging efficient, accessible, and culturally appropriate care with comprehensive efforts to prevent illness and injury by improving community environments.

The CCERP efforts will contribute to the reduction of the large number of persons with chronic homelessness and COD who are frequent users of the Emergency Department for health conditions arising from their homelessness, behavioral health, and community conditions. The CCERP is based on the Community-Centered Health Home Model, an evidence-based concept which includes the following elements: 1) Coordinated activity with community partners, 2) Advocacy for community health, 3) Mobilization of patient populations, 4) Strengthening of partnerships with local health care organizations, and 5) Establishment of model organizational practices.

The CCERP also uses the Public Health Model and The Guide to Community Preventive Services (GCPS), What Works to Promote Health? The GCPS process consists of: forming a systematic review development team (the team); developing a conceptual approach to organizing, grouping, and selecting interventions; selecting interventions to evaluate; searching for and retrieving available research evidence on the effects of those interventions; assessing the quality of and abstracting information from each study that meets inclusion criteria; drawing conclusions about the body of evidence of effectiveness; and translating the evidence on intervention effectiveness into recommendations. Evidence is collected on the positive or negative effects of the intervention on other health and non health outcomes. The CCERP engages members of the SAPC’s SUD treatment providers that are operating a coordinated continuum of care aimed specifically at NSA patients.

## II. OBJECTIVES

### A. DPH

DPH is issuing this Request for Proposals (RFP) to solicit proposals from organizations experienced in providing community-based prevention services to homeless populations with mental health (MH) and Substance Use Disorders (SUD). The purpose of this RFP is to select one (1) contractor/organization for recommendation of award of a three (3) year agreement (i.e., contract) for the approximate term of July 1, 2012 through June 30, 2015 at an estimated contract cost of Two Hundred Thousand Dollars ($200,000) per year, or Six Hundred Thousand Dollars ($600,000) for the entire term of the agreement.

---

B. Proposer

1. Minimize if not eliminate community conditions that contribute to alcohol and other drug associated problems within the target area.

2. Engage community residents, business operators, law enforcement personnel, public health inspectors, alcoholic beverage control officers, and others to reduce community risk factors by cleaning up the area and eliminating physical and social conditions that contribute or are conducive to illegal drug activities as well as problem alcohol consumption and inebriation; consequently making it difficult for persons to congregate in the area to engage in such behaviors.

3. Mobilize and organize community stakeholders using evidence-based approaches to establish and enforce policies that can minimize if not eliminate the physical conditions that contribute to unsafe neighborhood environments and frequent visits by NSA patients to the emergency department.

4. Support the LAC+USC MC’s NSA work group’s efforts to effectively communicate with NSA populations, track referrals, and ensure substance abuse and mental health services are available when needed.

III. MINIMUM MANDATORY REQUIREMENTS TO PARTICIPATE

Interested and qualified organizations that meet all of the following eligibility specifications as related to implementing the proposed CCERP services as described in this RFP are invited to submit a proposal:

A. Proposer must have a minimum of five (5) years experience, within the last seven (7) years, providing community-based prevention services to homeless populations with mental health and SUD within the targeted community.

B. Proposer must have formed and have had a successful SUD prevention community coalition in place for at least three (3) years, within the last seven (7) years, and is experienced at mobilizing and organizing community residents and stakeholders to address alcohol and other drug problems and minimize if not eliminate unhealthy community conditions.

C. Proposer has successfully implemented SUD environmental strategies that resulted in policy development.

D. Proposer has enforced current policies that changed community conditions leading to a decrease in alcohol and other drug problems within the target area and surrounding neighborhoods, including nuisance abatement policies to reduce or eliminate community risk factors.

E. Proposer must have existing collaborative partnerships with the Department of Mental Health, SAPC contracted prevention and treatment providers, and other service agencies within the LAC+USC MC campus and surrounding communities. Such
partnerships must include a continuum of substance abuse prevention, treatment, and recovery services that can strengthen client cross referrals for NSA populations.

F. Proposer must demonstrate ability to begin providing services within thirty (30) calendar days of the agreement award.

G. In compliance with the provisions of Los Angeles County Board Policy 5.065 on Nonprofit Contractor Requirements, is a tax-exempt, public or incorporated private non-profit 501(c)3 organization (registered with the State of California) or agency of a municipal government. Other government agencies, local educational agencies, institutions of higher education, and for-profit organizations, are not eligible to apply.

H. Proposer will/have or has a business office in operation within the target area by the time of contract award.

VI. PROPOSAL REQUIREMENTS

A. **Proposer’s Qualifications (Maximum 50 Points)**

Proposer will be evaluated on their experience and capability as an organization or other entity to meet or exceed the complexity to implement the CCERP.

This is the proposer’s opportunity to set the stage for Evaluators in terms of what makes the project unique and prepared for CCERP funding. The description should be on a single sheet of paper titled CCERP Abstract, and *must be no longer than one (1) page*.

The Abstract shall clearly describe and highlight key components of the proposed CCERP project efforts to change the physical design of the environment to reduce/eliminate community risk and enhance protective factors.

B. **Program Design (Maximum 750 points)**

Substance Abuse Prevention and Mental Health Services Administration (SAMHSA) established the Strategic Prevention Framework (SPF) which is a community-based approach to substance abuse prevention that cuts across existing programs and systems. SPF executes a data-driven, five-step process. Sustainability and cultural competence are woven throughout the five steps of the SPF. Using the SAMHSA SPF five (5) step format, describe the proposed process for implementing the Community Centered Emergency Room Project within the targeted community in SPA 4.

The following five SPF headings must identify the appropriate sections:

- **Assessment**: Assessing Need, Resources, and Readiness
- **Capacity**: Building Capacity and Community Organizing
- **Planning**: Using Outcome-Based Logic Models and Developing Strategic Plans
- **Implementation**: Implementing Evidence-Based Programs, Practices, and Policies
- **Evaluation**: Monitoring and Evaluating for Improvement and Decision Making

At a minimum, include responses to the following five step SPF components in the order specified below:

1. **Step 1 - Assessment** *(Profile population needs, resources, and readiness to address problems and gaps in service delivery). (150 possible points)*

   This involves:

   a. Describe the method proposer will use to further assess environmental community
conditions identified in the LAC+USC MC environmental scan (reference Exhibit I) and how Agency will conduct analysis of relevant data to define the magnitude and locations of problems within the geographic area/community and identify underserved populations and environmental risks.

b. Describe in detail how proposer will assess resources which include cultural competence, identification of service gaps and the identification of existing prevention infrastructure.

c. Describe in detail proposer’s capability to assess readiness and leadership to implement and sustain policies, programs, and practices. Additionally, how will Agency assess results to establish priorities, define terms to assure consensus of understanding, and establish a purpose.

d. Describe in detail proposer’s assessment plans for identifying specific NSA population situations and needs, how you plan to assess the physical community environmental conditions that contribute to substance abuse problems, gaps in services, and readiness to address the LAC+USC MC and surrounding community risk factors impacting NSA populations. Clearly state a time frame for completing each step in the plan. Data and resources must be cited. Include at a minimum the following elements:

- Describe the community, including demographics and aspects of diversity such as age, race, ethnicity, gender, socioeconomic status, culture, religion, and sexual orientation.

- Describe what it is like to live and work in the community.

- Provide an historical perspective focusing on significant shifts or events that have affected the community.

- Describe the key alcohol and other drug related problems, contributing factors, and risk and protective factors of the targeted area in SPA 4.

- Describe community readiness for change and potential barriers to success in SPA and/or city/county level.

2. **Step 2 – Capacity** *(Mobilize and/or build capacity to address need).*

   *(150 possible points)*

   Capacity involves mobilization of resources within a geographic area to address assessed needs. Readiness, cultural competency, and leadership capacity are addressed and strengthened through education and training.

   a. Describe in detail proposer’s experience in the provision of effective substance abuse community-based and environmental accomplishments and achieved outcomes.
b. Describe proposer’s past experience in directly mobilizing/organizing and building community capacity to change local physical community substance abuse contributing risk factors.

c. Describe proposer’s existing relationships and collaborations within the identified SPA that would facilitate implementation of the environmental prevention efforts and success.

Readiness and capacity of the Proposer to address assessed needs are further demonstrated by its financial status as evidenced by the financial documents that should be included in the proposal as specified in Section V. INSTRUCTIONS TO PROPOSERS SUBMITTING PROPOSALS, Subsection B. Content and Sequence, Paragraph 5. Form of Business Organization and Financial Information.

3. Step 3 – Planning (Develop a comprehensive strategic plan). (150 possible points)

b. What will the proposer plan to do to reduce or eliminate community conditions that foster alcohol and other drug use and other contributing social problems in the geographic areas immediately surrounding the LAC+USC Medical Center as described in Section II of this RFP. Clearly identify the time frame for implementing and completing each step.

i. Target Population

   How will proposer ensure cultural and linguistic competence in its substance abuse prevention efforts targeting NSA populations?

- Describe what evidence-based strategies were selected (including the policy initiative) to minimize/eliminate reduce risk factors.
- Describe how cultural competency and relevancy will be ensured.
- Describe how the strategies will be implemented, enforced, and sustained.

   The Work Plan must reflect a logical progression to achieve the goals and objectives and must not repeat the previous fiscal year’s activities.
The Work Plan will be included as an attachment to the Proposal and there is no page limit for the Work Plan. The Work Plan must reflect project start up within thirty (30) days of the agreement award.

The Work Plan must describe and include the following:
1) The Proposer’s goal to address the CCERP objectives and assessment findings;

Note: Prior to commencing services under the resultant contract, the Contractor must submit a Work Plan for SAPC review and approval to ensure that all key strategies are included and documented correctly. The Work Plan will be used as the foundation for California Outcome Measurement Services for Prevention data entry (described further in Step 5 Evaluation) and for auditing purposes. Additionally, the Work Plan will be required to be updated each fiscal year of the contract to reflect any changes.

5. Step 5 – Evaluation (Monitor, evaluate, sustain and improve or replace those that fail). (150 possible points)

Evaluation involves ongoing measuring of process and outcome data of the implemented programs, policies, and practices for effectiveness and sustainability.

acknowledge his/her willingness to meet contract requirements which include, but are not limited to, the following:

A. Conditions

1) Mandatory Requirement to Register as a County Vendor

Prior to contract award, all potential Contractors must register in the County’s WebVen. The WebVen contains the Vendor’s business profile and identifies the goods/services the business provides. Registration can be accomplished online via the internet by accessing the County’s home page at: http://doingbusiness.lacounty.gov/main_db.htm.

2) Compliance with Request for Proposals Specifications and Instructions

Responses to this RFP shall be made according to the specifications and instructions contained herein and must comply with the content, sequence, and format for proposals as outlined in this RFP herein under Section V. INSTRUCTIONS TO PROPOSERS SUBMITTING PROPOSALS

Failure to adhere to any RFP instruction or to comply with the format requirements of this RFP’s Instructions for Proposers Submitting Proposals may be cause for rejection of the proposal at the Director’s sole discretion.

3) Acceptance of Terms and Conditions

Proposer understands and agrees that submission of a proposal will constitute acknowledgment and acceptance of, and willingness to comply with, all of the terms, conditions, and criteria contained in this RFP, and any addenda thereto; as evidenced by proposer’s authorized representative’s signature and date on Attachment 8, “Acceptance of Terms and Conditions Affirmation” to be submitted with proposer’s response to this RFP.

4) Conflict of Interest

No County employee whose position in the County enables him/her to influence the selection of a Contractor for this RFP, or any competing RFP, nor any spouse of economic dependent of such employees, shall be employed in any capacity by a Proposer or have any other direct or indirect financial interest in the selection of a Contractor. Proposer shall certify that he/she is aware of and has read Section 2.180.010 of the Los Angeles County Code as stated in Attachment 9A, Certification of No Conflict of Interest, and that an award of an agreement to the bidder/proposer shall not violate such Section.

5) Agreement Term

County may revise the term’s effective date, reduce the length of the agreement term, and/or make other related changes (e.g., reduce budget to match new term) before awarding any agreement under this RFP, based on additional time required to
complete evaluations, debriefings, proposed Agreement or selection reviews, County review panel reviews, negotiations and/or other lengthy procedures requiring completion before the awarding of agreements.

6) Firm Offer

All proposals submitted in response to this RFP shall be firm and final offers and may not be withdrawn for a period of two hundred seventy (270) calendar days following the final proposal submission date.

The failure of a proposer to promptly supply information in connection with such inquiry including, but not limited to, information regarding current and past performance, financial stability, professional citations, incidents or charges of malpractice, pending lawsuits, and the ability of proposer to provide services in a fair and timely manner, may be grounds for rejection of a proposal at the sole discretion of Director. By submitting a proposal in response to this RFP, the proposer acknowledges that it gives Director investigative authority to verify and confirm any and all related information, credentials, resources, and references listed in the proposal.

8) Background and Security Investigations

Each of Contractor’s staff performing services under the resultant agreement, who is in a designated sensitive position, as determined by County in County’s sole discretion, shall undergo and pass a background investigation to the satisfaction of County as a condition of beginning and continuing to perform services under the agreement. Such background investigation may include, but shall not be limited to, criminal conviction information obtained through fingerprints submitted to the California Department of Justice. The fees associated with the background investigation shall be at the expense of the Contractor, regardless if the member of Contractor’s staff passes or fails the background investigation. County shall perform the background check and bill Contractor for the cost further described in Exhibit IV, Sample Agreement.

9) Proposer’s Change to their Proposal

Prior to the final submission date, a proposer may retrieve its proposal in order to make additions or alterations. Proposers agree that such retrieval shall not extend the final submission date for proposals under this RFP process. Proposer’s changes after the final submission date will only be approved if such change: 1) is requested in writing, 2) is in the County’s best interest to do so, and 3) is minor and would not give an advantage over other proposers (e.g., correcting a typographical error on a contact person’s e-mail address). In any event, a proposer may not change any aspect of its proposal after the final submission date, unless the same opportunity is offered to all proposers at the Director’s sole discretion.
10) **Truth and Accuracy of Representations**

False, misleading, incomplete, or deceptively unresponsive statements in connection with proposer’s proposal shall be sufficient cause for rejection of the proposal. The evaluation and determination in this area shall be in the Director’s sole judgment and his/her judgment shall be final.

Proposer will ensure that proposer’s proposal is in compliance with all applicable federal, State, and local laws, ordinances, regulations, rules, and directives, as required to enter into a Agreement with County, and as further described in the Sample Agreement of this RFP.

13) **Contact with County Personnel**

All contact regarding this RFP or any matter relating thereto must be in writing and shall be mailed, e-mailed, or faxed to the following contact person:

Agreement negotiations, (2) Protest Policy Reviews (Board Policy Number 5.055) and County Review Panel reviews, if any, and (3) recommends the award of an agreement, or agreements, to County’s Board, and such recommendation appears on the Board agenda, all proposals submitted in response to this RFP shall become a matter of public record, with exception of those parts of each proposal defined by the proposer as a business or trade secret and plainly marked as “TRADE SECRET”, “CONFIDENTIAL”, or “PROPRIETARY”. Proposer agrees that marking each page of proposer’s proposal as a “TRADE SECRET”, “CONFIDENTIAL”, or “PROPRIETARY”, or making a blanket statement that proposer’s entire proposal is confidential or is a business or trade secret, shall not be deemed sufficient notice of exception, and will not be allowed.

County shall not in any way be liable or responsible for the disclosure of any such information or any part thereof, if “TRADE SECRET”, “CONFIDENTIAL”, or “PROPRIETARY” pages are unmarked, or if disclosure is required or permitted under the California Public Records Act or otherwise by law or order of a Court.

15) Gratuities

Attempt to Secure Favorable Treatment

It is improper for any County officer, employee, or agent to solicit consideration, in any form, from a proposer with the implication, suggestion, or statement that the proposer’s provision of the consideration may secure more favorable treatment for the proposer in the award of an agreement or that the proposer’s failure to provide such consideration may negatively affect County’s consideration of the proposer’s submission. A proposer shall not offer or give, either directly or through an intermediary, consideration in any form, to a County officer, employee, or agent for the purpose of securing a favorable treatment with respect to the award of an agreement.

Proposer Notification to County

A proposer shall immediately report any attempt by a County officer, employee, or agent to solicit such improper consideration. The report shall be made either to the County Manager charged with the supervision of the employee or to the County Auditor-Controller’s Employee Fraud Hotline at (800) 544-6861. Failure to report such a solicitation may result in the proposer’s submission being eliminated from consideration.

Form of Improper Consideration

Among the items such improper consideration may take form of: cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

16) County Option to Reject Proposals

The Director may, at his sole discretion, reject any or all proposals submitted in response to this RFP. The Director shall not be liable for any costs incurred by the
Proposer in connection with the preparation and submission of any proposal. The Director reserves the right to waive inconsequential disparities in a submitted proposal.

17) Protest Policy Review Process

Under Board Policy No. 5.055 (Services Contract Solicitation Protest), any prospective Proposer may request a review of the requirements under a solicitation for a Board-approved services contract, as described below. Additionally, any actual Proposer may request a review of a disqualification or of a proposed contract award under such a solicitation, as described in Section VIII. EVALUATION AND SELECTION, Subsection D. Disqualification Review of this RFP. It is the responsibility of the Proposer challenging the decision of a County Department to demonstrate that the Department committed a sufficiently material error in the solicitation process to justify invalidation of a proposed contract award.

Throughout the review process, the County has no obligation to delay or otherwise postpone an award of contract based on a Proposer protest. In all cases, the County reserves the right to make an award when it is determined to be in the best interest of the County of Los Angeles to do so.

Grounds for Review

Unless state or federal statutes or regulations otherwise provide, the grounds for review of a solicitation for a Board-approved services contract provided for under Board Policy No. 5.055 are limited to the following:

- Review of Solicitation Requirements (Reference Sub-paragraph 2.4 in the Proposal Submission Requirements Section)

- Review of a Disqualified Proposal (Reference Sub-paragraph 3.3 in the Selection Process and Evaluation Criteria Section)

- Review of Proposed Contractor Selection (Reference Sub-paragraph 3.7 in the Selection Process and Evaluation Criteria Section)

18) Final Agreement Award by the Board of Supervisors

Notwithstanding a recommendation of a Department, agency, individual, or other, the Board of Supervisors retains the right to exercise its judgment concerning the selection of a proposal and the terms of any resultant agreement, and to determine which proposal best serves the interests of the County. The Board is the ultimate decision making body and makes the final determinations necessary to arrive at a decision to award, or not award, a contract.
B. Terms

1) Proposer’s Notification to County of Pending Mergers and Acquisitions

Proposer shall notify County if proposer is involved in any pending merger and acquisition ("M&A") actions. M&A information shall be provided by proposer on this RFP’s Attachment 5, Proposer’s Organization Questionnaire/Affidavit form.

Failure by the proposer to provide this information may mean the elimination of its proposal from any further consideration.

2) Indemnification and Insurance

Contractor shall be required to comply with the indemnification provisions contained in Exhibit IV, Sample Agreement, Paragraphs 7 and 8. Contractor shall procure, maintain, and provide County proof of insurance coverage for all the programs of insurance, along with associated amounts, as specified in Exhibit IV, Sample Agreement, Paragraph 9.

3) Service Providers, Artisan and Tradesman Activities (“SPARTA”)

A County program, known as SPARTA may be able to assist Contractors in obtaining affordable liability insurance, in meeting the above County Contractor indemnification and insurance requirements. The SPARTA Program is administered by County’s insurance broker Merriwether & Williams. 4) Injury & Illness Prevention Program (“IIPP”)

Contractor shall be required to comply with the State of California’s Occupational Safety and Health Act (“Cal OSHA”) regulations. Section 3203 of Title 8 in the California Code of Regulations (“CCR”) requires all California employers to have a written, effective IIPP that addresses hazards pertaining to the particular workplace covered by the program.

5) Confidentiality and Independent Contractor Status

As appropriate, Contractor shall be required to comply with the Confidentiality provision contained in Exhibit IVA, Additional Provisions, Paragraph 15, and the Independent Contractor Status provision contained in Paragraph 16.

6) Determination of Proposer Responsibility

a. A responsible proposer is a proposer who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Agreement being awarded to proposer. It is County’s policy to conduct business only with responsible proposers.
b. Proposers are hereby notified that, in accordance with Chapter 2.202 of the County Code, County may determine whether a proposer is responsible proposer based on a review of proposer's performance as a Contractor on any Agreement, including but not limited to County Agreements. Particular attention will be given to violations of labor laws related to employee compensation and benefits, and evidence of false claims made by proposer against public entities. Labor law violations which are the fault of subcontractors and of which the proposer had no knowledge shall not be the basis of a determination that proposer is not responsible.

c. The County may declare a Proposer to be non-responsive for purposes of this contract if the Board of Supervisors, in its discretion, finds that the proposer has done any of the following: (1) violated a term of a Agreement with County or a nonprofit corporation created by County; (2) committed an act or omission which negatively reflects on proposer’s quality, fitness or capacity to perform a Agreement with County, any other public entity, or a nonprofit corporation created by County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or omission which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against County or any other public entity.

d. If there is evidence that the apparent highest ranked proposer may not be a responsible proposer, Director shall notify proposer in writing of the evidence relating to proposer’s non-responsibility and its intention to recommend to the Board that proposer be found not responsible. Director shall provide proposer and/or proposer’s representative with an opportunity to present evidence as to why proposer should be found to be responsible and to rebut evidence which is the basis for Director’s recommendation.

e. If proposer presents evidence in rebuttal to the Director, the Director shall evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board of Supervisors. The final decision concerning the responsibility of the proposer shall reside with the Board of Supervisors.

f. These terms shall also apply to proposed subcontractors of proposers on County agreements.

7) Proposer Debarment

a. The Proposer is hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may debar proposer from bidding or proposing on, or being awarded, and/or performing work on other County Agreements for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and County may terminate any or all of the proposer’s existing Agreements with County, if Board finds, in its discretion, that the proposer has done any of the following: (1) violated a term of a Agreement with County or a nonprofit corporation created by County; (2) committed an act or omission which negatively reflects on proposer’s quality, fitness or capacity to perform a
Agreement with County, any other public entity, or a nonprofit corporation created by County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against County or any other public entity.

b. If there is evidence that the apparent highest ranked proposer may be subject to debarment, Director shall notify proposer in writing of the evidence which is the basis for the proposed debarment, and shall advise proposer of the scheduled date for a debarment hearing before the Contractor Hearing Board.

c. The Contractor Hearing Board shall conduct a hearing where evidence on the proposed debarment is presented. Proposer and/or proposer’s representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether proposer should be debarred, and, if so, the appropriate length of time of the debarment. Proposer and Director shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

d. After consideration of any objections, or if no objections are received, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board. The Board shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.

e. If a proposer has been debarred for a period longer than five (5) years, that proposer may, after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that proposer has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of County.

f. The Contractor Hearing Board will consider requests for review of a debarment determination only where (1) the proposer has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.
g. The Contractor Hearing Board’s proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board. The Board shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

h. These terms shall also apply to proposed subcontractors of proposer’s on County contracts.

i. Exhibit V, Listing of Contractors Debarred in Los Angeles County provides a link to County’s website where there is a listing of Contractors that are currently on the Debarment List for Los Angeles County.

8) Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transactions (45 C.F.R. Part 76)

Pursuant to federal law, the County is prohibited from contracting with parties that are suspended, debarred, ineligible, or excluded or whose principals are suspended, debarred, or excluded from securing federally funded contracts. At the time of RFP response proposal submission, Proposer must submit a certification, Attachment 6, Certification Regarding Debarment, Suspension, Ineligibility, And Voluntary Exclusion – Lower Tier Covered Transactions in the RFP, attesting that neither it, or other principals is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Should the RFP identify prospective subcontractors, or should Proposer intend to use subcontractors in the provision of services under any subsequent agreement resulting from this RFP, Proposer must submit a certification, completed by each subcontractor, attesting that neither the subcontractor, as an organization, nor any of its owners, officers, partners, directors, or other principals is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts.

Failure to provide the required certification may eliminate the Proposer’s RFP response proposal from consideration.

In the event that Proposer and/or its subcontractor(s) is or are unable to provide the required certification, Proposer instead shall provide a written explanation concerning its inability and/or its subcontractor’s inability to provide the certification. Proposer’s written explanation shall describe the specific circumstances concerning the inability to certify. The written explanation shall further identify any owner, officer, partner, director, or other principal of the Proposer and/or subcontractor who is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Finally, the written explanation shall provide that person’s or those persons’ job description(s) and function(s) as they relate to the contract which is being solicited by this RFP.

The written explanation shall be examined by County to determine, in its full discretion, whether further consideration of the RFP is appropriate under federal law.
9) **Proposer’s Adherence to County Child Support Compliance Program**

Proposers shall: (1) fully comply with all applicable federal and State reporting requirements relating to employment reporting for its employees; and (2) comply with all lawfully served Wage and Earnings Assignment Orders and Notice of Assignment and continue to maintain compliance during the term of any Agreement that may be awarded pursuant to this competitive selection solicitation. Failure to comply may be cause for termination of a Agreement or initiation of debarment proceedings against the non-compliant Contractor (County Code Chapter 2.202).

10) **Consideration of GAIN/GROW Participants for Employment**

As a threshold requirement for consideration for Agreement award, proposers shall demonstrate a proven record of hiring participants in County Department of Public Social Services Greater Avenues for Independence GAIN or General Relief Opportunity for Work (GROW) Programs or shall attest to a willingness to consider GAIN/GROW participants for any future employment openings if they meet the minimum qualifications for that opening. Additionally, proposers shall attest to a willingness to provide employed GAIN/GROW participants access to the proposers’ employee mentoring program, if available, to assist these individuals in obtaining permanent employment and/or promotional opportunities. Proposers who are unable to meet this requirement shall not be considered for Agreement award. Proposers shall complete and return the form, **Attestation of Willingness to Consider GAIN/GROW Participants, Attachment 9B** along with their proposal.

11) **Notice to Proposers Regarding County Lobbyist Ordinance**

The Board has enacted an ordinance regulating the activities of persons who lobby County officials. This ordinance, referred to as the "Lobbyist Ordinance", defines a County Lobbyist and imposes certain registration requirements upon individuals meeting the definition. The complete text of the ordinance can be found in County Code Chapter 2.160. In effect, each person, corporation or other entity that seeks a County permit, license, franchise or Agreement must certify compliance with the ordinance. As part of this RFP competitive selection (i.e., solicitation) process, it will be the responsibility of each proposer to review the ordinance independently, as the text of said ordinance is not contained within this RFP. Thereafter, each person, corporation or other entity submitting a response to this solicitation, must certify that each County Lobbyist, as defined by Los Angeles County Code Section 2.160.010, retained by proposer is in full compliance with Chapter 2.160 of the Los Angeles County Code and each such County Lobbyist is **not** on the Executive Office’s List of Terminated Registered Lobbyists by completing and submitting **Attachment 9C, Familiarity with the County Lobbyist Ordinance Certification**, as part of their proposal.

12) **Federal Earned Income Tax Credit (EITC)**

Contractor shall notify its employees, and shall require each subcontractor to notify its employees, that they may be eligible for the federal EITC under the federal income tax laws. Such notice shall be provided in accordance with the requirements...
13) County’s Quality Assurance Plan

After Agreement award, County or its agent will evaluate Contractor’s performance under the Agreement on a periodic basis. Such evaluation will include assessing Contractor’s compliance with all terms in the Agreement and performance standards identified in the Statement of Work. Contractor’s deficiencies which County determines are severe or continuing and that may jeopardize performance of the Agreement will be reported to the County’s Board of Supervisors. The report will include improvement/corrective action measures taken by County and Contractor. If improvement does not occur consistent with the corrective action measures, County may terminate the Agreement in whole or in part, or impose other penalties as specified in the Agreement.

14) Recycle Bond Paper

Consistent with the Board policy to reduce the amount of solid waste deposited into County landfills, the Contractor agrees to use recycled content bond paper as specified in Exhibit IVA, Additional Provisions, Paragraph 54.

15) Safely Surrendered Baby Law

The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is available on the Internet at www.babysafela.org for printing purposes.

16) County Policy on Doing Business with Small Business

a. The County has multiple programs that address small businesses. The Board of Supervisors encourages small business participation in the County’s contracting process by constantly streamlining and simplifying our selection process and expanding opportunities for small businesses to compete for our business.

b. The Local Small Business Enterprise Preference Program requires the Firm to complete a certification process. This program and how to obtain certification are further explained in Section VII. TERMS AND CONDITIONS, Sub-paragraph B.17. Local Small Business Enterprise Preference Program of this RFP.

c. The Jury Service Program provides exceptions to the Programs if a proposer qualifies as a Small Business. It is important to note that each Program has a different definition for Small Business. Further explanation of the Program is provided in Section VII. TERMS AND CONDITIONS, Sub-paragraph B.18. Jury Service Program of this Section.
17) **Local Small Business Enterprise Preference Program (if applicable)**

a. The County will give Local SBE preference during the solicitation process to **businesses that meet the definition of a Local Small Business Enterprise** (Local SBE), consistent with Chapter 2.204.030C.2 of the Los Angeles County Code.

b. A business which is certified as small by the Small Business Administration (SBA) or which is registered as small on the federal Central Contractor Registration data base may qualify to request the Local SBE Preference in a solicitation.

c. SBE businesses must complete the Required Form - **Request for Local SBE Preference Program Consideration and CBE Firm/Organization Information Form – Attachment 9D** in the RFP, and include the completed form in their proposal. Sanctions and financial penalties may apply to a business that knowingly, and with intent to defraud, seeks to obtain or maintain the Local SBE Preference.

18) **Jury Service Program**

The prospective contract is subject to the requirements of the County’s Contractor Employee Jury Service Ordinance (“Jury Service Program”) (Los Angeles County Code, Chapter 2.203). Prospective Contractors should carefully read the **Jury Service Ordinance, Exhibit VII** of this RFP, and the pertinent jury service provisions of the **Additional Provisions, Exhibit IVA, Section 58**, both of which are incorporated by reference into and made a part of this RFP. The Jury Service Program applies to both Contractors and their Subcontractors.

Proposals that fail to comply with the requirements of the Jury Service Program will be considered non-responsive and excluded from further consideration.

a. The Jury Service Program requires Contractors and their Subcontractors to have and adhere to a written policy that provides that its employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the employee’s regular pay the fees received for jury service. For purposes of the Jury Service Program, “employee” means any California resident who is a full-time employee of a Contractor and “full-time” means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) the Contractor has a long-standing practice that defines the lesser number of hours as full-time. Therefore, the Jury Service Program applies to all of a Contractor’s full-time California employees, even those not working specifically on the County project. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program.
b. There are two ways in which a Contractor might not be subject to the Jury Service Program. The first is if the Contractor does not fall within the Jury Service Program’s definition of “Contractor”. The Jury Service Program defines “Contractor” to mean a person, partnership, corporation of other entity which has a contract with the County or a Subcontract with a County Contractor and has received or will receive an aggregate sum of $50,000 or more in any 12-month period under one or more County contracts or subcontracts. The second is if the Contractor meets one of the two exceptions to the Jury Service Program. The first exception concerns small businesses and applies to Contractors that have (a) ten or fewer employees; and, (b) annual gross revenues in the preceding twelve months which, if added to the annual amount of this Contract is less than $500,000, and, (c) is not an “affiliate or subsidiary of a business dominant in its field of operation”. The second exception applies to Contractors that possess a collective bargaining agreement that expressly supersedes the provisions of the Jury Service Program. The Contractor is subject to any provision of the Jury Service Program not expressly superseded by the collective bargaining agreement.

c. If a Contractor does not fall within the Jury Service Program’s definition of “Contractor” or if it meets any of the exceptions to the Jury Service Program, then the Contractor must so indicate in the Contractor Employee Jury Service Program Certification Form and Application for Exception, Attachment 9E, and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the Contractor’s application, the County will determine, in its sole discretion, whether the Contractor falls within the definition of Contractor or meets any of the exceptions to the Jury Service Program. The County’s decision will be final.

19) Proposer’s Charitable Contributions Compliance

a. California’s “Supervision of Trustees and Fundraisers for Charitable Purposes Act” regulates receiving and raising charitable contributions. Among other requirements, those subject to the Charitable Purposes Act must register. The 2004 Nonprofit Integrity Act (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. Prospective Contractors should carefully read the Background and Resources: California Charities Regulations, Exhibit VIII of this RFP. New rules cover California public benefit corporations, unincorporated associations, and trustee entities and may include similar foreign corporations doing business or holding property in California. Key Nonprofit Integrity Act requirements affect executive compensation, fund-raising practices and documentation. Charities with over $2 million of revenues (excluding funds that must be accounted for to a governmental entity) have new audit requirements.

b. All prospective contractors must determine if they receive or raise charitable contributions which subject them to the Charitable Purposes Act and complete the Charitable Contributions Certification form, Attachment 9F. A completed Charitable Contributions Certification is a required part of any agreement with the County.
c. In **Attachment 9F, Charitable Contributions Certification**, prospective contractors certify either that:

- they have determined that they do not now receive or raise charitable contributions regulated under the California Charitable Purposes Act, (including the Nonprofit Integrity Act) but will comply if they become subject to coverage of those laws during the term of a County agreement,

- OR -

- they are currently complying with their obligations under the Charitable Purposes Act, attaching a copy of their most recent filing with the Registry of Charitable Trusts.

d. Prospective County contractors that do not complete **Attachment 9F** as part of the solicitation process may, in the County's sole discretion, be disqualified from contract award. A County contractor that fails to comply with its obligations under the Charitable Purposes Act is subject to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)

20) **Transitional Job Opportunities Preference Program**

a. In evaluating proposals, the County will give preference to businesses that are certified by the County as Transitional Job Opportunity vendors, consistent with Chapter 2.205 of the Los Angeles County Code. A Certified Transitional Job Opportunity vendor is, and has been such for three (3) years, an entity: 1) that is a non-profit organization recognized as tax exempt pursuant to section 501 (c) (3) of the Internal Revenue Services Code; set forth, under penalty of perjury, such information as requested by the County on either electronic or hard copy forms, along with their application form and three most recent annual tax returns to the Department with their proposal response to the contracting solicitation for which they are competing; 2) has been in operation for at least one year providing transitional job and the related supportive services to program participants; and 3) provide a profile of their program with a description of their program components designed to assist program participants, number of past program participants, and any other information requested by a contracting Department.

b. Transitional Job Opportunities vendors must request the preference in their solicitation response and may not receive the preference until their certification has been affirmed by the applicable Department. County must verify the Transitional Job Opportunity vendor certification prior to applying the preference. Sanctions and financial penalties may apply to a Proposer that knowingly and with intent to defraud seeks to obtain or maintain certification as a Transitional Job Opportunities vendor.

c. To request the Transitional Job Opportunities Preference, Proposer must complete the **Transitional Job Opportunities Preference Application – Attachment 9G** and submit it along with all supporting documentation with their proposal.
21) Defaulted Property Tax Reduction Program

The prospective contract is subject to the requirements of the County’s Defaulted Property Tax Reduction Program (“Defaulted Tax Program”) (Los Angeles County Code, Chapter 2.206). Prospective Contractors should carefully read the Defaulted Property Tax Reduction Program, Exhibit IX of this RFP, and the pertinent provisions of the Additional Provisions, Exhibit IVA, Paragraphs 52A and 52B, both of which are incorporated by reference into and made a part of this solicitation. The Defaulted Property Tax Reduction Program applies to both Contractors and their Subcontractors.

Proposers shall be required to certify that they are in full compliance with the provisions of the Defaulted Tax Program and shall maintain compliance during the term of any contract that may be awarded pursuant to this solicitation or shall certify that they are exempt from the Defaulted Tax Program by completing Certification of Compliance with The County’s Defaulted Property Tax Reduction Program, Attachment 9H in this RFP. Failure to maintain compliance, or to timely cure defects, may be cause for termination of a contract or initiation of debarment proceedings against the non-compliance contractor (Los Angeles County Code, Chapter 2.202).

Proposals that fail to comply with the certification requirements of the Defaulted Tax Program will be considered non-responsive and excluded from further consideration.

VIII. EVALUATION AND SELECTION

A. Selection Process

The County reserves the sole right to judge the contents of the proposals submitted pursuant to this RFP, to review and request clarifying or additional information at any time during the RFP process in order to evaluate and make a recommendation. The evaluation process will begin after the submission deadline as specified in Section IV. CRITICAL DATES AND SUBMISSION INFORMATION and Section V. INSTRUCTIONS TO PROPOSERS SUBMITTING PROPOSALS of this RFP.

An Evaluation Committee selected by the Director or his authorized designee will be responsible for evaluating all proposals that are submitted in a timely manner. Proposals will be scored according to the specific criteria listed in this RFP, as identified in Section VI. PROPOSAL REQUIREMENTS of this RFP. The Director or his/her authorized designee may determine in his/her sole discretion that an interview and/or site visit is necessary with Proposers receiving the highest proposal rating scores by the Evaluation Committee. If an interview and/or site visit is necessary, elements of the interview and/or site visit will be assigned a numerical score and factored into the consideration of the proposal’s overall merit.

For the final selection of prospective Contractor, the County and the prospective Contractor will negotiate a contract for recommendation to the County Board of Supervisors for its consideration and possible approval. The recommendation to award
a Contract will not bind the Board of Supervisors to award a Contract to the prospective Contractor.

The proposal evaluation process shall consist of a Pass/Fail Qualifying Review, a scored Program Design Evaluation, and an optional Interview/Site Visit if warranted for verification or additional information. Proposer’s references provided in Section 6 of the proposal will be verified and proposer’s past performance history on County or other contracts will be determined by reviewing the County’s Contract Database and Contractor Alert Reporting Database, if applicable.

1) Proposed Budget

The County may determine that credit may be given to proposals for Local Small Business Enterprises (SBEs) and/or Transitional Job Opportunities employers. As defined by Chapter 2.204.030C.2 of the Los Angeles County Code and following the requirements identified in Section VII. TERMS AND CONDITIONS, Paragraph B.17. Local Small Business Enterprise Preference Program (if applicable) and Paragraph B.20. Transitional Job Opportunities Preference Program of this RFP, should one or more of the Proposers request and be granted the Local Small Business Enterprise (SBE) Preference and/or Transitional Job Opportunities Preference, the cost component points will be determined as follows:

- **Local SBE Preference:** Eight percent (8%) of the lowest cost proposed will be calculated, which shall not exceed Fifty Thousand Dollars ($50,000), and that amount will be deducted from the Cost submitted by all Local SBE Proposers who requested and were granted the Local SBE Preference.

- **Transitional Job Opportunities Preference:** Five percent (5%) of the lowest cost proposed will be calculated and that amount will be deducted from the Cost submitted by all Proposers who requested and were granted the Transitional Job Opportunities Preference.

If no proposer qualifies for such local SBE and/or Transitional Job Opportunities Preference, then no such preference or credit shall be given to any proposer.

2) Pass/Fail Qualifying Review

   a. Minimum Mandatory Requirements

      The Pass/Fail Qualifying Review will primarily consist of a review of Proposer’s ability to meet the Minimum Mandatory Requirements to Participate and its Financial Capability to provide the services being solicited by this RFP.

      Proposer must indicate compliance by completing Attachment 2, Minimum Mandatory Requirements to Participate form. Failure of the proposer to comply with any of the Minimum Mandatory Requirements to Participate in addition to providing the required information as detailed in Section III. MINIMUM MANDATORY REQUIREMENTS TO PARTICIPATE and in
Attachment 2 of this RFP may be deemed non-responsive and disqualified from further consideration. The Director may elect to waive any informality in a proposal if the sum and substance of the proposal is present.

3) Financial Capability

The Pass/Fail Review phase of the evaluation process also includes an evaluation of the Proposer’s financial capability in which County will determine if proposer is financially stable to provide services required under this RFP. A subject matter expert will evaluate and recommend a score based on the financial strength and capability of the proposer in the provision of required services throughout the term of any resultant Contract, as well as evidence of the Proposer’s capability to absorb all costs related to the provision of services for a minimum of sixty (60) days, during any resultant Contract.

Applicants that are currently contracted with SAPC and are in contract compliance need not include financial statements in their proposals since, as current contractors, they have been monitored by County and proven to be financially stable to date. SAPC will review these applicants’ current financial documents that are on file and score them appropriately.

To be eligible to proceed to the scored, final phase of the evaluation process, a proposal must have received a “Pass” rating, i.e., met all the Minimum Mandatory Requirements and received a minimum score of 65% on Financial Capability. A proposal that receives a “Fail” rating, i.e., did not meet all the Minimum Mandatory Requirements and/or received a score of less than 65% on Financial Capability, may be determined to be non-responsive and will be disqualified from further evaluation. The concerned proposer(s) will be notified by County and upon receipt of the written determination of non-responsiveness, the proposer may submit a written request for a Disqualification Review. For further details, please see Paragraph D. Disqualification Review of this section.

The Director of DPH, or his designee, at his/her sole discretion, may waive this requirement.

4) Final Score

The final evaluation score per proposal is arrived at by adding up the individual scores from the following evaluation components:
The highest possible final score per proposal representing the sum total of all these component scores is **1,000 points**.

### B. Contract Negotiations

After a prospective Contractor has been selected, County and the prospective Contractor(s) will negotiate a contract for submission to the Board of Supervisors for its consideration and possible approval. County may, in its sole determination, disqualify any Proposer with whom County cannot satisfactorily negotiate a contract. If the parties come to an impasse at any time during the negotiation process, negotiations may be terminated with the Proposer and the process started over with the next highest rated Proposer.

The recommendation to award a contract will not bind the Board of Supervisors to award a contract to the prospective Contractor.

### C. Solicitation Requirements Review

Any person or entity may seek a Solicitation Requirements Review by submitting **Attachment 11, Transmittal Form to Request a Solicitation Requirements Review**. A request for a Solicitation Requirements Review may be denied, in the Department’s sole discretion, if the request does not satisfy **all** of the following criteria:

1. The request for a Solicitation Requirements Review is made within ten (10) business days from the issuance of this RFP.

2. The request for a Solicitation Requirements Review includes documentation which demonstrates the underlying ability of the person or entity to submit a proposal.

3. The request for a Solicitation Requirements Review itemizes in appropriate detail, each matter contested and factual reasons for the requested review; and

4. The request for a Solicitation Requirements Review asserts either that:

5. application of the minimum requirements, evaluation criteria, and/or business requirements unfairly disadvantages the person or entity; or

6. due to unclear instructions, the process may result in County not receiving the best possible responses from prospective Proposers.

All requests for a Solicitation Requirements Review should be submitted by direct delivery to the Department by U.S. mail and/or facsimile transmission only, by June 5, 2012. The Solicitation Requirements Review shall be completed and the Department’s determination shall be provided to the requesting person or entity, in writing, within a reasonable time prior to the proposal due date.

D. Disqualification Review

A proposal may be disqualified from consideration because a department determined it was a non-responsive proposal at any time during the review/evaluation process or received a “Fail” rating at the Pass/Fail Review phase of the evaluation process. These disqualified proposals will not be allowed to proceed to the final, scored phase of the evaluation process.

If a department determines that a proposal is disqualified due to non-responsiveness or has received a “Fail” rating, the Department shall notify the proposer in writing.

Upon receipt of the written determination on non-responsiveness or “Fail” rating, the proposer may submit a written request for a Disqualification Review within the timeframe specified in the written determination. Requests for a Disqualification Review not submitted by that date will be denied.

A Disqualification Review shall only be granted under the following circumstances:

1) The proposer/person requesting a Disqualification Review is a proposer;

2) The request for a Disqualification Review is submitted by the date specified; and,

3) The request for a Disqualification Review asserts that the Department’s determination of disqualification due to proposal non-responsiveness was erroneous (e.g., factual errors, etc.) and provides factual support on each ground asserted as well as copies of all documents and other material that support the assertions.

The Disqualification Review shall be completed and the determination shall be provided to the proposer, in writing, prior to the conclusion of the evaluation process.
E. Proposed Contractor Selection Review

- **Departmental Debriefing Process**

Upon completion of the evaluation, the Department shall notify the remaining Proposers in writing that the Department is entering negotiations with another Proposer. Upon receipt of the letter, any non-selected Proposer may submit a written request for a Debriefing within the timeframe specified in the letter. Only proposers whose proposals completed the evaluation process, i.e., passed the Pass/Fail Review phase and went through the final, scored phase, are eligible for a Debriefing. A request for a Debriefing may, in the Department’s sole discretion, be denied if the request is not received within the specified timeframe.

The purpose of the Debriefing is to compare the requesting Proposer’s response to the RFP with the evaluation document and explaining the reason(s) for its score. The requesting Proposer shall be debriefed only on its response and score. Because contract negotiations are not yet complete, responses from other Proposers shall not be discussed, although the Department may inform the requesting Proposer of its relative ranking.

During or following the Debriefing, the Department will instruct the requesting Proposer of the manner and timeframe in which the requesting Proposer must notify the Department of its intent to request a Proposed Contractor Selection Review, if the requesting Proposer is not satisfied with the results of the Debriefing.

- **Proposed Contractor Selection Review**

Any Proposer that has timely submitted a notice of its intent to request a Proposed Contractor Selection Review as described in this Section may submit a written request for a Proposed Contractor Selection Review, in the manner and timeframe as shall be specified by the Department.

A request for a Proposed Contractor Selection Review may, in the Department's sole discretion, be denied if the request does not satisfy all of the following criteria:

1. The person or entity requesting a Proposed Contractor Selection Review is a Proposer;

2. The request for a Proposed Contractor Selection Review is submitted timely (i.e., by the date and time specified by the Department);

3. The person or entity requesting a Proposed Contractor Selection Review asserts in appropriate detail with factual reasons one or more of the following grounds for review:

   a. The Department materially failed to follow procedures specified in its solicitation document. This includes:
(1) Failure to correctly apply the standards for reviewing the proposal format requirements.

(2) Failure to correctly apply the standards, and/or follow the prescribed methods, for evaluating the proposals as specified in the solicitation document.

(3) Use of evaluation criteria that were different from the evaluation criteria disclosed in the solicitation document.

b. The Department made identifiable mathematical or other errors in evaluating proposals, resulting in the Proposer receiving an incorrect score and not being selected as the recommended contractor.

c. A member of the Evaluation Committee demonstrated bias in the conduct of the evaluation.

d. Another basis for review as provided by state or federal law; and

e. The request for a Proposed Contractor Selection Review sets forth sufficient detail to demonstrate that, but for the Department's alleged failure, the Proposer would have been the lowest cost, responsive and responsible bid or the highest-scored proposal, as the case may be.

Upon completing the Proposed Contractor Selection Review, the Department representative shall issue a written decision to the Proposer within a reasonable time following receipt of the request for a Proposed Contractor Selection Review, and always before the date the contract award recommendation is to be heard by the Board. The written decision shall additionally instruct the Proposer of the manner and timeframe for requesting a review by a County Review Panel.

- **County Review Panel Process**

Any Proposer that is not satisfied with the results of the Proposed Contractor Selection Review may submit a written request for review by a County Review Panel in the manner and timeframe specified by the Department in the Department's written decision regarding the Proposed Contractor Selection Review.

A request for review by a County Review Panel may, in County's sole discretion, be denied if the request does not satisfy all of the following criteria:

1. The person or entity requesting review by a County Review Panel is a Proposer;

2. The request for a review by a County Review Panel is submitted timely (i.e., by the date and time specified by the Department); and
3. The person or entity requesting review by a County Review Panel has limited the request to items raised in the Proposed Contractor Selection Review and new items that (a) arise from the Department's written decision and (b) are one of the appropriate grounds for requesting a Proposed Contractor Selection Review as listed above.

Upon completion of County Review Panel's review, the Panel will forward its report to the Department, which will provide a copy to the Proposer.

ENVIRONMENTAL SCAN OF LAC+USC MEDICAL CENTER AND THE SURROUNDING COMMUNITY

INITIAL FINDINGS

PREPARED FOR THE NEEDS SPECIAL ASSISTANCE (NSA) INTERDEPARTMENTAL WORK GROUP

By Michael Sparks M.A., Consultant Building Leadership for Community Development

August 01, 2011
EXECUTIVE SUMMARY

At any given time there are approximately 48,000 homeless people living in Los Angeles County with approximately seventy-four percent of these suffering from a disabling condition of which mental disorders and substance use disorders are a part; forty-eight percent use the Emergency Room as their primary source of health care due to lack of resources being available to them.¹

Los Angeles County University of Southern California (LAC+USC) Medical Center is one of the largest hospitals in America and is the largest health care provider in Los Angeles County, providing over twenty-eight percent of the trauma care in the County.²

In an effort to reduce costs and increase the efficiency of the Emergency Department (ED), LAC+USC Medical Center identified the most frequent users of the ED. Many of the frequent users of the ED, those who used the ED eight or more times a month, were identified as also having co-occurring mental health and substance use disorders (COD). These patients were labeled as “needs special assistance” or NSA, and a work group was established to directly address their needs.

The NSA work group is comprised of various entities within Los Angeles County such as: Department of Public Health Substance Abuse Prevention and Control (SAPC), Department of Public Social Services, Exodus and Telecare, both mental health service providers, LAC+USC Medical Center’s ED and Psychiatric and Social Services Department, Department of Mental Health, the Los Angeles Housing Services Authority, and the County Counsel.

In order to access the risks associated with the LAC+USC Medical Center and the surrounding community an environmental scan was requested by SAPC in conjunction with LAC+USC Medical Center, NSA work group and was conducted with both SAPC staff and LAC+USC Medical Center partners under the direction of Michael Sparks, Executive Director of Sparks Initiatives.

Environmental scanning is a widely used qualitative data collection method with the purpose of identifying community needs and assessments. This scan was commissioned to identify environmental factors that contribute to the increased presence of NSA patients in the LAC+USC Medical Center Emergency Department (ED).

The scan was completed in three parts over the course of three months, with two conducted during the daylight and one conducted at night, in order to ascertain the behaviors by the surrounding community of LAC+USC Medical Center and its neighbors that potentially hinder NSA patients from receiving services that assist them in improving their quality of life.

The purpose of this scan was not in any way to paint NSA patients or LAC+USC Medical Center as problematic but to instead gain an understanding of what factors that, when combined, resulted in NSA patients remaining homeless, actively using alcohol and drugs, and not seeking mental health treatment; therefore remaining dependent on the ED instead of moving into supportive housing and recovery thereby becoming independent.

Each part of the scan was conducted by work group members, who walked around LAC+USC Medical Center and the surrounding community, identifying conditions, using tailored survey instruments, that contribute to NSA patients overusing the ED as a primary care facility. The following recommendations were developed by the consultant based on the results of the scan.

**Recommendations:**

1. **Secure the campus areas susceptible to homeless encampments:**
   a) Use fence to deny access.
   b) Use 24/7 security guard who patrols high-risk areas.
   c) Clean up hazards such as broken glass and deep holes in the ground.
   d) Lock gates to restrict access to locations on campus not used by staff or patients.

2. **Enforce hospital policy that homeless are not allowed to live on campus:**
   a) Inform staff by memos or other means that individuals are not allowed to live on campus.
   b) Hold staff meetings on how to interact with those who have been living on campus.

3. **Sheriff bike patrol on campus plus 1/8 mile perimeter to deter homelessness loitering and potential illegal activities.**

4. **Consider administrative action against alcohol outlet selling to intoxicated patrons:**
   a) Consider license restrictions for single sales if one is not already in place. If the license has restrictions, file an ABC complaint. If a conditional use permit (CUP) is in place, enforce or modify conditions to prohibit sales of single containers and high-potency malt beverages and fortified wines.

5. **Enhance lighting in alleys behind Marengo Street.**

6. **Install lighting on apartments that front railroad tracks and thing brush that prevent individuals from being visible in that area.**

7. **Secure levels of off-campus parking garage on Marengo in evening hours.**

8. **Collect information on any parolees/probationers living in nearby apartments. Information could include numbers of this population living in the area, conditions of parole or probation, calls for service to apartments, numbers of arrests in last year, parole/probation violations, etc.**

9. **Ensure that community-based organizations within the area are aware of NSA resources available to assist homeless patients with receiving appropriate mental health and substance use disorder referrals.**
10. Request City of Los Angeles Parks and Recreation make upgrades at Lincoln Park:
   a) Remove or paint over graffiti;
   b) Add lighting where needed; and
   c) Post signage with park hours, stating that drinking in the park is illegal, and with the communication center’s number to report drinking and other illegal activity.
INSTRUCTIONS FOR PREPARING WORK PLAN

For the purpose of this RFP, a 36 month timeframe shall be used to complete the Work Plan. Proposer is required to complete a Work Plan for each fiscal year (e.g., FY 2012-2013, FY 2013 -2014, FY 2014-2015).

The Work Plan must include sufficient detail to enable the evaluation committee and County, SAPC to understand the scope of the proposed services. Over the 36 month period, the Work Plan must reflect a logical progression to achieve the goals and objectives and thus cannot just repeat the previous fiscal year's activities.

Using the format provided (Attachment 5), please follow the instructions as described below.

1. Goals – represent the vision of a project: the hoped-for outcome. They clearly show direction, they are not always specific enough to be measurable. Progress toward a goal should be measurable with time but many specific activities/strategies will have to occur before a goal is actually achieved. State your project’s overall goal.

2. Objectives – are the milestones along the way to the goal. Identify Objective(s) you will be working toward achieving.
   a. Each Objective should reflect the change you hope to achieve as a result of the activities you conduct.
   b. Each Objective should be SMART:
      - Specific
      - Measurable
      - Achievable
      - Realistic
      - Time-specific
   c. Each objective should be numbered consecutively (i.e., 1,2,3)

3. Activities – are those events such as mobilizing and organizing, coordinating meetings, assessing, planning, conducting educational community sessions, outreach, and other strategies that work together, and enable one to achieve specific goals and objectives. The Activities section describes specific steps that will be taken to accomplish each Objective. They should follow a logical sequence of events with specific steps that will be taken to accomplish each objective.

5. Timeline - A timeline should be created to specify the timeframe in which each activity is planned to be started and ended for each fiscal year (General fiscal year timeline such as 07/01/11-06/30/12 will not be accepted). Timeframes should correlate to activities by being labeled with corresponding lower-case letters (i.e., a,b,c).

6. Expected Outcomes – While the Objective describes the change you hope will occur as a result of your collective efforts, the Expected Outcomes section is an opportunity for you to describe the change you expect as a result of the process along the way to achieving your Objective.
Evaluation – works to discover the strengths and weaknesses of project activities it allows programs to use resources more efficiently in the future. Evaluation does not have to be expensive or complicated to be useful.

Evaluation measures are not necessary for every activity, but should be carefully considered in the planning process. The Evaluation section should include documentation of activities as well as true evaluation measures and is used for evaluating the effectiveness of individual steps along the way as well as your overall program and for auditing verification purposes.

a. Examples of documentation include, but are not limited to, flyers, agendas, photos, meeting reports, attendance rosters, pre-/post-test materials, etc. Evaluation measures include, but are not limited to, CalOMS Pv, pre-/post-test results, police call-for-service data analysis, service utilization, etc.

b. Evaluation measures should correlate to activities by being labeled with corresponding lower-case letters (i.e., a, b, c).

INSTRUCTIONS FOR PREPARING BUDGET AND NARRATIVE FORMS

The following information is provided for reference purposes only. Actual figures will depend on the agency’s proposed program design, expenses, and revenue.

I. GENERAL REQUIREMENTS

A. Budget should include all costs related to the proposed project.

B. Line items for all budget categories should include a description and justification for each item.

C. Category totals should equal the total amount requested in the proposal.

II. PROGRAM EXPENSES

A. Salaries and Employee Benefits

1. **Salaries:** Include all line, supervisory, and other staff positions who provide direct services. To determine the TOTAL SALARY COSTS for a position, use the following formula: Monthly salary times [x] number of months budgeted on project times [x] percent of time on project equals [=] TOTAL SALARY COSTS

   **Example A:** Full-time employee working 70% of time on project
   $2,000 x 12 x 70% = $16,800

   **Example B:** Half-time employee working 50% of time on project
   $1,000 x 12 x 50% = $ 6,000

   **Total Salaries:** $16,800 plus [=] $6,000 = $22,800

2. **Employee Benefits:** This is calculated percentage of each employee’s total salary costs; based on such expenses as FICA, SUI, Medical/Dental, Workmen’s Compensation, or other benefits.

   **Example:**
   FICA @ 7.65% + SUI @ 4.25% + Medical/Dental @ 6.0% + Workers’ Comp @ 3.25% = 21.15% percentage of all paid employee benefits.
EXHIBIT III

INSTRUCTIONS FOR PREPARING BUDGET AND NARRATIVE FORMS

To determine TOTAL EMPLOYEE BENEFITS for each position, use the following formula:

\[ \text{TOTAL SALARY COSTS} \times \text{percentage of all paid employee benefits} = \text{TOTAL EMPLOYEE BENEFITS} \]

**Example A:**

Full-time employee working 70% of time on project, $16,800 x 21.15% = $3,553.20

**Example B:**

Half-time employee working 50% of time on project, $6,000 x 21.15% = $1,269.00

Total Employee Benefits: $3,553.20 + $1,269.00 = $4,822.20

3. Total Salaries and Employee Benefits: $22,800 + $4,822.20 = $27,622.20

B. Facility Rent/Lease Expenses

The total amount of FACILITY RENT OR LEASE EXPENSES charged to this project are based on the following formula: Total monthly rental or lease amount, divided by total gross square footage = cost per square foot x total square footage used for this project x number of months project is budgeted = TOTAL FACILITY RENT OR LEASE EXPENSES

**Example:** $2,000 / 2,000 sq.ft x 1,000 sq.ft x 12 months = $12,000

C. Equipment and/or Other Assets Expenses

Equipment and/or other assets expenses should be determined by calculating the amount of time the leased equipment or other assets will be used exclusively on this project.

**Example:** One (1) copier rental with tone and paper supplies at $500 per month x 10% usage on project = $50.00 per month x 12 months = $600

**Example:** One (1) computer at $5000 x 100% usage on project + 5 years depreciation = 1,400
D. Services, Supplies, and Equipment Depreciation

Indicate expenditures for any of the following items: Audit fees, bookkeeping fees, books and publications, facility maintenance, insurance, license/permit fees, mileage, office machine maintenance/repairs, office supplies, postage, printing, janitorial and other maintenance supplies, telephone, training, utilities, interest expenses, and consultants. **Note:** Minimum of five (5) percent shall be budgeted for an evaluator.

**Example:**
- audit fees $200.00
- bookkeeping fees $300.00
- books and publications $150.00
- facility maintenance $500.00
- insurance $900.00
- license/permit fees $50.00
- mileage $400.00
- office machine maintenance/repairs $200.00
- office supplies $1,000.00
- postage $30.00
- printing $30.00
- janitorial/other maintenance supplies $35.00
- telephone $750.00
- training $150.00
- utilities $100.00
- interest expense $100.00
- consultants $100.00
- other $0.00

**total** $4,995.00

E. Administrative Overhead

An administrative overhead rate may be applied to project costs, based upon acceptable accounting and budgeting procedures. An administrative overhead rate over 20% needs additional justification of how rate was determined. Project size, other available resources, number and type of concurrent projects undertaken by agency, etc. are all examples of different factors to consider in determining if or to what extent an administrative overhead rate may be applied. Any and all supporting...
EXHIBIT III

INSTRUCTIONS FOR PREPARING BUDGET AND NARRATIVE FORMS

documentation showing how the administrative overhead rate was calculated must be appended to the budget.

F. Total Gross Cost of Program

The total gross cost is determined by adding all program expenses calculated for the budget

The total Income/Revenue of program is $52,141.00.
IV. **BUDGET NARRATIVE (DETAILED DESCRIPTION AND JUSTIFICATION OF EACH LINE ITEM BUDGET CATEGORY)**

A. **Description**

Explain how salaries and employee benefit costs were calculated. Provide a brief description of each requested item, the corresponding cost, and a brief justification statement. Explain how each line item expense relates to your written proposal.

*Example: (Under EQUIPMENT AND/OR OTHER ASSETS category)*

1 printer @ $1,500

*Description:* This printer is compatible with the agency's IBM computer.

B. **Justification**

Provide sufficient reason for the importance and need of each line item requested in the budget, as it relates to (1) strategies/program elements and activities of the written program proposal, and (2) any administrative services or requirements.

The report will include improvement/corrective action measures taken by the County and the Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Contract or impose other penalties as specified in this Contract.

8.16 EMPLOYMENT ELIGIBILITY VERIFICATION

8.16.1 The Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Contract meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. The Contractor shall obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. The Contractor shall retain all such documentation for all covered employees for the period prescribed by law.

8.16.2 The Contractor shall indemnify, defend, and hold harmless, the County, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the Contractor or the County or both in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Contract.

8.17 FACSIMILE REPRESENTATIONS

The County and the Contractor hereby agree to regard facsimile
representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Amendments prepared pursuant to sub-paragraph 8.1, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to Amendments to this Contract, such that the parties need not follow up facsimile transmissions of such documents with subsequent (non-facsimile) transmission of “original” versions of such documents.

8.18 FAIR LABOR STANDARDS

The Contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act and shall indemnify, defend, and hold harmless the County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by the Contractor's employees for which the County may be found jointly or solely liable.

8.19 FORCE MAJEURE

8.19.1 Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this sub-paragraph as “force majeure events”).

8.19.2 Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this sub-paragraph, the term “subcontractor” and “subcontractors” mean subcontractors at any tier.
8.19.3 In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.20 GOVERNING LAW, JURISDICTION, AND VENUE

This Contract shall be governed by, and construed in accordance with, the laws of the State of California. The Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Contract and further agrees and consents that venue of any action brought hereunder shall be exclusively in the County of Los Angeles.

8.21 INDEPENDENT CONTRACTOR STATUS

8.21.1 This Contract is by and between the County and the Contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and the Contractor. The employees and agents of one party shall not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.

8.21.2 The Contractor shall be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Contract all compensation and benefits. The County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the Contractor.

8.21.3 The Contractor understands and agrees that all persons performing work pursuant to this Contract are, for purposes of Workers' Compensation liability, solely employees of the Contractor and not employees of the County. The Contractor shall be solely liable and responsible for furnishing any and all Workers' Compensation benefits to any person as a result of any injuries arising from or connected with any work performed by or on behalf of the Contractor pursuant to this Contract.

8.21.4 The Contractor shall adhere to the provisions stated in sub-paragraph 7.5 - Confidentiality.

8.23 GENERAL PROVISIONS FOR ALL INSURANCE COVERAGE

Without limiting Contractor's indemnification of County, and in the performance of this Contract and until all of its obligations pursuant to this Contract have been met, Contractor shall provide and maintain at its own expense insurance coverage satisfying the requirements specified in Sections 8.24 and 8.25 of this Contract. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to this Contract. The County in no way warrants that the Required Insurance is sufficient to protect the Contractor for liabilities which may arise from or relate to this Contract.

β Certificate(s) of insurance coverage (Certificate) satisfactory to County, and a copy of an Additional Insured endorsement confirming County and its Agents (defined below) has been given Insured status under the Contractor's General Liability policy, shall be delivered to County at the address shown below and provided prior to commencing services under this Contract.

β Certificates shall identify all Required Insurance coverage types and limits specified herein, reference this Contract by name or number, and be signed by an authorized representative of the insurer(s). The Insured party named on the Certificate shall match the name of the Contractor identified as the contracting party in this Contract. Certificates shall provide the full name of each
insurer providing coverage, its NAIC (National Association of Insurance Commissioners) identification number, its financial rating, the amounts of any policy deductibles or self-insured retentions exceeding fifty thousand ($50,000.00) dollars, and list any County required endorsement forms.

Neither the County's failure to obtain, nor the County's receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by the Contractor, its insurance broker(s) and/or insurer(s), shall be construed as a waiver of any of the Required Insurance provisions.

Certificates and copies of any required endorsements shall be sent to:

County of Los Angeles Department of Public Health
Substance Abuse Prevention and Control
1000 South Fremont Avenue
Alhambra, California 91803

Attention: Director

The County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees and Volunteers (collectively County and its Agents) shall be provided additional insured status under Contractor's General Liability policy with respect to liability arising out of Contractor's ongoing and completed operations performed on behalf of the County. County and its Agents additional insured status shall apply with respect to liability and defense of suits arising out of the Contractor's acts or

The full policy limits and scope of protection also shall apply to the County and its Agents as an additional insured, even if they exceed the County’s minimum Required Insurance specifications herein. Use of an automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

8.23.3 Cancellation of or Changes in Insurance

Contractor shall provide County with, or Contractor's insurance policies shall contain a provision that County shall receive, written notice of cancellation or any change in Required Insurance, including insurer, limits of coverage, term of coverage or policy period. The written notice shall be provided to County at least ten (10) days in advance of cancellation for non-payment of premium and thirty (30) days in advance for any other cancellation or policy change. Failure to provide written notice of cancellation or any change in Required Insurance may constitute a material breach of the Contract, in the sole discretion of the County, upon which the County may suspend or terminate this Contract.

8.23.4 Failure to Maintain Insurance

Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the Contract, upon which County immediately may withhold payments due to Contractor, and/or suspend or terminate this Contract. County, at its sole discretion, may obtain damages from Contractor resulting from said breach. Alternatively, the County may purchase the Required Insurance, and without further notice to Contractor, deduct the premium cost from sums due to Contractor or pursue Contractor reimbursement.

8.23.7 Waivers of Subrogation

To the fullest extent permitted by law, the Contractor hereby waives its rights and its insurer(s)’ rights of recovery against County under all the Required Insurance for any loss arising from or relating to this Contract. The Contractor shall require its insurers to execute any waiver of subrogation endorsements which may be necessary to effect such waiver.

8.23.8 Sub-Contractor Insurance Coverage Requirements

Contractor shall include all Sub-Contractors as insureds under Contractor’s own policies, or shall provide County with each Sub-Contractor’s separate evidence of insurance coverage. Contractor shall be responsible for verifying each Sub-Contractor complies with the Required Insurance provisions herein, and shall require that each Sub-Contractor name the County and Contractor as additional insureds on the Sub-Contractor’s General Liability policy. Contractor shall obtain County’s prior review and approval of any Sub-Contractor request for modification of the Required Insurance.

8.23.9 Deductibles and Self-Insured Retentions (SIRs)

Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

Subject to applicable law, the County shall make a reasonable effort to maintain the confidentiality of such audit report(s).

8.36.2 Failure on the part of the Contractor to comply with any of the provisions of this sub-paragraph 8.38 shall constitute a material breach of this Contract upon which the County may terminate or suspend this Contract.

8.36.3 If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the County conduct an audit of the Contractor regarding the work performed under this Contract, and if such audit finds that the County’s dollar liability for any such work is less than payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County’s Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Contract or otherwise. If such audit finds that the County’s dollar liability for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County’s maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.

8.38.4 The Contractor shall remain fully responsible for all performances required of it under this Contract, including those that the Contractor has determined to subcontract, notwithstanding the County’s approval of the Contractor’s proposed subcontract.

8.38.5 The County’s consent to subcontract shall not waive the County’s right to prior and continuing approval of any and all personnel, including Subcontractor employees, providing services under this Contract. The Contractor is responsible to notify its Subcontractors of this County right.

8.38.6 The County’s Project Director is authorized to act for and on behalf of the County with respect to approval of any subcontract and Subcontractor employees. After approval of the subcontract by the County, Contractor shall forward a fully executed subcontract to the County for their files.

8.38.7 The Contractor shall be solely liable and responsible for all payments or other compensation to all Subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County’s consent to subcontract.

Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of the Contractor to cure such default within ninety (90) calendar days of written notice shall be grounds upon which the County may terminate this Contract pursuant to sub-paragraph 8.43 - Termination for Default and pursue debarment of the Contractor, pursuant to County Code Chapter 2.202.

8.40 TERMINATION FOR CONVENIENCE

8.40.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to the Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

8.40.2 After receipt of a notice of termination and except as otherwise directed by the County, the Contractor shall:

β Stop work under this Contract on the date and to the extent specified in such notice, and

β Complete performance of such part of the work as shall not have been terminated by such notice.
8.40.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Contract shall be maintained by the Contractor in accordance with sub-paragraph 8.38, Record Retention AND Inspection/Audit Settlement.

**8.41 TERMINATION FOR DEFAULT**

8.41.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Contract, if, in the judgment of County's Project Director:

- Contractor has materially breached this Contract; or
- Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Contract; or
- Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

8.41.2 In the event that the County terminates this Contract in whole or in part as provided in sub-paragraph 8.43.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this sub-paragraph.

8.41.3 Except with respect to defaults of any Subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in sub-paragraph 8.43.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics,
quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a Subcontractor, and if such default arises out of causes beyond the control of both the Contractor and Subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this sub-paragraph, the term "Subcontractor(s)" means Subcontractor(s) at any tier.

8.41.4 If, after the County has given notice of termination under the provisions of this sub-paragraph 8.43, it is determined by the County that the Contractor was not in default under the provisions of this sub-paragraph 8.43, or that the default was excusable under the provisions of sub-paragraph 8.43.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to sub-paragraph 8.42 - Termination for Convenience.

8.41.5 The rights and remedies of the County provided in this sub-paragraph 8.43 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

1. **DEFINITION**: The Community Centered Emergency Room Project (hereafter "CCERP") bridges the gap among health, public health, mental health services, and community prevention. Research indicates that the well being of individuals depends on both quality coordinated health care services and community conditions that support health and safety. A successful, equitable health system will fuse these two areas, merging efficient, accessible, and culturally appropriate comprehensive efforts to prevent illness and injury by improving community environments that contribute to alcohol and other drug (AOD) risk factors. The CCERP collaborates with the Needs Special Attention (NSA) Population interdepartmental team, provides educational strategies that can prevent health disparities and chronic diseases by promoting healthy living, and use evidence-based environmental prevention strategies that prevent/reduce community risk factors.

The CCERP is based on the Community-Centered Health Home Model, an evidence-based concept, which includes the following elements: 1) Coordinate activity with community partners, 2) Advocate for community health, 3) Mobilize patient populations, (4) Strengthen partnerships with local health care organizations, and 5) Establish model organizational practices.

The CCERP uses the Public Health Model as the conceptual basis for implementing prevention strategies afflicting the targeted area. It works to educate, empower local community residents and stakeholders to address community risk factors which have a
fundamental influence on health and safety. These risk factors also contribute to the overuse of LAC+USC Medical Center (hereafter “LAC+USC MC) Emergency Department (ED) by Needs Special Assistance (NSA) populations. Many of the frequent ED patients were identified as NSA populations with multiple co-occurring disorder (COD) medical, mental health, and substance use disorders (SUD).

NSA patients often are homeless and reside on or near the LAC+USC MC and are using the ED to address their health needs as well as their need for socialization and support. This situation has contributed to overuse of the ED, increased costs to the county, and NSA patients frequently are coming back to the ED unable to resolve their underlying disorders.

The CCERP meets the provisions of the ACA/Health Care Reform (HCR) and federal funding which include addressing the root causes of health disparities and engaging community members to devise solutions that improve quality of life. The CCERP shall collaborate with the NSA interdepartmental work group and community stakeholders to implement education and outreach components aimed at addressing the cultural diversity among NSA populations, health disparities, and equity issues in the community.

2. **PERSONS TO BE SERVED:** populations to be served include, but are not limited to, youth, adults, NSA individuals, residents, and families within the targeted community of LAC+USC MC, local businesses interested in assisting with addressing AOD contributing risk factors within the targeted community of Los Angeles County.

3. **TARGETED GEOGRAPHIC AREA**: LAC+USC MC and surrounding communities within the following zip codes: 90033, 90032, and 90031 as defined by the contractor and approved by the Substance Abuse Prevention and Control (SAPC) Director, or his designee, (all hereafter “SAPC Director”). Services shall be conducted within the targeted area and boundaries of Los Angeles County.

The boundaries for these services, as defined by Contractor and approved by Director, are as follows:

   Facility 2 is located at ____________________________________________________.
   Contractor's facility telephone number is (__)______________, facsimile/FAX number is
Contractor’s facility days and hours of operation are ______________________.

Contractor shall obtain prior written approval from the SAPC Director or his/her designee at least thirty (30) calendar days before terminating services at such location(s) and/or before commencing such services at any other location. If the days and hours of operation, telephone number, facsimile/FAX number, e-mail address, or wheelchair access of Contractor’s facility(ies), are changed in any manner, Contractor shall inform the SAPC Director at least ten (10) calendar days prior to the effective date(s) thereof.

Contractor shall be responsible for submitting the Statement of Work form in writing for the Director’s, or his designee’s, review and approval before the commencement of any services hereunder.

Contractor shall submit a statement of work that provides a clear description of the overall program goals and objectives which will be known as the CCERP Work Plan ("Work Plan") attached hereto and incorporated herein by reference. The Work Plan shall set forth all proposed activities that will be achieved by the Contractor in the provision of services in accordance with the terms of this Agreement. The Work Plan shall list and describe Contractor’s goals, objectives, activities, expected outcomes, and proposed time lines. the Agreement. In any event, all completion dates listed by Contractor shall not exceed the term of this Agreement. Program goals and objectives shall be submitted by Contractor within thirty (30) calendar days prior to the execution of this Agreement for approval by Director or his designee.

Contractor agrees to permit the County to use the CCERP Work Plan for future program planning purposes, to evaluate the effectiveness of the CCERP services and outcomes provided by the Contractor under this Agreement, and to modify, as required, either Contractor’s program operations or Contractor’s expected outcomes (when services are directed towards individual participants) to enhance services received under this Agreement.

As a result of federal, State, and local emphasis on better documenting and assessing program effectiveness, the County may, at its sole discretion, request Contractor to participate in County-authorized process and outcome evaluations. Evaluation requirements may include, but are not limited to, interviews of program administrators, staff, and participants; completing questionnaires; observation of staff in-service training and staff delivery of services to participants; abstraction of information; and other activities to meet established standards for the conduct of evaluations of acceptable scientific rigor. All evaluation activities will provide suitable program, staff, and participant confidentiality assurances and will be conducted under applicable Federal and State laws with appropriate Institutional Review Board (human subject protection) approval. When conducted by non-County employees, evaluation will be conducted under the direction of County with additional oversight by a County-appointed advisory group.

8. **REPORTING REQUIREMENTS**: Subject to the reporting requirements of the "Additional Provisions" of this Agreement, incorporated herein, Contractor shall submit the following annual activity reports: Annual Work Plan/Work Plan Amendments, Year-End Reports,
quarterly progress reports; attend monthly NSA Work Group meetings as well as SAPC and NSA Work Group sponsored training related to addressing NSA population needs. Contractor shall submit a weekly report on its community-based prevention service activities using the California Outcome Measures Service for Prevention (CalOMS Pv) data system in compliance with the California State Department of Alcohol and Drug Programs’ Substance Abuse Prevention and Treatment (SAPT) funding block grant requirements. The CalOMS Pv data system categorizes populations using the Institute of Medicine (IOM) classification and activities using the six (6) Center for Substance Abuse Prevention (CSAP) strategies for documenting services/activities.

A. Contractor shall identify the populations that are being served by using the IOM population categories as outlined on the CalOMS Pv data system:

1) **Universal**: Preventive interventions are activities targeting the general public or a whole population group that has not been identified on the basis of individual risk.

2) **Selected**: Preventive interventions are activities targeting individuals or a subgroup of the population whose risk of developing a disorder is significantly higher than average.

3) **Indicated**: Preventive interventions are activities targeting individuals in high-risk environments, identified as having minimal but detectable signs or symptoms foreshadowing disorder or having biological markers indicating predisposition for disorder but not yet meeting diagnostic levels.

B. In addition Contractor shall report services using the following six (6) CSAP strategies:

1) **Prevention Education** - is distinguished from merely disseminating information by the fact that it is based on an interaction between the educator and the participants.

2) **Alternative Activities**: provides for the participation of the target populations in activities that exclude drug use.
3) **Community-Based Processes** - aims to enhance the ability of the community to more effectively prevention and treatment services for drug abuse disorders.

6) **Information Dissemination** – provides information about the nature of drug use, abuse, addiction and the effects on individuals, families, and communities. It also provides information of available prevention programs and services.

The above prevention strategies shall not be used in isolation, they are not all equally strong. The use of all strategies is more effective when used in conjunction with others. A. The CCERP is based on the Community-Centered Health Home Model, an evidence-
   based concept, which include the following elements:

   2) Advocate for community health,
   3) Mobilize patient populations,

   The CPT uses the Public Health Model as the conceptual basis for implementing
   prevention strategies to reduce AOD related problems afflicting the targeted area.

B. This will be accomplished through mobilizing/organizing and thereby empowering
   residents and other stakeholders to identify specific contributing community risk
   factors, outlined in the environmental scan that contribute to the overuse of the
   LAC+USC MC ED, develop and implement strategies to enforce current policies in
   place at LAC+USC MC, and establish policies regulations within the surrounding
   community.

.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

SAFELY SURRENDERED BABY LAW

What is the Safely Surrendered Baby Law?
California’s Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

How does it work?
A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?
Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4900.

Can only a parent bring in the baby?
No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?
No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrender the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anyone anything to the people taking the baby?
No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?
The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?
Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?
The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public restrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby’s death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable al enfermera del Harbor-UCLA Medical Center. El bebé fue a la tía un bebé con un nombre que coincidía con el pañal del bebé, y se cuidaba como identificación en caso de que la madre cambie de opinión con respecto al bebé. La tía sabía que el bebé fue entregado en el periodo de 14 días que permiten esta ley. También le dijeron a la tía un cuestionario médico, y ella dijo que la madre le había dado su nombre y el nombre de otro bebé dentro del centro con frutas pagado que le había dado. Transmission media include, for example, the internet (wide-open), extranet (using internet technology to link a business with information accessible only to collaborating parties), leased lines, dial-up lines, private networks, and the physical movement of removable/transportable electronic storage media. Certain transmissions, including of paper, via facsimile, and of voice, via telephone, are not considered to be transmissions via electronic media, because the information being exchanged did not exist in
electronic form before the transmission. The term “Electronic Media” draws no distinction between internal and external data, at rest (that is, in storage) as well as during transmission.

1.5 “Electronic Protected Health Information” has the same meaning as the term “electronic protected health information” in 45 C.F.R. § 160.103. Electronic Protected Health Information means Protected Health Information that is (i) transmitted by electronic media; (ii) maintained in electronic media.

1.6 “Individual” means the person who is the subject of Protected Health Information and shall include a person who qualifies as a personal representative in accordance with 45 C.F.R. § 164.502(g).

1.8 "Privacy Rule" means the Standards for Privacy of Individually Identifiable Health Information at 45 Code of Federal Regulations (C.F.R.) Parts 160 and 164, also referred to as the Privacy Regulations.

1.9 “Protected Health Information” has the same meaning as the term “protected health information” in 45 C.F.R. § 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity. Protected Health Information includes information that (i) relates to the past, present or future physical or mental health or condition of an Individual; the provision of health care to an Individual, or the past, present or future payment for the provision of health care to an Individual; (ii) identifies the Individual (or for which there is a reasonable basis for believing that the information can be used to identify the Individual); and (iii) is received by Business Associate from or on behalf of Covered Entity, or is created by Business Associate, or is made accessible to Business Associate by Covered Entity. “Protected Health Information” includes Electronic Health Information.

1.10 “Required By Law” means a mandate contained in law that compels an entity to make a Use or Disclosure of Protected Health Information and that is enforceable in a court of law. Required by law includes, but is not limited to, court orders and court-ordered warrants; subpoenas or summons issued by a court, grand jury, a governmental or tribal inspector general, or any administrative body authorized to require the production of information; a civil or an authorized investigative demand; Medicare conditions of participation with respect to health care providers participating in the program; and statutes or regulations that require the production of information, including statutes or regulations that require such information if payment is sought under a government program providing benefits.

1.11 “Security Incident” means the attempted or successful unauthorized access, Use, Disclosure, modification, or destruction of information in, or interference with system operations of, an Information System which contains Electronic Protected Health Information. However, Security Incident does not include attempts to access an Information System when those attempts are not reasonably considered by Business Associate to constitute an actual threat to the Information System.

1.13 “Services” has the same meaning as in the body of this Agreement.

1.14 "Unsecured Protected Health Information" has the same meaning as the term “unsecured protected health information” in 45 C.F.R. § 164.402.
1.15 “Use” or “Uses” mean, with respect to Protected Health Information, the sharing, employment, application, utilization, examination or analysis of such Information within Business Associate’s internal operations.

1.16 Terms used, but not otherwise defined in this Business Associate Agreement shall have the same meaning as those terms in the HIPAA Regulations and HITECH Act.

4.2 Termination for Cause. In addition to and notwithstanding the termination provisions set forth in this Agreement, upon either party's knowledge of a material breach by the other party, the party with knowledge of the other party's breach shall:

(a) Provide an opportunity for the breaching party to cure the breach or end the violation and terminate this Agreement if the breaching party does not cure the breach or end the violation within the time specified by the non-breaching party;
(b) Immediately terminate this Agreement if a party has breached a material term of this Agreement and cure is not possible; or

(c) If neither termination nor cure is feasible, report the violation to the Secretary of the federal Department of Health and Human Services.

4.3 Disposition of Protected Health Information Upon Termination or Expiration.

(a) Except as provided in paragraph (b) of this section, upon termination for any reason or expiration of this Agreement, Business Associate shall return or destroy all Protected Health Information received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity. This provision shall apply to Protected Health Information that is in the possession of subcontractors or agents of Business Associate. Business Associate shall retain no copies of the Protected Health Information.

(b) In the event that Business Associate determines that returning or destroying the Protected Health Information is infeasible, Business Associate shall provide to Covered Entity notification of the conditions that make infeasible. If return or destruction is infeasible, Business Associate shall extend the protections of this Business Associate Agreement to such Protected Health Information and limit further Uses and Disclosures of such Protected Health Information to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such Protected Health Information.

5.1 No Third Party Beneficiaries. Nothing in this Business Associate Agreement shall confer upon any person other than the parties and their respective successors or assigns, any rights, remedies, obligations, or liabilities whatsoever.

IRS NOTICE 1015
(Obtain latest version from IRS website)

Department of the Treasury
Internal Revenue Service

Notice 1015
(Rev. December 2007)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What Is the EIC?
The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?
You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee’s Withholding Allowance Certificate.

Note: You are encouraged to notify each employee whose wages for 2007 are less than $39,783 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?
You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee’s copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee’s copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2008.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee’s last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from the IRS website at www.irs.gov or by calling 1-800-829-3676.

How Will My Employees Know If They Can Claim the EIC?
The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see the 2007 instructions for Form 1040, 1040A, 1040EZ, or Pub. 596, Earned Income Credit (EIC).

How Do My Employees Claim the EIC?
Eligible employees claim the EIC on their 2007 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2007 and owes no tax but is eligible for a credit of $825, he or she must file a 2007 tax return to get the $825 refund.

How Do My Employees Get Advance EIC Payments?
Eligible employees who expect to have a qualifying child for 2008 can get part of the credit with their pay during the year by giving you a completed Form W-5, Earned Income Credit Advance Payment Certificate. You must include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see Pub. 15 (Circular E), Employer’s Tax Guide.

Notice 1015 (Rev. 12-2007)
Cat. No. 205991
2.203.010. Findings.

The Board of Supervisors makes the following findings. The County of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the County of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

BACKGROUND AND RESOURCES:
CALIFORNIA CHARITIES REGULATION

There is a keen public interest in preventing misuse of charitable contributions. California’s “Supervision of Trustees and Fundraisers for Charitable Purposes Act” regulates those raising and receiving charitable contributions. The “Nonprofit Integrity Act of 2004” (SB 1262, Chapter 919) tightened Charitable Purposes Act requirements for charitable organization administration and fundraising.

The Charitable Purposes Act rules cover California public benefit corporations, unincorporated associations, and trustee entities. They may include similar foreign corporations doing business or holding property in California. Generally, an organization is subject to the registration and reporting requirements of the Charitable Purposes Act if it is a California nonprofit public benefit corporation or is tax exempt under Internal Revenue Code § 501(c)(3), and not exempt from reporting under Government Code § 12583. Most educational institutions, hospitals, cemeteries, and religious organizations are exempt from Supervision of Trustees Act requirements.

Key new Charitable Purposes Act requirements affect executive compensation, fund-raising practices and documentation. Charities with over $2 million of revenues (excluding grants and service-contract funds a governmental entity requires to be accounted for) have new audit requirements. Charities required to have audits must also establish an audit committee whose members have no material financial interest in any entity doing business with the charity.

Organizations or persons that receive or raise charitable contributions are likely to be subject to the Charitable Purposes Act. A Proposer on Los Angeles County contracts must determine if it is subject to the Charitable Purposes Act and certify either that:

- It is not presently subject to the Act, but will comply if later activities make it subject, or,
- If subject, it is currently in compliance.

RESOURCES

The following references to resources are offered to assist Proposers who engage in charitable contributions activities. Each Proposer, however, is ultimately responsible to research and determine its own legal obligations and properly complete its compliance certification (Exhibit 20).

In California, supervision of charities is the responsibility of the Attorney General, whose website, http://ag.ca.gov/ contains much information helpful to regulated charitable organizations.

1. LAWS AFFECTING NONPROFITS

The “Supervision of Trustees and Fundraisers for Charitable Purposes Act” is found at California Government Code §§ 12580 through 12599.7. Implementing regulations are found at Title 11, California Code of Regulations, §§ 300 through 312. In California, charitable solicitations (“advertising”) are governed by Business & Professions Code §§ 17510 through 17510.95. Regulation of nonprofit corporations is found at Title 11, California Code of Regulations, §§ 999.1 through 999.5. (Amended regulations are pending.) Links to all of these rules are at: http://ag.gov/charities/statutes.php/
2. SUPPORT FOR NONPROFIT ORGANIZATIONS

Several organizations offer both complimentary and fee-based assistance to nonprofits, including in Los Angeles, the Center for Nonprofit Management, 606 S. Olive St #2450, Los Angeles, CA 90014 (213) 623-7080 http://www.cnmsocal.org/, and statewide, the California Association of Nonprofits, http://www.canonprofits.org/. Both organizations’ websites offer information about how to establish and manage a charitable organization.

The above information, including the organizations listed, provided in this exhibit is for informational purposes only. Nothing contained in this exhibit shall be construed as an endorsement by the County of Los Angeles of such organizations.
2.206.010 Findings and declarations.

The Board of Supervisors finds that significant revenues are lost each year as a result of taxpayers who fail to pay their tax obligations on time. The delinquencies impose an economic burden upon the County and its taxpayers. Therefore, the Board of Supervisors establishes the goal of ensuring that individuals and businesses that benefit financially from contracts with the County fulfill their property tax obligation. (Ord. No. 2009-0026 § 1 (part), 2009.)

2.206.020 Definitions.

C. “County Property Taxes” shall mean any property tax obligation on the County's secured or unsecured roll; except for tax obligations on the secured roll with respect to property held by a Contractor in a trust or fiduciary capacity or otherwise not beneficially owned by the Contractor.

(Ord. No. 2009-0026 § 1 (part), 2009.)

2.206.050. Administration and compliance certification.

A. The Treasurer-Tax Collector shall be responsible for the administration of this chapter. CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION – LOWER TIER COVERED TRANSACTIONS
(45 C.F.R. PART 76)

Instructions for Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transactions (45 C.F.R. Part 76)

1. This certification is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that Proposer knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

2. Proposer shall provide immediate written notice to the person to whom this proposal is submitted if at any time Proposer learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

3. The terms “covered transaction,” “debarred,” “suspended,” “ineligible,” “lower tier covered transaction,” “participant,” “person,” “primary covered transaction,” “principal,” “proposal,” and “voluntarily excluded,” as used in this certification, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.

4. Proposer agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 C.F.R. part 9, subpart 9.4, debarred suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

5. Proposer further agrees by submitting this proposal that it will include the provision entitled “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transactions (45 C.F.R. Part 76),” as set forth in the text of the Sample Contract attached to the Request for Proposals, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

6. Proposer acknowledges that a participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 C.F.R. part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. Proposer acknowledges that a participant may decide the method and frequency by which it determines the eligibility of its principals. Proposer acknowledges that each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.
7. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the required certification. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

8. Except for transactions authorized under paragraph 4 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 C.F.R. part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

9. Where Proposer and/or its subcontractor(s) is or are unable to certify to any of the statements in this Certification, Proposer shall attach a written explanation to its proposal in lieu of submitting this Certification. Proposer's written explanation shall describe the specific circumstances concerning the inability to certify. It further shall identify any owner, officer, partner, director, or other principal of the Proposer and/or subcontractor who is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. The written explanation shall provide that person’s or those persons’ job description(s) and function(s) as they relate to the contract which is being solicited by this Request for Proposals.

All proposers, whether a contractor or subcontractor, must complete this form to either certify compliance or request an exception from the Program requirements. Upon review of the submitted form, the County department will determine, in its sole discretion, whether the proposer is excepted from the Program.

**If you believe the Jury Service Program does not apply to your business, check the appropriate box in Part I (attach documentation to support your claim); or, complete Part II to certify compliance with the Program. Whether you complete Part I or Part II, please sign and date this form below.**

**Part I: Jury Service Program is Not Applicable to My Business**

- [ ] My business does not meet the definition of "contractor," as defined in the Program, as it has not received an aggregate sum of $50,000 or more in any 12-month period under one or more County contracts or subcontracts (this exception is not available if the contract itself will exceed $50,000). I understand that the exception will be lost and I must comply with the Program if my revenues from the County exceed an aggregate sum of $50,000 in any 12-month period.

- [ ] My business is a small business as defined in the Program. It 1) has ten or fewer employees; and, 2) has annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract, are $500,000 or less; and, 3) is not an affiliate or subsidiary of a business dominant in its field of operation, as defined below. I understand that the exception will be lost and I must comply with the Program if the number of employees in my business and my gross annual revenues exceed the above limits.

"Dominant in its field of operation" means having more than ten employees and annual gross revenues in the preceding twelve months, which, if added to the annual amount of the contract awarded, exceed $500,000.

"Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

- [ ] My business is subject to a Collective Bargaining Agreement (attach agreement) that expressly provides that it supersedes all provisions of the Program.

OR

**Part II: Certification of Compliance**

- [ ] My business has and adheres to a written policy that provides, on an annual basis, no less than five days of regular pay for actual jury service for full-time employees of the business who are also California residents or my company will have and adhere to such a policy prior to award of the contract.
