Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

1.31.2 The Local Small Business Enterprise Preference Program, requires the Company to complete a certification process. This program and how to obtain certification are further explained in Sub-paragraph 1.33 (Local Small Business Enterprise Preference Program).

1.31.3 The Jury Service Program provides exceptions to the Program if a company qualifies as a Small Business. It is important to note that
each Program has a different definition for Small Business. You may qualify as a Small Business in one Program but not the other. Further explanation of the Jury Service Program is provided in Sub-paragraph 1.32 (Jury Service Program).

1.31.4 The County also has a Policy on Doing Business with Small Business that is stated in Appendix F.

1.32 Jury Service Program

The prospective contract is subject to the requirements of the County’s Contractor Employee Jury Service Ordinance (“Jury Service Program”) (Los Angeles County Code, Chapter 2.203). Prospective Contractors should carefully read the Jury Service Ordinance, Appendix G, and the pertinent jury service provisions of the Sample Contract, Appendix A, Paragraph 9 – of the Additional Provisions, both of which are incorporated by reference into and made a part of this IFB. The Jury Service Program applies to both Contractors and their Subcontractors. Bids that fail to comply with the requirements of the Jury Service Program will be considered non-responsive and excluded from further consideration.

1.32.1 The Jury Service Program requires Contractors and their Subcontractors to have and adhere to a written policy that provides that its employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the employee’s regular pay the fees received for jury service. For purposes of the Jury Service Program, “employee” means any California resident who is a full-time employee of a Contractor and “full-time” means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) the Contractor has a long-standing practice that defines the lesser number of hours as full-time. Therefore, the Jury Service Program applies to all of a Contractor’s full-time California employees, even those not working specifically on the County project. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program.

1.32.2 There are two ways in which a Contractor might not be subject to the Jury Service Program. The first is if the Contractor does not fall within the Jury Service Program’s definition of “Contractor”. The Jury Service Program defines “Contractor” to mean a person, partnership, corporation of other entity which has a contract with the County or a Subcontract with a County Contractor and has received or will receive an aggregate sum of $50,000 or more in any 12-month period under
one or more County contracts or subcontracts. The second is if the Contractor meets one of the two exceptions to the Jury Service Program. The first exception concerns small businesses and applies to Contractors that have 1) ten or fewer employees; and, 2) annual gross revenues in the preceding twelve months which, if added to the annual amount of this Contract is less than $500,000, and, 3) is not an “affiliate or subsidiary of a business dominant in its field of operation”. The second exception applies to Contractors that possess a collective bargaining agreement that expressly supersedes the provisions of the Jury Service Program. The Contractor is subject to any provision of the Jury Service Program not expressly superseded by the collective bargaining agreement.

1.32.3 If a Contractor does not fall within the Jury Service Program’s definition of “Contractor” or if it meets any of the exceptions to the Jury Service Program, then the Contractor must so indicate in the Certification Form and Application for Exception, Exhibit 10 in Appendix D - Required Forms, and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the Contractor’s application, the County will determine, in its sole discretion, whether the Contractor falls within the definition of Contractor or meets any of the exceptions to the Jury Service Program. The County’s decision will be final.

1.33 Local Small Business Enterprise Preference Program

1.33.1 The County will give Local SBE preference during the solicitation process to businesses that meet the definition of a Local Small Business Enterprise (Local SBE), consistent with Chapter 2.204.030C.1 of the Los Angeles County Code. A Local SBE is defined as: 1) A business certified by the State of California as a small business and 2) has had its principal office located in Los Angeles County for at least one year. The business must be certified by Internal Services Department as meeting the requirements set forth in 1 and 2 above prior to requesting the Local SBE Preference in a solicitation.

1.33.2 To apply for certification as a Local SBE, businesses may register at the Internal Services Department’s web-site at: http://laosb.org

1.33.3 Certified Local SBEs must request the SBE Preference in their solicitation responses and may not request the preference unless the certification process has been completed and certification affirmed. Businesses must attach the Local SBE Certification Letter to the Required Form - Request for Local SBE Preference Program Consideration and CBE Firm/Organization Information Form - Exhibit 7A and 7B in Appendix D - Required Forms with their proposal.
Sanctions and financial penalties may apply to a business that knowingly, and with intent to defraud, seeks to obtain or maintain certification as a certified Local SBE.

1.33.4 Information about the State's small business enterprise certification regulations is in the California Code of Regulations, Title 2, Subchapter 8, Section 1896 et seq., and is also available on the California Department of General Services Office of Small Business Certification and Resources Web site at http://www.pd.dgs.ca.gov/smbus/default.

1.34 Local Small Business Enterprise (SBE) Prompt Payment Program

It is the intent of the County that Certified Local SBEs receive prompt payment for services they provide to County departments. Prompt payment is defined as 15 calendar days after receipt of an undisputed invoice.

1.35 Notification to County of Pending Acquisitions/Mergers by Proposing Company

The Bidder shall notify the County of any pending acquisitions/mergers of their company. This information shall be provided by the Bidder on Required Form - Exhibit 1- Bidder’s Organization Questionnaire/Affidavit, of Appendix D (Required Forms). Failure of the Bidder to provide this information may eliminate its bid from any further consideration.

1.36 Transitional Job Opportunities Preference Program

1.36.1 In reviewing bids, the County will give preference to businesses that are certified by the County as Transitional Job Opportunity vendors, consistent with Chapter 2.205 of the Los Angeles County Code. A Certified Transitional Job Opportunity vendor is, and has been such for three (3) years, an entity: 1) that is a non-profit organization recognized as tax exempt pursuant to section 501 (c) (3) of the Internal Revenue Services Code; set forth, under penalty of perjury, such information as requested by the County on either electronic or hard copy forms, along with their application form and three most recent annual tax returns to the department with their proposal response to the contracting solicitation for which they are competing; 2) has been in operation for at least one year providing transitional job and the related supportive services to program participants; and 3) provide a profile of their program with a description of their program components designed to assist program participants, number of past program participants, and any other information requested by a contracting department.

1.36.2 Transitional Job Opportunities vendors must request the preference in their solicitation response and may not receive the preference until
their certification has been affirmed by the applicable department. County must verify the Transitional Job Opportunity vendor certification prior to applying the preference. Sanctions and financial penalties may apply to a Bidder that knowingly and with intent to defraud seeks to obtain or maintain certification as a Transitional Job Opportunities vendor.

1.36.3 To request the Transitional Job Opportunities Preference, Bidder must complete the Transitional Job Opportunities Preference Application – Exhibit 14 in Appendix D – Required Forms and submit it along with all supporting documentation with their proposal.

1.37 Contractor’s Obligations as a “Business Associate” Under the Health Insurance Portability and Accountability Act of 1996 and Health Information Technology for Economic and Clinical Health Act

Contractor shall be required to comply with the Administrative Simplification requirements of the federal Health Insurance Portability and Accountability Act of 1996 (HIPAA) as in effect and as may be amended, and with applicable provision of the Health Information Technology for Economic and Clinical Health (HITECH) Act, as contained in Appendix A, Sample Contract, Paragraph 10.

1.38 Bidder’s Charitable Contributions Compliance

1.38.1 California’s “Supervision of Trustees and Fundraisers for Charitable Purposes Act” regulates receiving and raising charitable contributions. Among other requirements, those subject to the Charitable Purposes Act must register. The 2004 Nonprofit Integrity Act (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. Prospective contractors should carefully read the Background and Resources: California Charities Regulations, Appendix K. New rules cover California public benefit corporations, unincorporated associations, and trustee entities and may include similar foreign corporations doing business or holding property in California. Key Nonprofit Integrity Act requirements affect executive compensation, fund-raising practices and documentation. Charities with over $2 million of revenues (excluding funds that must be accounted for to a governmental entity) have new audit requirements.

1.38.2 All prospective contractors must determine if they receive or raise charitable contributions which subject them to the Charitable Purposes Act and complete the Charitable Contributions Certification, Exhibit 11 as set forth in Appendix D - Required Forms. A completed Exhibit 11 is a required part of any agreement with the County.
1.38.3 In Exhibit 11, prospective contractors certify either that:

- they have determined that they do not now receive or raise charitable contributions regulated under the California Charitable Purposes Act, (including the Nonprofit Integrity Act) but will comply if they become subject to coverage of those laws during the term of a County agreement, OR

- they are currently complying with their obligations under the Charitable Purposes Act, attaching a copy of their most recent filing with the Registry of Charitable Trusts.

1.38.4 Prospective County contractors that do not complete Exhibit 11 as part of the solicitation process may, in the County’s sole discretion, be disqualified from contract award. A County contractor that fails to comply with its obligations under the Charitable Purposes Act is subject to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)

1.39 Defaulted Property Tax Reduction Program

The prospective contract is subject to the requirements of the County’s Defaulted Property Tax Reduction Program (“Defaulted Tax Program”) (Los Angeles County Code, Chapter 2.206). Prospective Contractors should carefully read the Defaulted Tax Program Ordinance, Appendix L, and the pertinent provisions of the Sample Contract, Appendix A, Paragraph 56 – of the Additional Provisions, both of which are incorporated by reference into and made a part of this solicitation. The Defaulted Tax Program applies to both Contractors and their Subcontractors.

Bidders shall be required to certify that they are in full compliance with the provisions of the Defaulted Tax Program and shall maintain compliance during the term of any contract that may be awarded pursuant to this solicitation or shall certify that they are exempt from the Defaulted Tax Program by completing Certification of Compliance with The County’s Defaulted Property Tax Reduction Program, Exhibit 15 in Appendix D – Required Forms. Failure to maintain compliance, or to timely cure defects, may be cause for termination of a contract or initiation of debarment proceedings against the non-compliance contractor (Los Angeles County Code, Chapter 2.202).

Bids that fail to comply with the certification requirements of the Defaulted Tax Program will be considered non-responsive and excluded from further consideration.
2.0 INSTRUCTIONS TO BIDDERS

This Section contains key project dates and activities as well as instructions to Bidders in how to prepare and submit their Bid.

2.1 County Responsibility

The County is not responsible for representations made by any of its officers or employees prior to the execution of the Contract unless such understanding or representation is included in the Contract.

2.2 Truth and Accuracy of Representations

False, misleading, incomplete, or deceptively unresponsive statements in connection with a Bid shall be sufficient cause for rejection of the Bid. The evaluation and determination in this area shall be at the Director's sole judgment and his/her judgment shall be final.

2.4 Solicitation Requirements Review

A person or entity may seek a Solicitation Requirements Review by submitting Appendix E - Transmittal Form to Request a Solicitation Requirements Review to the Department conducting the solicitation as described in this Section.
A request for a Solicitation Requirements Review may be denied, in the Department's sole discretion, if the request does not satisfy all of the following criteria:

1. The request for a Solicitation Requirements Review is made within ten (10) business days of the issuance of the solicitation document.

2. The request for a Solicitation Requirements Review includes documentation, which demonstrates the underlying ability of the person or entity to submit a proposal.

3. The request for a Solicitation Requirements Review itemizes in appropriate detail, each matter contested and factual reasons for the requested review; and

4. The request for a Solicitation Requirements Review asserts either that:
   a. application of the minimum requirements, evaluation criteria and/or business requirements unfairly disadvantages the person or entity; or,
   b. due to unclear instructions, the process may result in the County not receiving the best possible responses from prospective Vendor.

The Solicitation Requirements Review shall be completed and the Department's determination shall be provided to the requesting person or entity, in writing, within a reasonable time prior to the proposal due date.

2.5 Bidders’ Questions

Bidders may submit written questions regarding this IFB by mail, fax or e-mail to the Contract Analyst identified below. All questions must be received by the date and time specified in Paragraph 2.3 – IFB Timetable. All questions, without identifying the submitting company, will be compiled with the appropriate answers and issued as an addendum to the IFB.

When submitting questions, please specify the IFB section number, paragraph number, and page number and quote the passage that prompted the question. This will ensure that the question can be quickly found in the IFB. County reserves the right to group similar questions when providing answers.

Questions may address concerns that the application of minimum requirements, review criteria and/or business requirements would unfairly disadvantage Bidders or, due to unclear instructions, may result in the County not receiving the best possible responses from Bidder.

Questions should be addressed to:

3.0 BID REVIEW AND SELECTION PROCESS

3.1 Review Process

Bids will be examined to determine the lowest price based on the information provided in Bidder's completed Appendix C (Bidder's Pricing Sheet) in Section A of the Bid. Should one or more of the Bidders request and be granted the Local SBE Preference and/or Transitional Job Opportunities Preference, the lowest bid price will be determined as outlined below. The County may elect to waive any informality in a bid if the sum and substance of the bid is present.

Local SBE Preference:

Eight percent (8%) of the lowest bid price submitted will be calculated, which shall not exceed $50,000, and that amount will be deducted from the Bid price submitted by all Local SBE Bidders who requested and were granted the Local SBE Preference.

Transitional Job Opportunities Preference:

Eight percent (8%) of the lowest bid price submitted will be calculated, and that amount will be deducted from the Bid price submitted by all Bidders who requested and were granted the Transitional Job Opportunities Preference.

Each Bid will be reviewed to determine whether it is responsive and responsible. The following steps will be performed to determine which is the lowest price, and most responsive and responsible bid.

3.2 Bid Review

3.2.1 Bidder's Qualifications (Section B)

1. Adherence to Minimum Requirements: County shall review the Bidder’s Organization Questionnaire/Affidavit – Exhibit 1 of Appendix D, Required Forms and the summary provided in Section B.1 to determine if the Bidder meets the minimum requirements as outlined in Sub-paragraph 1.4 of this IFB. Failure of the Bidder to comply with the minimum requirements may eliminate its bid from any further consideration.

2. Capacity to Perform Required Services: In addition to Bidder’s adherence in meeting the Minimum Requirements as outlined above, Bidder will be evaluated on their experience and capacity as a corporation or other entity to perform the required services based on information provided in Section B.1 of the Bid. A review of the applicable
“Required Support Documents,” pursuant to Paragraph 2.8.3, subparagraph A will also be conducted.

3. References: Bidder will be evaluated on the verification of references provided in Section B.2 of the Bid. In addition to the references provided, a review will include the County’s Contract Database and Contractor Alert Reporting Database, if applicable, reflecting past performance history on County or other contracts. Additionally, a review of terminated contracts will be conducted which may result in point deductions.

4. Pending Litigation/Judgments: A review will be conducted to determine the significance of any litigation or judgments pending against the Bidder as provided in Section B.3 of the Bid.

5. Financial Capability: A subject matter expert will evaluate and make a Pass/Fail recommendation based on the financial strength and capability of the company in the provision of required services throughout the term of any resultant Contract, as well as evidence of the Company’s capability to absorb all costs related to the provision of services for a minimum of sixty (60) days, during any resultant Contract. Bids that fail this portion of the evaluation will be deemed non-responsive and disqualified based on the information provided in Section B.4. The Director of DPH, or his designee, at his/her sole discretion, may waive this requirement.

3.2.2 Required Forms (Section C)

A review of all the exhibits listed in Section C will be conducted to ensure that all of the Required Forms have been completed and submitted as required.

3.2.3 Proof of Insurability (Section D)

A review of the information provided in Section D of the Bid will be conducted to ensure Bidder’s proof of insurability meets all insurance requirements set forth in Appendix A (Sample Contract) or if Bidder’s letter from a qualified insurance carrier indicates a willingness to provide the required coverage should the Bidder be awarded a Contract.
3.2.4 Proof of License or Certificate (Section E)

A review of the proof of license or certificate provided in Section E of the bid will be conducted.

3.3 Disqualification Review

A bid may be disqualified from consideration because a Department determined it was a non-responsive bid at any time during the bid review/evaluation process. If a Department determines that a Bid was disqualified due to non-responsiveness, the Department shall notify the Bidder in writing.

Upon receipt of the written determination of non-responsiveness, the Bidder may submit a written request for a Disqualification Review within the timeframe specified in the written determination.

A request for a Disqualification Review may, in the Department's sole discretion, be denied if the request does not satisfy all of the following criteria:

1. The person or entity requesting a Disqualification Review is a Bidder;

2. The request for a Disqualification Review is submitted timely (i.e., by the date and time specified in the written determination); and

3. The request for a Disqualification Review asserts that the Department's determination of disqualification due to non-responsiveness was erroneous (e.g. factual errors, etc.) and provides factual support on each ground asserted as well as copies of all documents and other material that support the assertions.

The Disqualification Review shall be completed and the determination shall be provided to the requesting Bidder, in writing, prior to the conclusion of the evaluation process.

3.4 Department's Proposed Contractor Selection Review

3.4.1 Proposed Contractor Selection Review

Any Bidder that has timely submitted a notice of its intent to request a Proposed Contractor Selection Review may submit a written request for a Proposed Contractor Selection Review, in the manner and timeframe as shall be specified by the department.

A request for a Proposed Contractor Selection Review may, in the department's sole discretion, be denied if the request does not satisfy all of the following criteria:
1. The person or entity requesting a Proposed Contractor Selection Review is a bidder/proposer;

2. The request for a Proposed Contractor Selection Review is submitted timely (i.e., by the date and time specified by the department);

3. The person or entity requesting a Proposed Contractor Selection Review asserts in appropriate detail with factual reasons one or more of the following grounds for review:
   a. The department materially failed to follow procedures specified in its solicitation document. This includes:
      i. Failure to correctly apply the standards for reviewing the bid format requirements.
      ii. Failure to correctly apply the standards, and/or follow the prescribed methods, for evaluating the bids as specified in the solicitation document.
      iii. Use of evaluation criteria that were different from the evaluation criteria disclosed in the solicitation document.
   b. The department made identifiable mathematical or other errors in evaluating bids, resulting in the Bidder receiving an incorrect score and not being selected as the recommended contractor.
   c. Another basis for review as provided by state or federal law; and

4. The request for a Proposed Contractor Selection Review sets forth sufficient detail to demonstrate that, but for the department's alleged failure, the Bidder would have been the lowest cost, responsive and responsible bid or the highest-scored proposal, as the case may be.

Upon completing the Proposed Contractor Selection Review, the department representative shall issue a written decision to the Bidder within a reasonable time following receipt of the request for a Proposed Contractor Selection Review, and always before the date the contract award recommendation is to be heard by the Board. The written decision shall additionally instruct the Bidder of the manner and timeframe for requesting a review by a County Review Panel (see Section 3.4.2 below).

3.4.2 County Review Panel Process

Any Bidder that is not satisfied with the results of the Proposed Contractor Selection Review may submit a written request for review by a County Review Panel in the manner and timeframe specified by the Department in the Department's written decision regarding the Proposed Contractor Selection Review.
A request for review by a County Review Panel may, in the County's sole discretion, be denied if the request does not satisfy all of the following criteria:

1. The person or entity requesting review by a County Review Panel is a Bidder;

2. The request for a review by a County Review Panel is submitted timely (i.e., by the date and time specified by the Department); and

3. The person or entity requesting review by a County Review Panel has limited the request to items raised in the Proposed Contractor Selection Review and new items that (a) arise from the Department's written decision and (b) are on of the appropriate grounds for requesting a Proposed Contractor Selection Review as listed in Section 3.4.1 above.

Upon completion of the County Review Panel's review, the Panel will forward its report to the Department, which will provide a copy to the Bidder.

In the event of any conflict or inconsistency in the definition or interpretation of any word, responsibility, schedule, or the contents or description of any task, deliverable, goods, service, or other work, or otherwise between the base Contract and the Exhibits, or between Exhibits, such conflict or inconsistency shall be resolved by giving precedence first to the Contract and then to the Exhibits as listed below:

   **Standard Exhibits**

   - Exhibit E - Contractor Acknowledgement and Confidentiality Agreement (Attached)
   - Exhibit F - Charitable Act Compliance (Not Attached – Refer to IFB Appendix D, Required Forms – Exhibit 11)
2. DESCRIPTION OF SERVICES:

   A. Contractor shall provide services in the manner described in Exhibit A (Statement of Work), attached hereto and incorporated herein by reference.

   B. Contractor acknowledges that the quality of service(s) provided under this Contract shall be at least equivalent to that which Contractor provides to all other clients it serves.

   C. If the Contractor provides any tasks, deliverables, goods, services, or other work, other than as specified in this Contract, the same shall be deemed to be a gratuitous effort on the part of the Contractor, and the Contractor shall have no claim whatsoever against the County.

3. TERM OF CONTRACT:

   The term of this Contract shall be effective _____ and shall continue in full force and effect through _____, unless sooner terminated or extended, in whole or in part, as provided in this Contract.

   The County shall have the sole option to extend this Contract term up to two additional one-year periods and six month to month extensions, for a maximum total Contract term of five years and six months. Each such option and extension shall be exercised at the sole discretion of the Director through written notification from the Director to the Contractor prior to the end of the Contract term.

   The Contractor shall notify (Department) when this Contract is within six (6) months from the expiration of the term as provided for hereinabove. Upon
occurrence of this event, the Contractor shall send written notification to (Department) at the address herein provided in _____________.

4. **MAXIMUM OBLIGATION OF COUNTY:**

   A. Effective _______ through ________, the maximum obligation of County for all services provided hereunder shall not exceed ________________ ($_______), as set forth in Schedule ___, attached hereto and incorporated herein by reference.

   B. If contract is extended, effective ___ through ___, the maximum obligation of County for all services provided hereunder shall not exceed ________________ ($_______), as set forth in Schedule ___, attached hereto and incorporated herein by reference.

   C. The Contractor shall not be entitled to payment or reimbursement for any tasks or services performed, nor for any incidental or administrative expenses whatsoever incurred in or incidental to performance hereunder, except as specified herein. Assumption or takeover of any of the Contractor’s duties, responsibilities, or obligations, or performance of same by any entity other than the Contractor, whether through assignment, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever, shall occur only with the County’s express prior written approval.

   D. The Contractor shall maintain a system of record keeping that will allow the contractor to determine when it has incurred seventy-five percent (75%) of the total contract authorization under this Contract. Upon occurrence of this
event, the Contractor shall send written notification to the Department at the
address herein provided under Section ___, Notices.

E. No Payment for Services Provided Following
Expiration/Termination of Contract: The Contractor shall have no claim against
County for payment of any money or reimbursement, of any kind whatsoever, for
any service provided by the Contractor after the expiration or other termination of
this Contract. Should the Contractor receive any such payment it shall
immediately notify County and shall immediately repay all such funds to County.
Payment by County for Services rendered after expiration/termination of this
Contract shall not constitute a waiver of County’s right to recover such payment
from the Contractor. This provision shall survive the expiration or other
termination of this Contract.

5. INVOICES AND PAYMENT:

A. The Contractor shall invoice the County only for providing the tasks,
deliverables, goods, services, and other work specified in Exhibit A and/or B
elsewhere hereunder and in accordance with the Schedule(s) attached hereto
and incorporated herein by reference.

B. The Contractor shall bill County monthly in arrears. All billings shall
include a financial invoice and all required reports and/or data. All billings shall
clearly reflect all required information as specified on forms provided by County
regarding the services for which claims are to be made and any and all payments
made to Contractor.
C. Billings shall be submitted to County within thirty (30) calendar days after the close of each calendar month. Within a reasonable period of time following receipt of a complete and correct monthly billing, County shall make payment in accordance to the Schedule(s) attached hereto and incorporated herein by reference.

D. While payments shall be made in accordance with the fee-for-service rate(s) set out in the schedule(s) attached hereto, Contractor, if requested by County, State, or federal representatives, must be able to produce proof of actual costs incurred in the provision of units of service hereunder. If the actual allowable and documented costs are less than the fee-for-service rate(s) set in the schedule(s), Contractor shall be reimbursed for the actual costs. In no event shall County be required to pay Contractor for units of service that are not supported by actual allowable and documented costs.

E. Billings shall be submitted directly to _____.

F. For each term, or portion thereof, that this Contract is in effect, Contractor shall provide an annual cost report within thirty (30) calendar days following the close of the contract period. Such cost report shall be prepared in accordance with generally accepted accounting principles and clearly reflect all required information as specified in instructions and forms provided by the County.

If this Contract is terminated prior to the close of the contract period, the cost report shall be for that Contract period which ends on the termination date.
The report shall be submitted within thirty (30) calendar days after such termination date.

The primary objective of the annual cost report shall be to provide the County with actual expenditure data for the contract period that shall serve as the basis for determining final amounts due to/from the Contractor.

If the annual cost report is not delivered by Contractor to County within the specified time, Director may withhold all payments to Contractor under all service agreements between County and Contractor until such report is delivered to County and/or, at the Director’s sole discretion, a final determination of amounts due to/from Contractor is determined on the basis of the last monthly billing received.

Failure to provide the annual cost report may constitute a material breach of the Contract, in the sole discretion of the County, upon which the County may suspend or terminate this Contract.

G. Upon expiration or prior termination of this Contract, Contractor shall submit, within thirty (30) calendar days, any outstanding and/or final invoice(s) for processing and payment. Contractor’s failure to submit any outstanding and/or final invoice(s) within the specified period shall constitute Contractor’s waiver to receive payment for any outstanding and/or final invoice(s).

H. Withholding Payment:
(1) Subject to the reporting and data requirements of this Contract and the exhibit(s) attached hereto, County may withhold any claim for payment by Contractor if any report or data is not delivered by Contractor to County within the time limits of submission as set forth in this Contract, or if such report or data is incomplete in accordance with requirements set forth in this Contract. This withholding may be invoked for the current month and any succeeding month or months for reports or data not delivered in a complete and correct form.

(2) Subject to the Record Retention and Audits provision of this Contract, County may withhold any claim for payment by Contractor if Contractor has been given at least thirty (30) calendar days’ notice of deficiency(ies) in compliance with the terms of this Contract and has failed to correct such deficiency(ies). This withholding may be invoked for any month or months for deficiency(ies) not corrected.

(3) Upon acceptance by County of all report(s) and data previously not accepted under this provision and/or upon correction of the deficiency(ies) noted above, County shall reimburse all withheld payments on the next regular monthly claim for payment by Contractor.

(4) Subject to the provisions of the exhibit(s) of this Contract, if the services are not completed by Contractor within the specified time, County may withhold all payments to Contractor under this Contract until proof of such service(s) is/are delivered to County.
(5) In addition to Subparagraphs (a) through (d) immediately above, Director may withhold claims for payment by Contractor which are delinquent amounts due to County as determined by any cost report settlement, audit report, audit report settlement, or financial evaluation report, resulting from this or any current year’s Contract(s) or any prior years’ Contract(s) between the County and Contractor. The withheld claims will be used to pay all outstanding delinquent amounts and upon the County being repaid all outstanding delinquent amounts, any remaining claims for payment will be made to the Contractor accordingly.

(6) County may withhold any claim for payment by Contractor if Contractor, in the judgment of the county is in material breach of this Contract or has failed to fulfill its obligations under this Contract until Contractor has cured said breaches and/or failures. County will provide written notice of its intention to withhold payment specifying said breaches and/or failure to Contractor.

I. Fiscal Viability: Contractor must be able to carry the costs of its program without reimbursement from the contract for at least sixty (60) days at any point during the term of this contract.

6. FUNDING/SERVICES ADJUSTMENTS AND REALLOCATIONS:

A. Upon Director’s specific written approval, as authorized by the County’s Board of Supervisors, County may: 1) increase or decrease funding up to 10 percent above or below each term’s annual base maximum obligation; 2) reallocate funds between schedules within this Contract where such funds can
be more effectively used by Contractor up to 10 percent of the term’s annual base maximum obligation; and 3) make modifications to or within budget categories within each schedule, as reflected in Exhibit C, up to an adjustment between all budget categories equal to 10 percent of each term's annual base maximum obligation, and make corresponding service adjustments, as necessary. Such adjustments may be made based on the following: (a) if additional monies are available from federal, State, or County funding sources; (b) if a reduction of monies occurs from federal, State, or County funding sources; and/or (c) if County determines from reviewing Contractor's records of service delivery and billings to County that an underutilization of funds provided under this Contract will occur over its term.

All funding adjustments and reallocation as allowed under this Paragraph may be effective upon amendment execution or at the beginning of the applicable contract term, to the extent allowed by the funding source and as authorized by the County's Board of Supervisors. Adjustments and reallocations of funds in excess of the aforementioned amount shall require separate approval by County's Board of Supervisors. Any change to the County maximum obligation or reallocation of funds between schedules in this Contract shall be effectuated by an administrative amendment to this Contract pursuant to the ALTERATION OF TERMS/AMENDMENTS Paragraph of this Contract. Any modification to or within budget categories within each schedule, as reflected in Exhibit C, shall be effectuated by a change notice that shall be incorporated into
and become part of this Contract pursuant to the ALTERATION OF TERMS/AMENDMENTS Paragraph of this Contract.

B. County and Contractor shall review Contractor's expenditures and commitments to utilize any funds, which are specified in this Contract for the services hereunder and which are subject to time limitations as determined by Director, midway through each County fiscal year during the term of this Contract, midway through the applicable time limitation period for such funds if such period is less than a County fiscal year, and/or at any other time or times during each County fiscal year as determined by Director. At least fifteen (15) calendar days prior to each such review, Contractor shall provide Director with a current update of all of Contractor's expenditures and commitments of such funds during such fiscal year or other applicable time period.

7. ALTERATION OF TERMS/AMENDMENTS:

A. The body of this Contract (including its ADDITIONAL PROVISIONS), and any Exhibit(s) attached hereto, fully expresses all understandings of the parties concerning all matters covered and shall constitute the total Contract. No addition to, or alteration of, the terms of this Contract, whether by written or verbal understanding of the parties, their officers, employees or agents, shall be valid and effective unless made in the form of a written amendment to this Contract which is formally approved and executed by the parties in the same manner as this Contract.

B. The County’s Board of Supervisors; the Chief Executive Officer or designee; or applicable State and/or federal entities, laws, or regulations may
require the addition and/or change of certain terms and conditions in the Contract during the term of this Contract to comply with changes in law or County policy. The County reserves the right to add and/or change such provisions as required by the County’s Board of Supervisors, Chief Executive Officer, or State or federal entity. To implement such changes, an Amendment to the Contract shall be prepared by Director and executed by the Contractor and Director, as authorized by the County’s Board of Supervisors.

C. Notwithstanding Paragraph 7.A., in instances where the County’s Board of Supervisors has delegated authority to the Director to amend this Contract to permit extensions or adjustments of the contract term; the rollover of unspent Contract funds; and/or an internal reallocation of funds between budgets up to 10 percent of each term’s annual base maximum obligation and/or an increase or decrease in funding up to 10 percent above or below each term’s annual base maximum obligation, effective upon amendment execution or at the beginning of the applicable Contract term, and make corresponding service adjustments, as necessary, an Administrative Amendment shall be prepared by Director and executed by the Contractor and Director, as authorized by the County’s Board of Supervisors, and shall be incorporated into and become part of this Contract.

D. Notwithstanding Paragraph 7.A., in instances where the County’s Board of Supervisors has delegated authority to the Director to amend this Contract to permit modifications to or within budget categories within each schedule, as reflected in Exhibit C, up to an adjustment between all budget
categories equal to 10 percent of each term’s annual base maximum obligation, and corresponding adjustment of the scope of work tasks and/or activities and/or allow for changes to hours of operation, changes to service locations, and/or correction of errors in the Contract’s terms and conditions, a written Change Notice shall be signed by the Director and Contractor, as authorized by the County’s Board of Supervisors. The executed Change Notice shall be incorporated into and become part of this Contract.

8. **CONFIDENTIALITY:**

   A. Contractor shall maintain the confidentiality of all records and information in accordance with all applicable Federal, State and local laws, rules, regulations, ordinances, directives, guidelines, policies and procedures relating to confidentiality, including, without limitation, County policies concerning information technology security and the protection of confidential records and information.

   B. Contractor shall indemnify, defend, and hold harmless County, its officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, costs and expenses, including, without limitation, defense costs and legal, accounting and other expert, consulting, or professional fees, arising from, connected with, or related to any failure by Contractor, its officers, employees, agents, or subcontractors, to comply with this CONFIDENTIALITY Paragraph, as determined by County in its sole judgment. Any legal defense pursuant to Contractor’s indemnification obligations under this CONFIDENTIALITY Paragraph shall be conducted by Contractor and performed
by counsel selected by Contractor and approved by County. Notwithstanding the
preceding sentence, County shall have the right to participate in any such
defense at its sole costs and expense, except that in the event Contractor fails to
provide County with a full and adequate defense, as determined by County in its
sole judgment, County shall be entitled to retain its own counsel, including,
without limitation, County Counsel, and reimbursement from Contractor for all
such costs and expenses incurred by County in doing so. Contractor shall not
have the right to enter into any settlement, agree to any injunction, or make any
admission, in each case, on behalf of County without County’s prior written
approval.

C. Contractor shall inform all of its officers, employees, agents and
subcontractors providing services hereunder of the confidentiality provisions of
this Contract.

D. Contractor shall sign and adhere to the provisions of the “Contractor
Acknowledgement and Confidentiality Agreement”, Exhibit E.

9. CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR
LAYOFF/OR RE-EMPLOYMENT LIST:

Should Contractor require additional or replacement personnel after the effective
date of this Contract to perform the services set forth herein, Contractor shall give first
consideration for such employment openings to qualified, permanent County employees
who are targeted for layoff or qualified, former County employees who are on a re-
employment list during the life of this Contract.
10. CONTRACTOR’S OBLIGATIONS AS A BUSINESS ASSOCIATE UNDER THE HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996 AND THE HEALTH INFORMATION TECHNOLOGY FOR ECONOMIC AND CLINICAL HEALTH ACT:

Under this Contract, Contractor ("Business Associate") provides services ("Services") to County ("Covered Entity") and Business Associate receives, has access to or creates Protected Health Information in order to provide those Services.

Covered Entity is subject to the Administrative Simplification requirements of the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 ("HIPAA"), and regulations promulgated thereunder, including the Standards for Privacy of Individually Identifiable Health Information ("Privacy Regulations") and the Health Insurance Reform: Security Standards ("the Security Regulations") at 45 Code of Federal Regulations (C.F.R.) Parts 160 and 164 (together, the "Privacy and Security Regulations"). The Privacy and Security Regulations require Covered Entity to enter into a contract with Business Associate ("Business Associate Agreement") in order to mandate certain protections for the privacy and security of Protected Health Information, and those Regulations prohibit the disclosure to or use of Protected Health Information by Business Associate if such a contract is not in place.

Further, pursuant to the Health Information Technology for Economic and Clinical Health Act, Public Law 111-005 ("HITECH Act"), effective February 17, 2010, certain provisions of the HIPAA Privacy and Security Regulations apply to Business Associates in the same manner as they apply to Covered Entity and such provisions must be incorporated into the Business Associate Agreement.
This Business Associate Agreement and the following provisions are intended to protect the privacy and provide for the security of Protected Health Information disclosed to or used by Business Associate in compliance with HIPAA's Privacy and Security Regulations and the HITECH Act, as they now exist or may hereafter be amended.

Therefore, the parties agree as follows:

A. DEFINITIONS

   (1) "Breach" has the same meaning as the term "breach" in 45 C.F.R. § 164.402.

   (2) "Disclose" and "Disclosure" mean, with respect to Protected Health Information, the release, transfer, provision of access to, or divulging in any other manner of Protected Health Information outside Business Associate’s internal operations or to other than its employees.

   (3) "Electronic Health Record" has the same meaning as the term "electronic health record" in the HITECH Act, 42 U.S.C. section 17921. Electronic Health Record means an electronic record of health-related information on an individual that is created, gathered, managed, and consulted by authorized health care clinicians and staff.

   (4) "Electronic Media" has the same meaning as the term "electronic media" in 45 C.F.R. § 160.103. Electronic Media means (1) Electronic storage media including memory devices in computers (hard drives) and any removable/transportable digital memory medium, such as magnetic tape or disk,
optical disk, or digital memory card; or (2) Transmission media used to exchange information already in electronic storage media. Transmission media include, for example, the internet (wide-open), extranet (using internet technology to link a business with information accessible only to collaborating parties), leased lines, dial-up lines, private networks, and the physical movement of removable/transportable electronic storage media. Certain transmissions, including of paper, via facsimile, and of voice, via telephone, are not considered to be transmissions via electronic media, because the information being exchanged did not exist in electronic form before the transmission.

The term “Electronic Media” draws no distinction between internal and external data, at rest (that is, in storage) as well as during transmission.

(5) “Electronic Protected Health Information” has the same meaning as the term “electronic protected health information” in 45 C.F.R. § 160.103. Electronic Protected Health Information means Protected Health Information that is (i) transmitted by electronic media; (ii) maintained in electronic media.

(6) “Individual” means the person who is the subject of Protected Health Information and shall include a person who qualifies as a personal representative in accordance with 45 C.F.R. § 164.502(g).

(7) "Minimum Necessary" refers to the minimum necessary standard in 45 C.F.R. § 162.502 (b) as in effect or as amended.
(8) "Privacy Rule" means the Standards for Privacy of Individually Identifiable Health Information at 45 Code of Federal Regulations (C.F.R.) Parts 160 and 164, also referred to as the Privacy Regulations.

(9) “Protected Health Information” has the same meaning as the term “protected health information” in 45 C.F.R. § 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity. Protected Health Information includes information that (i) relates to the past, present or future physical or mental health or condition of an Individual; the provision of health care to an Individual, or the past, present or future payment for the provision of health care to an Individual; (ii) identifies the Individual (or for which there is a reasonable basis for believing that the information can be used to identify the Individual); and (iii) is received by Business Associate from or on behalf of Covered Entity, or is created by Business Associate, or is made accessible to Business Associate by Covered Entity. “Protected Health Information” includes Electronic Health Information.

(10) “Required By Law” means a mandate contained in law that compels an entity to make a Use or Disclosure of Protected Health Information and that is enforceable in a court of law. Required by law includes, but is not limited to, court orders and court-ordered warrants; subpoenas or summons issued by a court, grand jury, a governmental or tribal inspector general, or any administrative body authorized to require the production of information; a civil or an authorized investigative demand; Medicare conditions of participation with respect to health care providers participating in the program; and statutes or
regulations that require the production of information, including statutes or regulations that require such information if payment is sought under a government program providing benefits.

(11) “Security Incident” means the attempted or successful unauthorized access, Use, Disclosure, modification, or destruction of information in, or interference with system operations of, an Information System which contains Electronic Protected Health Information. However, Security Incident does not include attempts to access an Information System when those attempts are not reasonably considered by Business Associate to constitute an actual threat to the Information System.

(13) “Services” has the same meaning as in the body of this Contract.

(14) "Unsecured Protected Health Information" has the same meaning as the term "unsecured protected health information" in 45 C.F.R. § 164.402.

(15) “Use” or “Uses” mean, with respect to Protected Health Information, the sharing, employment, application, utilization, examination or analysis of such Information within Business Associate’s internal operations.
(16) Terms used, but not otherwise defined in this Business Associate Agreement shall have the same meaning as those terms in the HIPAA Regulations and HITECH Act.

If the Contractor’s prices decline, or should the Contractor at any time during the term of this Contract provide the same goods or services under similar quantity and delivery conditions to the State of California or any county, municipality, or district of the State at prices below those set forth in this Contract, then such lower prices shall be immediately extended to the County.

20. **LOCAL SMALL BUSINESS ENTERPRISE (SBE) PREFERENCE PROGRAM:**

   A. This Contract is subject to the provisions of the County’s ordinance entitled Local Small Business Enterprise Preference Program, as codified in Chapter 2.204 of the Los Angeles County Code.
B. The Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Local Small Business Enterprise.

C. The Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Local Small Business Enterprise.

D. If the Contractor has obtained certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this contract to which it would not otherwise have been entitled, shall:

   (1) Pay to the County any difference between the contract amount and what the County’s costs would have been if the contract had been properly awarded;

   (2) In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent of the amount of the contract; and

   (3) Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).
The above penalties shall also apply to any business that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the state and Internal Services Department of this information prior to responding to a solicitation or accepting a contract award.

21. TRANSITIONAL JOB OPPORTUNITIES PREFERENCE PROGRAM:

A. This Contract is subject to the provisions of the County’s ordinance entitles Transitional Job Opportunities Preference Program, as codified in Chapter 2.205 of the Los Angeles County Code.

B. Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Transitional Job Opportunity vendor.

C. Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Transitional Job Opportunity vendor.

D. If Contractor has obtained County certification as a Transitional Job Opportunity vendor by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such
certification has been awarded this contract to which it would not otherwise have been entitled, shall:

(1) Pay to the County any difference between the contract amount and what the County’s costs would have been if the contract had been properly awarded;

(2) In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent (10%) of the amount of the contract; and

(3) Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties shall also apply to any entity that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the certifying department of this information prior to responding to a solicitation or accepting a contract award.

22. LIQUIDATED DAMAGES:

A. If, in the judgment of the Director, or his/her designee, the Contractor is deemed to be non-compliant with the terms and obligations assumed hereby, the Director, or his/her designee, at his/her option, in addition to, or in lieu of, other remedies provided herein, may withhold the entire monthly payment or deduct pro rata from the Contractor's invoice for work not performed. A description of the work not performed and the amount to be withheld or deducted from
payments to the Contractor from the County, will be forwarded to the Contractor by the Director, or his/her designee, in a written notice describing the reasons for said action.

B. If the Director determines that there are deficiencies in the performance of this Contract that the Director deems are correctable by the Contractor over a certain time span, the Director will provide a written notice to the Contractor to correct the deficiency within specified time frames. Should the Contractor fail to correct deficiencies within said time frame, the Director may: (a) Deduct from the Contractor's payment, pro rata, those applicable portions of the Monthly Contract Sum; and/or (b) Deduct liquidated damages. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Contractor to correct a deficiency within the specified time frame. The parties hereby agree that under the current circumstances a reasonable estimate of such damages is One Hundred Dollars ($100) per day per infraction, and that the Contractor shall be liable to the County for liquidated damages in said amount. Said amount shall be deducted from the County's payment to the Contractor; and/or (c) Upon giving five (5) days notice to the Contractor for failure to correct the deficiencies, the County may correct any and all deficiencies and the total costs incurred by the County for completion of the work by an alternate source, whether it be County forces or separate private contractor, will be deducted and forfeited from the payment to the Contractor from the County, as determined by the County.
C. The action noted in sub-paragraph B above shall not be construed as a penalty, but as adjustment of payment to the Contractor to recover the County cost due to the failure of the Contractor to complete or comply with the provisions of this Contract.

D. This sub-paragraph shall not, in any manner, restrict or limit the County’s right to damages for any breach of this Contract provided by law or as specified in sub-paragraph B above, and shall not, in any manner, restrict or limit the County’s right to terminate this Contract as agreed to herein.

ADDITIONAL PROVISIONS
(NAME OF CONTRACTOR)
LABORATORY AND CLINIC EQUIPMENT AND MEDICAL DEVICE
MAINTENANCE, CALIBRATION, AND REPAIR SERVICES

1. ADMINISTRATION OF CONTRACT:

   A. County’s Director of Public Health or his/her authorized
designee(s) (hereafter collectively “Director”) shall have the authority to
administer this Contract on behalf of County. Contractor agrees to extend
to Director the right to review and monitor Contractor’s programs, policies,
procedures, and financial and/or other records, and to inspect its facilities
for contractual compliance at any reasonable time.

   B. Approval of Contractor’s Staff: County has the absolute right to
approve or disapprove all of the Contractor’s staff performing work
hereunder and any proposed changes in the Contractor’s staff, including,
but not limited to, the contractor’s Project Manager.

   C. Contractor’s Staff Identification: All of Contractor’s employees
assigned to County facilities are required to have a County Identification
(ID) badge on their person and visible at all times. Contractor bears all
expense related to the badges.

   D. Background and Security Investigations: Each of Contractor’s
staff performing services under this Contract who is in a designated
sensitive position, as determined by County in County's sole discretion,
shall undergo and pass a background investigation to the satisfaction of
County as a condition of beginning and continuing to perform services
under this Contract. Such background investigation may include, but shall not be limited to, criminal conviction information obtained through fingerprints submitted to the California Department of Justice. The fees associated with the background investigation shall be at the expense of the Contractor, regardless if the member of Contractor's staff passes or fails the background investigation. County shall perform the background check and bill Contractor for the cost.

If a member of Contractor's staff who is in a designated sensitive position does not obtain work clearance through the criminal history background review, they may not be placed and/or assigned within the Department of Public Health. During the term of the Contract, the Department may receive subsequent criminal information. If this subsequent information constitutes a job nexus, the Contractor shall immediately remove staff from performing services under this Contract and replace such staff within fifteen (15) days of removal or within an agreed upon time with the County. Pursuant to an agreement with the Federal Department of Justice, the County will not provide to Contractor nor to Contractor's staff any information obtained through the County's criminal history review.

Disqualification of any member of Contractor's staff pursuant to this section shall not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of this Contract.
2. ASSIGNMENT AND DELEGATION:

   A. Contractor shall not assign its rights or delegate its duties under this Contract, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this Subparagraph, County consent shall require a written amendment to the Contract, which is formally approved and executed by the parties. Any payments by County to any approved delegate or assignee on any claim under this Contract shall be deductible, at County's sole discretion, against the claims, which Contractor may have against County.

   B. Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Contract, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Contract.

   C. Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity other than Contractor, whether through assignment,
subcontract, delegation, merger, buyout, or any other mechanism, with our
without consideration for any reason whatsoever without County’s express
prior written approval, shall be a material breach of the Contract which
may result in the termination of this Contract. In the event of such
termination, County shall be entitled to pursue the same remedies against
Contractor as it could pursue in the event of default by Contractor.

3. **AUTHORIZATION WARRANTY:**

Contractor hereby represents and warrants that the person executing this
Contract for Contractor is an authorized agent who has actual authority to bind
Contractor to each and every term, condition, and obligation set forth in this
Contract and that all requirements of Contractor have been fulfilled to provide
such actual authority.

4. **BUDGET REDUCTION:**

In the event that the Board adopts, in any fiscal year, a County Budget
which provides for reductions in the salaries and benefits paid to the majority of
County employees and imposes similar reductions with respect to County
Contracts, the County reserves the right to reduce its payment obligation under
this Contract correspondingly for that fiscal year and any subsequent fiscal year
during the term of this Contract (including any extensions), and the services to be
provided by the Contractor under this Contract shall also be reduced
correspondingly. County’s notice to Contractor regarding said reduction in
payment obligation shall be provided within thirty (30) calendar days of the
Board’s approval of such actions. Except as set forth in the preceding sentence, Contractor shall continue to provide all of the services set forth in this Contract.

5. CONTRACTOR BUDGET AND EXPENDITURES REDUCTION FLEXIBILITY:
In order for County to maintain flexibility with regard to budget and expenditure reductions, Contractor agrees that Director may cancel this Contract, without cause, upon the giving of ten (10) calendar days written notice to Contractor. In the alternative to cancellation, Director may, consistent with federal, State, and/or County budget reductions, renegotiate the scope/description of work, maximum obligation, and budget of this Contract via a written amendment to this Contract.

6. COMPLAINTS: The Contractor shall develop, maintain, and operate procedures for receiving, investigating, and responding to complaints.

   A. Within 30 business days after Contract effective date, the Contractor shall provide the County with the Contractor’s policy for receiving, investigating, and responding to user complaints.

   B. The plan shall include, but not be limited to, when and how new clients as well as current and recurring clients are to be informed of the procedures to file a complaint.

   C. The client and and/or his/her authorized representative shall receive a copy of the procedure.

   D. The County will review the Contractor’s policy and provide the Contractor with approval of said plan or with requested changes.
E. If the County requests changes in the Contractor’s policy, the Contractor shall make such changes and resubmit the plan within 30 business days for County approval.

F. If, at any time, the Contractor wishes to change the Contractor’s policy, the Contractor shall submit proposed changes to the County for approval before implementation.

G. The Contractor shall preliminary investigate all complaints and notify the County’s Project Manager of the Status of the investigation within 15 business days of receiving the complaint.

H. When complaints cannot be resolved informally, a system of follow-through shall be instituted which adheres to formal plans for specific actions and strict time deadlines.

I. Copies of all written responses shall be sent to the County’s Project Manager within 3 business days of mailing to the complainant.

7. COMPLIANCE WITH APPLICABLE LAW:

A. In the performance of this Contract, Contractor shall comply with all applicable federal, State and local laws, rules, regulations, ordinances, directives, guidelines, policies and procedures, and all provisions required thereby to be included in this Contract are hereby incorporated herein by reference. To the extent that there is any conflict between federal and State or local laws, the former shall prevail.
B. Contractor shall indemnify, defend and hold harmless County, its officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, costs, and expenses, including, without limitation, defense costs and legal, accounting and other expert, consulting or professional fees, arising from, connected with, or related to any failure by Contractor, its officers, employees, agents, or subcontractors, to comply with any such laws, rules, regulations, ordinances, directives, guidelines, policies, or procedures, as determined by County in its sole judgment. Any legal defense pursuant to Contractor’s indemnification obligations under this Paragraph shall be conducted by Contractor and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole costs and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by county in its sole judgment, County shall be entitled to retain its own counsel, including limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to enter into settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County’s prior written approval.
8. **COMPLIANCE WITH CIVIL RIGHTS LAW:**

The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (3) (1) through 2000 (e) (17), to the end that no person shall, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract. The Contractor shall comply with Exhibit D – Contractor’s EEO Certification.

9. **COMPLIANCE WITH THE COUNTY’S JURY SERVICE PROGRAM:**

   A. **Jury Service Program:** This Contract is subject to the provisions of the County’s ordinance entitled Contractor Employee Jury Service (“Jury Service Program”) as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is available on the internet at http://publichealth.lacounty.gov/cg/index.htm

   B. **Written Employee Jury Service Policy:**

      1. Unless the Contractor has demonstrated to the County’s satisfaction either that the Contractor is not a “Contractor” as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that the Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), the Contractor shall have and adhere to a written policy that
provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee’s regular pay the fees received for jury service.

(2) For purposes of this sub-paragraph, “Contractor” means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of $50,000 or more in any 12-month period under one or more County contracts or subcontracts. “Employee” means any California resident who is a full-time employee of the Contractor. “Full-time” means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If the Contractor uses any Subcontractor to perform services for the County under the Contract, the Subcontractor shall also be subject to the provisions
of this sub-paragraph. The provisions of this sub-paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the Contract.

(3) If the Contractor is not required to comply with the Jury Service Program when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its “exception status” from the Jury Service Program, and the Contractor shall immediately notify the County if the Contractor at any time either comes within the Jury Service Program’s definition of “Contractor” or if the Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate, to the County’s satisfaction that the Contractor either continues to remain outside of the Jury Service Program’s definition of “Contractor” and/or that the Contractor continues to qualify for an exception to the Program.

(4) Contractor’s violation of this sub-paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract and/or bar the Contractor from the award of
future County contracts for a period of time consistent with the seriousness of the breach.

10. CONFLICT OF INTEREST:

A. No County employee whose position with the County enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent of such employee, shall be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder shall in any way participate in the County’s approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County’s approval or ongoing evaluation of such work.

B. The Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with
the provisions of this sub-paragraph shall be a material breach of this Contract.

11. CONSIDERATION OF HIRING GAIN/GROW PROGRAM PARTICIPANTS:

A. Should the Contractor require additional or replacement personnel after the effective date of this Contract, the Contractor shall give consideration for any such employment openings to participants in the County’s Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor’s minimum qualifications for the open position. For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The County will refer GAIN/GROW participants by job category to the Contractor.

B. In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first priority.

12. CONTRACTOR RESPONSIBILITY AND DEBARMENT:

A. Responsible Contractor: A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the
contract. It is the County’s policy to conduct business only with responsible Contractors.

B. Chapter 2.202 of the County Code: The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing Contracts the Contractor may have with the County.

C. Non-responsible Contractor: The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County, (2) committed an act or omission which negatively reflects on the Contractor’s quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business
honesty, or (4) made or submitted a false claim against the County or any other public entity.

D. Contractor Hearing Board: If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor’s representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

F. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to
modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

G. If a Contractor has been debarred for a period longer than five (5) years, that Contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.

H. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the
proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

I. The Contractor Hearing Board’s proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

J. **Subcontractors of Contractor:** These terms shall also apply to Subcontractors of County Contractors.

13. **CONTRACTOR’S ACKNOWLEDGEMENT OF COUNTY’S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW:**

   The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. Further, after receipt of a Notice of Termination, Contractor shall submit to County, in the form and with the certifications as may be prescribed by County, its termination claim and invoice. Such claim and invoice shall be submitted promptly, but not later than sixty (60) calendar days from the effective date of termination. Upon failure of Contractor to submit its termination claim and invoice within the time allowed, County may determine on the basis of information available to County, the amount, if any, due to Contractor in respect to the termination, and such determination shall be final. After such determination is made, County shall pay Contractor the amount so determined.

   B. If, as determined in the sole judgment of County, Contractor fails to perform and/or comply with any of the other provisions of this Contract, or so fails to make progress as to endanger performance of this Contract in accordance with its terms, and in either of these two (2) circumstances, does not cure such failure within a period of five (5) calendar days (or such longer period as County may authorize in writing) after receipt of notice from County specifying such failure.

In the event that County terminates this Contract as provided hereinabove, County may procure, upon such terms and in such manner as County may deem appropriate, services similar to those so terminated, and Contractor shall be
liable to County for any reasonable excess costs incurred by County for such similar services.

The rights and remedies of County provided in this Paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could in the event of default by Contractor.

Contractor shall immediately report any attempt by a County officer, employee, or agent, to solicit such improper gratuity or consideration. The report shall be made either to the County manager charged with the supervision of the employee or agent, or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.
(Among other items, such improper gratuities and considerations may take
the form of cash, discounts, services, the provision of travel or entertainment, or
other tangible gifts.)

Contract immediately for default in the event of the occurrence of any of the
following:

   A. Insolvency of Contractor. Contractor shall be deemed to be
      insolvent if it has ceased to pay its debts at least sixty (60) calendar days

Bankruptcy Law or not;

   B. The filing of a voluntary or involuntary petition under the federal
Bankruptcy Law;

   C. The appointment of a Receiver or Trustee for Contractor;

   D. The execution by Contractor of an assignment for the benefit of
      creditors.

In the event that County terminates this Contract as provided hereinabove,
County may procure, upon such terms and in such manner as County may deem
appropriate, services similar to those so terminated, and Contractor shall be
liable to those so terminated, and Contractor shall be liable to County for any
reasonable excess costs incurred by County, as determined by County, for such
similar services. The rights and remedies of County provided in this Paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

50. **TERMINATION FOR NON-APPROPRIATION OF FUNDS:**

Notwithstanding any other provision of this Contract, the County shall not be obligated for the Contractor’s performance hereunder or by any provision of this Contract during any of the County’s future fiscal years unless and until the County’s Board of Supervisors appropriates funds for this Contract in the County’s Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

Notwithstanding any other provision of this Contract, the parties do not in any way intend that any person shall acquire any rights as a third party beneficiary under this Contract.

52. **UNLAWFUL SOLICITATION:**

Contractor shall require all of its employees performing services hereunder to acknowledge in writing understanding of and agreement to comply
with the provisions of Article 9 of Chapter 4 of Division 3 (commencing with Section 6150) of the Business and Professions Code of the State of California (i.e., State Bar Act provisions regarding unlawful solicitation as a runner or capper for attorneys) and shall take positive and affirmative steps in its performance hereunder to ensure that there is no violation of such provisions by its employees. Contractor shall utilize the attorney referral services of all those bar associations within Los Angeles County that have such a service.

53. **VALIDITY:**

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

54. **WAIVER:**

No waiver by the County of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this sub-paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

55. **WARRANTY AGAINST CONTINGENT FEES:**

A. The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or
contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

B. For breach of this warranty, the County shall have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

56. WARRANTY OF COMPLIANCE WITH COUNTY’S DEFAULTED PROPERTY TAX REDUCTION PROGRAM:

Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this contract will maintain compliance, with Los Angeles County Code Chapter 2.206.
57. TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY’S DEFAULTED PROPERTY TAX REDUCTION PROGRAM:

Failure of Contractor to maintain compliance with the requirements set forth in the WARRANTY OF COMPLIANCE WITH COUNTY’S DEFAULTED PROPERTY TAX REDUCTION PROGRAM Paragraph of this Contract shall constitute default under this contract. Without limiting the rights and remedies available to County under any other provision of this contract, failure of Contractor to cure such default within 10 days of notice shall be grounds upon which County may terminate this contract and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

58. OWNERSHIP OF MATERIALS, SOFTWARE AND COPYRIGHT:

A. Contractor agrees that all public announcements, literature, audiovisuals, and printed material developed or acquired by Contractor or otherwise, in whole or in part, under this Contract, and all works based thereon, incorporated therein, or derived there from, shall be the sole property of County.

B. Contractor hereby assigns and transfers to County in perpetuity for all purposes all Contractors’ rights, title, and interest in and to all such items including, but not limited to, all unrestricted and exclusive copyrights and all renewals and extensions thereof.

F. If directed to do so by County, Contractor will place the county name, its department names and/or its marks and logos on all items.
developed under this Contract. If also directed to do so by County, Contractor shall affix the following notice to all items developed under this Contract: “© Copyright 2012 (or such other appropriate date of first publication), County of Los Angeles. All Rights Reserved.” Contractor agrees that it shall not use the County name, its department names, its program names, and/or its marks and logos on any materials, documents, advertising, or promotional pieces, whether associated with work performed under this Contract or for unrelated purposes, without first obtaining the express written consent of County.

For the purposes of this Contract, all such items shall include, but not be limited to, written materials (e.g., curricula, text for vignettes, press releases, advertisements, text for public service announcements for any and all media types, pamphlets, brochures, fliers), software, audiovisual materials (e.g., films, videotapes, websites), and pictorials (e.g., posters and similar promotional and educational materials using photographs, slides, drawings, or paintings).

9.3.4 Repair, maintenance, and calibration services provided by contractor shall be made on Facility grounds and shall include all travel, labor, parts, and materials necessary to maintain said equipment or medical device. Replacement parts shall be new or equivalent to new parts.

9.3.5 Repair shall include diagnosis and corrections of malfunctions and/or failure occurring to said equipment or medical device. With approval by County's Facility Administrator or their designee, temporary repair procedures may be followed by County's personnel while Contractor is concurrently developing a permanent repair to said equipment or medical device.

9.3.6 If Contractor is unable to procure necessary additional parts or resources within twenty-four (24) hours after repair to said equipment or medical device had begun, County's Facility Administrator or their designee shall have the option of: (1) requiring replacement equipment or medical device, if available, until service can be completed by Contractor to resume repair services to said equipment or medical device or as soon as repair parts or resources are available. In any event, Contractor shall repair the said equipment or medical device or have approved plan for repair of said equipment in medical device or provide County with temporary replacement equipment or medical device if available within twenty-four hours after repair work on County-owned equipment or medical device has begun.

9.4 Emergency Repair Services:

Contractor shall perform Emergency repair services, outside the scope of the routine scheduled preventive maintenance services specified in Appendix ?, within
four (4) hours after notification to Contractor by the Facility, after 5:00 p.m., Monday through Friday, or on weekends and holidays.

9.4.2 Prior to performing any Emergency work, the Contractor shall prepare and submit a written description of the work with an estimate of labor and materials. Replacement parts required shall be billed to County at the rate of cost plus ten percent (10%) The County’s Facility Administrator or his designee must approve the cost in advance. In any case, no Emergency work shall commence without written authorization by County.

9.4.3 If Emergency repair services are required, such services shall be billed to County at the hourly rates listed in Schedule X and Schedule X, or quarterly portion thereof, rounded up to the nearest quarter hour, upon written consent of County’s Facility Administrator or their designee. Replacement parts shall be new or equivalent to new parts.

9.4.4 If, upon arrival at Facility, Contractor determines that the Equipment or Medical Device cannot be immediately repaired, then Contractor's service representative shall indicate, in writing, an estimated time frame for repair.

and medical devices covered under this Contract, whereby such equipment or medical device has or may have caused or contributed to a patient's injury, serious illness, or death. Such documentation shall describe the incident, the equipment or medical device involved in the medical incident, and any subsequent examination of such equipment or medical device. County's Facility Administrator, or their designee, in consultation with Contractor and Facility's Risk Manager, shall provide direct oversight of all activities to decommission, sequester, and examine any equipment or medical device, which has been involved in a medical incident. Neither party shall use, clean, discard, alter, or repair any equipment or medical device involved in such incident prior to said equipment or medical device's examination.

9.6 Major Equipment and Medical Device Overhaul Services:

9.6.1 Contractor shall provide regularly scheduled major overhaul services for all equipment and medical devices listed in Schedule X and Schedule Y in accordance with the Original Equipment or Medical Device's Manufacturer's recommended schedule for such overhaul services. If the overall services commence prior to 5:00 p.m. (Monday through Friday), but extend beyond 5:00 p.m., no additional service charges are to be incurred by County.

9.7 Breakage and/or Loss:

9.7.1 Contractor shall replace and/or repair (at the time of servicing) any equipment and medical device and/or parts thereof which suffer breakage, damage or loss at the time of servicing or repair, which is caused by the negligence or willful misconduct of Contractor, and to the extent thereof, at no additional cost to County.

9.8 Rework:

9.8.1 Contractor shall rework improperly repaired equipment or medical device, correct any damage resulting therefrom, and supply all necessary parts and materials therefore at no additional cost to County. Service personnel shall also repair any defective parts purchased and installed by such service personnel and shall repair any damage to the equipment or medical device resulting from, and to the extent of, Contractor's
negligence or willful misconduct, at no additional cost to County.

9.9 Reports:

9.9.1 Contractor shall prepare and maintain a written record of all services provided on each piece of Equipment and Medical Device at each Facility. Such service report(s) shall: (a) meet all licensing, accrediting and regulatory agency requirements, (b) clearly identify the equipment and medical device services by model number, serial/site number, Los Angeles County Capital Asset Leasing or Los Angeles County number (if available), (c) include an itemization and description of services performed, including electrical checks, calibration reading and traceable National Institute of Standards and Technology (NIST) standard serial number if applicable, (d) list any parts installed, (e) include the service date(s), and (f) give the name of the service technician who performed the service. A copy of such service report shall be given to the Facility at the time the service is performed. Such service reports are the property of County and shall remain on-site at each Facility.

9.10 Exclusions:

9.10.1 Contractor is not financially responsible to provide the repair services above should any repair be required because of causes other than ordinary use of the equipment and medical devices, as determined by County. All breakage or damage to Equipment and Medical Device due to abuse and/or negligence by County personnel shall first be verified and determined to be due to abuse and/or negligence by County personnel. Contractor shall repair such equipment and medical device broken and/or damaged due to abuse and/or negligence on the part of Facility personnel only with the prior written authorization of Director. Such services shall be considered "Out-of-Scope" services and shall be billed to County at the prices listed in Schedule X and Schedule X.

Such causes include, but are not limited to:

A. Improper use, gross neglect, misplacement, air conditioner or humidity control malfunction or failure, Facility electrical system malfunction or failure;
B. Repair, maintenance, modification, relocation, or reinstallation by any other than Contractor-authorized personnel;

C. Acts of God, fires, floods, war, acts of sabotage, riots, accidents, or other causes.

9.10.2 Contractor shall provide DPH with an itemization of the repair(s) necessary, including estimated cost of such repair required to bring said equipment or medical device up to current regulatory compliance standards. Replacement parts required shall be billed to County at the rate of cost plus ten percent (10%). Director may authorize said repair or reconditioning or take said Equipment or medical device out of service.

9.10.3 In the event that excluded services are required by the Facility, such services shall be billed to County at the hourly rates described in Schedule X, or quarterly portion thereof, rounded up to the nearest quarter hour.

9.11 Equipment and Medical Device Performance Standards:

9.11.1 The guaranteed performance uptime for each piece of equipment or medical device is a minimum of ninety-seven percent (97%). Should the equipment or medical device fail to meet the uptime criteria in any calendar month, a credit based upon the service contract price for the calendar month will be determined as follows:

<table>
<thead>
<tr>
<th>Equipment or Medical Device Uptime</th>
<th>Monthly Price Credit</th>
</tr>
</thead>
<tbody>
<tr>
<td>97% - 100% uptime</td>
<td>0%</td>
</tr>
<tr>
<td>93% - 96.9% uptime</td>
<td>20%</td>
</tr>
<tr>

</tr>
<tr>

<td>60%</td>

<tr>
<td>83% - 86.9% uptime</td>
<td>80%</td>
</tr>
<tr>
<td>Below 82.99% uptime</td>
<td>100%</td>
</tr>
</tbody>
</table>

9.11.2 The basis for each measurement period is the total number of hours per month the equipment or medical device is in-service at Facility divided by the total number of hours in a service month including weekends and holidays.
9.11.3 “In Service” is defined as in use or in stand-by status available for use by Facility.

9.11.4 Downtime shall be determined in monthly increments by calendar month in accordance with the following:

A. Total hours per month equipment or medical device is out-of-service divided by the total number of hours in the service month.

B. The equipment or medical device shall be considered out-of-service if the equipment or medical device is inoperable or not able to perform the function it was designed to perform. County will determine the function of the equipment and medical devices.

C. Time spent on regularly scheduled maintenance will be excluded from these performance calculations. Additionally, time the equipment or medical device is not operable due to damage from misuse, operator error, inadequate environmental conditions including air conditioning, failure or fluctuations in Facility's electrical power supply, acts of God, strikes or fires, will also be excluded from these performance standards.

D. Downtime is calculated from the time a telephone call is made to the time Contractor places item back in service.

9.11.5 Contractor shall maintain a log specifying the dates and the causes of all unplanned equipment or medical device downtime. Facility will validate the log as often as necessary, not less than annually. Credit shall be applied to the following month's invoice. Failure to request credit in following month's invoices shall not constitute a waiver of such right which may be exercised at any subsequent time. Equipment or medical device uptime below the ninety percent (90%) uptime defined above, within thirty (30) consecutive calendar days, shall be considered as a contractual default and County shall have the right to give Contractor notice thereof.
10.0 GREEN INITIATIVES

10.1 Contractor shall use reasonable efforts to initiate “green” practices for environmental and energy conservation benefits.

10.2 Contractor shall notify County’s Project Manager of Contractor’s new green initiatives.

Upon review of the submitted form, the County department will determine, in its sole discretion, whether the Bidder is excepted from the Program.

Part I: Jury Service Program is Not Applicable to My Business

- My business does not meet the definition of “contractor,” as defined in the Program, as it has not received an aggregate sum of $50,000 or more in any 12-month period under one or more County contracts or subcontracts (this exception is not available if the contract itself will exceed $50,000). I understand that the exception will be lost and I must comply with the Program if my revenues from the County exceed an aggregate sum of $50,000 in any 12-month period.

- My business is a small business as defined in the Program. It 1) has ten or fewer employees; and, 2) has annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract, are $500,000 or less; and, 3) is not an affiliate or subsidiary of a business dominant in its field of operation, as defined below. I understand that the exception will be lost and I must comply with the Program if the number of employees in my business and my gross annual revenues exceed the above limits.

“Dominant in its field of operation” means having more than ten employees and annual gross revenues in the preceding twelve months, which, if added to the annual amount of the contract awarded, exceed $500,000.

“Affiliate or subsidiary of a business dominant in its field of operation” means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

- My business is subject to a Collective Bargaining Agreement (attach agreement) that expressly provides that it supersedes all provisions of the Program.

OR

Part II: Certification of Compliance

COUNTY OF LOS ANGELES
POLICY ON DOING BUSINESS WITH SMALL BUSINESS

Forty-two percent of businesses in Los Angeles County have five or fewer employees. Only about four percent of businesses in the area exceed 100 employees. According to the Los Angeles Times and local economists, it is not large corporations, but these small companies that are generating new jobs and helping move Los Angeles County out of its worst recession in decades.

WE RECOGNIZE . . .

The importance of small business to the County . .

- in fueling local economic growth
- providing new jobs
- creating new local tax revenues
- offering new entrepreneurial opportunity to those historically under-represented in business

The County can play a positive role in helping small business grow . .

- as a multi-billion dollar purchaser of goods and services
- as a broker of intergovernmental cooperation among numerous local jurisdictions
- by greater outreach in providing information and training
- by simplifying the bid/proposal process
- by maintaining selection criteria which are fair to all
- by streamlining the payment process

WE THEREFORE SHALL:

1. Constantly seek to streamline and simplify our processes for selecting our vendors and for conducting business with them.

2. Maintain a strong outreach program, fully-coordinated among our departments and districts, as well as other participating governments to: a) inform and assist the local business community in competing to provide goods and services; b) provide for ongoing dialogue with and involvement by the business community in implementing this policy.

3. Continually review and revise how we package and advertise solicitations, evaluate and select prospective vendors, address subcontracting and conduct business with our vendors, in order to: a) expand opportunity for small business to compete for our business; and b) to further opportunities for all businesses to compete regardless of size.

4. Insure that staff who manage and carry out the business of purchasing goods and services are well trained, capable and highly motivated to carry out the letter and spirit of this policy.
2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

2.203.020 Definitions.

The following definitions shall be applicable to this chapter:

APPENDIX I

Notice 1015
(Rev. December 2009)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What Is the EIC?
The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?
You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee’s Withholding Allowance Certificate.

Note. You are encouraged to notify each employee whose wages for 2009 are less than $48,279 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?
You must give the employee one of the following:

• The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
• A substitute Form W-2 with the same EIC information on the back of the employee’s copy that is on Copy B of the IRS Form W-2.
• Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
• Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee’s copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 8, 2010.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee’s last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from the IRS website at www.irs.gov or by calling 1-800-829-3676.

How Will My Employees Know If They Can Claim the EIC?
The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 596, Earned Income Credit (EIC), or the instructions for Form 1040, 1040A, or 1040EZ.

How Do My Employees Claim the EIC?
Eligible employees claim the EIC on their 2009 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2009 and owes no tax but is eligible for a credit of $829, he or she must file a 2009 tax return to get the $829 refund.

How Do My Employees Get Advance EIC Payments?
Eligible employees who expect to have a qualifying child for 2010 can get part of the credit with their pay during the year by giving you a completed Form W-5, Earned Income Credit Advance Payment Certificate. You must include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see Pub. 15 (Circular E), Employer’s Tax Guide.

A baby’s story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby’s aunt and stated the baby’s mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

APPENDIX J

Ley de Entrega de Bebés
Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?
La Ley de Entrega de Bebés sin Peligro de California permite a la madre del recién nacido, o una persona autorizada por ella, entregar al recién nacido al personal del hospital o al personal de bomberos si: el recién nacido corre peligro de ser abandonado, perjudicado o maltratado; o si el recién nacido está en peligro de malnutrición, desnutrición o enfermedad. La ley permite que la persona que entrega al bebé sea identificada con facilidad y seguridad, y que el recién nacido se muestre en un estado de salud adecuado. El personal del hospital o el personal de bomberos debe recibir al recién nacido y proporcionar cuidado médico y nutricional. Si el personal del hospital o el personal de bomberos no pueden proporcionar el cuidado necesario, el recién nacido se entregará a la madre del recién nacido o a una persona autorizada por ella.

¿Cómo funciona?
El padre/madre con dificultades que no puedan cuidar del recién nacido puede entregarlo en forma legal, confidencial y seguro, dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abandono, negligencia, no sea el padre/madre, cambie de opinión posteriormente y desee recuperar al bebé, los trabajadores utilizarán procedimientos para poder vincularlos. El bebé llevará un brazalete y el padre/madre recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?
Los padres que cambian de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?
No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?
No. El padre/madre o adulto que entrega al bebé a un hospital o cuartel de bomberos puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen al bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?
No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entrega al bebé que llenar un cuestionario para facilitar la recepción y la identificación del bebé. El cuestionario incluye un nombre con el que se podrá identificar al bebé.

¿Qué pasará con el bebé?
El bebé será examinado y se le brindará atención médica. Cuando se determine el sexo del bebé, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregó al bebé?
Una vez que los padres o el adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué está haciendo esto en California?
La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, maltratados o maltratados por sus padres. Esta ley probablemente haya evitado una tragedia de bebé abandonada en un hospital o en las calles de la ciudad. Los padres de esos bebés probablemente habrían estado pasando por dificultades emocionales graves. Las madres pueden haber oído un llamado a su espíritu, con el deseo de descanso de la soledad, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque temían a las personas a las que les había dado, con el deseo de que no le hubieran devuelto. El bebé fue encontrado en una casa de la que no había sido abandonada para adoptarlo por el Departamento de Servicios para Niños y Familias.

Historia de un bebé
A la mañana temprana del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que entregó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara el bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé, esto servía como identificación en caso de que la madre cambiara de opinión. La enfermera del hospital y el personal del hospital recibieron al bebé y decidió recuperarlo dentro del período de 14 días que permite esta ley. También le dijeron a la tía un número telefónico, y ella dijo que la madre lo llevaría a la unidad de cuidados intensivos del hospital en un momento que le convenga, pero que le devolverían el bebé de inmediato. El personal médico examinó al bebé y se determinó que estaba saludable y se le entregó al hospital. El bebé fue ubicado con una familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.
There is a keen public interest in preventing misuse of charitable contributions. California’s “Supervision of Trustees and Fundraisers for Charitable Purposes Act” regulates those raising and receiving charitable contributions. The “Nonprofit Integrity Act of 2004” (SB 1262, Chapter 919) tightened Charitable Purposes Act requirements for charitable organization administration and fundraising.

The Charitable Purposes Act rules cover California public benefit corporations, unincorporated associations, and trustee entities. They may include similar foreign corporations doing business or holding property in California. Generally, an organization is subject to the registration and reporting requirements of the Charitable Purposes Act if it is a California nonprofit public benefit corporation or is tax exempt under Internal Revenue Code § 501(c)(3), and not exempt from reporting under Government Code § 12583. Most educational institutions, hospitals, cemeteries, and religious organizations are exempt from Supervision of Trustees Act requirements.

Key new Charitable Purposes Act requirements affect executive compensation, fund-raising practices and documentation. Charities with over $2 million of revenues (excluding grants and service-contract funds a governmental entity requires to be accounted for) have new audit requirements. Charities required to have audits must also establish an audit committee whose members have no material financial interest in any entity doing business with the charity.

Organizations or persons that receive or raise charitable contributions are likely to be subject to the Charitable Purposes Act. A Proposer on Los Angeles County contracts must determine if it is subject to the Charitable Purposes Act and certify either that:

- It is not presently subject to the Act, but will comply if later activities make it subject, or,
- If subject, it is currently in compliance.

RESOURCES

The following references to resources are offered to assist Proposers who engage in charitable contributions activities. Each Proposer, however, is ultimately responsible to research and determine its own legal obligations and properly complete its compliance certification (Exhibit 20).

In California, supervision of charities is the responsibility of the Attorney General, whose website, [http://ag.ca.gov/](http://ag.ca.gov/) contains much information helpful to regulated charitable organizations.
