## 1.0 GENERAL INFORMATION

The County of Los Angeles (County) operates a network of public health centers and public health programs (hereafter referred to as "Programs") within the Department of Public Health (DPH) and Department of Health Services (DHS). These Programs are located in various geographical locations throughout the County, and may periodically require temporary personnel services on an as-needed basis to complete certain projects or provide services. DHS oversees an integrated health system comprising of four (4) hospitals, and 19 health centers; along with an expanded network of community partner clinics. Additionally, the DHS provides health services to youth in the juvenile justice system and specialized medical services to children in foster care. The effective and timely delivery of these health services routinely requires tactical planning and launching of initiatives and special projects which often require temporary personnel services on an as needed basis.

The mission of DPH programs includes monitoring and reducing the number of cases of communicable diseases such as tuberculosis (TB), Human Immunodeficiency Virus (HIV), Acquired Immune Deficiency Syndrome (AIDS), and Sexually Transmitted Diseases (STD), and preparing for and responding to public health emergencies. DHS mission is to ensure access to high-quality, patient-centered, cost effective health care to Los Angeles County residents. In order to meet these goals, it is sometimes necessary for the County to contract with temporary personnel agencies for the immediate provision of temporary personnel and services.

The objective of this Request for Statement of Qualifications (RFSQ) is to secure a pool of qualified temporary personnel agencies (also referred to as "Vendors") that are best able to provide as-needed temporary personnel services as required by the Departments. The County Board of Supervisors (Board) approved pool of qualified temporary personnel agencies will each be awarded a Master Agreement with each Department. Temporary personnel services include recruiting temporary staff; managing and overseeing those staff; and administering employee benefits and payroll taxes for those staff as they work on projects on behalf of the County.

To be selected for a Master Agreement for the provision of these services, Vendors must be determined to have met all of the minimum qualifications and requirements set forth in this RFSQ.

It is anticipated that the new Master Agreements will be effective February 9, 2016 and shall continue, unless sooner terminated or canceled, through February 29, 2023.

### 1.1 Scope of Work

Temporary personnel services include the recruitment, management, and oversight of temporary staff.

Temporary staff sought may include, but are not limited to, Project Directors, Research and/or Policy Analysts, Emergency Personnel, Laboratory Workers, Medical Personnel providing non-direct care services, Epidemiologists,

Medical Records Abstractors, Research Interviewers, Community Service Counselors, Data Entry Clerks, Data Collectors, Nutritionists/Dieticians, Therapists, Pharmacists, Information Systems Analysts, Data Systems Analysts, and Technical Assistants who are knowledgeable about health issues. Temporary staff must have cultural and linguistic sensitivity to and be comfortable working with a diverse group of racial and ethnic groups, persons exhibiting drug using behaviors, persons with different sexual orientations and individuals with gender identity differences who may have communicable disease(s) and are located most easily in a typical venues such as bathhouses, bars/clubs, incarceration facilities, and street venues. Staff must also have sensitivity to materials and/or data that may be explicit including, but not limited to, drug-related behaviors, sex-related behaviors, and/or harsh language.

Vendors must have a personnel policy and procedure manual that addresses human resource management issues including recruitment and hiring; new staff orientation; time tracking and payroll systems; employee benefits; and employee evaluation, discipline, and termination procedures.

Specific work order requests released to Master Agreement Contractors may fund employee benefits in an amount not to exceed forty-five percent (45%), indirect costs in an amount not to exceed ten percent (10%) of direct costs, and limited recruitment, staff mileage, and supply costs. Selected contractors may be required to recruit and hire within thirty (30) days of Master Agreement Work Order execution.

At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

1.30.2 The Local Small Business Enterprise Preference Program requires the Company to complete a certification process. This program and how to

---

obtain certification are further explained in sub-paragraph 1.32 of this RFSQ.

- 1.30.3 The Jury Service Program provides exceptions to the Program if a company qualifies as a Small Business. It is important to note that each Program has a different definition for Small Business. You may qualify as a Small Business in one Program but not the other. Further explanation of the Jury Service Program is provided in sub-paragraph 1.31 of this RFSQ.
- 1.30.4 The County also has a Policy on Doing Business with Small Business that is stated in Appendix C.

### **1.31 Jury Service Program**

The prospective contract is subject to the requirements of the County's Contractor Employee Jury Service Ordinance ("Jury Service Program") (Los Angeles County Code, Chapter 2.203). Prospective Contractors should carefully read the Jury Service Ordinance, Appendix D, and the pertinent jury service provisions of the Appendix H - Master Agreement, sub-paragraph 8.8, both of which are incorporated by reference into and made a part of this RFSQ. The Jury Service Program applies to both Contractors and their temporary staff. SOQs that fail to comply with the requirements of the Jury Service Program will be considered non-responsive and excluded from further consideration.

- 1.31.1 The Jury Service Program requires Contractors and their temporary staff to have and adhere to a written policy that provides that its employees shall receive from the Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the employee's regular pay the fees received for jury service. For purposes of the Jury Service Program, "employee" means any California resident who is a full-time employee of a Contractor and "full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) the Contractor has a long-standing practice that defines the lesser number of hours as full-time. Therefore, the Jury Service Program applies to all of a Contractor's full-time California employees, even those not working specifically on the County project. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program.
- 1.31.2 There are two ways in which a Contractor might not be subject to the Jury Service Program. The first is if the Contractor does not fall within the Jury Service Program's definition of "Contractor". The Jury Service Program defines "Contractor" to mean a person, partnership, corporation or other entity which has a contract with

---

the County or a Subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. The second is if the Contractor meets one of the two exceptions to the Jury Service Program. The first exception concerns small businesses and applies to Contractors that have 1) ten or fewer employees; and, 2) annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract is less than \$500,000, and, 3) is not an “affiliate or subsidiary of a business dominant in its field of operation”. The second exception applies to Contractors that possess a collective bargaining agreement that expressly supersedes the provisions of the Jury Service Program. The Contractor is subject to any provision of the Jury Service Program not expressly superseded by the collective bargaining agreement.

- 1.31.3 If a Contractor does not fall within the Jury Service Program’s definition of “Contractor” or if it meets any of the exceptions to the Jury Service Program, then the Contractor must so indicate in the Contractor Employee Jury Service Program Certification Form and Application for Exception, as set forth in Appendix A - Required Forms Exhibit 12, and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the Contractor’s application, the County will determine, in its sole discretion, whether the Contractor falls within the definition of Contractor or meets any of the exceptions to the Jury Service Program. The County’s decision will be final.

## **1.32 Local Small Business Enterprise (SBE) Preference Program**

The following language will be used for County solicitations which are not subject to the federal restriction on geographical preferences:

- 1.32.1 In reviewing Work Order Bids, the County will give Local SBE preference to businesses that meet the definition of a Local Small Business Enterprise (Local SBE), consistent with Chapter 2.204.030C.1 of the Los Angeles County Code. A Local SBE is defined as: 1) A business certified by the State of California as a small business and; 2) has had its principal office located in Los Angeles County for a period of at least one year. The business must be certified by Internal Services Department as meeting the requirements set forth in 1 and 2 above prior to requesting the Local SBE Preference in a solicitation.
- 1.32.2 To apply for certification as a Local SBE, companies may register at the Department of Consumer and Business Affairs website at: <http://osb.lacounty.gov>
- 1.32.3 Certified Local SBEs must request the SBE Preference in each of their Work Order Bid responses and may not request the preference unless the certification process has been completed and certification affirmed.

---

Sanctions and financial penalties may apply to a business that knowingly, and with intent to defraud, seeks to obtain or maintain certification as a certified Local SBE.

- 1.32.4 Information about the State's small business enterprise certification regulations is in the California Code of Regulations, Title 2, Subchapter 8, Section 1896 et seq., and is also available on the California Department of General Services Office of Small Business Certification and Resources Web site at <http://www.pd.dgs.ca.gov/smbus/default>

### **1.33 Local Small Business Enterprise (SBE) Prompt Payment Program**

It is the intent of the County that Certified Local SBEs receive prompt payment for services they provide to County Departments. Prompt payment is defined as 15 calendar days after receipt of an undisputed invoice.

### **1.34 Notification to County of Pending Acquisitions/Mergers by Proposing Company**

The Vendor shall notify the County of any pending acquisitions/mergers of their company. This information shall be provided by the Vendor on Exhibit 2, in Appendix A – Required Forms - Vendor's Organization Questionnaire/Affidavit. Failure of the Vendor to provide this information may eliminate its SOQ from any further consideration.

### **1.35 Transitional Job Opportunities Preference Program**

- 1.35.1 In reviewing Work Order Bids, the County will give preference to businesses that are certified by the County as Transitional Job Opportunity vendors, consistent with Chapter 2.205 of the Los Angeles County Code. A Certified Transitional Job Opportunity vendor is, and has been such for three (3) years, an entity: 1) that is a non-profit organization recognized as tax exempt pursuant to section 501 (c) (3) of the Internal Revenue Services Code; set forth,

---

under penalty of perjury, such information as requested by the County on either electronic or hard copy forms, along with their application form and three most recent annual tax returns to the Department with their proposal response to the contracting solicitation for which they are competing; 2) has been in operation for at least one year providing transitional job and the related supportive services to program participants; and 3) provide a profile of their program with a description of their program components designed to assist program participants, number of past program participants, and any other information requested by a contracting Department.

- 1.35.2 Transitional Job Opportunities vendors must request the preference in each of their Work Order Bid responses and may not receive the preference until their certification has been affirmed by the applicable Department. County must verify the Transitional Job Opportunity vendor certification prior to applying the preference. Sanctions and financial penalties may apply to a Bidder that knowingly and with intent to defraud seeks to obtain or maintain certification as a Transitional Job Opportunities vendor.

### **1.36 Health Insurance Portability and Accountability Act of 1996 (“HIPAA”)**

Contractor shall be required to comply with the Administrative Simplification requirements of the federal Health Insurance Portability and Accountability Act of 1996 (HIPAA) as in effect and as may be amended, as contained in Appendix H - Master Agreement, Sub-paragraph 9.1.

### **1.37 Contractor’s Charitable Contributions Compliance**

- 1.37.1 California’s “Supervision of Trustees and Fundraisers for Charitable Purposes Act” regulates receiving and raising charitable contributions. Among other requirements, those subject to the Charitable Purposes Act must register. The 2004 Nonprofit Integrity Act (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. Prospective contractors should carefully read the Background and Resources: California Charities Regulations, Appendix I. New rules cover California public benefit corporations, unincorporated associations, and trustee entities and may include similar foreign corporations doing business or holding property in California. Key Nonprofit Integrity Act requirements affect executive compensation, fund-raising practices and documentation. Charities with over \$2 million of revenues (excluding funds that must be accounted for to a governmental entity) have new audit requirements.
- 1.37.2 All prospective contractors must determine if they receive or raise charitable contributions which subject them to the Charitable Purposes Act and complete the Charitable Contributions Certification, Exhibit 15 as set forth in Appendix A - Required Forms. A completed Exhibit 15 is a required part of any agreement with the County.

1.37.3 In Exhibit 15, prospective contractors certify either that:

- they have determined that they do not now receive or raise charitable contributions regulated under the California Charitable Purposes Act, (including the Nonprofit Integrity Act) but will comply if they become subject to coverage of those laws during the term of a County agreement,

**OR**

- they are currently complying with their obligations under the Charitable Purposes Act, attaching a copy of their most recent filing with the Registry of Charitable Trusts.

1.37.4 Prospective County contractors that do not complete Exhibit 15 as part of the solicitation process may, in the County's sole discretion, be disqualified from contract award. A County contractor that fails to comply with its obligations under the Charitable Purposes Act is subject to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)

### **1.38 Defaulted Property Tax Reduction Program**

The prospective contract is subject to the requirements of the County's Defaulted Property Tax Reduction Program ("Defaulted Tax Program") (Los Angeles County Code, Chapter 2.206). Prospective Contractors should carefully read the Defaulted Tax Program Ordinance, Appendix J, and the pertinent provisions of the Sample Master Agreement, Appendix H, Subparagraph 8.62 and 8.63, both of which are incorporated by reference into and made a part of this solicitation. The Defaulted Tax Program applies to both Contractors and their temporary staff.

Proposers shall be required to certify that they are in full compliance with the provisions of the Defaulted Tax Program and shall maintain compliance during the term of any contract that may be awarded pursuant to this solicitation or shall certify that they are exempt from the Defaulted Tax Program by completing Certification of Compliance with The County's Defaulted Property. Tax Reduction Program, Exhibit 13 in Appendix A – Required Forms. Failure to maintain compliance, or to timely cure defects, may be cause for termination of a contract or initiation of debarment proceedings against the non-compliance contractor (Los Angeles County Code, Chapter 2.202).

Proposals that fail to comply with the certification requirements of the Defaulted Tax Program will be considered non-responsive and excluded from further consideration.

### **1.39 Disabled Veteran Business Enterprise Preference Program (DVBE)**

1.39.1 In reviewing Work Order Bids, the County will give preference to businesses that meet the definition of a Disabled Veteran Business Enterprise, consistent with Chapter 2.211 of the Los Angeles County

---

1.39.2 Certified Disabled Veteran Business Enterprise vendors must request the preference in their solicitation responses and may not request the preference unless the certification process has been completed and certification is affirmed.

1.39.3 In no case shall the Disabled Veteran Business Enterprise Preference Program price or scoring preference be combined with any other county preference program to exceed eight percent (8%) in response to any county solicitation.

1.39.4 Sanctions and financial penalties may apply to a business that knowingly, and with intent to defraud, seeks to obtain or maintain certification as a certified Disabled Veteran Business Enterprise.

1.39.5 To request the Disabled Veteran Business Enterprise Preference, Proposer must complete and submit the Request for Disabled Veteran Business Enterprise Consideration form in Appendix A, Required Forms, Exhibit 17, with supporting documentation with their proposal.

Information about the State's DVBE certification regulations is found in the California Code of Regulations, Title 2, Subchapter 8, Section 1896 et seq., and is also available on the California Department of General Services Office of Disabled Veteran Business Certification and Resources Website at <http://www.pd.dgs.ca.gov/>

At the time of Contractor's response to a WOS, Contractor must submit the Certification Regarding Debarment, Suspension, Ineligibility & Voluntary Exclusion – Lower Tiered Covered Transactions, as set forth in Appendix H – Master Agreement, Exhibit G4, attesting that neither it, as an organization, nor any of its owners, officers, partners, directors, or other principals is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Should a response to any WOS identify prospective subcontractors, or should Contractor intend to use subcontractors in the provision of services under any subsequent contract, Contractor must submit a certification, completed by each subcontractor, attesting that neither the subcontractor, as an organization, nor any of its owners, officers, partners, directors, or other principals is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts.
- 1.41.2 Failure to provide the required certification may eliminate Contractor's response to a WOS from consideration.
- 1.41.3 In the event that Contractor and/or its subcontractor(s) is or are unable to provide the required certification, Contractor instead shall provide a written explanation concerning its and/or its subcontractor's inability to provide the certification. Contractor's written explanation shall describe the specific circumstances concerning the inability to certify. It further shall identify any owner, officer, partner, director, or other principal of the Vendor and/or subcontractor who is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Finally, the written explanation shall provide that person's or those persons' job description(s) and function(s) as they relate to the contract which is being solicited by any WOS in association with this RFSQ.
- 1.41.4 The written explanation shall be examined by the County to determine, in its full discretion, whether further consideration of the response to a WOS is appropriate under the federal law.

#### **3.1.2 Vendor's Qualifications (Section A)**

County's review shall include the following:

- Vendor's Background and Experience as provided in Section A.1 of the SOQ.
- Vendor's References as provided in Section A.2. The review will include verification of references submitted; a review of the County's Contract Database and Contractor Alert Reporting Database, and, if applicable, reflecting past performance history on County or other contracts, and a review of terminated contracts.
- If the Vendor is a corporate entity, said entity's "active" status will be verified. For California corporations the "active" status will be verified via the California Secretary of State's website: <http://kepler.sos.ca.gov/>
- A review to determine the magnitude of any pending litigation or judgments against the Vendor as provided in Section A.3.
- Subject matter experts will evaluate and make a recommendation based on the financial strength and capability of the company in the provision of required services throughout the term of any resultant Master Agreement, as well as evidence of the Company's

capability to absorb all costs related to the provision of services for a minimum of sixty (60) days, during any resultant Master Agreement, as provided in Section A.4.

- Proposers that submit financial statements that are determined to be deficient will be required to provide a performance security in the form of a certificate of deposit, letter of credit, or security bond prior to DPH making recommendations to the Board regarding the awards of MAWO.

### **3.1.3 Vendor Required Forms (Section B)**

All forms listed in Section 2, sub-paragraph 2.7.3 must be included in **Section B** of the SOQ.

### **3.1.4 Proof of Insurability**

The Proof of Insurability will be reviewed based on requirements as set forth in Section 2, sub-paragraph 2.7.4.

### **3.1.5 Proof of Licenses**

The Proof of Licenses will be reviewed based on requirements as set forth in Section 2, sub-paragraph 2.7.5.

## **3.2 Disqualification Review**

A SOQ may be disqualified from consideration because DPH determined it was non-responsive at any time during the review/evaluation process. If the Department determines that a SOQ is disqualified due to non-responsiveness, DPH shall notify the vendor in writing.

Upon receipt of the written determination of non-responsiveness, the Vendor may submit a written request for a Disqualification Review within the timeframe specified in the written determination.

A request for a Disqualification Review may, in the Department's sole discretion, be denied if the request does not satisfy all of the following criteria:

1. The person or entity requesting a Disqualification Review is a Vendor;
2. The request for a Disqualification Review is submitted timely (i.e., by the date and time specified in the written determination); and
3. The request for a Disqualification Review asserts that the Department's determination of disqualification due to non-responsiveness was erroneous (e.g. factual errors, etc.) and

provides factual support on each ground asserted as well as copies of all documents and other material that support the assertions.

The Disqualification Review shall be completed and the determination shall be provided to the requesting Vendor, in writing, prior to the conclusion of the evaluation process.

### **3.3 Selection/Qualification Process**

The Departments will generally select Vendors that have experience in providing a broad range of temporary personnel services. However, in order to insure the Departments has a varied pool of qualified Contractors, DPH may offer Master Agreements to Vendors that offer a narrow scope of services in more highly specialized areas.

### **3.4 Master Agreement Award**

Vendors who are notified by the Departments that they appear to have the necessary qualifications and experience (i.e., they are qualified) may still not be recommended for a Master Agreement if other requirements necessary for award have not been met. Other requirements may include acceptance of the terms and conditions of the Master Agreement, and/or satisfactory documentation that required insurance will be obtained. Only when all such matters have been demonstrated to the Department's satisfaction can a Vendor, which is otherwise deemed qualified, be regarded as "selected" for recommendation of a Master Agreement.

The Departments execute Board authorized Master Agreements with each selected vendor. All Vendors will be informed of the final selections.

Whether you complete Part I or Part II, please sign and date this form below.***

**Part I: Jury Service Program is Not Applicable to My Business**

- My business does not meet the definition of “contractor,” as defined in the Program, as it has not received an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts (this exception is not available if the contract itself will exceed \$50,000). I understand that the exception will be lost and I must comply with the Program if my revenues from the County exceed an aggregate sum of \$50,000 in any 12-month period.
- My business is a small business as defined in the Program. It 1) has ten or fewer employees; and, 2) has annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract, are \$500,000 or less; and, 3) is not an affiliate or subsidiary of a business dominant in its field of operation, as defined below. I understand that the exception will be lost and I must comply with the Program if the number of employees in my business and my gross annual revenues exceed the above limits.

“**Dominant in its field of operation**” means having more than ten employees and annual gross revenues in the preceding twelve months, which, if added to the annual amount of the contract awarded, exceed \$500,000.

“**Affiliate or subsidiary of a business dominant in its field of operation**” means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

- My business is subject to a Collective Bargaining Agreement (attach agreement) that expressly provides that it supersedes all provisions of the Program.

## **COUNTY OF LOS ANGELES POLICY ON DOING BUSINESS WITH SMALL BUSINESS**

Forty-two percent of businesses in Los Angeles County have five or fewer employees. Only about four percent of businesses in the area exceed 100 employees. According to the Los Angeles Times and local economists, it is not large corporations, but these small companies that are generating new jobs and helping move Los Angeles County out of its worst recession in decades.

### ***WE RECOGNIZE. . . .***

#### ***The importance of small business to the County. . .***

- in fueling local economic growth
- providing new jobs
- creating new local tax revenues
- offering new entrepreneurial opportunity to those historically under-represented in business

#### ***The County can play a positive role in helping small business grow. . .***

- as a multi-billion dollar purchaser of goods and services
- as a broker of intergovernmental cooperation among numerous local jurisdictions
- by greater outreach in providing information and training
- by simplifying the bid/proposal process
- by maintaining selection criteria which are fair to all
- by streamlining the payment process

### ***WE THEREFORE SHALL:***

1. Constantly seek to streamline and simplify our processes for selecting our vendors and for conducting business with them.
2. Maintain a strong outreach program, fully-coordinated among our departments and districts, as well as other participating governments to: a) inform and assist the local business community in competing to provide goods and services; b) provide for ongoing dialogue with and involvement by the business community in implementing this policy.
3. Continually review and revise how we package and advertise solicitations, evaluate and select prospective vendors, address subcontracting and conduct business with our vendors, in order to: a) expand opportunity for small business to compete for our business; and b) to further opportunities for all businesses to compete regardless of size.
4. Insure that staff who manage and carry out the business of purchasing goods and services are well trained, capable and highly motivated to carry out the letter and spirit of this policy.

## **2.203.010 Findings.**

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

(Rev. December 2013)

## Have You Told Your Employees About the Earned Income Credit (EIC)?

---

**What is the EIC?**

The EIC is a refundable tax credit for certain workers.

**Which Employees Must I Notify About the EIC?**

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

**Note.** You are encouraged to notify each employee whose wages for 2013 are less than \$51,567 that he or she may be eligible for the EIC.

**How and When Must I Notify My Employees?**

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must

notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2014.

You must hand the notice directly to the employee or send it by first-class mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from IRS.gov or by calling 1-800-829-3676.

**How Will My Employees Know If They Can Claim the EIC?**

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 596, Earned Income Credit (EIC), or the instructions for Form 1040, 1040A, or 1040EZ.

**How Do My Employees Claim the EIC?**

Eligible employees claim the EIC on their 2013 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2013 and owes no tax but is eligible for a credit of \$800, he or she must file a 2013 tax return to get the \$800 refund.

# Safely Surrendered Baby Law

## What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

*Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a baby, let her know there are other options. For three days (72 hours) after birth, a baby can be surrendered to staff at any hospital or fire station in Los Angeles County.*

## How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

## What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

## Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

## Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

## Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

## What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

## What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

## Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

## A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

# Ley de Entrega de Bebés Sin Peligro

## ¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

*Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.*

## ¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

## ¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

## ¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

## ¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

## ¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

## ¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

## ¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

## ¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

## Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

Validly bid and executed Work Orders between County and Contractor, and any exhibits attached thereto, shall be incorporated into the Master Agreement between County and Contractor.

### **3.0 WORK**

- 3.1** Pursuant to the provisions of this Master Agreement, the Contractor shall fully perform, complete, and deliver on time, all tasks, deliverables, services, and other work as set forth in any Work Order awarded to Contractor.
- 3.2** Work Orders shall generally conform to Exhibit F as determined by County. Each Work Order shall include an attached Statement of Work, which shall describe in detail the particular project and the work required for the performance thereof. Payment for all work shall be on a cost reimbursement basis, subject to the Total Maximum Amount specified on each individual Work Order.
- 3.3** If Contractor provides any task, deliverable, service, or other work to County that utilizes other than approved Contractor Personnel, and/or that goes beyond the Work Order expiration date, and/or that exceeds the Total Maximum Amount as specified in the Work Order as originally written or modified in accordance with sub-paragraph 8.1, Amendments, these shall be gratuitous efforts on the part of Contractor for which Contractor shall have no claim whatsoever against County.
- 3.4** County procedures for issuing and awarding Work Orders are as set forth in this sub-paragraph 3.4. Upon determination by County to issue a Work Order solicitation, County shall issue a Work Order solicitation containing a Statement of Work to all Master Agreement Qualified Contractors. Each interested Qualified Contractor so contacted may submit a bid to the County address and within the timeframe specified in the solicitation. Failure of Contractor to provide a bid within the specified timeframe may

disqualify Contractor from bidding for that particular Work Order.

- 3.5 After receipt of bids timely submitted from Qualified Contractors, County may award the Work Order by and through DPH staff identified in this Master Agreement to the Qualified Contractor with the lowest cost bid, unless the Work Order solicitation specifies bid evaluation criteria other than lowest cost. - 3.6 County estimates that selection of any Qualified Contractor shall occur within ten (10) business days of completion of the reviews of the particular Work Order bids. Following selection, all Qualified Contractors selected must be available to meet with County on the starting date specified in the Work Order. - 4.2 Notwithstanding any other provisions of this Section 4.0, any Work Order issued to Contractor by County, hereunder, and executed prior to the expiration date of the Master Agreement which has a Work Order expiration date later than the Master Agreement expiration date shall automatically extend such Master Agreement expiration date up to one hundred eighty (180) days or to the Work Order expiration date, whichever occurs first. Such extended Master Agreement expiration date shall apply only to such Work Order and shall not extend such date for any other purpose whatsoever, including issuing new Work Orders and/or extending any other Work Order(s).
- 4.3 Contractor shall notify DPH when this Master Agreement is within six (6) months from the expiration of the term as provided for hereinabove. Upon occurrence of this event, Contractor shall send written notification to DPH at the address herein provided in Exhibit A.

The County has sole discretion to expend some, all, or none of such budgeted amounts. The sum of such annual expenditures for the duration of the Master Agreement is the Contract Sum.

5.2 The Contractor shall not be entitled to payment or reimbursement for any tasks or services performed, nor for any incidental or administrative expenses whatsoever incurred in or incidental to performance hereunder, except as specified herein. Assumption or takeover of any of the Contractor’s duties, responsibilities, or obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever, shall occur only with the County’s express prior written approval.

5.3 **No Payment for Services Provided Following Expiration/Termination of Master Agreement**

Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Master Agreement. Should Contractor receive any such payment it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Master Agreement shall not constitute a waiver of County’s right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Master Agreement.

5.4 **Invoices and Payments**

5.4.1 For providing the tasks, deliverables, services, and other work authorized pursuant to this Master Agreement, Contractor shall separately invoice County for each Work Order on a cost reimbursement basis (see Exhibit F).

5.4.2 Payment for all work shall be on a cost reimbursement basis, subject to the Total Maximum Amount specified in each Work Order.

5.4.3 All work performed by, and all invoices submitted by, Contractor pursuant to Work Orders issued hereunder must receive the written approval of County’s Work Order Director, who shall be responsible for a detailed evaluation of Contractor’s performance before approval of work and/or payment of invoices is permitted.

5.4.4 Invoices under this Master Agreement shall be submitted to the address(es) set forth in the applicable Work Order.

Such background investigation may include, but shall not be limited to, criminal conviction information obtained through fingerprints submitted to the California Department of Justice. The fees associated with the background investigation shall be at the expense of the Contractor, regardless if the member of Contractor's staff passes or fails the background investigation. Contractor shall perform the background clearance check using County's mail code, routing results to the County.

7.5.2 If a member of a Contractor's staff does not obtain work clearance through the criminal history background review, they may not be placed and/or assigned within the Department of Public Health. During the term of the Master Agreement, the Department may receive subsequent criminal information. If this subsequent information constitutes a job nexus, the Contractor shall immediately remove staff from performing services under the Master Agreement Work Order and replace such staff within fifteen (15) days of removal or within an agreed upon time with the County's Project Manager. Pursuant to an agreement with the Federal Department of Justice, the County will not provide to Contractor nor to Contractor's staff any information obtained through the County's criminal history review.

7.5.3 County, in its sole discretion, may immediately deny or terminate facility access to any member of Contractor's staff that does not pass such investigation to the satisfaction of the County or whose background or conduct is incompatible with County facility access.

7.5.4 Disqualification of any member of Contractor's staff pursuant to this Paragraph 7.5 shall not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of this Master Agreement.

## **7.6 Confidentiality**

7.6.1. Contractor shall maintain the confidentiality of all records and information in accordance with all applicable Federal, State and local laws, rules, regulations, ordinances, directives, guidelines,

Any legal defense pursuant to Contractor's indemnification obligations under this Paragraph 7.6 shall be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by County in doing so. The County reserves the right to add and/or change such provisions as required by the County's Board of Supervisors or Chief Executive Officer. To implement such orders, an Amendment to the Master Agreement shall be prepared and executed by the Contractor and by the Director or his/her designee.
- 8.1.2 The Director of DPH, or his/her designee, may, at his/her sole discretion, authorize extensions of time as defined in Paragraph 4.2 - Term of Master Agreement. For purposes of this sub-paragraph, County consent shall require a written amendment to the Master Agreement, which is formally approved and executed by the parties. Any payments by the County to any approved delegate or assignee on any claim under this Master Agreement shall be deductible, at County's sole discretion, against the claims, which the Contractor may have against the County.
- 8.2.2 Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Master Agreement, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Master Agreement.
- 8.2.3 Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason

whatsoever without County's express prior written approval, shall be a material breach of the Master Agreement which may result in the termination of this Master Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

### **8.3 AUTHORIZATION WARRANTY**

The Contractor represents and warrants that the person executing this Master Agreement for the Contractor is an authorized agent who has actual authority to bind the Contractor to each and every term, condition, and obligation of this Master Agreement and that all requirements of the Contractor have been fulfilled to provide such actual authority.

Further, by executing this Master Agreement, Contractor certifies that, to its knowledge, none of its subcontractors, at any tier, or any owner, officer, partner, director, or other principal of any subcontractor is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Contractor shall immediately notify County in writing, during the term of this Master Agreement, should it or any of its subcontractors or any principals of either be suspended, debarred, ineligible, or excluded from securing federally funded contracts. Failure of Contractor to comply with this provision shall constitute a material breach of this Master Agreement upon which the County may immediately terminate or suspend this Master Agreement.

8.5.1 Within ten (10) business days after the Master Agreement effective date, the Contractor shall provide the County with the Contractor's policy for receiving, investigating and responding to user complaints.

8.5.2 The County will review the Contractor's policy and provide the Contractor with approval of said plan or with requested changes.

Any legal defense pursuant to Contractor's indemnification obligations under this Paragraph 8.5 shall be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

## **8.7 COMPLIANCE WITH CIVIL RIGHTS LAWS**

The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person shall, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination

under this Master Agreement or under any project, program, or activity supported by this Master Agreement. The Contractor shall comply with Exhibit C - Contractor's EEO Certification.

## **8.8 COMPLIANCE WITH COUNTY'S JURY SERVICE PROGRAM**

**8.8.1 Jury Service Program:** This Master Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached as Exhibit D and incorporated by reference into and made part of this Master Agreement.

### **8.8.2 Written Employee Jury Service Policy**

1. Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.
2. For purposes of this sub-paragraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full time employee of Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Master Agreement, the subcontractor shall also be subject to the provisions of this sub-paragraph. The provisions of this sub-paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.
3. If Contractor is not required to comply with the Jury Service Program when the Master Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service

Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Master Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

4. Contractor's violation of this sub-paragraph of the Master Agreement may constitute a material breach of the Master Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Master Agreement and/or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

## **8.9 CONFLICT OF INTEREST**

8.9.1 No County employee whose position with the County enables such employee to influence the award of this Master Agreement or any competing Master Agreement, and no spouse or economic dependent of such employee, shall be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Master Agreement. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder shall in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.

8.9.2 The Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Master Agreement. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this sub-paragraph 8.9 shall be a material breach of this Master Agreement.

## **8.10 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST**

Should the Contractor require additional or replacement personnel after the effective date of this Master Agreement to perform the services set forth herein, the Contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment

list during the life of this Master Agreement.

## **8.11 CONSIDERATION OF HIRING GAIN/GROW PARTICIPANTS**

8.11.1 Should the Contractor require additional or replacement personnel after the effective date of this Master Agreement, the Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The County will refer GAIN/GROW participants by job category to the Contractor. Contractors shall report all job openings with job requirements to [GainGrow@dpss.lacounty.gov](mailto:GainGrow@dpss.lacounty.gov) to obtain a list of qualified GAIN/GROW job candidates.

8.11.2 In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first priority.

## **8.12 CONSTRUCTION**

To the extent there are any rights, duties, obligations, or responsibilities enumerated in the recitals or otherwise in this Standard Agreement, they shall be deemed a part of the operative provisions of this Standard Agreement and are fully binding upon the parties.

## **8.13 CONTRACTOR RESPONSIBILITY AND DEBARMENT**

### **8.13.1 Responsible Contractor**

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Master Agreement. It is the County's policy to conduct business only with responsible Contractors.

### **8.13.2 Chapter 2.202 of the County Code**

The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in this Master Agreement, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing Contracts the Contractor may have with the County.

### 8.13.3 **Non-responsible Contractor**

The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County, (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

### 8.13.4 **Contractor Hearing Board**

1. If there is evidence that the Contractor may be subject to debarment, DPH will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
2. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and DPH shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.
3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. All such materials, public announcements, literature, audiovisuals, and printed material shall include an acknowledgement that funding for such public announcements, literature, audiovisuals, and printed materials was made possible by the County of Los Angeles, Department of Public Health and other applicable funding sources.
- 8.43.2 For the purposes of this Master Agreement, all such items shall include, but not be limited to, written materials (e.g., curricula, text for vignettes, text for public service announcements for any and all media types, pamphlets, brochures, fliers), audiovisual materials (e.g., films, videotapes), and pictorials (e.g., posters and similar promotional and educational materials using photographs, slides, drawings, or paintings).

#### **8.44 RECORD RETENTION AND INSPECTION/AUDIT SETTLEMENT**

The Contractor shall maintain accurate and complete financial records of its activities and operations relating to this Master Agreement in accordance with generally accepted accounting principles. The Contractor shall also maintain accurate and complete employment and other records relating to its performance of this Master Agreement. The Contractor agrees that the County, or its authorized representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Master Agreement. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available to the County during the term of this Master Agreement and for a period of five

(5) years thereafter unless the County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

8.44.1 In the event that an audit of the Contractor is conducted specifically regarding this Master Agreement by any Federal or State auditor, or by any auditor or accountant employed by the Contractor or otherwise, then the Contractor shall file a copy of such audit report with the County's Auditor-Controller within thirty (30) days of the Contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Master Agreement. The County shall make a reasonable effort to maintain the confidentiality of such audit report(s).

8.44.2 Failure on the part of the Contractor to comply with any of the provisions of this sub-paragraph shall constitute a material breach of this Master Agreement upon which the County may terminate or suspend this Master Agreement.

8.44.3 If, at any time during the term of this Master Agreement or within five (5) years after the expiration or termination of this Master Agreement, representatives of the County may conduct an audit of the Contractor regarding the work performed under this Master Agreement, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or  
b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Master Agreement or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County's maximum obligation for this Master Agreement exceed the funds appropriated by the County for the purpose of this Master Agreement.

#### **8.45 RECYCLED BOND PAPER**

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on this Master Agreement.

#### **8.46 REPORTS**

Contractor shall make reports as required by County, or DPH, concerning Contractor's activities and operations as they relate to this Master Agreement

and the provision of services hereunder. In no event, however may County, or DPH, require such reports unless Director has provided Contractor with at least thirty (30) calendar days' prior written notification thereof. Director's notification shall provide Contractor with a written explanation of the procedures for reporting the information required.

#### **8.47 RULES AND REGULATIONS**

During the time that Contractor's personnel are at County Facilities such persons shall be subject to the rules and regulations of such County Facility. It is the responsibility of Contractor to acquaint persons who are to provide services hereunder with such rules and regulations. Contractor shall immediately and permanently withdraw any of its personnel from the provision of services hereunder upon receipt of oral or written notice from Director, that (1) such person has violated said rules or regulations, or (2) such person's actions, while on County premises, indicate that such person may do harm to County patients, staff, or other individuals.

#### **8.48 SERVICE DELIVERY SITE – MAINTENANCE STANDARDS**

Contractor shall assure that the locations where services are provided under provisions of this Master Agreement are operated at all times in accordance with County community standards with regard to property maintenance and repair, graffiti abatement, refuse removal, fire safety, landscaping, and in full compliance with all applicable local laws, ordinances, and regulations relating to the property. County's periodic monitoring visits to Contractor's facilities shall include a review of compliance with the provisions of this Paragraph.

#### **8.49 SOLICITATION OF BIDS OR PROPOSALS**

Contractor acknowledges that County, prior to expiration or earlier termination of this Master Agreement, may exercise its right to invite bids or request proposals for the continued provision of the services delivered or contemplated under this Master Agreement. County and its DPH shall make the determination to re-solicit bids or request proposals in accordance with applicable County and DPH policies.

Contractor acknowledges that County may enter into a contract for the future provision of services, based upon the bids or proposals received, with a provider or providers other than Contractor. Further, Contractor acknowledges that it obtains no greater right to be selected through any future invitation for bids or request for proposals by virtue of its present status as Contractor.

#### **8.50 SUBCONTRACTING**

8.50.1 For purposes of this Master Agreement, subcontracts **must be approved in advance in writing by Director or his/her authorized designee(s)**. Contractor's request to Director for approval of a subcontract shall include:

- (1) Identification of the proposed subcontractor, (who shall be licensed as appropriate for provision of subcontract services), and an explanation of why and how the proposed subcontractor was selected, including the degree of competition involved.
- (2) A detailed description of the services to be provided by the

subcontract.

- (3) The proposed subcontract amount and manner of compensation, if any, together with Contractor's cost or price analysis thereof.
  - (4) A copy of the proposed subcontract. (Any later modification of such subcontract shall take the form of a formally written subcontract amendment which also must be approved in writing by the Director in the same manner as described above, before such amendment is effective.)
  - (5) Any other information and/or certification(s) requested by Director.
- 8.50.2 Director shall review Contractor's request to subcontract and shall determine, in his/her sole discretion, whether or not to consent to such a request on a case-by-case basis.
- 8.50.3 Subcontracts shall be made in the name of Contractor and shall not bind nor purport to bind County. The making of subcontracts hereunder shall not relieve Contractor of any requirement under this Master Agreement, including, but not limited to, the duty to properly supervise and coordinate the work of subcontractors. Further, Director's approval of any subcontract shall also not be construed to limit in any way, any of County's rights or remedies contained in this Master Agreement.
- 8.50.4 In the event that Director consents to any subcontracting, Contractor shall be solely liable and responsible for any and all payments or other compensation to all subcontractors, and their officers, employees, and agents.
- 8.50.5 In the event that Director consents to any subcontracting, such consent shall be provisional, and shall not waive the County's right to later withdraw that consent when such action is deemed by County to be in its best interest. County shall not be liable or responsible in any way to Contractor, or any subcontractor, for any liability, damages, costs, or expenses, arising from or related to County's exercising of such a right.
- 8.50.6 The County's consent to subcontract shall not waive the County's right to prior and continuing approval of any and all personnel, including Subcontractor employees, providing services under this Master Agreement. The Contractor is responsible to notify its Subcontractors of this County right.
- 8.50.7 Subcontracts shall contain the following provision: "this contract is a subcontract under the terms of a prime contract with the County of Los Angeles and shall be subject to all of the provisions of such prime contract." Further, Contractor shall also reflect as subcontractor requirements in the subcontract form all of the requirements of the INDEMNIFICATION, GENERAL PROVISIONS FOR ALL INSURANCE COVERAGES, INSURANCE COVERAGE REQUIREMENTS, COMPLIANCE WITH APPLICABLE LAW, CONFLICT OF TERMS and ALTERATION OF TERMS paragraphs of the body of this Master Agreement, and all of the provisions of the resulting MAWOs.

Contractor shall deliver to Director a fully executed copy of each

subcontract entered into by Contractor, as it pertains to the provision of services under this Agreement, on or immediately after the effective date of the subcontract, but in no event, later than the date and any services are to be performed under the subcontract.

- 8.50.8 The Contractor shall obtain certificates of insurance which establish that the Subcontractor maintains all the programs of insurance required by the County from each approved Subcontractor.
- 8.50.9 Director is hereby authorized to act for and on behalf of County pursuant to this Paragraph, including but not limited to, consenting to any subcontracting.
- 8.50.10 The Contractor shall indemnify and hold the County harmless with respect to the activities of each and every Subcontractor in the same manner and to the same degree as if such Subcontractor(s) were the Contractor employees.
- 8.50.11 The Contractor shall remain fully responsible for all performances required under this Master Agreement, including those that the Contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's proposed subcontract.

**8.51 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM**

Failure of the Contractor to maintain compliance with the requirements set forth in sub-paragraph 8.14 - Contractor's Warranty of Adherence to County's Child Support Compliance Program, shall constitute a default under this Master Agreement. Without limiting the rights and remedies available to the County under any other provision of this Master Agreement, failure of Contractor to cure such default within 90 calendar days of written notice shall be grounds upon which the County may terminate this Master Agreement pursuant to sub-paragraph 8.43 - Termination for Default and pursue debarment of Contractor, pursuant to County Code Chapter 2.202.

**8.52 TERMINATION FOR CONVENIENCE**

- 8.52.1 County may terminate this Master Agreement, and any Work Order issued hereunder, in whole or in part, from time to time or permanently, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.
- 8.52.2 After receipt of a notice of termination and except as otherwise directed by the County, the Contractor shall immediately:
  - Stop work under the Work Order or under this Master Agreement, as identified in such notice;
  - Transfer title and deliver to County all completed work and work

in process; and

- Complete performance of such part of the work as shall not have been terminated by such notice.

8.52.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Master Agreement or Work Order shall be maintained by the Contractor in accordance with sub-paragraph 8.39, Record Retention AND Inspection/Audit Settlement.

### **8.53 TERMINATION FOR DEFAULT**

8.53.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Master Agreement, if, in the judgment of County's Project Director:

- Contractor has materially breached this Master Agreement;
- Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Master Agreement or any Work Order issued hereunder; or
- Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements of any Work Order issued under this Master Agreement, or of any obligations of this Master Agreement and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

8.53.2 In the event that the County terminates this Master Agreement in whole or in part as provided in sub-paragraph 8.43.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor shall continue the performance of this Master Agreement to the extent not terminated under the provisions of this sub-paragraph.

8.53.3 Except with respect to defaults of any subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in sub-paragraph 8.43.2 if its failure to perform this Master Agreement, including any Work Order issued hereunder, arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the

default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this sub-paragraph 8.43.3, the terms "subcontractor" and "subcontractors" mean subcontractor(s) at any tier.

8.53.4 If, after the County has given notice of termination under the provisions of this sub-paragraph 8.43, it is determined by the County that the Contractor was not in default under the provisions of this sub-paragraph 8.43, or that the default was excusable under the provisions of sub-paragraph 8.43.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to sub-paragraph 8.42 - Termination for Convenience.

8.53.5 The rights and remedies of the County provided in this sub-paragraph 8.43 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

#### **8.54 TERMINATION FOR GRATUITIES AND/OR IMPROPER CONSIDERATION**

County may, by written notice to Contractor, immediately terminate Contractor's right to proceed under this Master Agreement if it is found that gratuities or consideration, in any form, were offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Master Agreement or securing favorable treatment with respect to the award, amendment, or extension of this Master Agreement or the making of any determinations with respect to the Contractor's performance pursuant to this Master Agreement. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

(Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.)

#### **8.55 TERMINATION FOR INSOLVENCY**

8.55.1 The County may terminate this Master Agreement forthwith in the event of the occurrence of any of the following:

- Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its

debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;

- The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;
- The appointment of a Receiver or Trustee for the Contractor; or
- The execution by the Contractor of a general assignment for the benefit of creditors.

8.55.2 The rights and remedies of the County provided in this sub-paragraph 8.45 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

#### **8.56 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE**

The Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the Contractor, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Master Agreement, upon which the County may in its sole discretion, immediately terminate or suspend this Master Agreement.

#### **8.57 TERMINATION FOR NON-APPROPRIATION OF FUNDS**

Notwithstanding any other provision of this Master Agreement, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Master Agreement during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Master Agreement in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Master Agreement, then this Master Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

#### **8.58 VALIDITY**

If any provision of this Master Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Master Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.

#### **8.59 WAIVER**

No waiver by the County of any breach of any provision of this Master Agreement shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Master Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in this sub-paragraph 8.49 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

## **8.60 WARRANTY AGAINST CONTINGENT FEES**

8.60.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Master Agreement upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

8.60.2 For breach of this warranty, the County shall have the right to terminate this Master Agreement and, at its sole discretion, deduct from the Master Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

## **8.61 WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM**

Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this Master Agreement will maintain compliance, with Los Angeles County Code Chapter 2.206.

## **8.62 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM**

Failure of Contractor to maintain compliance with the requirements set forth in Paragraph 8.52 "Warranty of Compliance with County's Defaulted Property Tax Reduction Program" shall constitute default under this Master Agreement. Without limiting the rights and remedies available to County under any other provision of this Master Agreement, failure of Contractor to cure such default within 10 days of notice shall be grounds upon which County may terminate this Master Agreement and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

## **8.63 TIME OFF FOR VOTING**

The Contractor shall notify its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the time off for voting law (Elections Code Section 14000). Not less than 10 days before every statewide election, every Contractor and subcontractors shall keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of Section 14000.

1. Pay to the County any difference between the work order amount and what the County's costs would have been if the work order had been properly awarded;
2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent of the amount of the work order; and
3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and

The above penalties shall also apply to any business that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the state, THE Department of Consumer and Business Affairs and Internal Services Department (ISD) of this information prior to responding to a solicitation or accepting a contract award.

### **9.3 OWNERSHIP OF MATERIALS, SOFTWARE AND COPYRIGHT**

- 9.3.1 County shall be the sole owner of all right, title and interest, including copyright, in and to all software, plans, diagrams, facilities, and tools (hereafter "materials") which are originated or created through Contractor's work pursuant to this Master Agreement. - 9.3.4 County will use reasonable means to ensure that Contractor's proprietary and/or confidential items are safeguarded and held in confidence. County agrees not to reproduce, distribute or disclose to non-County entities any such proprietary and/or confidential items without the prior written consent of Contractor.
- 9.3.5 Notwithstanding any other provision of this Master Agreement, County will not be obligated to Contractor in any way under sub-paragraph 9.3.4 for any of Contractor's proprietary and/or confidential items which are not plainly and prominently marked with restrictive legends as required by sub-paragraph 9.3.3 or for any disclosure which County is required to make under any state or federal law or order of court.

Title 2 ADMINISTRATION  
Chapter 2.203.010 through 2.203.090  
CONTRACTOR EMPLOYEE JURY SERVICE

**2.203.010 Findings.**

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

**2.203.020 Definitions.**

The following definitions shall be applicable to this chapter:

- A. "Contractor" means a person, partnership, corporation or other entity which has a contract with the county or a subcontract with a county contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more such contracts or subcontracts.
- B. "Employee" means any California resident who is a full-time employee of a contractor under the laws of California.
- C. "Contract" means any agreement to provide goods to, or perform services for or on behalf of, the county but does not include:
  - 1. A contract where the board finds that special circumstances exist that justify a waiver of the requirements of this chapter; or

  - 3. A purchase made through a state or federal contract; or
  - 4. A monopoly purchase that is exclusive and proprietary to a specific manufacturer, distributor, or reseller, and must match and inter-member with existing supplies, equipment or systems maintained by the county pursuant to the Los Angeles County Purchasing Policy and Procedures Manual, Section P-3700 or a successor provision; or
  - 5. A revolving fund (petty cash) purchase pursuant to the Los Angeles County Fiscal Manual, Section 4.4.0 or a successor provision; or

# SAFELY SURRENDERED BABY LAW

## *Safely* Surrendered

No shame. No blame. No names.

# Safely Surrendered Baby Law

## What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

*Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a baby, let her know there are other options. For three days (72 hours) after birth, a baby can be surrendered to staff at any hospital or fire station in Los Angeles County.*

## A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

### How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

### What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

### Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

### Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

### Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

### What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

### What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

### Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

# Ley de Entrega de Bebés Sin Peligro

## ¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

*Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.*

## ¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

## ¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

## ¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

## ¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

## ¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

## ¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

## ¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

## ¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

## Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

## WORK ORDER PROCESS AND SAMPLE

The following describes the typical process that the Department of Public Health (hereafter "DPH") will use in selecting a Master Agreement contractor for a given project. This does not preclude DPH from awarding a Work Order directly to a specific contractor with an existing Master Agreement when it is in the County's best interest, as determined by the Director of DPH or his designee.

### A. Work Order Process

DPH Programs will submit a work order request to all qualified Master Agreement contractors for the provision of Temporary Personnel services. The Work Order will be in the form of a Statement of Work which describes the specific project in detail, including but not limited to, the scope, required skills, completion dates, and reporting requirements. Contractor will be given 30 days after the issue date to submit proposals for the project. County reserves the right to reduce the response time to meet its service needs.

### B. Submission of Work Order

In response to the Work Order Request, interested qualified Master Agreement contractors will submit proposals to the referring Programs including:

1. A Statement of Work which shall describe in detail the particular project and the work required for the performance thereof.
2. Budget (**see Schedule F-1**)

### C. Master Agreement Work Order Sample

- 7.6 Contractor may request Director to modify the project budget. These requests will be reviewed and considered for approval if the Director determines that the requests are programmatically sound and fiscally appropriate. Additional budget modification instructions may be provided by County. The budget may only be modified after Contractor obtains the prior written approval of the Director. No modification shall increase the maximum total amount that County pays to Contractor as provided in Paragraph 7.1. Full written disclosure shall include, but is not limited to, identification of all personal implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this Paragraph shall be a material breach of the Master Agreement.

EXCLUSION – LOWER TIER COVERED TRANSACTIONS  
(45 C.F.R. PART 76)**

Instructions for Certification Regarding Debarment, Suspension, Ineligibility and Voluntary  
Exclusion – Lower Tier Covered Transactions (45 C.F.R. Part 76)

1. This certification is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that Vendor knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
2. Vendor shall provide immediate written notice to the person to whom this SOQ is submitted if at any time Vendor learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
3. The terms “covered transaction,” “debarred,” “suspended,” “ineligible,” “lower tier covered transaction,” “participant,” “person,” “primary covered transaction,” “principal,” “SOQ,” and “voluntarily excluded,” as used in this certification, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this SOQ is submitted for assistance in obtaining a copy of those regulations.
4. Vendor agrees by submitting this SOQ that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 C.F.R. part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
5. Vendor further agrees by submitting this SOQ that it will include the provision entitled “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transactions (45 C.F.R. Part 76),” as set forth in the text of the Master Agreement attached to the Request for Statement of Qualifications, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
6. Vendor acknowledges that a participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 C.F.R. part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. Vendor acknowledges that a participant may decide the method and frequency by which it determines the eligibility of its principals. Vendor acknowledges that each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

**CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION – LOWER TIER COVERED TRANSACTIONS  
(45 C.F.R. PART 76)**

3. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the required certification. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
  
4. Except for transactions authorized under paragraph 4 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 C.F.R. part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
  
5. Where Vendor and/or its subcontractor(s) is or are unable to certify to any of the statements in this Certification, Vendor shall attach a written explanation to its SOQ in lieu of submitting this Certification. (HIPAA)**

**SPECIFIC HIPAA REQUIREMENT WILL VARY BY WORK ORDER**

**CONTRACTOR'S OBLIGATION AS A "COVERED ENTITY" UNDER THE HEALTH  
INSURANCE PORTABILITY AND ACCOUNTABILITY ACT (HIPAA) OF 1996**

The parties acknowledge the existence of the Health Insurance Portability and Accountability Act of 1996 and its implementing regulations ("HIPAA"). Contractor understands and agrees that, as a provider of medical treatment services, it is a "covered entity" under HIPAA and, as such, has obligations with respect to the confidentiality, privacy and security of patient's medical information, and must take certain steps to preserve the confidentiality of this information, both internally and externally, including the training of its staff and the establishment of proper procedures for the release of such information, and the use of appropriate consents and authorizations specified under HIPAA.

The parties acknowledge their separate and independent obligations with respect to HIPAA, and that such obligations relate to transactions and code sets, privacy, and security. Contractor understands and agrees that it is separately and independently responsible for compliance with HIPAA in all these areas and that County has not undertaken any responsibility for compliance on Contractor's behalf. Contractor has not relied, and will not in any way rely, on County for legal advice or other representations with respect to Contractor's obligations under HIPAA, but will independently seek its own counsel and take the necessary measures to comply with the law and its implementing regulations.

Contractor and County understand and agree that each is independently responsible for HIPAA compliance and agree to take all necessary and reasonable actions to comply with the requirements of the HIPAA laws and implementing regulations related to transactions and code sets, privacy and security.

Each party further agrees that, should it fail to comply with its obligations under HIPAA, it shall indemnify and hold harmless the other party (including the other party's officers, employees, and agents), for its damages to the other party that are attributable to such failure.

**CONTRACTOR'S OBLIGATION AS OTHER THAN BUSINESS ASSOCIATE

ACCOUNTABILITY ACT (HIPAA) OF 1996**

It is the intention of the parties that Contractor will provide the County with de-identified data. Contractor expressly acknowledges and agrees that the provision of services under this Contract does not require or permit access by Contractor or any of its officers, employees, or agents to any patient medical records. Accordingly, Contractor shall instruct its officers, employees, and agents that they are not to pursue or gain access to patient medical records for any reason whatsoever.

Notwithstanding the foregoing, the parties acknowledge that, in the course of the provision of services hereunder, Contractor or its officers, employees, or agents may have inadvertent access to patient medical records. Contractor understands and agrees that neither it nor its officers, employees, and agents are to take advantage of such access for any purpose whatsoever. Additionally, in the event of such inadvertent access, Contractor and its employees shall maintain the confidentiality of any information obtained and shall notify the applicable DPH Program Director that such access has been gained immediately or upon the first reasonable opportunity to do so.

In the event of any access, whether inadvertent or intentional, Contractor shall indemnify, defend, and hold harmless County, its officers, employees, or agents from and against any and all liability, including but not limited to actions, claims, costs, demands, expenses, and fees (including attorney and expert witness fees) arising from or connected with Contractor's or its officers', employees', or agents' access to patient medical records. Contractor agrees to provide appropriate training to its employees regarding their obligation as described herein in this regard.

**BUSINESS ASSOCIATES AGREEMENT UNDER  
HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY  
ACT OF 1996 (HIPAA)**

County is a Covered Entity as defined by, and subject to the requirements and prohibitions of, the Administrative Simplification provisions of the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 ("HIPAA"), and regulations promulgated thereunder, including the Privacy, Security, Breach Notification, and Enforcement Rules at 45 Code of Federal Regulations (C.F.R.) As such, Contractor is a Business Associate, as defined by the HIPAA Rules, and is therefore subject to those provisions of the HIPAA Rules that are applicable to Business Associates.

The HIPAA Rules require a written agreement ("Business Associate Agreement") between County and Contractor in order to mandate certain protections for the privacy and security of Protected Health Information, and these HIPAA Rules prohibit the disclosure to or use of Protected Health Information by Contractor if such an agreement is not in place.

## **BACKGROUND AND RESOURCES: CALIFORNIA CHARITIES REGULATION**

There is a keen public interest in preventing misuse of charitable contributions. California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates those raising and receiving charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) tightened Charitable Purposes Act requirements for charitable organization administration and fundraising.

The Charitable Purposes Act rules cover California public benefit corporations, unincorporated associations, and trustee entities. They may include similar foreign corporations doing business or holding property in California. Generally, an organization is subject to the registration and reporting requirements of the Charitable Purposes Act if it is a California nonprofit public benefit corporation or is tax exempt under Internal Revenue Code § 501(c)(3), and not exempt from reporting under Government Code § 12583. Most educational institutions, hospitals, cemeteries, and religious organizations are exempt from Supervision of Trustees Act requirements.

Key new Charitable Purposes Act requirements affect executive compensation, fund-raising practices and documentation. Charities with over \$2 million of revenues (excluding grants and service-contract funds a governmental entity requires to be accounted for) have new audit requirements. Charities required to have audits must also establish an audit committee whose members have no material financial interest in any entity doing business with the charity.

Organizations or persons that receive or raise charitable contributions are likely to be subject to the Charitable Purposes Act. A Proposer on Los Angeles County contracts must determine if it is subject to the Charitable Purposes Act and certify either that:

- It is not presently subject to the Act, but will comply if later activities make it subject, or,
- If subject, it is currently in compliance.

### **RESOURCES**

The following references to resources are offered to assist Proposers who engage in charitable contributions activities. Each Proposer, however, is ultimately responsible to research and determine its own legal obligations and properly complete its compliance certification (Exhibit 15).

In California, supervision of charities is the responsibility of the Attorney General, whose website, <http://caag.state.ca.us/>, contains much information helpful to regulated charitable organizations.

#### **1. LAWS AFFECTING NONPROFITS**

The "Supervision of Trustees and Fundraisers for Charitable Purposes Act" is found at California Government Code §§ 12580 through 12599.7. Implementing regulations are found at Title 11, California Code of Regulations, §§ 300 through 312. In California, charitable solicitations ("advertising") are governed by Business & Professions Code §§ 17510 through 17510.95. Regulation of nonprofit corporations is found at Title 11, California Code of Regulations, §§ 999.1 through 999.5. (Amended regulations are pending.) Links to all of these rules are at: <http://caag.state.ca.us/charities/statutes.htm>.

## 2. **SUPPORT FOR NONPROFIT ORGANIZATIONS**

Several organizations offer both complimentary and fee-based assistance to nonprofits, including in Los Angeles, the Center for Nonprofit Management, 606 S.
