## 1.0 INTRODUCTION

### 1.1 Purpose

The Los Angeles County Department of Public Health (DPH) is issuing this Request for Proposals (RFP) to solicit proposals from licensed behavioral health facilities providing inpatient and outpatient services to the mental health and/or substance use population in Los Angeles County (LAC) to develop and implement tobacco-free environment policies and smoking cessation services into their existing facility programs and services.

This Tobacco-Free Champions Initiative is made possible by an award from the Centers for Disease Control and Prevention (CDC) as part of the U.S. Department of Health and Human Services' (HHS's) Community Transformation Grants (CTG) initiative. This funding aims to support numerous public health projects, including tobacco-free living that addresses chronic diseases and reduces health disparities in LAC.

#### **Background**

Despite considerable progress in tobacco control efforts over the past couple of decades, tobacco use continues to be the leading preventable cause of death in the United States and is associated with the top five leading causes of death in LAC (Los Angeles County Health Survey, 2007). While the harmful effects of tobacco use are widespread, concerning disparities are particularly problematic for vulnerable populations in the behavioral health community.

The mental health and substance use population comprises 22% of the United States population, yet, they consume roughly 44% of all cigarettes sold in the country (Grant et al., 2004; Lasser, 2000). Approximately 75% of individuals with mental illness and 60-95% of individuals in drug treatment programs smoke, compared to the estimated 22% of smokers in the general population (National Association of State Mental Health Program Directors, 2006). Studies also show that persons with a mental health and/or addictive diagnosis are susceptible to nicotine dependence at a rate two to three times higher than the general population, and consequently suffer higher rates of tobacco-related morbidity and mortality (Parks et al, 2006). With this population making up nearly fifty percent (200,000) of the annual tobacco-related deaths in the United States (Centers for Disease Control and Prevention, 2012), the need for additional attention and cessation support for the behavioral health community and the facilities serving them is more critical than ever.

Historically, mental health and addiction facilities have contributed to a cultural acceptance of tobacco use. Although there have been improvements in restricting or banning tobacco products in these settings, various obstacles still remain present. The "token economy", in which facilities distribute cigarettes to patients as a means to modify and achieve desired behaviors, continues to be utilized as a therapeutic tactic for treatment staff and has reinforced tobacco use as a cultural norm (Moss et al, 2010). Studies have also found that treatment staff in mental health and addiction facilities has higher rates of smoking than the

general population. An average of 30-35% of staff in mental health facilities are smokers and often view smoking as a source of establishing therapeutic relationships with their patients (Moss et al, 2006). Additionally, staff and clinicians cited concerns with competing therapeutic priorities, fear of patient symptom exacerbation and relapse, and the belief that patients cannot and/or do not want to quit as reasons for not addressing tobacco use with their patients. However, research has shown that patients are not only interested in tobacco cessation, but the implementation of tobacco-free facilities and tobacco cessation services within mental health or addiction treatment facilities has actually led to beneficial outcomes for patients and staff. For example, treating tobacco use in addiction treatment has been associated with a 25% increased abstinence from alcohol and illicit drugs (Prochaska et al, 2006). Studies have also shown little evidence of increased negative behavioral responses among patients after implementation of tobacco bans. One study even found verbal and physical aggression episodes actually decreased following the ban (Quinn et al, 2000). Overall, research suggests that staff members encounter fewer problems with patients than anticipated when integrating tobacco-free environments and tobacco cessation into their facilities.

Even though the statistics on tobacco use and its effects on the behavioral health population appear bleak, the promising news is that mental health and addiction treatment providers are developing more of an understanding regarding the importance of achieving a tobacco-free status. However, a survey through the Los Angeles County Department of Mental Health among mental health and substance use treatment providers found that despite an overall support for mental health and addiction treatment facilities to provide tobacco cessation services and become tobacco-free, there was a lack of information, training, resources and tools for these changes to be achieved. Thus, in order for any cultural shifts in behavioral health attitudes, policies and practices to occur, these facilities will require guidance, tools and support to make the goal of tobacco-free mental health and addiction treatment settings a reality.

Through this RFP, the DPH Tobacco Control and Prevention Program aims to provide resources and support to these clinicians and facilities; thus providing mental health and addiction patients with access to tobacco cessation and more opportunities for positive health outcomes.

### **Objectives**

Recognizing the unique position of mental health and addiction treatment facilities in reaching and assisting these disadvantaged groups, the DPH Tobacco Control and Prevention Program has partnered with the Smoking Cessation Leadership Center, a national leader in smoking cessation projects, to develop a county-wide initiative called The Tobacco-Free Champions Initiative.

The Tobacco-Free Champions Initiative will fund and provide additional support to licensed inpatient and outpatient mental health and/or addiction treatment facilities that work to reduce the disproportionate tobacco-use prevalence among the behavioral health population. The goal of the Tobacco-Free Champions Initiative is to provide these facilities with the resources and guidance needed to

---

produce and maintain sustainable and long-lasting tobacco-free policies and tobacco cessation treatment, thereby creating mental health and addiction treatment settings structured on the concept of overall wellness and recovery.

Selected proposers will be awarded \$25,000, in addition to technical assistance and specialized training designed to assist them in achieving the following outcomes:

- Creating a 100% tobacco-free environment policy.
- Integrating tobacco cessation services into existing agency programs.
- Adopting a routine screening, assessment, and follow-up protocol for nicotine addiction with an effective referral process.

### 1.1.1 Availability of Funds

This RFP will fund up to nine (9) contracts with a maximum obligation of \$25,000 each for a period of one (1) year.

The County reserves the right to reissue this RFP at any time to solicit additional Contracts depending on service needs. Agencies who receive funding as a result of this RFP will not be eligible to apply for funding under the reissued RFP. However, agencies that applied for this RFP and did not receive funding may re-apply.

## 1.6 County Rights & Responsibilities

The County has the right to amend the RFP by written addendum. The County is responsible only for that which is expressly stated in the solicitation document and any authorized written addenda thereto. Such addendum shall be made available on the following websites: <http://publichealth.lacounty.gov/cg/index.htm> and <http://camisvr.co.la.ca.us/lacobids/BidLookUp/BidOpenStart.asp>. It is the Proposer's responsibility to check the websites regularly. Should such addendum require additional information not previously requested, failure to address the requirements of such addendum may result in the Proposal not being considered, as determined in the sole discretion of the County. The County is not responsible for and shall not be bound by any representations otherwise made by any individual acting or purporting to act on its behalf.

## 1.7 Lobbying Restrictions

As recipients of federal funding and under the provisions of 31 U.S.C. Section 1352, contractors are prohibited from using appropriated Federal funds for lobbying congress or any Federal agency in connection with the award of a particular contract. This includes grants/cooperative agreements that, in whole or in part, involve conferences for which Federal funds cannot be used directly or indirectly to encourage participants to lobby or to instruct participants on how to lobby. In addition no part of CDC appropriated funds shall be used, other than for normal and recognized executive-legislative relationships, for publicity or propaganda purposes, for the preparation, distribution, or use of any kit, pamphlet, booklet, publication, radio, television, or video presentation designed to support or defeat legislation pending before the Congress or any State or local legislature, except in presentation to the Congress or any State or local legislature itself. No part of the appropriated funds shall be used to pay the salary or expenses of any grant or contract recipient, or agent acting for such recipient, related to any activity designed to influence legislation or appropriations pending before the Congress or any State or local legislature.

Any activity designed to influence action in regard to a particular piece of pending legislation would be considered "lobbying." That is lobbying for or against pending legislation, as well as indirect or "grassroots" lobbying efforts by award recipients that are directed at inducing members of the public to contact their elected representatives at the Federal or State levels to urge support of, or opposition to, pending legislative proposals is prohibited. As a matter of policy, CDC extends the prohibitions to lobbying with respect to local legislation and local elected bodies.

The provisions are not intended to prohibit all interaction with the legislative branch, or to prohibit educational efforts pertaining to public health. Clearly there are circumstances when it is advisable and permissible to provide information to the elected officials in order to foster implementation of prevention strategies to promote public health. However, it would not be permissible to influence, directly or indirectly, a specific piece of pending

---

legislation. It remains permissible to use CDC funds to engage in activity to enhance prevention; collect and analyze data; publish and disseminate results of research and surveillance data; implement prevention strategies; conduct community outreach services; provide leadership and training, and foster safe and healthful environments.

## **1.8 Contract Term**

The Contract term shall be for a period of (one) 1 year, without any option for extensions. The Contract Term shall be effective on September 30, 2013 through September 29, 2014 with prior approval by County's Board of Supervisors, unless sooner terminated in whole or in part, as provided herein.

The County may at its sole discretion reissue this RFP at any time to solicit additional Contracts depending on service needs.

## **1.9 Contract Rates**

The Contractor's rates shall remain firm and fixed at \$25,000 for the term of the Contract (Fee for Service Schedule - Appendix C).

## **1.10 Days of Operation**

The selected Proposers shall conduct routine initiative activities Monday through Friday from 8:30 am to 5:00 pm Pacific Time, excluding County designated holidays unless otherwise authorized by the County's Project Director. The Contractor is not required to provide services on County recognized holidays. The County will provide a list of the County designated holidays to the Contractor at the time the resultant Agreement is approved and at the beginning of the new calendar year.

The Board is the ultimate decision making body and makes the final determinations necessary to arrive at a decision to award, or not award, a contract.

## 1.13 Mandatory Requirement to Register on County's WebVen

Prior to a contract award, all potential Contractors must register in the County's WebVen. The WebVen contains the Vendor's business profile and identifies the goods/services the business provides. In addition, the RFP process may be canceled at any time, when the Director determines at his/her sole discretion that a cancellation is in the best interest of the County. The County shall not be liable for any costs incurred by the Proposer in connection with the preparation and submission of any proposal. The County reserves the right to waive inconsequential disparities in a submitted proposal.

## 1.15 Protest Policy Review Process

Additionally, any actual Proposer may request a review of a disqualification or of a proposed contract award under such a solicitation, as described respectively in the Sections below. It is the responsibility of the Proposer challenging the decision of a County Department to demonstrate that the Department committed a sufficiently material error in the solicitation process to justify invalidation of a proposed contract award.

1.15.2 Throughout the review process, the County has no obligation to delay or otherwise postpone an award of contract based on a Proposer protest. In all cases, the County reserves the right to make an award when it is determined to be in the best interest of the County of Los Angeles to do so.

- 1.16.2 The County shall not, in any way, be liable or responsible for the disclosure of any such record or any parts thereof, if disclosure is required or permitted under the California Public Records Act or otherwise by law. **A blanket statement of confidentiality or the marking of each page of the proposal as confidential shall not be deemed sufficient notice of exception. ## 1.17 Indemnification and Insurance

## 1.22 Conflict of Interest

No County employee whose position in the County enables him/her to influence the selection of a Contractor for this RFP, or any competing RFP, nor any spouse or economic dependent of such employees, shall be employed in any capacity by a Proposer or have any other direct or indirect financial interest in the selection of a Contractor. Proposer shall certify that he/she is aware of and has read Section 2.180.010 of the Los Angeles County Code as stated in Appendix D - Required Forms Exhibit 5, Certification of No Conflict of Interest.

## 1.23 Determination of Proposer Responsibility

1.23.1 A responsible Proposer is a Proposer who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible Proposers.

1.23.2 Proposers are hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may determine whether the Proposer is responsible based on a review of the Proposer's performance on

---

any contracts, including but not limited to County contracts. Particular attention will be given to violations of labor laws related to employee compensation and benefits, and evidence of false claims made by the Proposer against public entities. Labor law violations which are the fault of the subcontractors and of which the Proposer had no knowledge shall not be the basis of a determination that the Proposer is not responsible.

- 1.23.3 The County may declare a Proposer to be non-responsible for purposes of this contract if the Board of Supervisors, in its discretion, finds that the Proposer has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Proposer's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or omission which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.
- 1.23.4 If there is evidence that the apparent highest ranked Proposer may not be responsible, the Department shall notify the Proposer in writing of the evidence relating to the Proposer's responsibility, and its intention to recommend to the Board of Supervisors that the Proposer be found not responsible. The Department shall provide the Proposer and/or the Proposer's representative with an opportunity to present evidence as to why the Proposer should be found to be responsible and to rebut evidence which is the basis for the Department's recommendation.
- 1.23.5 If the Proposer presents evidence in rebuttal to the Department, the Department shall evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board of Supervisors. The final decision concerning the responsibility of the Proposer shall reside with the Board of Supervisors.
- 1.23.6 These terms shall also apply to proposed subcontractors of Proposers on County contracts.

## **1.24 Proposer Debarment**

- 1.24.1 The Proposer is hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may debar the Proposer from bidding or proposing on, or being awarded, and/or performing work on other County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and the County may terminate any or all of the Proposer's existing contracts with County, if the Board of Supervisors finds, in its discretion, that the Proposer has done any of

---

the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Proposer's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.

- 1.24.2 If there is evidence that the apparent highest ranked Proposer may be subject to debarment, the Department shall notify the Proposer in writing of the evidence which is the basis for the proposed debarment, and shall advise the Proposer of the scheduled date for a debarment hearing before the Contractor Hearing Board.
- 1.24.3 The Contractor Hearing Board shall conduct a hearing where evidence on the proposed debarment is presented. The Proposer and/or Proposer's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Proposer should be debarred, and, if so, the appropriate length of time of the debarment. The Proposer and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.
- 1.24.4 After consideration of any objections, or if no objections are received, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.
- 1.24.5 If a Proposer has been debarred for a period longer than five (5) years, that Proposer may, after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Proposer has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.
- 1.24.6 The Contractor Hearing Board will consider requests for review of a debarment determination only where (1) the Proposer has been debarred for a period longer than five (5) years; (2) the debarment has

---

been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. ### **1.26.1 Attempt to Secure Favorable Treatment**

### **1.27 Notice to Proposers Regarding the County Lobbyist Ordinance**

The Board of Supervisors of the County of Los Angeles has enacted an ordinance regulating the activities of persons who lobby County officials. This ordinance, referred to as the "Lobbyist Ordinance", defines a County Lobbyist and imposes certain registration requirements upon individuals meeting the definition. The complete text of the ordinance can be found in County Code Chapter 2.160. In effect, each person, corporation or other entity that seeks a County permit, license, franchise or contract must certify compliance with the ordinance. As part of this solicitation process, it will be the responsibility of each Proposer to review the ordinance independently as the text of said ordinance is not contained within this RFP. Thereafter, each person, corporation or other entity submitting a response to this solicitation, must certify that each County Lobbyist, as defined by Los Angeles County Code Section 2.160.010, retained by the Proposer is in full compliance with Chapter 2.160 of the Los Angeles County Code and each such County Lobbyist is **not** on the Executive Office's List of Terminated Registered Lobbyists by completing and submitting the Familiarity with the County Lobbyist Ordinance Certification, as set forth in Appendix D - Required Forms Exhibit 6, as part of their proposal.

Such evaluation will include assessing Contractor's compliance with all terms in the Contract and performance standards identified in the Statement of Work. Contractor's deficiencies which the County determines are severe or continuing and that may jeopardize performance of the Contract will be reported to the County's Board of Supervisors. The report will include improvement/corrective action measures taken by the County and Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate the Contract in whole or in part, or impose other penalties as specified in the Contract.

### **1.33 County Policy on Doing Business with Small Business**

1.33.1 The County has multiple programs that address small businesses. The Board of Supervisors encourages small business participation in the County's contracting process by constantly streamlining and simplifying our selection process and expanding opportunities for small businesses to compete for our business.

1.33.2 The Local Small Business Enterprise Preference Program requires the Company to complete a certification process. This program and how to obtain certification are further explained in Sub-paragraph 1.33 of this Section.

- 1.33.3 The Jury Service provides exceptions to the Program if a company qualifies as a Small Business. It is important to note that each Program has a different definition for Small Business. You may qualify as a Small Business in one Program but not the other. Further explanation of this Program is provided in Sub-paragraph 1.33.
- 1.33.4 The County also has a Policy on Doing Business with Small Business that is stated in Appendix F.

## 1.34 Jury Service Program

The prospective contract is subject to the requirements of the County's Contractor Employee Jury Service Ordinance ("Jury Service Program") (Los Angeles County Code, Chapter 2.203). Prospective Contractors should carefully read the Jury Service Ordinance, Appendix G, and the pertinent jury service provisions of the Additional Provisions, Appendix A-1, Paragraph 9, both of which are incorporated by reference into and made a part of this RFP. The Jury Service Program applies to both Contractors and their Subcontractors.

Proposals that fail to comply with the requirements of the Jury Service Program will be considered non-responsive and excluded from further consideration.

- 1.34.1 The Jury Service Program requires Contractors and their Subcontractors to have and adhere to a written policy that provides that its employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the employee's regular pay the fees received for jury service. For purposes of the Jury Service Program, "employee" means any California resident who is a full-time employee of a Contractor and "full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) the Contractor has a long-standing practice that defines the lesser number of hours as full-time. Therefore, the Jury Service Program applies to all of a Contractor's full-time California employees, even those not working specifically on the County project. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program.
- 1.34.2 There are two ways in which a Contractor might not be subject to the Jury Service Program. The first is if the Contractor does not fall within the Jury Service Program's definition of "Contractor". The Jury Service Program defines "Contractor" to mean a person, partnership, corporation of other entity which has a contract with the County or a Subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one

---

or more County contracts or subcontracts. The second is if the Contractor meets one of the two exceptions to the Jury Service Program. The first exception concerns small businesses and applies to Contractors that have 1) ten or fewer employees; and, 2) annual gross revenues in the preceding twelve months which, if added to the annual amount of this Contract is less than \$500,000, and, 3) is not an “affiliate or subsidiary of a business dominant in its field of operation”. The second exception applies to Contractors that possess a collective bargaining agreement that expressly supersedes the provisions of the Jury Service Program. The Contractor is subject to any provision of the Jury Service Program not expressly superseded by the collective bargaining agreement.

- 1.34.3 If a Contractor does not fall within the Jury Service Program’s definition of “Contractor” or if it meets any of the exceptions to the Jury Service Program, then the Contractor must so indicate in the Certification Form and Application for Exception, Exhibit 10 in Appendix D - Required Forms, and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the Contractor’s application, the County will determine, in its sole discretion, whether the Contractor falls within the definition of Contractor or meets any of the exceptions to the Jury Service Program. The County’s decision will be final.

### **1.35 Local Small Business Enterprise Preference Program**

- 1.35.1 The County will give Local SBE preference during the solicitation process to businesses that meet the definition of a Local Small Business Enterprise (Local SBE), consistent with Chapter 2.204.030C.1 of the Los Angeles County Code. A Local SBE is defined as: 1) A business certified by the State of California as a small business and 2) has had its principal office located in Los Angeles County for at least one year. The business must be certified by Internal Services Department as meeting the requirements set forth in 1 and 2 above prior to requesting the Local SBE Preference in a solicitation.
- 1.35.2 To apply for certification as a Local SBE, businesses may register with Internal Services Department at <http://laosb.org>
- 1.35.3 Certified Local SBEs must request the SBE Preference in their solicitation responses and may not request the preference unless the certification process has been completed and certification affirmed. Businesses must attach the Local SBE Certification Letter to the Required Form - Request for Local SBE Preference Program Consideration and CBE Firm/Organization Information Form - Exhibit 7 in Appendix D Required Forms with their proposal. Sanctions and financial penalties may apply to a business that knowingly, and with intent to defraud, seeks to obtain or maintain certification as a certified Local SBE.

- 1.35.4 Information about the State's small business enterprise certification regulations is in the California Code of Regulations, Title 2, Subchapter 8, Section 1896 et seq., and is also available on the California Department of General Services Office of Small Business Certification and Resources Web site at <http://www.pd.dgs.ca.gov/smbus/default>.

### **1.36 Local Small Business Enterprise (SBE) Prompt Payment Program**

It is the intent of the County that Certified Local SBEs receive prompt payment for services they provide to County Departments. Prompt payment is defined as 15 calendar days after receipt of an undisputed invoice.

### **1.37 Notification to County of Pending Acquisitions/Mergers by Proposing Company**

The Proposer shall notify the County of any pending acquisitions/mergers of their company. This information shall be provided by the Proposer on Required Form - Exhibit 1 - Proposer's Organization Questionnaire/Affidavit. Failure of the Proposer to provide this information may eliminate its proposal from any further consideration.

### **1.38 Transitional Job Opportunities Preference Program (Intentionally Omitted)**

### **1.39 Living Wage Program (Intentionally Omitted)**

### **1.40 Contractor's Obligations as a "Business Associate" Under the Health Insurance Portability and Accountability Act of 1996 and Health Information Technology for Economic and Clinical Health Act (Intentionally Omitted)**

### **1.41 Proposer's Charitable Contributions Compliance**

- 1.41.1 California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates receiving and raising charitable contributions. Among other requirements, those subject to the Charitable Purposes Act must register. The 2004 Nonprofit Integrity Act (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. Prospective Contractors should carefully read the Background and Resources: California Charities Regulations, Appendix N. New rules cover California public benefit corporations, unincorporated associations, and trustee entities and may include similar foreign corporations doing business or holding property in California. Key Nonprofit Integrity Act requirements affect executive compensation, fund-raising practices and documentation. Charities with over \$2 million of revenues (excluding funds that must be accounted for to a governmental entity) have new audit requirements.

- 1.41.2 All prospective contractors must determine if they receive or raise charitable contributions which subject them to the Charitable Purposes Act and complete the Charitable Contributions Certification, Exhibit 20 as set forth in Appendix D - Required Forms. A completed Exhibit 20 is a required part of any agreement with the County.
- 1.41.3 In Exhibit 20, prospective contractors certify either that:
- they have determined that they do not now receive or raise charitable contributions regulated under the California Charitable Purposes Act, (including the Nonprofit Integrity Act) but will comply if they become subject to coverage of those laws during the term of a County agreement,
- OR -
- they are currently complying with their obligations under the Charitable Purposes Act, attaching a copy of their most recent filing with the Registry of Charitable Trusts.
- 1.41.4 Prospective County contractors that do not complete Exhibit 20 as part of the solicitation process may, in the County's sole discretion, be disqualified from contract award. A County contractor that fails to comply with its obligations under the Charitable Purposes Act is subject to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)

## **1.42 Defaulted Property Tax Reduction Program**

The prospective contract is subject to the requirements of the County's Defaulted Property Tax Reduction Program ("Defaulted Tax Program") (Los Angeles County Code, Chapter 2.206). Prospective Contractors should carefully read the Defaulted Tax Program Ordinance, Appendix O, and the pertinent provisions of the Additional Provisions, Appendix A, Paragraph 56, both of which are incorporated by reference into and made a part of this solicitation. The Defaulted Tax Program applies to both Contractors and their Subcontractors.

Proposers shall be required to certify that they are in full compliance with the provisions of the Defaulted Tax Program and shall maintain compliance during the term of any contract that may be awarded pursuant to this solicitation or shall certify that they are exempt from the Defaulted Tax Program by completing Certification of Compliance with The County's Defaulted Property Tax Reduction Program, Exhibit 22 in Appendix D – Required Forms. Failure to maintain compliance, or to timely cure defects, may be cause for termination of a contract or initiation of debarment proceedings against the non-compliance contractor (Los Angeles County Code, Chapter 2.202).

Proposals that fail to comply with the certification requirements of the Defaulted Tax Program will be considered non-responsive and excluded from further consideration.

## 3.0 SELECTION PROCESS AND EVALUATION CRITERIA

### 3.1 Selection Process

The County reserves the sole right to judge the contents of the proposals submitted pursuant to this RFP and to review, evaluate and select the successful proposal(s). The selection process will begin with receipt of the proposals on June 7, 2013.

Evaluation of the proposals will be conducted by an Evaluation Committee selected by the Department. The Committee will evaluate the proposals and will use the evaluation approach described herein to select prospective Contractors. All proposals will be evaluated based on the criteria listed below. All proposals will be scored and ranked in numerical sequence from high to low. The Evaluation Committee may utilize the services of appropriate experts to assist in this evaluation.

The evaluation process will be conducted in three (3) Stages:

Stage 1: Adherence to Minimum Mandatory Requirements (Pass/Fail)

Stage 2: Proposal Evaluation

Stage 3: Final Review and Selection

Upon completion of Stage 2, proposals will be ranked from highest to lowest score to determine which proposals will be recommended to advance to negotiate an Agreement for submission to the County's Board of Supervisors. Refer to subparagraph 3.2 and 3.4 for a more detailed description of this process.

In order to bring the appropriate level of proficiency to the selection process, the Evaluation Committee may utilize the services of appropriate experts, including but not limited to outside experts (e.g., consultants), to assist in any stage of the evaluation process, including assisting in the evaluation of whether a proposal is realistic and practical.

After the prospective Contractors have been selected, the County and the prospective Contractors will negotiate a Contract for submission to the Board of Supervisors for its consideration and possible approval. If a satisfactory Contract cannot be negotiated, the County may, at its sole discretion, begin contract negotiations with the next qualified Proposer who submitted a proposal, as determined by the County.

The recommendation to award a Contract will not bind the Board of Supervisors to award a Contract to the prospective Contractor.

The County retains the right to select a Proposal other than the Proposal receiving the highest number of points if County determines, in its sole discretion that another Proposal is the most overall qualified, cost-effective, responsive, responsible, and in the best interests of the County.

### **3.2 Stage 1: Adherence to Minimum Mandatory and Eligibility Requirements (Pass/Fail)**

The Pass/Fail Qualifying review will consist of a review of Proposer's ability to meet the Proposer Minimum Mandatory and Eligibility Requirements as outlined in Sub-paragraph 1.4 and 1.5 of this RFP. This section of the evaluation is scored on a "Pass" or "Fail" basis. Proposer's must "Pass" each of the Proposer Minimum Mandatory Requirements. Proposals that are assigned a score of "Fail" in the Pass/Fail Qualifying Review shall be deemed unresponsive and shall not proceed to the next phase of the evaluation process.

### **3.3 Disqualification Review**

A proposal may be disqualified from consideration because a Department determined it was non-responsive at any time during the review/evaluation process. If a Department determines that a proposal is disqualified due to non-responsiveness, the Department shall notify the Proposer in writing.

Upon receipt of the written determination of non-responsiveness, the Proposer may submit a written request for a Disqualification Review within the timeframe specified in the written determination.

A request for a Disqualification Review may, in the Department's sole discretion, be denied if the request does not satisfy all of the following criteria:

1. The person or entity requesting a Disqualification Review is a Proposer;
2. The request for a Disqualification Review is submitted timely (i.e., by the date and time specified in the written determination); and
3. The request for a Disqualification Review asserts that the Department's determination of disqualification due to non-responsiveness was erroneous (e.g. factual errors, etc.) and provides factual support on each ground asserted as well as copies of all documents and other material that support the assertions.

The Disqualification Review shall be completed and the determination shall be provided to the requesting Proposer, in writing, prior to the conclusion of the evaluation process.

### **3.4 Stage 2: Proposal Evaluation and Criteria (1,000 points)**

Proposals that pass Stage 1 will be evaluated as follow:

#### **3.4.1 Financial Capability (Pass/Fail)**

A subject matter expert will evaluate and make a Pass/Fail

recommendation based on the financial strength and capability of the company in the provision of required services throughout the term of any resultant Contract, as well as evidence of the company's capability to absorb all costs related to the provision of services for a minimum of sixty (60) days, during any resultant Contract.

Proposals that fail this portion of the evaluation will be deemed non-responsive and disqualified. The Director of DPH, or his designee, at his/her sole discretion, may waive this requirement.

**3.4.2 Proposer’s Programmatic Approach (1,000 Points)**

The Proposal will be evaluated on its responses to the questions provided in Section C of the proposal. Each answer will be evaluated on the quality of the response and ability to respond to the questions thoroughly within the maximum page limits. Evaluators will be instructed not to read beyond the maximum page limits for each section. The questions will be evaluated as follows:

Section	Maximum Score
1. Organization Information	100 points
2. Project Need	150 points
3. Organizational Readiness for Change	400 points
4. Organizational Capacity	200 points
5. Project Sustainability	150 points

**3.4.3 Exceptions to Terms and Conditions of Sample Contract and/or Requirements of the Statement of Work**

Proposal will be evaluated on willingness to accept the Terms and Conditions outlined in the Sample Contract, Appendix A, the Requirements of the Statement of Work outlined in Appendix B and Requirements of the Scope of Work outlined in Appendix B1 of the proposal. The County may deduct rating points or disqualify the proposal in its entirety if the exceptions are material enough to deem the proposal non-responsive.

Proposers are further notified that the County may, in its sole determination, disqualify any proposer with whom the County cannot satisfactorily negotiate a Contract.

### **3.5 Stage 3: Final Review and Selection**

The score from Stage 2 will be used to rank the proposals from highest to lowest. The top nine (9) highest ranking Proposals achieving a minimum score of 600 points or greater shall be recommended to advance to negotiate a contract for submission to the County's Board of Supervisors.

### **3.6 Cost Proposal Evaluation Criteria (Intentionally Omitted)**

### **3.7 Labor Law/Payroll Violations (Intentionally Omitted)**

### **3.8 Department's Proposed Contractor Selection Review**

#### **3.8.1 Departmental Debriefing Process**

Upon completion of the evaluation, the Department shall notify the remaining Proposers in writing that the Department is entering negotiations with another Proposer. Upon receipt of the letter, any non-selected Proposer may submit a written request for a Debriefing within the timeframe specified in the letter. A request for a Debriefing may, in the Department's sole discretion, be denied if the request is not received within the specified timeframe.

The purpose of the Debriefing is to compare the requesting Proposer's response to the solicitation document with the evaluation document. The requesting Proposer shall be debriefed only on its response. Because contract negotiations are not yet complete, responses from other Proposers shall not be discussed, although the Department may inform the requesting Proposer of its relative ranking.

During or following the Debriefing, the Department will instruct the requesting Proposer of the manner and timeframe in which the requesting Proposer must notify the Department of its intent to request a Proposed Contractor Selection Review (see Section 3.8.2 below), if the requesting Proposer is not satisfied with the results of the Debriefing.

#### **3.8.2 Proposed Contractor Selection Review**

Any Proposer that has timely submitted a notice of its intent to request a Proposed Contractor Selection Review as described in this Section may submit a written request for a Proposed Contractor Selection Review, in the manner and timeframe as shall be specified by the Department.

A request for a Proposed Contractor Selection Review may, in the Department's sole discretion, be denied if the request does not satisfy all of the following criteria:

1. The person or entity requesting a Proposed Contractor Selection

---

Review is a Proposer;

2. The request for a Proposed Contractor Selection Review is submitted timely (i.e., by the date and time specified by the Department);
3. The person or entity requesting a Proposed Contractor Selection Review asserts in appropriate detail with factual reasons one or more of the following grounds for review:
  - a. The Department materially failed to follow procedures specified in its solicitation document. This includes:
    - i. Failure to correctly apply the standards for reviewing the proposal format requirements.
    - ii. Failure to correctly apply the standards, and/or follow the prescribed methods, for evaluating the proposals as specified in the solicitation document.
    - iii. Use of evaluation criteria that were different from the evaluation criteria disclosed in the solicitation document.
  - b. The Department made identifiable mathematical or other errors in evaluating proposals, resulting in the Proposer receiving an incorrect score and not being selected as the recommended contractor.
  - c. A member of the Evaluation Committee demonstrated bias in the conduct of the evaluation.
  - d. Another basis for review as provided by state or federal law; and
4. The request for a Proposed Contractor Selection Review sets forth sufficient detail to demonstrate that, but for the Department's alleged failure, the Proposer would have been the lowest cost, responsive and responsible bid or the highest-scored proposal, as the case may be.

Upon completing the Proposed Contractor Selection Review, the Department representative shall issue a written decision to the Proposer within a reasonable time following receipt of the request for a Proposed Contractor Selection Review, and always before the date the contract award recommendation is to be heard by the Board. The written decision shall additionally instruct the Proposer of the manner and timeframe for requesting a County Independent Review (see Section 3.9 below).

### **3.9 County Independent Review Process**

Any Proposer that is not satisfied with the results of the Proposed Contractor Selection Review may submit a written request for a County Independent Review in the manner and timeframe specified by the Department in the Department's written decision regarding the Proposed Contractor Selection

Review.

A request for County Independent Review may, in the County's sole discretion, be denied if the request does not satisfy all of the following criteria:

1. The person or entity requesting review by a County Review Panel is a Proposer;
2. The request for a County Independent Review is submitted timely (i.e., by the date and time specified by the Department); and
3. The person or entity requesting review by a County Independent Review has limited the request to items raised in the Proposed Contractor Selection Review and new items that (a) arise from the Department's written decision and (b) are one of the appropriate grounds for requesting a Proposed Contractor Selection Review as listed in Section 3.8.2 above.

Upon completion of the County Independent Review, ISD will forward the report to the Department, which will provide a copy to the Proposer.

2. DESCRIPTION OF SERVICES:

A. Contractor shall provide services in the manner described in Exhibit A (Statement of Work) and/or Exhibit B (Scope of Work), attached hereto and incorporated herein by reference.

B. Contractor acknowledges that the quality of service(s) provided under this Contract shall be at least equivalent to that which Contractor provides to all other clients it serves.

C. If the Contractor provides any tasks, deliverables, goods, services, or other work, other than as specified in this Contract, the same shall be deemed to be a gratuitous effort on the part of the Contractor, and the Contractor shall have no claim whatsoever against the County.

3. TERM OF CONTRACT:

The term of this Contract shall be effective \_\_\_\_\_ and shall continue in full force and effect through \_\_\_\_\_, unless sooner terminated or extended, in whole or in part, as provided in this Contract.

The County shall have the sole option to extend this Contract term up to XX additional one-year periods and XX month to month extensions, for a maximum total Contract term of XX years and XX months. Each such option and extension shall be exercised at the sole discretion of the Director through written

notification from the Director to the Contractor prior to the end of the Contract term.

The Contractor shall notify (Department) when this Contract is within six (6) months from the expiration of the term as provided for hereinabove. Upon occurrence of this event, the Contractor shall send written notification to (Department) at the address herein provided in \_\_\_\_\_.

4. MAXIMUM OBLIGATION OF COUNTY:

A. Effective \_\_\_\_\_ through \_\_\_\_\_, the maximum obligation of County for all services provided hereunder shall not exceed \_\_\_\_\_ (\$\_\_\_\_\_), as set forth in Schedule \_\_, attached hereto and incorporated herein by reference.

B. Effective \_\_\_\_\_ through \_\_\_\_\_, the maximum obligation of County for all services provided hereunder shall not exceed \_\_\_\_\_ (\$\_\_\_\_\_), as set forth in Schedule \_\_, attached hereto and incorporated herein by reference.

C. The Contractor shall not be entitled to payment or reimbursement for any tasks or services performed, nor for any incidental or administrative expenses whatsoever incurred in or incidental to performance hereunder, except as specified herein. Assumption or takeover of any of the Contractor's duties, responsibilities, or obligations, or performance of same by any entity other than the Contractor, whether through assignment, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever, shall occur only with the County's express prior written approval.

D. The Contractor shall maintain a system of record keeping that will allow the contractor to determine when it has incurred seventy-five percent (75%) of the total contract authorization under this Contract. Upon occurrence of this event, the Contractor shall send written notification to the Department at the address herein provided under Section \_\_\_\_, Notices.

E. No Payment for Services Provided Following Expiration/Termination of Contract: The Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by the Contractor after the expiration or other termination of this Contract. Should the Contractor receive any such payment it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for Services rendered after expiration/termination of this Contract shall not constitute a waiver of County's right to recover such payment from the Contractor. This provision shall survive the expiration or other termination of this Contract.

5. INVOICES AND PAYMENT:

A. The Contractor shall invoice the County only for providing the tasks, deliverables, goods, services, and other work specified in Exhibit A and/or B elsewhere hereunder and in accordance with the Schedule(s) attached hereto and incorporated herein by reference.

B. The Contractor shall bill County monthly in arrears. All billings shall include a financial invoice and all required reports and/or data. All billings shall clearly reflect all required information as specified on forms provided by County

regarding the services for which claims are to be made and any and all payments made to Contractor.

C. Billings shall be submitted to County within thirty (30) calendar days after the close of each calendar month. Within a reasonable period of time following receipt of a complete and correct monthly billing, County shall make payment in accordance to the Schedule(s) attached hereto and incorporated herein by reference.

D. While payments shall be made in accordance with the fee-for-service rate(s) set out in the schedule(s) attached hereto, Contractor, if requested by County, State, or federal representatives, must be able to produce proof of actual costs incurred in the provision of units of service hereunder. If the actual allowable and documented costs are less than the fee-for-service rate(s) set in the schedule(s), Contractor shall be reimbursed for the actual costs. In no event shall County be required to pay Contractor for units of service that are not supported by actual allowable and documented costs.

E. Billings shall be submitted directly to \_\_\_\_\_.

F. For each term, or portion thereof, that this Contract is in effect, Contractor shall provide an annual cost report within thirty (30) calendar days following the close of the contract period. Such cost report shall be prepared in accordance with generally accepted accounting principles and clearly reflect all required information as specified in instructions and forms provided by the County.

If this Contract is terminated prior to the close of the contract period, the cost report shall be for that Contract period which ends on the termination date. The report shall be submitted within thirty (30) calendar days after such termination date.

The primary objective of the annual cost report shall be to provide the County with actual expenditure data for the contract period that shall serve as the basis for determining final amounts due to/from the Contractor.

If the annual cost report is not delivered by Contractor to County within the specified time, Director may withhold all payments to Contractor under all service agreements between County and Contractor until such report is delivered to County and/or, at the Director's sole discretion, a final determination of amounts due to/from Contractor is determined on the basis of the last monthly billing received.

Failure to provide the annual cost report may constitute a material breach of the Contract, in the sole discretion of the County, upon which the County may suspend or terminate this Contract.

G. Upon expiration or prior termination of this Contract, Contractor shall submit, within thirty (30) calendar days, any outstanding and/or final invoice(s) for processing and payment. Contractor's failure to submit any outstanding and/or final invoice(s) within the specified period shall constitute Contractor's waiver to receive payment for any outstanding and/or final invoice(s).

#### H. Withholding Payment:

(1) Subject to the reporting and data requirements of this Contract and the exhibit(s) attached hereto, County may withhold any claim for payment by Contractor if any report or data is not delivered by Contractor to County within the time limits of submission as set forth in this Contract, or if such report or data is incomplete in accordance with requirements set forth in this Contract. This withholding may be invoked for the current month and any succeeding month or months for reports or data not delivered in a complete and correct form.

(2) Subject to the Record Retention and Audits provision of this Contract, County may withhold any claim for payment by Contractor if Contractor has been given at least thirty (30) calendar days' notice of deficiency(ies) in compliance with the terms of this Contract and has failed to correct such deficiency(ies). This withholding may be invoked for any month or months for deficiency(ies) not corrected.

(3) Upon acceptance by County of all report(s) and data previously not accepted under this provision and/or upon correction of the deficiency(ies) noted above, County shall reimburse all withheld payments on the next regular monthly claim for payment by Contractor.

(4) Subject to the provisions of the exhibit(s) of this Contract, if the services are not completed by Contractor within the specified time, County may withhold all payments to Contractor under this Contract until proof of such service(s) is/are delivered to County.

(5) In addition to Subparagraphs (1) through (4) immediately above, Director may withhold claims for payment by Contractor which are delinquent amounts due to County as determined by any cost report settlement, audit report, audit report settlement, or financial evaluation report, resulting from this or any current year's Contract(s) or any prior years' Contract(s) between the County and Contractor. The withheld claims will be used to pay all outstanding delinquent amounts and upon the County being repaid all outstanding delinquent amounts, any remaining claims for payment will be made to the Contractor accordingly.

(6) County may withhold any claim for payment by Contractor if Contractor, in the judgment of the county is in material breach of this Contract or has failed to fulfill its obligations under this Contract until Contractor has cured said breaches and/or failures. County will provide written notice of its intention to withhold payment specifying said breaches and/or failure to Contractor.

I. Fiscal Viability: Contractor must be able to carry the costs of its program without reimbursement from the contract for at least sixty (60) days at any point during the term of this contract.

6. FUNDING/SERVICES ADJUSTMENTS AND REALLOCATIONS:

A. Upon Director's specific written approval, as authorized by the County's Board of Supervisors, County may: 1) increase or decrease funding up to 10 percent above or below each term's annual base maximum obligation; 2) reallocate funds between schedules within this Contract where such funds can

be more effectively used by Contractor up to 10 percent of the term's annual base maximum obligation; and 3) make modifications to or within budget categories within each schedule, as reflected in Exhibit C, up to an adjustment between all budget categories equal to 10 percent of each term's annual base maximum obligation, and make corresponding service adjustments, as necessary. Such adjustments may be made based on the following: (a) if additional monies are available from federal, State, or County funding sources; (b) if a reduction of monies occurs from federal, State, or County funding sources; and/or (c) if County determines from reviewing Contractor's records of service delivery and billings to County that an underutilization of funds provided under this Contract will occur over its term.

All funding adjustments and reallocation as allowed under this Paragraph may be effective upon amendment execution or at the beginning of the applicable contract term, to the extent allowed by the funding source and as authorized by the County's Board of Supervisors. Adjustments and reallocations of funds in excess of the aforementioned amount shall require separate approval by County's Board of Supervisors. Any change to the County maximum obligation or reallocation of funds between schedules in this Contract shall be effectuated by an administrative amendment to this Contract pursuant to the ALTERATION OF TERMS/AMENDMENTS Paragraph of this Contract. Any modification to or within budget categories within each schedule, as reflected in Exhibit C, shall be effectuated by a change notice that shall be incorporated into

and become part of this Contract pursuant to the ALTERATION OF TERMS/AMENDMENTS Paragraph of this Contract.

B. County and Contractor shall review Contractor's expenditures and commitments to utilize any funds, which are specified in this Contract for the services hereunder and which are subject to time limitations as determined by Director, midway through each County fiscal year during the term of this Contract, midway through the applicable time limitation period for such funds if such period is less than a County fiscal year, and/or at any other time or times during each County fiscal year as determined by Director. At least fifteen (15) calendar days prior to each such review, Contractor shall provide Director with a current update of all of Contractor's expenditures and commitments of such funds during such fiscal year or other applicable time period.

7. ALTERATION OF TERMS/AMENDMENTS:

A. The body of this Contract (including its ADDITIONAL PROVISIONS), and any Exhibit(s) attached hereto, fully expresses all understandings of the parties concerning all matters covered and shall constitute the total Contract. No addition to, or alteration of, the terms of this Contract, whether by written or verbal understanding of the parties, their officers, employees or agents, shall be valid and effective unless made in the form of a written amendment to this Contract which is formally approved and executed by the parties in the same manner as this Contract.

B. The County's Board of Supervisors; the Chief Executive Officer or designee; or applicable State and/or federal entities, laws, or regulations may

require the addition and/or change of certain terms and conditions in the Contract during the term of this Contract to comply with changes in law or County policy. The County reserves the right to add and/or change such provisions as required by the County's Board of Supervisors, Chief Executive Officer, or State or federal entity. To implement such changes, an Amendment to the Contract shall be prepared by Director and executed by the Contractor and Director, as authorized by the County's Board of Supervisors.

C. Notwithstanding Paragraph 7.A., in instances where the County's Board of Supervisors has delegated authority to the Director to amend this Contract to permit extensions or adjustments of the contract term; the rollover of unspent Contract funds; and/or an internal reallocation of funds between budgets up to 10 percent of each term's annual base maximum obligation and/or an increase or decrease in funding up to 10 percent above or below each term's annual base maximum obligation, effective upon amendment execution or at the beginning of the applicable Contract term, and make corresponding service adjustments, as necessary, an Administrative Amendment shall be prepared by Director and executed by the Contractor and Director, as authorized by the County's Board of Supervisors, and shall be incorporated into and become part of this Contract.

D. Notwithstanding Paragraph 7.A., in instances where the County's Board of Supervisors has delegated authority to the Director to amend this Contract to permit modifications to or within budget categories within each schedule, as reflected in Exhibit C, up to an adjustment between all budget

categories equal to 10 percent of each term's annual base maximum obligation, and corresponding adjustment of the scope of work tasks and/or activities and/or allow for changes to hours of operation, changes to service locations, and/or correction of errors in the Contract's terms and conditions, a written Change Notice shall be signed by the Director and Contractor, as authorized by the County's Board of Supervisors. The executed Change Notice shall be incorporated into and become part of this Contract.

8. CONFIDENTIALITY:

A. Contractor shall maintain the confidentiality of all records and information in accordance with all applicable Federal, State and local laws, rules, regulations, ordinances, directives, guidelines, policies and procedures relating to confidentiality, including, without limitation, County policies concerning information technology security and the protection of confidential records and information.

B. Contractor shall indemnify, defend, and hold harmless County, its officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, costs and expenses, including, without limitation, defense costs and legal, accounting and other expert, consulting, or professional fees, arising from, connected with, or related to any failure by Contractor, its officers, employees, agents, or subcontractors, to comply with this CONFIDENTIALITY Paragraph, as determined by County in its sole judgment. Any legal defense pursuant to Contractor's indemnification obligations under this CONFIDENTIALITY Paragraph shall be conducted by Contractor and performed

by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole costs and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction, or make any admission, in each case, on behalf of County without County's prior written approval.

C. Contractor shall inform all of its officers, employees, agents and subcontractors providing services hereunder of the confidentiality provisions of this Contract.

D. Contractor shall sign and adhere to the provisions of the "Contractor Acknowledgement and Confidentiality Agreement", Exhibit E.

9. CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST:

Should Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, Contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Contract.

10. CONTRACTOR'S OBLIGATION AS OTHER THAN BUSINESS ASSOCIATE UNDER THE HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT (HIPAA) OF 1996:

It is the intention of the parties that Contractor will provide the County with de-identified data. Contractor expressly acknowledges and agrees that the provision of services under this Contract does not require or permit access by Contractor or any of its officers, employees, or agents to any patient medical records. Accordingly, Contractor shall instruct its officers, employees, and agents that they are not to pursue or gain access to patient medical records for any reason whatsoever.

Notwithstanding the foregoing, the parties acknowledge that, in the course of the provision of services hereunder, Contractor or its officers, employees, or agents may have inadvertent access to patient medical records. Contractor understands and agrees that neither it nor its officers, employees, and agents are to take advantage of such access for any purpose whatsoever. Additionally, in the event of such inadvertent access, Contractor and its employees shall maintain the confidentiality of any information obtained and shall notify Executive Director of the Emergency Preparedness and Response Program that such access has been gained immediately or upon the first reasonable opportunity to do so.

In the event of any access, whether inadvertent or intentional, Contractor shall indemnify, defend, and hold harmless County, its officers, employees, or agents from and against any and all liability, including but not limited to actions, claims, costs, demands, expenses, and fees (including attorney and expert witness fees) arising from

or connected with Contractor's or its officers', employees', or agents' access to patient medical records. Contractor agrees to provide appropriate training to its employees regarding their obligation as described herein in this regard.

11. D. If the Contractor has obtained certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this contract to which it would not otherwise have been entitled, shall:

(1) Pay to the County any difference between the contract amount and what the County's costs would have been if the contract had been properly awarded;

The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Contractor to correct a deficiency within the specified time frame. The parties hereby agree that under the current circumstances a reasonable estimate of such damages is One Hundred Dollars (\$100) per day per infraction, and that the Contractor shall be liable to the County for liquidated damages in said amount. Said amount shall be deducted from the County's payment to the Contractor; and/or (c) Upon giving five (5) days notice to the Contractor for failure to correct the deficiencies, the County may correct any and all deficiencies and the total costs incurred by the County for completion of the work by an alternate source, whether it be County forces or separate private contractor, will be deducted and forfeited from the payment to the Contractor from the County, as determined by the County.

C. The action noted in sub-paragraph B above shall not be construed as a penalty, but as adjustment of payment to the Contractor to recover the County

cost due to the failure of the Contractor to complete or comply with the provisions of this Contract.

D. This sub-paragraph shall not, in any manner, restrict or limit the County's right to damages for any breach of this Contract provided by law or as specified in sub-paragraph B above, and shall not, in any manner, restrict or limit the County's right to terminate this Contract as agreed to herein.

**ADDITIONAL PROVISIONS**  
**NAME OF CONTRACTOR**  
**TITLE OF SERVICE CONTRACT**

1. ADMINISTRATION OF CONTRACT:

A. County's Director of Public Health or his/her authorized designee(s) (hereafter collectively "Director") shall have the authority to administer this Contract on behalf of County. Contractor agrees to extend to Director the right to review and monitor Contractor's programs, policies, procedures, and financial and/or other records, and to inspect its facilities for contractual compliance at any reasonable time.

B. Approval of Contractor's Staff: County has the absolute right to approve or disapprove all of the Contractor's staff performing work hereunder and any proposed changes in the Contractor's staff, including, but not limited to, the contractor's Project Manager.

C. Contractor's Staff Identification: All of Contractor's employees assigned to County facilities are required to have a County Identification (ID) badge on their person and visible at all times. Contractor bears all expense related to the badges.

D. Background and Security Investigations: Each of Contractor's staff performing services under this Contract who is in a designated sensitive position, as determined by County in County's sole discretion, shall undergo and pass a background investigation to the satisfaction of County as a condition of beginning and continuing to perform services

under this Contract. Such background investigation may include, but shall not be limited to, criminal conviction information obtained through fingerprints submitted to the California Department of Justice. The fees associated with the background investigation shall be at the expense of the Contractor, regardless if the member of Contractor's staff passes or fails the background investigation. County shall perform the background check and bill Contractor for the cost.

If a member of Contractor's staff who is in a designated sensitive position does not obtain work clearance through the criminal history background review, they may not be placed and/or assigned within the Department of Public Health. During the term of the Contract, the Department may receive subsequent criminal information. If this subsequent information constitutes a job nexus, the Contractor shall immediately remove staff from performing services under this Contract and replace such staff within fifteen (15) days of removal or within an agreed upon time with the County. Pursuant to an agreement with the Federal Department of Justice, the County will not provide to Contractor nor to Contractor's staff any information obtained through the County's criminal history review.

Disqualification of any member of Contractor's staff pursuant to this section shall not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of this Contract.

2. ASSIGNMENT AND DELEGATION:

A. Contractor shall not assign its rights or delegate its duties under this Contract, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this Subparagraph, County consent shall require a written amendment to the Contract, which is formally approved and executed by the parties. Any payments by County to any approved delegate or assignee on any claim under this Contract shall be deductible, at County's sole discretion, against the claims, which Contractor may have against County.

B. Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Contract, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Contract.

C. Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity other than Contractor, whether through assignment,

subcontract, delegation, merger, buyout, or any other mechanism, with our without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of the Contract which may result in the termination of this Contract. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

3. AUTHORIZATION WARRANTY:

Contractor hereby represents and warrants that the person executing this Contract for Contractor is an authorized agent who has actual authority to bind Contractor to each and every term, condition, and obligation set forth in this Contract and that all requirements of Contractor have been fulfilled to provide such actual authority.

4. BUDGET REDUCTION:

In the event that the Board adopts, in any fiscal year, a County Budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County Contracts, the County reserves the right to reduce its payment obligation under this Contract correspondingly for that fiscal year and any subsequent fiscal year during the term of this Contract (including any extensions), and the services to be provided by the Contractor under this Contract shall also be reduced correspondingly. County's notice to Contractor regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the

Board's approval of such actions. Except as set forth in the preceding sentence, Contractor shall continue to provide all of the services set forth in this Contract.

5. CONTRACTOR BUDGET AND EXPENDITURES REDUCTION

FLEXIBILITY:

In order for County to maintain flexibility with regard to budget and expenditure reductions, Contractor agrees that Director may cancel this Contract, without cause, upon the giving of ten (10) calendar days written notice to Contractor. In the alternative to cancellation, Director may, consistent with federal, State, and/or County budget reductions, renegotiate the scope/description of work, maximum obligation, and budget of this Contract via a written amendment to this Contract.

6. COMPLAINTS: The Contractor shall develop, maintain, and operate procedures for receiving, investigating, and responding to complaints.

A. Within 30 business days after Contract effective date, the Contractor shall provide the County with the Contractor's policy for receiving, investigating, and responding to user complaints.

B. The plan shall include, but not be limited to, when and how new clients as well as current and recurring clients are to be informed of the procedures to file a complaint.

C. The client and and/or his/her authorized representative shall receive a copy of the procedure.

D. The County will review the Contractor's policy and provide the Contractor with approval of said plan or with requested changes.

E. If the County requests changes in the Contractor's policy, the Contractor shall make such changes and resubmit the plan within 30 business days for County approval.

F. If, at any time, the Contractor wishes to change the Contractor's policy, the Contractor shall submit proposed changes to the County for approval before implementation.

G. The Contractor shall preliminary investigate all complaints and notify the County's Project Manager of the Status of the investigation within 15 business days of receiving the complaint.

H. When complaints cannot be resolved informally, a system of follow-through shall be instituted which adheres to formal plans for specific actions and strict time deadlines.

I. Copies of all written responses shall be sent to the County's Project Manager within 3 business days of mailing to the complainant.

7. COMPLIANCE WITH APPLICABLE LAW:

A. In the performance of this Contract, Contractor shall comply with all applicable federal, State and local laws, rules, regulations, ordinances, directives, guidelines, policies and procedures, and all provisions required thereby to be included in this Contract are hereby incorporated herein by reference. To the extent that there is any conflict between federal and State or local laws, the former shall prevail.

B. Contractor shall indemnify, defend and hold harmless County, its officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, costs, and expenses, including, without limitation, defense costs and legal, accounting and other expert, consulting or professional fees, arising from, connected with, or related to any failure by Contractor, its officers, employees, agents, or subcontractors, to comply with any such laws, rules, regulations, ordinances, directives, guidelines, policies, or procedures, as determined by County in its sole judgment. Any legal defense pursuant to Contractor's indemnification obligations under this Paragraph shall be conducted by Contractor and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole costs and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by county in its sole judgment, County shall be entitled to retain its own counsel, including limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to enter into settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

8. COMPLIANCE WITH CIVIL RIGHTS LAW:

The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person shall, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract. The Contractor shall comply with Exhibit D – Contractor’s EEO Certification.

9. COMPLIANCE WITH THE COUNTY’S JURY SERVICE PROGRAM:

A. Jury Service Program: This Contract is subject to the provisions of the County’s ordinance entitled Contractor Employee Jury Service (“Jury Service Program”) as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is available on the internet at <http://publichealth.lacounty.gov/cg/index.htm>

B. Written Employee Jury Service Policy:

(1) Unless the Contractor has demonstrated to the County’s satisfaction either that the Contractor is not a “Contractor” as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that the Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), the Contractor shall have and adhere to a written policy that

provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

(2) For purposes of this sub-paragraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of the Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If the Contractor uses any Subcontractor to perform services for the County under the Contract, the Subcontractor shall also be subject to the provisions

of this sub-paragraph. The provisions of this sub-paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the Contract.

(3) If the Contractor is not required to comply with the Jury Service Program when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its “exception status” from the Jury Service Program, and the Contractor shall immediately notify the County if the Contractor at any time either comes within the Jury Service Program’s definition of “Contractor” or if the Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate, to the County’s satisfaction that the Contractor either continues to remain outside of the Jury Service Program’s definition of “Contractor” and/or that the Contractor continues to qualify for an exception to the Program.

(4) Contractor’s violation of this sub-paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract and/or bar the Contractor from the award of

future County contracts for a period of time consistent with the seriousness of the breach.

10. CONFLICT OF INTEREST:

A. No County employee whose position with the County enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent of such employee, shall be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder shall in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.

B. The Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with

the provisions of this sub-paragraph shall be a material breach of this Contract.

11. CONSIDERATION OF HIRING GAIN/GROW PROGRAM

PARTICIPANTS:

A. Should the Contractor require additional or replacement personnel after the effective date of this Contract, the Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The County will refer GAIN/GROW participants by job category to the Contractor.

B. In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first priority.

12. CONTRACTOR RESPONSIBILITY AND DEBARMENT:

A. Responsible Contractor: A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the

contract. It is the County's policy to conduct business only with responsible Contractors.

B. Chapter 2.202 of the County Code: The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing Contracts the Contractor may have with the County.

C. Non-responsible Contractor: The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County, (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business

honesty, or (4) made or submitted a false claim against the County or any other public entity.

D. Contractor Hearing Board: If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

F. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to

modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

G. If a Contractor has been debarred for a period longer than five (5) years, that Contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.

H. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the

proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

I. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

J. Subcontractors of Contractor: These terms shall also apply to Subcontractors of County Contractors.

13. CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW:

The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its Subcontractors, if any, to post this poster in a prominent position in the Subcontractor's place of business. The County's Department of Children and

Family Services will supply the Contractor with the poster to be used. Information on how to receive the poster can be found on the Internet at [www.babysafela.org](http://www.babysafela.org)

14. CONTRACTOR'S WARRANTY OF ADHERENCE TO COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM:

A. The Contractor acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through Contract are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

B. As required by the County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting the Contractor's duty under this Contract to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and shall during the term of this Contract maintain in compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

C. Failure to Comply with County's Child Support Compliance Program: Failure of Contractor to maintain compliance with the

requirements set forth in the CONTRACTOR'S WARRANTY OF ADHERENCE TO COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM Paragraph immediately above, shall constitute a default by Contractor under this Contract. Without limiting the rights and remedies available to County under any other provision of this Contract, failure to cure such default within ninety (90) calendar days of written notice shall be grounds upon which County may terminate this contract pursuant to the Termination for Default Paragraph of this Contract and pursue debarment of Contractor, pursuant to County Code Chapter 2.202.

15. COUNTY'S QUALITY ASSURANCE PLAN:

County or its agent will evaluate Contractor's performance under this Contract on not less than an annual basis. Such evaluation will include assessing Contractor's compliance with all contract terms and performance standards. Contractor deficiencies which County determines are severe or continuing and that may place performance of this Contract in jeopardy if not corrected will be reported to the Board of Supervisors. The report will include improvement/corrective action measures taken by County and Contractor. If improvement does not occur consistent with the corrective action measures, County may terminate this Contract or impose other penalties as specified in this Contract.

The County maintains databases that track/monitor contractor performance history. Information entered into such databases maybe used for a

variety of purposes, including determining whether the County will exercise a contract term extension option.

16. SERVICE DELIVERY SITE - MAINTENANCE STANDARDS:

The making of subcontracts hereunder shall not relieve Contractor of any requirement under this Agreement, including, but not limited to, the duty to properly supervise and coordinate the work of subcontractors. Further, Director's approval of any subcontract shall also not be construed to limit in any way, any of County's rights or remedies contained in this Agreement.

D. In the event that Director consents to any subcontracting, Contractor shall be solely liable and responsible for any and all payments or other compensation to all subcontractors, and their officers, employees, and agents.

E. Failure of the Contractor to maintain compliance with the requirements set forth in sub-paragraph 8.14 - Contractor's Warranty of Adherence to County's Child Support Compliance Program, shall constitute default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of the Contractor to cure such default within ninety (90) calendar days of written notice shall be grounds upon which the County may terminate this Contract pursuant to the TERMINATION FOR DEFAULT Paragraph of this Contract and pursue debarment of the Contractor, pursuant to County Code Chapter 2.202.

46. TERMINATION FOR CONVENIENCE: The performance of services under this Contract may be terminated, with or without cause, in whole or in part, from time to time when such action is deemed by County to be in its best interest. Termination of services hereunder shall be effected by delivery to Contractor of a thirty (30) calendar day advance Notice of Termination specifying the extent to

which performance of services under this Contract is terminated and the date upon which such termination becomes effective.

After receipt of a Notice of Termination and except as otherwise directed by County, Contractor shall:

B. Complete performance of such part of the services as shall not have been terminated by such Notice of Termination.

Further, after receipt of a Notice of Termination, Contractor shall submit to County, in the form and with the certifications as may be prescribed by County, its termination claim and invoice. Such claim and invoice shall be submitted promptly, but not later than sixty (60) calendar days from the effective date of termination. Upon failure of Contractor to submit its termination claim and invoice within the time allowed, County may determine on the basis of information available to County, the amount, if any, due to Contractor in respect to the termination, and such determination shall be final. After such determination is made, County shall pay Contractor the amount so determined.

Contractor for a period of five (5) years after final settlement under this Contract, in accordance with the RECORDS AND AUDITS Paragraph of this contract, shall retain and make available all its books, documents, records, or other evidence, bearing on the costs and expenses of

Contractor under this Contract in respect to the termination of services hereunder. 47. TERMINATION FOR DEFAULT: County may, by written notice of default to Contractor, terminate this Contract immediately in any one of the following circumstances:

A. If, as determined in the sole judgment of County, Contractor fails to perform any services within the times specified in this Contract or any extension thereof as County may authorize in writing; or

B. If, as determined in the sole judgment of County, Contractor fails to perform and/or comply with any of the other provisions of this Contract, or so fails to make progress as to endanger performance of this Contract in accordance with its terms, and in either of these two (2) circumstances, does not cure such failure within a period of five (5) calendar days (or such longer period as County may authorize in writing) after receipt of notice from County specifying such failure.

In the event that County terminates this Contract as provided hereinabove, County may procure, upon such terms and in such manner as County may deem appropriate, services similar to those so terminated, and Contractor shall be

liable to County for any reasonable excess costs incurred by County for such similar services.

The rights and remedies of County provided in this Paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

48. TERMINATION FOR GRATUITIES AND/OR IMPROPER

CONSIDERATION: County may, by written notice to Contractor, immediately terminate Contractor's right to proceed under this Contract, if it is found that gratuities or consideration in any form, were offered or given by Contractor, either directly or through an intermediary, to any County officer, employee, or agent, with the intent of securing the Contract or securing favorable treatment with respect to the award, amendment, or extension of the Contract, or making of any determinations with respect to the Contractor's performance pursuant to the Contract. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could in the event of default by Contractor.

Contractor shall immediately report any attempt by a County officer, employee, or agent, to solicit such improper gratuity or consideration. The report shall be made either to the County manager charged with the supervision of the employee or agent, or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

(Among other items, such improper gratuities and considerations may take the form of cash, discounts, services, the provision of travel or entertainment, or other tangible gifts.)

49. TERMINATION FOR INSOLVENCY: County may terminate this Contract immediately for default in the event of the occurrence of any of the following:

B. The filing of a voluntary or involuntary petition under the federal Bankruptcy Law;

C. The appointment of a Receiver or Trustee for Contractor;

D. The execution by Contractor of an assignment for the benefit of creditors.

similar services. The rights and remedies of County provided in this Paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

50. TERMINATION FOR NON-APPROPRIATION OF FUNDS:

Notwithstanding any other provision of this Contract, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

51. NO INTENT TO CREATE A THIRD PARTY BENEFICIARY CONTRACT:

Notwithstanding any other provision of this Contract, the parties do not in any way intend that any person shall acquire any rights as a third party beneficiary under this Contract.

52. UNLAWFUL SOLICITATION:

Contractor shall require all of its employees performing services hereunder to acknowledge in writing understanding of and agreement to comply

with the provisions of Article 9 of Chapter 4 of Division 3 (commencing with Section 6150) of the Business and Professions Code of the State of California (i.e., State Bar Act provisions regarding unlawful solicitation as a runner or capper for attorneys) and shall take positive and affirmative steps in its performance hereunder to ensure that there is no violation of such provisions by its employees. Contractor shall utilize the attorney referral services of all those bar associations within Los Angeles County that have such a service.

53. VALIDITY:

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

54. WAIVER:

No waiver by the County of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this sub-paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

55. WARRANTY AGAINST CONTINGENT FEES:

A. The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or

contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

B. For breach of this warranty, the County shall have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

56. WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM:

Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this contract will maintain compliance, with Los Angeles County Code Chapter 2.206.

57. TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM:

Failure of Contractor to maintain compliance with the requirements set forth in the WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM Paragraph of this Contract shall constitute default under this contract. Without limiting the rights and remedies available to County under any other provision of this contract, failure of Contractor to cure such default within 10 days of notice shall be grounds upon which County may terminate this contract and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

58. OWNERSHIP OF MATERIALS, SOFTWARE AND COPYRIGHT:

A. Contractor agrees that all public announcements, literature, audiovisuals, and printed material developed or acquired by Contractor or otherwise, in whole or in part, under this Contract, and all works based thereon, incorporated therein, or derived there from, shall be the sole property of County.

B. Contractor hereby assigns and transfers to County in perpetuity for all purposes all Contractors' rights, title, and interest in and to all such items including, but not limited to, all unrestricted and exclusive copyrights and all renewals and extensions thereof.

C. With respect to any such items which come into existence after the commencement date of the Contract, Contractor shall assign and transfer to County in perpetuity for all purposes, without any additional consideration, all Contractor's rights, title, and interest in and to all items, including, but not limited to, all unrestricted and exclusive copyrights and all renewals and extensions thereof.

D. During the term of this Contract and for five (5) years thereafter, the Contractor shall maintain and provide security for all of the Contractor's working papers prepared under this Contract. County shall have the right to inspect, copy and use at any time during and subsequent to the term of this Contract, any and all such working papers and all information contained therein.

E. Any and all materials, software and tools which are developed or were originally acquired by the Contractor outside the scope of this Contract, which the Contractor desires to use hereunder, and which the Contractor considers to be proprietary or confidential, must be specifically identified by the Contractor to the County's Project Manager as proprietary or confidential, and shall be plainly and prominently marked by the Contractor as "Proprietary" or "Confidential" on each appropriate page of any document containing such material.

F. If directed to do so by County, Contractor will place the county name, its department names and/or its marks and logos on all items

developed under this Contract. If also directed to do so by County, Contractor shall affix the following notice to all items developed under this Contract: “© Copyright 2012 (or such other appropriate date of first publication), County of Los Angeles. All Rights Reserved.” Contractor agrees that it shall not use the County name, its department names, its program names, and/or its marks and logos on any materials, documents, advertising, or promotional pieces, whether associated with work performed under this Contract or for unrelated purposes, without first obtaining the express written consent of County.

For the purposes of this Contract, all such items shall include, but not be limited to, written materials (e.g, curricula, text for vignettes, press releases, advertisements, text for public service announcements for any and all media types, pamphlets, brochures, fliers), software, audiovisual materials (e.g., films, videotapes, websites), and pictorials (e.g., posters and similar promotional and educational materials using photographs, slides, drawings, or paintings).

## **COUNTY OF LOS ANGELES POLICY ON DOING BUSINESS WITH SMALL BUSINESS**

Forty-two percent of businesses in Los Angeles County have five or fewer employees. Only about four percent of businesses in the area exceed 100 employees. According to the Los Angeles Times and local economists, it is not large corporations, but these small companies that are generating new jobs and helping move Los Angeles County out of its worst recession in decades.

### **WE RECOGNIZE. . . .**

#### **The importance of small business to the County. . .**

- in fueling local economic growth
- providing new jobs
- creating new local tax revenues
- offering new entrepreneurial opportunity to those historically under-represented in business

#### **The County can play a positive role in helping small business grow. . .**

- as a multi-billion dollar purchaser of goods and services
- as a broker of intergovernmental cooperation among numerous local jurisdictions
- by greater outreach in providing information and training
- by simplifying the bid/proposal process
- by maintaining selection criteria which are fair to all
- by streamlining the payment process

### **WE THEREFORE SHALL:**

1. Constantly seek to streamline and simplify our processes for selecting our vendors and for conducting business with them.
2. Maintain a strong outreach program, fully-coordinated among our departments and districts, as well as other participating governments to: a) inform and assist the local business community in competing to provide goods and services; b) provide for ongoing dialogue with and involvement by the business community in implementing this policy.
3. Continually review and revise how we package and advertise solicitations, evaluate and select prospective vendors, address subcontracting and conduct business with our vendors, in order to: a) expand opportunity for small business to compete for our business; and b) to further opportunities for all businesses to compete regardless of size.
4. Insure that staff who manage and carry out the business of purchasing goods and services are well trained, capable and highly motivated to carry out the letter and spirit of this policy.

Title 2 ADMINISTRATION  
Chapter 2.203.010 through 2.203.090  
CONTRACTOR EMPLOYEE JURY SERVICE

**2.203.010 Findings.**

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

**2.203.020 Definitions.**

The following definitions shall be applicable to this chapter:

- A. "Contractor" means a person, partnership, corporation or other entity which has a contract with the county or a subcontract with a county contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more such contracts or subcontracts.
- B. "Employee" means any California resident who is a full-time employee of a contractor under the laws of California.
- C. "Contract" means any agreement to provide goods to, or perform services for or on behalf of, the county but does not include:
  - 1. A contract where the board finds that special circumstances exist that justify a waiver of the requirements of this chapter; or
  - 2. A contract where federal or state law or a condition of a federal or state program mandates the use of a particular contractor; or
  - 3. A purchase made through a state or federal contract; or
  - 4. A monopoly purchase that is exclusive and proprietary to a specific manufacturer, distributor, or reseller, and must match and inter-member with existing supplies, equipment or systems maintained by the county pursuant to the Los Angeles County Purchasing Policy and Procedures Manual, Section P-3700 or a successor provision; or
  - 5. A revolving fund (petty cash) purchase pursuant to the Los Angeles County Fiscal Manual, Section 4.4.0 or a successor provision; or
  - 6. A purchase card purchase pursuant to the Los Angeles County Purchasing Policy and Procedures Manual, Section P-2810 or a successor provision; or

(Ord. 2002-0040 § 2, 2002: Ord. 2002-0015 § 1 (part), 2002)

**2.203.040 Contractor Jury Service Policy.**

A contractor shall have and adhere to a written policy that provides that its employees shall receive from the contractor, on an annual basis, no less than five days of regular pay for actual jury service. (Ord. 2002-0015 § 1 (part), 2002)

- A. Administration. The chief administrative officer shall be responsible for the administration of this chapter. 1. Recommend to the board of supervisors the termination of the contract; and/or,
2. Pursuant to chapter 2.202, seek the debarment of the contractor. (Ord. 2002-0015 § 1 (part), 2002)

Title 2 ADMINISTRATION  
Chapter 2.203.010 through 2.203.090  
CONTRACTOR EMPLOYEE JURY SERVICE

**2.203.070. Exceptions.**

- A. Other Laws. This chapter shall not be interpreted or applied to any contractor or to any employee in a manner inconsistent with the laws of the United States or California.
- B. Collective Bargaining Agreements. This chapter shall be superseded by a collective bargaining agreement that expressly so provides.
- C. Small Business. This chapter shall not be applied to any contractor that meets all of the following:

## Notice 1015

(Rev. December 2010)

### Have You Told Your Employees About the Earned Income Credit (EIC)?

---

#### What Is the EIC?

The EIC is a refundable tax credit for certain workers.

#### Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

**Note.** You are encouraged to notify each employee whose wages for 2010 are less than \$48,362 that he or she may be eligible for the EIC.

#### How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2011.

You must hand the notice directly to the employee or send it by first-class mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from IRS.gov or by calling 1-800-829-3676.

#### How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 596, Earned Income Credit (EIC), or the instructions for Form 1040, 1040A, or 1040EZ.

#### How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2010 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2010 and owes no tax but is eligible for a credit of \$829, he or she must file a 2010 tax return to get the \$829 refund.

#### Can My Employees Get Advance EIC Payments?

After 2010, your employees can no longer get advance payments of the credit in their pay during the year as they could in 2010 and earlier years, because the law changed. However, if they are eligible, they will still be able to claim the credit on their 2011 return.

Form W-5, Earned Income Credit Advance Payment Certificate, is no longer in use.

# *Safely* Surrendered

No shame. No blame. No names.

# Safely Surrendered Baby Law

## What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

### How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

### What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

### Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

### Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

### Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

### What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

### What happens to the parent or surrendering adult?

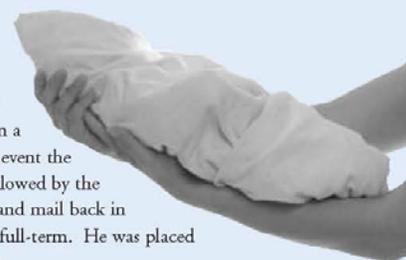

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

### Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

## A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

## ¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

## ¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

## ¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

## ¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

## ¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

## ¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

## ¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

## Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

**2.202.010 Findings and declarations.**

A. The board of supervisors finds that, in order to promote integrity in the county's contracting processes and to protect the public interest, the county's policy shall be to conduct business only with responsible contractors. The board of supervisors further finds that debarment is to be imposed only in the public interest for the county's protection and not for the purpose of punishment.

B. Determinations of contractor non-responsibility and contractor debarment shall be made in accordance with the procedures set forth in the ordinance codified in this chapter and implementation instructions issued by the auditor-controller. (Ord. 2005-0066 § 1, 2005: Ord. 2000-0011 § 1 (part), 2000.)

**2.202.020 Definitions.**

For purposes of this chapter, the following definitions apply:

A. "Contractor" means a person, partnership, corporation, or other entity who has contracted with, or is seeking to contract with, the county or a nonprofit corporation created by the county to provide goods to, or perform services for or on behalf of, the county or a nonprofit corporation created by the county. A contractor includes a contractor, subcontractor, vendor, or any person or entity who or which owns an interest of 10 percent or more in a contractor, subcontractor, or vendor.

B. "Contract" means any agreement to provide goods to, or perform services for or on behalf of, the county or a nonprofit corporation created by the county.

C. "Debarment" means an action taken by the county which results in a contractor being prohibited from bidding or proposing on, being awarded and/or performing work on a contract with the county. A contractor who has been determined by the county to be subject to such a prohibition is "debarred."

D. "Department head" means either the head of a department responsible for administering a particular contract for the county or the designee of same.

E. "County" means the county of Los Angeles, any public entities for which the board of supervisors is the governing body, and any joint powers authorities of which the county is a member that have adopted county contracting procedures.

F. "Contractor hearing board" means the persons designated to preside over contractor debarment hearings and make recommendations on debarment to the board of supervisors.

Title 2 ADMINISTRATION  
DETERMINATIONS OF CONTRACTOR NON-RESPONSIBILITY  
AND CONTRACTOR DEBARMENT

G. Determination of “non-responsibility” means an action taken by the county which results in a contractor who submitted a bid or proposal on a particular contract being prohibited from being awarded and/or performing work on that contract. A contractor who has been determined by the county to be subject to such a prohibition is “non-responsible” for purposes of that particular contract.

H. “Bid or proposal” means a bid, proposal, or any other response to a solicitation submitted by or on behalf of a contractor seeking an award of a contract. (Ord. 2005-0066 § 2, 2005: Ord. 2004-0009 § 1, 2004: Ord. 2000-0011 § 1 (part), 2000.)

**2.202.030 Determination of contractor non-responsibility.**

A. Prior to a contract being awarded by the county, the county may determine that a contractor submitting a bid or proposal is non-responsible for purposes of that contract. In the event that the county determines that a contractor is non-responsible for a particular contract, said contractor shall be prohibited from being awarded and/or performing work on that contract.

B. The county may declare a contractor to be non-responsible for purposes of a particular contract if the county, in its discretion, finds that the contractor has done any of the following: (1) violated a term of a contract with the county or a nonprofit corporation created by the county; (2) committed an act or omission which negatively reflects on the contractor’s quality, fitness, or capacity to perform a contract with the county, any other public entity, or a nonprofit corporation created by the county, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or omission which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the county or any other public entity.

C. The decision by the county to find a contractor non-responsible for a particular contract is within the discretion of the county. The seriousness and extent of the contractor’s acts, omissions, patterns, or practices as well as any relevant mitigating or aggravating factors, including those described in Subsection 2.202.040 (E) below, may be considered by the county in determining whether a contractor should be deemed non-responsible.

D. Before making a determination of non-responsibility pursuant to this chapter, the department head shall give written notice to the contractor of the basis for the proposed non-responsibility determination, and shall advise the contractor that a non-responsibility hearing will be scheduled on a date certain. Thereafter, the department head shall conduct a hearing where evidence on the proposed non-responsibility determination is presented. The contractor and/or attorney or other authorized representative of the contractor shall be afforded an opportunity to appear at the non-responsibility hearing and to submit documentary evidence, present witnesses, and offer rebuttal evidence. After such hearing, the department head shall prepare a proposed decision, which shall contain a recommendation regarding whether the contractor should be found non-responsible with respect to the contract(s) at issue. A record of the hearing, the proposed decision, and any recommendation shall be presented to the board of supervisors. The board of supervisors may, in its discretion, limit any further hearing to the presentation of evidence not previously presented. The board of supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the department head. A non-responsibility finding shall become final upon approval by the board of supervisors. (Ord. 2005-0066 § 3, 2005: Ord. 2004-0009 § 2, 2004: Ord. 2000-0011 § 1 (part), 2000.)

Title 2 ADMINISTRATION  
DETERMINATIONS OF CONTRACTOR NON-RESPONSIBILITY  
AND CONTRACTOR DEBARMENT

**2.202.040 Debarment of contractors.**

A. The county may debar a contractor who has had a contract with the county in the preceding three years and/or a contractor who has submitted a bid or proposal for a new contract with the county.

B. The county may debar a contractor if the county finds, in its discretion, that the contractor has done any of the following: (1) violated a term of a contract with the county or a nonprofit corporation created by the county; (2) committed an act or omission which negatively reflects on the contractor's quality, fitness, or capacity to perform a contract with the county, any other public entity, or a nonprofit corporation created by the county, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or omission which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the county or any other public entity.

C. The decision by the county to debar a contractor is within the discretion of the county. The seriousness and extent of the contractor's acts, omissions, patterns, or practices as well as any relevant mitigating or aggravating factors, including those described in Subsection (E) below, may be considered by the county in determining whether to debar a contractor and the period of debarment. Generally, the period of debarment should not exceed five years. However, if circumstances warrant, the county may impose a longer period of debarment up to and including permanent debarment.

D. To impose a debarment period of longer than five years, and up to and including permanent debarment, in addition to the grounds described in Subsection (B) above, the county shall further find that the contractor's acts or omissions are of such an extremely serious nature that removal of the contractor from future county contracting opportunities for the specified period is necessary to protect the county's interests.

E. Mitigating and aggravating factors that the county may consider in determining whether to debar a contractor and the period of debarment include but are not limited to:

- (1) The actual or potential harm or impact that results or may result from the wrongdoing.
- (2) The frequency and/or number of incidents and/or duration of the wrongdoing.
- (3) Whether there is a pattern or prior history of wrongdoing.
- (4) A contractor's overall performance record. For example, the county may evaluate the contractor's activity cited as the basis for the debarment in the broader context of the contractor's overall performance history.
- (5) Whether a contractor is or has been debarred, found non-responsible, or disqualified by another public entity on a basis of conduct similar to one or more of the grounds for debarment specified in this Section.
- (6) Whether a contractor's wrongdoing was intentional or inadvertent. For example, the county may consider whether and to what extent a contractor planned, initiated, or carried out the wrongdoing.
- (7) Whether a contractor has accepted responsibility for the wrongdoing and recognizes the seriousness of the misconduct that led to the grounds for debarment and/or has taken corrective action to cure the wrongdoing, such as establishing ethics training and implementing programs to prevent recurrence.

Title 2 ADMINISTRATION  
DETERMINATIONS OF CONTRACTOR NON-RESPONSIBILITY  
AND CONTRACTOR DEBARMENT

- (8) Whether and to what extent a contractor has paid or agreed to pay criminal, civil, and administrative liabilities for the improper activity, and to what extent, if any, has the contractor made or agreed to make restitution.
- (9) Whether a contractor has cooperated fully with the county during the investigation, and any court or administrative action. In determining the extent of cooperation, the county may consider when the cooperation began and whether the contractor disclosed all pertinent information known to the contractor.
- (10) Whether the wrongdoing was pervasive within a contractor's organization.
- (11) The positions held by the individuals involved in the wrongdoing.
- (12) Whether a contractor's principals participated in, knew of, or tolerated the offense.
- (13) Whether a contractor brought the activity cited as a basis for the debarment to the attention of the county in a timely manner.
- (14) Whether a contractor has fully investigated the circumstances surrounding the cause for debarment and, if so, made the result of the investigation available to the county.
- (15) Whether a contractor had effective standards of conduct and internal control systems in place at the time the questioned conduct occurred.
- (16) Whether a contractor has taken appropriate disciplinary action against the individuals responsible for the activity which constitutes the cause for debarment.
- (17) Other factors that are appropriate to the circumstances of a particular case.

F. Before making a debarment determination pursuant to this chapter, the department head shall give written notice to the contractor of the basis for the proposed debarment, and shall advise the contractor that a debarment hearing will be scheduled on a date certain. The contractor hearing board shall conduct a hearing where evidence on the proposed debarment is presented. The contractor and/or attorney or other authorized representative must be given an opportunity to appear at the debarment hearing and to submit documentary evidence, present witnesses, and offer rebuttal evidence at that hearing. After such hearing, the contractor hearing board shall prepare a proposed decision, which shall contain a recommendation regarding whether the contractor should be debarred and, if so, the appropriate length of time for the debarment. A record of the hearing, the proposed decision, and any recommendation shall be presented to the board of supervisors. The board of supervisors may, in its discretion, limit any further hearing to the presentation of evidence not previously presented. The board of supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the contractor hearing board. A debarment finding shall become final upon the approval of the board of supervisors.

G. In making a debarment determination, the board of supervisors may also, in its discretion and consistent with the terms of any existing contracts that the contractor may have with the county, terminate any or all such existing contracts. In the event that any existing contract is terminated by the board of supervisors, the county shall maintain the right to pursue all other rights and remedies provided by the contract and/or applicable law.

H. With respect to a contractor who has been debarred for a period longer than five years, the contractor may, after the debarment has been in effect for at least five years, request that the county review the debarment determination to reduce the period of debarment or terminate the debarment. The county may consider a contractor's request to review a debarment determination based upon the following circumstances: (1) elimination of the grounds for which the

Title 2 ADMINISTRATION  
DETERMINATIONS OF CONTRACTOR NON-RESPONSIBILITY  
AND CONTRACTOR DEBARMENT

debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the county. A request for review shall be in writing, supported by documentary evidence, and submitted to the chair of the contractor hearing board. The chair of the contractor hearing board may either: 1) determine that the written request is insufficient on its face and deny the contractor's request for review; or (2) schedule the matter for consideration by the contractor hearing board which shall hold a hearing to consider the contractor's request for review, and, after the hearing, prepare a proposed decision and a recommendation to be presented to the board of supervisors. The board of supervisors may, in its discretion, limit any further hearing to the presentation of evidence not previously presented. The board of supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the contractor hearing board. A reduction of the period of the debarment or termination of the debarment shall become final upon the approval of the board of supervisors. (Ord. 2005-0066 § 4, 2005: Ord. 2004-0009 § 3, 2004: Ord. 2000-0011 § 1 (part), 2000.)

**2.202.050 Pre-emption.**

In the event any contract is subject to federal and/or state laws that are inconsistent with the terms of the ordinance codified in this chapter, such laws shall control. (Ord. 2000-0011 § 1 (part), 2000.)

**2.202.060 Severability.**

If any section, subsection, subpart or provision of this chapter, or the application thereof to any person or circumstances, is held invalid, the remainder of the provisions of this chapter and the application of such to other persons or circumstances shall not be affected thereby. (Ord. 2000-0011 § 1 (part), 2000.)

## BACKGROUND AND RESOURCES: CALIFORNIA CHARITIES REGULATION

Page 1 of 2

There is a keen public interest in preventing misuse of charitable contributions. California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates those raising and receiving charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) tightened Charitable Purposes Act requirements for charitable organization administration and fundraising.

The Charitable Purposes Act rules cover California public benefit corporations, unincorporated associations, and trustee entities. They may include similar foreign corporations doing business or holding property in California. Generally, an organization is subject to the registration and reporting requirements of the Charitable Purposes Act if it is a California nonprofit public benefit corporation or is tax exempt under Internal Revenue Code § 501(c)(3), and not exempt from reporting under Government Code § 12583. Most educational institutions, hospitals, cemeteries, and religious organizations are exempt from Supervision of Trustees Act requirements.

Key new Charitable Purposes Act requirements affect executive compensation, fund-raising practices and documentation. Charities with over \$2 million of revenues (excluding grants and service-contract funds a governmental entity requires to be accounted for) have new audit requirements. Charities required to have audits must also establish an audit committee whose members have no material financial interest in any entity doing business with the charity.

Organizations or persons that receive or raise charitable contributions are likely to be subject to the Charitable Purposes Act. A Proposer on Los Angeles County contracts must determine if it is subject to the Charitable Purposes Act and certify either that:

- It is not presently subject to the Act, but will comply if later activities make it subject, or,
- If subject, it is currently in compliance.

### RESOURCES

The following references to resources are offered to assist Proposers who engage in charitable contributions activities. Each Proposer, however, is ultimately responsible to research and determine its own legal obligations and properly complete its compliance certification (Exhibit 20).

In California, supervision of charities is the responsibility of the Attorney General, whose website, <http://ag.ca.gov/> contains much information helpful to regulated charitable organizations.

#### 1. LAWS AFFECTING NONPROFITS

The "Supervision of Trustees and Fundraisers for Charitable Purposes Act" is found at California Government Code §§ 12580 through 12599.7. Implementing regulations are found at Title 11, California Code of Regulations, §§ 300 through 312. In California, charitable solicitations ("advertising") are governed by Business & Professions Code §§ 17510 through 17510.95. Regulation of nonprofit corporations is found at Title 11, California Code of Regulations, §§ 999.1 through 999.5. (Amended regulations are pending.) ### 2. SUPPORT FOR NONPROFIT ORGANIZATIONS

Several organizations offer both complimentary and fee-based assistance to nonprofits, including in Los Angeles, the *Center for Nonprofit Management*, 606 S. Both organizations' websites offer information about how to establish and manage a charitable organization.

**The above information, including the organizations listed, provided under this sub-section of this Appendix N is for informational purposes only. Nothing contained in this sub-section shall be construed as an endorsement by the County of Los Angeles of such organizations.**
