1.0 GENERAL INFORMATION

Background

Los Angeles County’s Department of Public Health (DPH) has received funds from the U.S. Department of Housing and Urban Development (HUD) for Lead Hazard Reduction Demonstration (LHRD) and Healthy Homes services for the anticipated period of April 2, 2018 through April 1, 2021. DPH will use the HUD funds to provide lead-based paint testing and lead hazard reduction services to 180 housing units occupied by low-income homeowners and tenants with children under the age of six (6) years. The LHRD funds will target areas of high-risk for lead poisoning, including the cities of Bell, Commerce, Maywood, and portions of Los Angeles, as well as unincorporated areas (East Los Angeles, Florence-Firestone, and Walnut Park). All housing units receiving lead hazard remediation will also receive a healthy homes intervention, which includes various levels of lead-based paint removal from the designated homes.

Purpose

The purpose of this Request for Statement of Qualifications (RFSQ) is to secure a pool of qualified companies to enter into Master Agreements with the County to provide as-needed lead hazard remediation and healthy homes intervention services.

A Master Agreement will be offered to all vendors determined to be qualified. The execution of a Master Agreement does not guarantee any minimum or maximum amount of utilization of services, and may or may not be utilized, at the County’s sole discretion.

1.1 Scope of Work

Lead hazard remediation services include, but are not limited to: occupant and worker protection, cleaning to remove lead contaminated dust, paint stabilization, exterior and interior painting, removal and replacement of doors and windows, removal and/or covering of contaminated soil, and area clean-up and preparation for clearance.

Healthy homes intervention services may include, but are not limited to: component replacement, mold mitigation, replacing carbon monoxide detectors, replacing broken windows, installing earthquake shut off valves and water heater straps, and correcting water intrusion conditions.

Upon execution of Master Agreements, the qualified agencies will become County Contractors, and thereafter be solicited under competitive conditions to provide as-needed lead hazard remediation services and healthy homes intervention services under Master Agreement Work Orders (MAWO) to be issued by County. MAWOs shall include a Statement of Work which shall
describe in detail the particular project and the work required for the performance thereof.

1.5 Intentionally Omitted

1.6 Master Agreement Process

The objective of this RFSQ process is to secure a pool of qualified Vendors to provide as-needed lead hazard remediation and healthy homes intervention services. Specific tasks, deliverables, etc. will be outlined in each specific WOS.

1.6.1 Master Agreements will be executed with each Vendor determined to be qualified. The execution of a Master Agreement does not guarantee any minimum or maximum amount of utilization of services, and may or may not be utilized, at the County’s sole discretion.

1.6.2 Upon the execution of these Master Agreements, the qualified Vendors will become County Contractors, and thereafter be solicited under competitive conditions, via WOS, to provide as-needed lead hazard remediation and healthy homes intervention services. WOSs shall include a Statement of Work, similar to Sample Statement of Work Appendix J, and a Site Specific Work Plan, similar to Site Specific Work Plan Appendix K, which shall describe in detail the particular project and the work required for the performance thereof. A job-site walk-through will be conducted for each WOS followed by a Vendor submitted bid. Site
Specific Work Plan (Appendix K) must be submitted with the bid. The work is to be completed within the designated timeframe as indicated in each WOS. The County estimates 180 WOSs will be issued between October 1, 2018 and March 31, 2021. Only Vendors that have a current Master Agreement for As-Needed Lead Hazard Remediation and Healthy Homes Intervention Services will be allowed to bid.

Payment for all work shall be issued in accordance with the methodology outlined in the WOS, subject to the Total Maximum Amount specified for each individual project. The execution of a Master Agreement does not guarantee a Contractor any minimum amount of business.

1.7 Master Agreement Term

1.7.1 The Master Agreement term shall be for a period of six (6) years as authorized by the Los Angeles County Board of Supervisors (Board). At the conclusion of the six (6) year period, the County shall have the option to extend the term for three (3) years on a year-to-year basis, not to exceed, in aggregate, a maximum total master agreement term of nine (9) years. The three (3) year-to-year extensions shall be exercised at the sole discretion of DPH.

1.7.2 DPH will continuously accept SOQs throughout the Master Agreement term to qualify additional vendors. Master Agreements will become effective upon the date of execution by the Director of DPH, or her designee, and shall expire at the same time as the initially executed Master Agreements.

1.8 County Rights and Responsibilities

The County has the right to amend the RFSQ by written addendum. The County is responsible only for that which is expressly stated in the solicitation document and any authorized written addenda thereto. Such addendum shall be made available on the following websites:

County of Los Angeles Department of Public Health
Contracts and Grants Division
http://publichealth.lacounty.gov/cg/index.htm

Los Angeles County – Doing Business With Us
http://camisvr.co.la.ca.us/lacobids/BidLookUp/BidOpenStart.asp

It is the Vendor’s responsibility to check the above referenced websites regularly. Should such addendum require additional information not previously requested,
failure to address the requirements of such addendum may result in the SOQ not being considered, as determined in the sole discretion of the County. The County is not responsible for and shall not be bound by any representations otherwise made by any individual acting or purporting to act on its behalf.

1.9 **Contact with County Personnel**
Any contact regarding this RFSQ or any matter relating thereto must be in writing and may be mailed or e-mailed as follows:

Lucía Romero, Contract Analyst  
County of Los Angeles, Department of Public Health  
Contracts and Grants Division  
1000 South Fremont Avenue, Unit 101  
Building A-9 East, 5th Floor North  
Alhambra, California 91803  
E-mail: LucRomero@ph.lacounty.gov

If it is discovered that a Vendor contacted and received information from any County personnel, other than the person specified above, regarding this solicitation, County, in its sole determination, may disqualify their SOQ from further consideration.

1.10 **Mandatory Requirement to Register on County’s WebVen**
Prior to executing a Master Agreement, all potential Contractors must register in the County’s WebVen. The WebVen contains the Vendor’s business profile and identifies the goods/services the business provides. Registration can be accomplished online via the Internet by accessing the County’s home page at http://camisvr.co.la.ca.us/webven/.

1.11 **County Option to Reject SOQs or Cancel RFSQ**
The County may, at its sole discretion, reject any or all SOQs submitted in response to this RFSQ. In addition, the RFSQ process may be canceled at any time, when the Director determines at her sole discretion that a cancellation is in the best interest of the County. The County shall not be liable for any cost incurred by a Vendor in connection with preparation and submittal of any SOQ.

The County, in its sole discretion, may elect to waive any error or informalities in the form of a proposal or any other disparity, if, as a whole, the proposal substantially complies with the RFSQ’s requirements.
1.12 Protest Process

1.12.1 Under Board Policy No. 5.055 (Services Contract Solicitation Protest), any prospective Vendor may request a review of the requirements under a solicitation for a Board-approved services contract, as described in Section 1.12.3 below. Additionally, any actual Vendor may request a review of a disqualification under such a solicitation, as described in the Sections below.

1.12.2 Throughout the review process, the County has no obligation to delay or otherwise postpone an award of contract based on a Vendor protest. In all cases, the County reserves the right to make an award when it is determined to be in the best interest of the County of Los Angeles to do so.

1.12.3 Grounds for Review

Unless state or federal statutes or regulations otherwise provide, the grounds for review of any Departmental determination or action should be limited to the following:

- Review of Solicitation Requirements (Reference sub-paragraph 2.4 in the Instructions to Vendors section)
- Review of a Disqualified SOQ (Reference sub-paragraph 3.2 in the SOQ Review/Selection/Qualification Process section)

1.13 Notice to Vendor’s Regarding Public Records Act

1.13.1 Responses to this RFSQ shall become the exclusive property of the County. At such time as when DPH recommends the qualified Vendor(s) to the Board of Supervisors and such recommendation appears on the Board agenda, all SOQ’s submitted in response to this RFSQ, become a matter of public record, with the exception of those parts of each SOQ which are justifiably defined and identified by the Vendor as business or trade secrets, and plainly marked as “Trade Secret”, “Confidential”, or “Proprietary”.

1.13.2 The County shall not, in any way, be liable or responsible for the disclosure of any such record or any parts thereof, if disclosure is required or permitted under the California Public Records Act or otherwise by law. A blanket statement of confidentiality or the marking of each page of the SOQ as confidential shall not be deemed sufficient notice of exception. The Vendor must specifically label only those provisions of their respective SOQ which are “Trade Secrets”, “Confidential”, or “Proprietary” in nature.
1.14 Indemnification and Insurance
Vendor shall be required to comply with the Indemnification provisions contained in Appendix I – Sample Master Agreement, sub-paragraph 8.22. Vendor shall procure, maintain, and provide to the County proof of insurance coverage for all the programs of insurance along with associated amounts specified in Appendix I – Sample Master Agreement, sub-paragraphs 8.23 and 8.24.

1.15 Intentionally Omitted

1.16 Injury and Illness Prevention Program (IIPP)
Vendor shall be required to comply with the State of California’s Cal OSHA’s regulations. Section 3203 of Title 8 in the California Code of Regulations requires all California employers to have a written, effective Injury and Illness Prevention Program (IIPP) that addresses hazards pertaining to the particular workplace covered by the program.

1.17 Background and Security Investigations
Background and security investigations of Vendor’s staff may be required at the discretion of the County as a condition of beginning and continuing work under any resulting agreement. The cost of background checks is the responsibility of the Vendor.

1.18 Confidentiality and Independent Contractor Status
As appropriate, Contractor shall be required to comply with the Confidentiality provision sub-paragraph 7.6 and the Independent Contractor Status sub-paragraph 8.21 in Appendix I – Sample Master Agreement.

1.19 Conflict of Interest
No County employee whose position in the County enables him/her to influence the selection of a Contractor for this RFSQ, or any competing RFSQ, nor any spouse or economic dependent of such employees, shall be employed in any capacity by a Vendor or have any other direct or indirect financial interest in the selection of a Contractor. Vendor shall certify that he/she is aware of and has read Section 2.180.010 of the Los Angeles County Code as stated in Appendix A - Required Forms, Exhibit 3, Certification of No Conflict of Interest.

1.20 Determination of Vendor Responsibility
1.20.1 A responsible Vendor is a Vendor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity, and experience
to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible Vendors.

1.20.2 Vendors are hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may determine whether the Vendor is responsible based on a review of the Vendor’s performance on any contracts, including, but not limited to, County contracts. Particular attention will be given to violations of labor laws related to employee compensation and benefits, and evidence of false claims made by the Vendor against public entities. Labor law violations which are the fault of the subcontractors and of which the Vendor had no knowledge shall not be the basis of a determination that the Vendor is not responsible.

1.20.3 The County may declare a Vendor to be non-responsible for purposes of this Master Agreement if the Board of Supervisors, in its discretion, finds that the Vendor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Vendor’s quality, fitness, or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or omission which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.

1.20.4 If there is evidence that the Vendor may not be responsible, DPH shall notify the Vendor in writing of the evidence relating to the Vendor’s responsibility, and its intention to recommend to the Board of Supervisors that the Vendor be found not responsible. DPH shall provide the Vendor and/or the Vendor’s representative with an opportunity to present evidence as to why the Vendor should be found to be responsible and to rebut evidence which is the basis for DPH’s recommendation.

1.20.5 If the Vendor presents evidence in rebuttal to DPH, DPH shall evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board of Supervisors. The final decision concerning the responsibility of the Vendor shall reside with the Board of Supervisors.

1.20.6 These terms shall also apply to proposed subcontractors of Vendors on County contracts.
1.21 Vendor Debarment

1.21.1 Vendor is hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may debar the Vendor from bidding or proposing on, or being awarded, and/or performing work on other County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and the County may terminate any or all of the Vendor’s existing contracts with County, if the Board of Supervisors finds, in its discretion, that the Vendor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Vendor’s quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.

1.21.2 If there is evidence that the apparent highest ranked Vendor may be subject to debarment, DPH shall notify the Vendor in writing of the evidence which is the basis for the proposed debarment, and shall advise the Vendor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

1.21.3 The Contractor Hearing Board shall conduct a hearing where evidence on the proposed debarment is presented. The Vendor and/or Vendor’s representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Vendor should be debarred, and, if so, the appropriate length of time of the debarment. The Vendor and DPH shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

1.21.4 After consideration of any objections, or if no objections are received, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.

1.21.5 If a Vendor has been debarred for a period longer than five (5) years, that Vendor may, after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the
debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Vendor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.

1.21.6 The Contractor Hearing Board will consider requests for review of a debarment determination only where (1) the Vendor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

1.21.7 The Contractor Hearing Board’s proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

1.21.8 These terms shall also apply to proposed subcontractors of Vendors on County contracts.

1.21.9 Appendix E provides a link to the County’s website where there is a listing of Contractors that are currently on the Debarment List for Los Angeles County.

1.22 **Vendor’s Adherence to County Child Support Compliance Program**

Contractors shall 1) fully comply with all applicable State and Federal reporting requirements relating to employment reporting for its employees; and 2) comply with all lawfully served Wage and Earnings Assignment Orders and Notice of Assignment and continue to maintain compliance during the term of any contract that may be awarded pursuant to this solicitation. Failure to comply may be cause for termination of a Master Agreement or initiation of debarment proceedings against the non-compliant Contractor (County Code Chapter 2.202).
1.23 Gratuities

1.23.1 Attempt to Secure Favorable Treatment

It is improper for any County officer, employee, or agent to solicit consideration, in any form, from a Vendor with the implication, suggestion or statement that the Vendor’s provision of the consideration may secure more favorable treatment for the Vendor in the award of a Master Agreement or that the Vendor’s failure to provide such consideration may negatively affect the County’s consideration of the Vendor’s submission. A Vendor shall not offer or give either directly or through an intermediary, consideration, in any form, to a County officer, employee or agent for the purpose of securing favorable treatment with respect to the award of a Master Agreement.

1.23.2 Vendor Notification to County

A Vendor shall immediately report any attempt by a County officer, employee, or agent to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller’s Employee Fraud Hotline at (800) 544-6861. Failure to report such a solicitation may result in the Vendor’s submission being eliminated from consideration.

1.23.3 Form of Improper Consideration

Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

1.24 Notice to Vendors Regarding the County Lobbyist Ordinance

The Board of Supervisors of the County of Los Angeles has enacted an ordinance regulating the activities of persons who lobby County officials. This ordinance, referred to as the “Lobbyist Ordinance”, defines a County Lobbyist and imposes certain registration requirements upon individuals meeting the definition. The complete text of the ordinance can be found in County Code Chapter 2.160. In effect, each person, corporation or other entity that seeks a County permit, license, franchise or contract must certify compliance with the ordinance. As part of this solicitation process, it will be the responsibility of each Vendor to review the ordinance independently as the text of said ordinance is not contained within this RFSQ. Thereafter, each person, corporation or other entity submitting a response to this solicitation, must certify that each County Lobbyist, as defined by Los Angeles County Code Section 2.160.010, retained by the Vendor is in full compliance with Chapter 2.160 of the Los Angeles County Code and each such County Lobbyist is not on the Executive Office’s List of
Terminated Registered Lobbyists by completing and submitting the Familiarity with the County Lobbyist Ordinance Certification, as set forth in Appendix A - Required Forms, Exhibit 6, as part of their SOQ.

1.25 Federal Earned Income Credit

The Contractor shall notify its employees, and shall require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in the Internal Revenue Service Notice No. 1015. Reference Appendix F.

1.26 Consideration of GAIN/GROW Participants for Employment

As a threshold requirement for consideration of a Master Agreement, Vendors shall demonstrate a proven record of hiring participants in the County’s Department of Public Social Services Greater Avenues for Independence (GAIN) or General Relief Opportunity for Work (GROW) Programs or shall attest to a willingness to consider GAIN/GROW participants for any future employment openings if they meet the minimum qualifications for that opening. Vendors shall attest to a willingness to provide employed GAIN/GROW participants access to the Vendor's employee mentoring program, if available, to assist these individuals in obtaining permanent employment and/or promotional opportunities. Vendors who are unable to meet this requirement shall not be considered for a Master Agreement.

Vendors shall complete and return the form, Attestation of Willingness to Consider GAIN/GROW Participants, as set forth in Appendix A - Required Forms, Exhibit 10, as part of their SOQ.

1.27 County’s Quality Assurance Plan

After award of a Master Agreement and subsequent MAWO(s), the County or its agent will evaluate the Contractor’s performance under the Master Agreement and MAWO on an annual basis. Such evaluation will include assessing Contractor’s compliance with all terms in the Master Agreement and performance standards identified in the MAWO. Contractor’s deficiencies which the County determines are severe or continuing and that may jeopardize performance of this Master Agreement and subsequent MAWOs will be reported to the County’s Board of Supervisors. The report will include improvement/corrective action measures taken by the County and Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate the Master Agreement and/or MAWO in whole or in part, or impose other penalties as specified in the Master Agreement.
1.28 **Recycled Bond Paper**
Vendor shall be required to comply with the County’s policy on recycled bond paper as specified in Appendix I – Sample Master Agreement, sub-paragraph 8.38.

1.29 **Safely Surrendered Baby Law**
The contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The information is available at [www.babysafela.org](http://www.babysafela.org).

1.30 **Jury Service Program**
The prospective contract is subject to the requirements of the County’s Contractor Employee Jury Service Ordinance (“Jury Service Program”) (Los Angeles County Code, Chapter 2.203). Prospective Contractors should carefully read the Jury Service Ordinance, Appendix D, and the pertinent jury service provisions of the Appendix I – Sample Master Agreement, sub-paragraph 8.7, both of which are incorporated by reference into and made a part of this RFSQ. The Jury Service Program applies to both Contractors and their Subcontractors. SOQs that fail to comply with the requirements of the Jury Service Program will be considered non-responsive and excluded from further consideration.

1.30.1 The Jury Service Program requires Contractors and their Subcontractors to have and adhere to a written policy that provides that its employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the employee’s regular pay the fees received for jury service. For purposes of the Jury Service Program, “employee” means any California resident who is a full-time employee of a Contractor and “full-time” means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) the Contractor has a long-standing practice that defines the lesser number of hours as full-time. Therefore, the Jury Service Program applies to all of a Contractor’s full-time California employees, even those not working specifically on the County project. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program.
1.30.2 There are two ways in which a Contractor might not be subject to the Jury Service Program. The first is if the Contractor does not fall within the Jury Service Program’s definition of “Contractor”. The Jury Service Program defines “Contractor” to mean a person, partnership, corporation of other entity which has a contract with the County or a Subcontract with a County Contractor and has received or will receive an aggregate sum of $50,000 or more in any 12-month period under one or more County contracts or subcontracts. The second is if the Contractor meets one of the two exceptions to the Jury Service Program. The first exception concerns small businesses and applies to Contractors that have 1) ten or fewer employees; and, 2) annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract is less than $500,000, and, 3) is not an “affiliate or subsidiary of a business dominant in its field of operation”. The second exception applies to Contractors that possess a collective bargaining agreement that expressly supersedes the provisions of the Jury Service Program. The Contractor is subject to any provision of the Jury Service Program not expressly superseded by the collective bargaining agreement.

1.30.3 If a Contractor does not fall within the Jury Service Program’s definition of “Contractor” or if it meets any of the exceptions to the Jury Service Program, then the Contractor must so indicate in the County of Los Angeles Contractor Employee Jury Service Program Certification Form and Application for Exception, as set forth in Appendix A - Required Forms, Exhibit 11, and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the Contractor’s application, the County will determine, in its sole discretion, whether the Contractor falls within the definition of Contractor or meets any of the exceptions to the Jury Service Program. The County’s decision will be final.

1.31 Overview of County’s Preference Programs

1.31.1 The County of Los Angeles has three preference programs. The Local Small Business Enterprise (LSBE), Disabled Veterans Business Enterprise (DVBE), and Social Enterprise (SE). The Board of Supervisors encourages business participation in the County’s contracting process by continually streamlining and simplifying our selection process and expanding opportunities for these businesses to compete for County opportunities.

1.31.2 The Preference Programs (LSBE, DVBE, and SE) require that a business must complete certification prior to requesting a preference in
a solicitation. This program and how to obtain certification are further explained in paragraph 1.32, 1.34, and 1.35 of this solicitation.

1.31.3 In no case shall the Preference Programs (LSBE, DVBE, and SE) price or scoring preference be combined with any other County preference program to exceed fifteen percent (15%) in response to any County solicitation.

1.31.4 Sanctions and financial penalties may apply to a business that knowingly, and with intent to defraud, seeks to obtain or maintain certification as a certified LSBE, DVBE, or SE when not qualified.

1.32 Local Small Business Enterprise (LSBE) Preference Program

The following language should be used for County solicitations subject to the federal restriction on geographical preferences:

1.32.1 In reviewing Work Order Bids, the County will give LSBE preference during the solicitation process to businesses that meet the definition of a LSBE, consistent with Chapter 2.204.030C.2 of the Los Angeles County Code.

1.32.2 A business which is certified as small by the federal Small Business Administration (SBA) or maintains an active registration as small in the System for Award Management (SAM) data base may qualify to request the LSBE Preference in a solicitation.

1.32.3 To apply for certification as a LSBE, businesses should contact the Department of Consumer and Business Affairs at http://dcba.lacounty.gov.

1.32.4 Certified Local SBEs may only request the preference in each of their Work Order Bid responses and may not request the preference unless the certification process has been completed and certification is affirmed. Businesses must complete and submit the Request for Preference Program Consideration with each Work Order Bid response and submit a letter of certification from the DCBA with their bid.

1.32.5 Information on the Federal small business is available at the System for Award Management website at https://www.sam.gov.

1.33 Local Small Business Enterprise (LSBE) Prompt Payment Program

It is the intent of the County that Certified LSBEs receive prompt payment for services they provide to County Departments. Prompt payment is defined as fifteen (15) calendar days after receipt of an undisputed invoice.
1.34 Social Enterprise (SE) Preference Program

1.34.1 In reviewing Work Order Bids, the County will give preference during the solicitation process to businesses that meet the definition of a SE, consistent with Chapter 2.205 of the Los Angeles County Code. A SE is defined as:

1) A business that qualifies as a SE and has been in operation for at least one year (1) providing transitional or permanent employment to a Transitional Workforce or providing social, environmental and/or human justice services; and

2) A business certified by the Department of Consumer and Business Affairs (DCBA) as a SE.

1.34.2 The DCBA shall certify that a SE meets the criteria set forth in Section 1.34.1.

1.34.3 Certified SEs may only request the preference in each of their Work Order Bid responses and may not request the preference unless the certification process has been completed and certification is affirmed. Businesses must complete and submit the Request for Preference Program Consideration with each Work Order Bid response and submit a letter of certification from the DCBA with their bid.

1.34.4 Further information on SEs is also available on the DCBA’s website at: http://dcba.lacounty.gov.

1.35 Disabled Veteran Business Enterprise (DVBE) Preference Program

1.35.1 In reviewing Work Order Bids, the County will give preference during the solicitation process to businesses that meet the definition of a DVBE, consistent with Chapter 2.211 of the Los Angeles County Code.

A DVBE vendor is defined as:

1) A business which is certified by the State of California as a DVBE; or

2) A business which is verified as a service-disabled veteran-owned small business (SDVOSB) by the Veterans Administration.

3) A business certified as DVBE with other certifying agencies pursuant to the Department of Consumer and Business Affairs’ (DCBA) inclusion policy that meets the criteria set forth by the agencies in 1 and 2 above.
1.35.2 The DCBA shall certify that a DVBE is currently certified by the State of California, by the U.S. Department of Veteran Affairs, or is determined by the DCBA’s inclusion policy that meets the criteria set forth by the agencies in Section 1.35.1, 1 or 2 above.

1.35.3 Certified DVBEs may only request the preference in each of their Work Order Bid responses and may not request the preference unless the certification process has been completed and certification is affirmed. Businesses must complete and submit the Request for Preference Program Consideration with each Work Order Bid response and submit a letter of certification from the DCBA with their bid.

1.35.4 Information about the State’s DVBE certification regulations is found in the California Code of Regulations, Title 2, Subchapter 8, Section 1896 et seq., and is also available on the California Department of General Services Office of Disabled Veteran Business Certification and Resources Website at http://www.dgs.ca.gov/pd/Home.aspx.

1.35.5 Information on the Department of Veteran Affairs SDVOSB certification regulations is found in the Code of Federal Regulations, 38CFR 74 and is also available on the Department of Veterans Affairs Website at: http://www.vetbiz.gov/.

1.36 Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transactions (45 C.F.R. Part 76)

1.36.1 Pursuant to federal law, the County is prohibited from contracting with parties that are suspended, debarred, ineligible, or excluded or whose principals are suspended, debarred or excluded from securing federally funded contracts. At the time of Vendor’s response to WOS, Vendor must submit the Certification Regarding Debarment, Suspension, Ineligibility & Voluntary Exclusion – Lower Tiered Covered Transactions, as set forth in Appendix A -Required Forms, Exhibit 16, attesting that neither it, as an organization, nor any of its owners, officers, partners, directors, or other principals is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Should a response to WOS identify prospective subcontractors, or should Vendor intend to use subcontractors in the provision of services under any subsequent contract, Vendor must submit a certification, completed by each subcontractor, attesting that neither the subcontractor, as an organization, nor any of its owners, officers, partners, directors, or other principals is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts.
1.36.2 Failure to provide the required certification may eliminate Vendor’s response to a WOS from consideration.

1.36.3 In the event that Vendor and/or its subcontractor(s) is or are unable to provide the required certification, Vendor instead shall provide a written explanation concerning its and/or its subcontractor’s inability to provide the certification. Vendor’s written explanation shall describe the specific circumstances concerning the inability to certify. It further shall identify any owner, officer, partner, director, or other principal of the Vendor and/or subcontractor who is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Finally, the written explanation shall provide that person’s or those persons’ job description(s) and function(s) as they relate to the services to be performed under any WOS in association with this RFSQ.

1.36.4 The written explanation shall be examined by the County to determine, in its full discretion, whether further consideration of the response to a WOS is appropriate under the federal law.

1.37 Notification to County of Pending Acquisitions/Mergers by Proposing Company

The Vendor shall notify the County of any pending acquisitions/mergers of its company unless otherwise legally prohibited from doing so. If the Vendor is restricted from legally notifying the County of pending acquisitions/mergers, then it should notify the County of the actual acquisitions/mergers as soon as the law allows and provide to the County the legal framework that restricted it from notifying the County prior to the actual acquisitions/mergers. This information shall be provided by the Vendor on Vendor’s Organization Questionnaire/Affidavit and CBE Information, Exhibit 2 as set forth in Appendix A – Required Forms. Failure of the Vendor to provide this information may eliminate its SOQ from any further consideration.

1.38 Health Insurance Portability and Accountability Act of 1996 (HIPAA)

New rules cover California public benefit corporations, unincorporated associations, and trustee entities and may include similar foreign corporations doing business or holding property in California. Key Nonprofit Integrity Act requirements affect executive compensation, fund-raising practices and documentation. Charities with over $2 million of revenues (excluding funds that must be accounted for to a governmental entity) have new audit requirements.

1.3.9.2 All prospective contractors must determine if they receive or raise charitable contributions which subject them to the Charitable Purposes Act and complete the Charitable Contributions Certification, Exhibit 12 as set forth in Appendix A - Required Forms. A completed Exhibit 12 is a required part of any agreement with the County.

1.3.9.3 In Exhibit 12, prospective contractors certify either that:

- they have determined that they do not now receive or raise charitable contributions regulated under the California Charitable Purposes Act, (including the Nonprofit Integrity Act) but will comply if they become subject to coverage of those laws during the term of a County agreement,

- OR -

- they are currently complying with their obligations under the Charitable Purposes Act, attaching a copy of their most recent filing with the Registry of Charitable Trusts.

1.3.9.4 Prospective County contractors that do not complete Exhibit 12 as part of the solicitation process may, in the County's sole discretion, be disqualified from contract award. A County contractor that fails to comply with its obligations under the Charitable Purposes Act is subject to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)

1.40 Defaulted Property Tax Reduction Program

The prospective contract is subject to the requirements of the County’s Defaulted Property Tax Reduction Program (“Defaulted Tax Program”) (Los Angeles County Code, Chapter 2.206). Prospective Contractors should carefully read the Defaulted Tax Program Ordinance, Appendix H, and the pertinent provisions of the Appendix I – Sample Master Agreement, sub-paragraphs 8.50 and 8.51, both of which are incorporated by reference into and made a part of this solicitation. The Defaulted Tax Program applies to both Contractors and their Subcontractors.
Vendors shall be required to certify that they are in full compliance with the provisions of the Defaulted Tax Program and shall maintain compliance during the term of any contract that may be awarded pursuant to this solicitation or shall certify that they are exempt from the Defaulted Tax Program by completing Certification of Compliance with The County’s Defaulted Property Tax Reduction Program, Exhibit 13 in Appendix A – Required Forms. Failure to maintain compliance, or to timely cure defects, may be cause for termination of a contract or initiation of debarment proceedings against the non-compliance contractor (Los Angeles County Code, Chapter 2.202).

SOQs that fail to comply with the certification requirements of the Defaulted Tax Program will be considered non-responsive and excluded from further consideration.

1.41 **Time Off for Voting**

The Contractor shall notify its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the time off for voting law (Elections Code Section 14000). Not less than 10 days before every statewide election, every Contractor and subcontractors shall keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of Section 14000.

If a Vendor does not currently have the required coverage, a letter from a qualified insurance carrier indicating a willingness to provide the required coverage should the Vendor be selected to receive a Master Agreement award may be submitted with the SOQ.

2.7.5 Proof of Licenses (Section D)

Vendor must furnish a copy of all applicable licenses, certificates, accreditation, and permits for the provision of services for which they intend to qualify which include, but are not limited to: a valid Business License, EPA certification as a Lead Renovation/Abatement Firm, CDPH LRC certified Supervisor, CDPH LRC certified Worker, and a State of California Contractor’s General Building Contractor license. Work Order
Bids may request copies of licenses/credentials/resume of staff who will be assigned to work on any part of the resultant Master Agreement.

2.8 SOQ Submission

The original SOQ and three (3) numbered copies shall be enclosed in a sealed envelope or box, plainly marked in the upper left-hand corner with the name and address of the Vendor and bear the words:

“SOQ FOR AS-NEEDED LEAD HAZARD REMEDIATION AND HEALTHY HOMES INTERVENTION SERVICES”

The SOQ must be hand-delivered or sent by a delivery service (excluding United States Postal Service) and received by the deadline specified in Section 2.3, RFSQ Timetable, to:

Lucía Romero, Contract Analyst
County of Los Angeles, Department of Public Health
Contracts and Grants Division
1000 South Fremont Avenue
Building A-9 East, 5th Floor North
Alhambra, California 91803

Timely hand-delivered bids are acceptable. It is the sole responsibility of the submitting Vendor to ensure that its SOQ is received before the submission deadline. Submitting Vendors shall bear all risks associated with delays in delivery by any person or entity.

The County may at its sole discretion continue to select vendors from this RFSQ process and, depending on service needs, may elect to accept SOQs throughout the duration of the Master Agreement to qualify Vendors.

Until the SOQ submission deadline, errors in SOQs may be corrected by a request in writing to withdraw the SOQ and by submission of another set of SOQs with the mistakes corrected. Corrections will not be accepted once the deadline for submission of SOQs has passed.

2.9 Acceptance of Terms and Conditions of Master Agreement

Vendors understand and agree that submission of the SOQ constitutes acknowledgement and acceptance of, and a willingness to comply with, all terms and conditions of the Appendix I – Sample Master Agreement. Vendors must also submit a completed and signed Appendix A - Required Forms, Exhibit 18, acknowledging the Vendor’s acceptance of all terms and conditions listed in the Appendix I - Sample Master Agreement.
The County reserves the right to make changes to the Master Agreement and its appendices and exhibits at its sole discretion.

2.10 SOQ Withdrawals

The Vendor may withdraw its SOQ at any time prior to the date and time which is set forth herein as the deadline for acceptance of SOQs, upon written request for same to the individual identified in subparagraph 1.9 of this RFSQ, Contact with County Personnel.
3.0 SOQ REVIEW/SELECTION/QUALIFICATION PROCESS

3.1 Review Process

SOQs will be subject to a detailed review by qualified County staff. The review process will include the following steps:

3.1.1 Adherence to Minimum Mandatory Qualifications

County shall review the Vendor Exhibit 1, SOQ Checklist, and Exhibit 2, Vendor's Organization Questionnaire/Affidavit, and SOE, and determine if the Vendor meets the minimum mandatory qualifications as outlined in sub-paragraph 1.4 of this RFSQ. Exhibit 2 will serve as an Affidavit that firm attests that it meets the minimum mandatory requirements for the required services.

Failure of the Vendor to comply with the minimum mandatory qualifications may eliminate its SOQ from any further consideration.

3.1.2 Vendor's Qualifications (Section A)

County’s review shall include the following:

- Vendor’s Background and Experience as provided in Section A.1 of the SOQ.

- Vendor’s References as provided in Section A.2. The review will include verification of references submitted, a review of the County’s Contract Database and Contractor Alert Reporting Database, if applicable, reflecting past performance history on County or other contracts, and a review of terminated contracts.

- If the Vendor is a corporate entity, said entity’s “active” status will be verified: For California corporations the “active” status will be verified via the California Secretary of State’s website: http://BusinessSearch.sos.ca.gov/

- A review to determine the magnitude of any pending litigation or judgments against the Vendor as provided in Section A.3.

- A subject matter expert will evaluate and make a recommendation based on the financial strength and capability of the company in the provision of required services throughout the term of any resultant MAWO, as well as evidence of the Company’s capability to absorb all costs related to the provision of services for a minimum of sixty (60) days, during any resultant MAWO, as provided in Section A.4.
Financial statements that do not demonstrate financial strength or meet the sixty-day requirement may result in a requirement that Proposer provide a performance security prior to DPH making recommendations to the Board regarding the award of a contract or work order.

3.1.3 Required Forms
All forms as listed in Section 2, sub-paragraph 2.7.3 must be included as indicated in Section B of the SOQ.

3.1.4 Proof of Insurability
Review of the proof of insurability provided in Section C of the SOQ.

3.1.5 Proof of Licenses
Review of the proof of licenses and certificates provided in Section D of the SOQ.

3.2 Disqualification Review
An SOQ may be disqualified from consideration because DPH determined it was non-responsive at any time during the review/evaluation process. If DPH determines that an SOQ is disqualified due to non-responsiveness, DPH shall notify the Vendor in writing.

Upon receipt of the written determination of non-responsiveness, the Vendor may submit a written request for a Disqualification Review within the timeframe specified in the written determination.

A request for a Disqualification Review may, in DPH's sole discretion, be denied if the request does not satisfy all of the following criteria:

1. The person or entity requesting a Disqualification Review is a Vendor;

2. The request for a Disqualification Review is submitted timely (i.e., by the date and time specified in the written determination); and

3. The request for a Disqualification Review asserts that DPH's determination of disqualification due to non-responsiveness was erroneous (e.g. factual errors, etc.) and provides factual support on each ground asserted as well as copies of all documents and other material that support the assertions.

The Disqualification Review shall be completed and the determination shall be provided to the requesting Vendor, in writing, prior to the conclusion of the evaluation process.
3.3 Selection/Qualification Process

DPH will generally select Vendors that have experience in providing a broad range of lead hazard remediation services. However, in order to insure DPH has a varied pool of qualified Contractors, DPH may offer Master Agreements to Vendors that offer a narrow scope of services in more highly specialized areas.

3.4 Master Agreement Award

Vendors who are notified by DPH that they appear to have the necessary qualifications and experience (i.e., they are qualified) may still not be recommended for a Master Agreement if other requirements necessary for award have not been met. Other requirements may include acceptance of the terms and conditions of the Master Agreement, and/or satisfactory documentation that required insurance will be obtained. Only when all such matters have been demonstrated to DPH’s satisfaction can a Vendor, which is otherwise deemed qualified, be regarded as “selected” for recommendation of a Master Agreement.

DPH will execute Board of Supervisors-authorized Master Agreements with each selected vendor. All Vendors will be informed of the final selections. DPH will continuously accept SOQs throughout the Master Agreement term to qualify additional vendors. Master Agreements will become effective upon the date of execution by the Director of DPH or her designee and shall expire at the same time as the initially executed Master Agreements.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION – LOWER TIER COVERED TRANSACTIONS
(45 C.F.R. PART 76)

Instructions for Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transactions (45 C.F.R. Part 76)

1. This certification is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that Proposer knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

2. Proposer shall provide immediate written notice to the person to whom this proposal is submitted if at any time Proposer learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

3. The terms “covered transaction,” “debarred,” “suspended,” “ineligible,” “lower tier covered transaction,” “participant,” “person,” “primary covered transaction,” “principal,” “proposal,” and “voluntarily excluded,” as used in this certification, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.

4. Proposer agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 C.F.R. part 9, subpart 9.4, debarred suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

5. Proposer further agrees by submitting this proposal that it will include the provision entitled “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transactions (45 C.F.R. Part 76),” as set forth in the text of the Sample Contract attached to the Request for Proposals, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

6. Proposer acknowledges that a participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 C.F.R. part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. Proposer acknowledges that a participant may decide the method and frequency by which it determines the eligibility of its principals. Proposer acknowledges that each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Non-procurement Programs.

7. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the required certification. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
8. Except for transactions authorized under paragraph 4 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 C.F.R. part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

9. Where Proposer and/or its subcontractor(s) is or are unable to certify to any of the statements in this Certification, Proposer shall attach a written explanation to its proposal in lieu of submitting this Certification. Proposer’s written explanation shall describe the specific circumstances concerning the inability to certify. COUNTY OF LOS ANGELES
POLICY ON DOING BUSINESS WITH SMALL BUSINESS

Forty-two percent of businesses in Los Angeles County have five or fewer employees. Only about four percent of businesses in the area exceed 100 employees. According to the Los Angeles Times and local economists, it is not large corporations, but these small companies that are generating new jobs and helping move Los Angeles County out of its worst recession in decades.

WE RECOGNIZE . . .

The importance of small business to the County . . .

- in fueling local economic growth
- providing new jobs
- creating new local tax revenues
- offering new entrepreneurial opportunity to those historically under-represented in business

The County can play a positive role in helping small business grow. . .

- as a multi-billion dollar purchaser of goods and services
- as a broker of intergovernmental cooperation among numerous local jurisdictions
- by greater outreach in providing information and training
- by simplifying the bid/proposal process
- by maintaining selection criteria which are fair to all
- by streamlining the payment process

WE THEREFORE SHALL:

1. Constantly seek to streamline and simplify our processes for selecting our vendors and for conducting business with them.

2. Maintain a strong outreach program, fully-coordinated among our departments and districts, as well as other participating governments to: a) inform and assist the local business community in competing to provide goods and services; b) provide for ongoing dialogue with and involvement by the business community in implementing this policy.

3. Continually review and revise how we package and advertise solicitations, evaluate and select prospective vendors, address subcontracting and conduct business with our vendors, in order to: a) expand opportunity for small business to compete for our business; and b) to further opportunities for all businesses to compete regardless of size.

4. Insure that staff who manage and carry out the business of purchasing goods and services are well trained, capable and highly motivated to carry out the letter and spirit of this policy.
2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

2.203.020 Definitions.

The following definitions shall be applicable to this chapter:

Department of the Treasury
Internal Revenue Service

Notice 1015
(Rev. December 2017)

Have You Told Your Employees About the
Earned Income Credit (EIC)?

What is the EIC?
The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?
You must notify each employee who worked for you at any time during the year and from whose wages you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee’s Withholding Allowance Certificate.

Note: You are encouraged to notify each employee whose wages for 2017 are less than $53,930 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?
You must give the employee one of the following.
• The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
• A substitute Form W-2 with the same EIC information on the back of the employee’s copy that is on Copy B of the IRS Form W-2.
• Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
• Your written statement with the same wording as Notice 797.

If you give an employee a Form W-2 on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee’s copy. If you give an employee a substitute Form W-2, but it does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2018.

You must hand the notice directly to the employee or send it by first-class mail to the employee’s last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can download copies of the notice at www.irs.gov/FormsPubs. Or you can go to www.irs.gov/OrderForms to order it.

How Will My Employees Know If They Can Claim the EIC?
The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 596, Earned Income Credit (EIC), or the instructions for Form 1040, 1040A, or 1040EZ.

How Do My Employees Claim the EIC?
An eligible employee claims the EIC on his or her 2017 tax return. Even an employee who has no tax withheld from wages and owes no tax may claim the EIC and seek a refund, but he or she must file a tax return to do so. For example, if an employee has no tax withheld in 2017 and owes no tax but is eligible for a credit of $800, he or she must file a 2017 tax return to get the $800 refund.

Notice 1015 (Rev. 12-2017)
Cat. No. 26398D
There is a keen public interest in preventing misuse of charitable contributions. California’s “Supervision of Trustees and Fundraisers for Charitable Purposes Act” regulates those raising and receiving charitable contributions. The “Nonprofit Integrity Act of 2004” (SB 1262, Chapter 919) tightened Charitable Purposes Act requirements for charitable organization administration and fundraising.

The Charitable Purposes Act rules cover California public benefit corporations, unincorporated associations, and trustee entities. They may include similar foreign corporations doing business or holding property in California. Generally, an organization is subject to the registration and reporting requirements of the Charitable Purposes Act if it is a California nonprofit public benefit corporation or is tax exempt under Internal Revenue Code § 501(c)(3), and not exempt from reporting under Government Code § 12583. Most educational institutions, hospitals, cemeteries, and religious organizations are exempt from Supervision of Trustees Act requirements.

Key new Charitable Purposes Act requirements affect executive compensation, fund-raising practices and documentation. Charities with over $2 million of revenues (excluding grants and service-contract funds a governmental entity requires to be accounted for) have new audit requirements. Charities required to have audits must also establish an audit committee whose members have no material financial interest in any entity doing business with the charity.

Organizations or persons that receive or raise charitable contributions are likely to be subject to the Charitable Purposes Act. A Proposer on Los Angeles County contracts must determine if it is subject to the Charitable Purposes Act and certify either that:

- It is not presently subject to the Act, but will comply if later activities make it subject, or,
- If subject, it is currently in compliance.

RESOURCES

The following references to resources are offered to assist Proposers who engage in charitable contributions activities. Each Proposer, however, is ultimately responsible to research and determine its own legal obligations and properly complete its compliance certification (Appendix A, Exhibit 11 – Charitable Contributions Certification).

In California, supervision of charities is the responsibility of the Attorney General, whose website, http://oag.ca.gov/ contains much information helpful to regulated charitable organizations.

1. LAWS AFFECTING NONPROFITS

The “Supervision of Trustees and Fundraisers for Charitable Purposes Act” is found at California Government Code §§ 12580 through 12599.7. Implementing regulations are found at Title 11, California Code of Regulations, §§ 300 through 312. In California, charitable solicitations (“advertising”) are governed by Business & Professions Code §§ 17510 through 17510.95. Regulation of nonprofit corporations is found at Title 11, California Code of Regulations, §§ 999.1 through 999.5. (Amended regulations are pending.) Links to all of these rules are at: http://oag.ca.gov/charities/laws
2. SUPPORT FOR NONPROFIT ORGANIZATIONS

Several organizations offer both complimentary and fee-based assistance to nonprofits, including in Los Angeles, the Center for Nonprofit Management, 606 S. Olive St #2450, Los Angeles, CA 90014 (213) 623-7080 http://www.cnmsocal.org/ and statewide, the California Association of Nonprofits, http://www.calnonprofits.org/. Both organizations’ websites offer information about how to establish and manage a charitable organization.

The above information, including the organizations listed, provided under this subsection of this Appendix I is for informational purposes only. Nothing contained in this sub-section shall be construed as an endorsement by the County of Los Angeles of such organizations.

2.9 **Qualified Contractor:** A Contractor who has submitted a Statement of Qualifications (SOQ) in response to County’s Request for Statement of Qualifications (RFSQ); has met the minimum qualifications listed in the RFSQ, and has an executed Master Agreement with the Department of Public Health.

Each MAWO shall result from bids, solicited by
and tendered to County, by Qualified Contractors. Unless otherwise specified in the Work Order Solicitation, County shall select the lowest cost, qualified bid responding to the requirements of the proposed MAWO. No work shall be performed by Contractors except in accordance with validly bid and executed MAWO.

2.14 **Work Order Solicitation (WOS):** A solicitation for bids/proposals submitted to Qualified Contractors.

3.0 **WORK**

3.1 Pursuant to the provisions of this Master Agreement, the Contractor shall fully perform, complete and deliver on time, all tasks, deliverables, services and other work as set forth herein.

3.2 MAWO shall generally conform to Exhibit E as determined by County. Each MAWO shall include an attached Statement of Work, and a Site Specific Work Plan which shall describe in detail the particular project and the work required for the performance thereof. The payment methodology will be cost reimbursement for services performed, subject to the Total Maximum Amount specified on each individual Work Order.

3.3 If Contractor provides any task, deliverable, service, or other work to County that utilizes other than approved Contractor Personnel, and/or that goes beyond the Work Order expiration date, and/or that exceeds the Total Maximum Amount as specified in the Work Order as originally written or modified in accordance with sub-paragraph 8.1, Amendments, these shall be gratuitous efforts on the part of Contractor for which Contractor shall have no claim whatsoever against County.

3.4 County procedures for issuing and executing MAWOs are as set forth in this sub-paragraph 3.4. Upon determination by County to issue a WOS, County shall issue a WOS containing a Statement of Work and a Site Specific Work Plan and invite all Master Agreement Qualified Contractors to a job walk through. Each interested Qualified Contractor who attends the mandatory walk through may submit a bid to the County address and within the timeframe specified in the solicitation. Failure of Contractor to provide a bid within the specified timeframe may disqualify Contractor for that particular Work Order.

3.5 Upon completion of bid reviews, County shall execute the MAWO by and through the DPH staff identified in this Master Agreement with the lowest cost Qualified Contractor unless the WOS specifies bid evaluation criteria other than lowest cost. It is understood by Contractor that County’s competitive bidding procedure may have the effect that no Work Orders are awarded to some Master Agreement Qualified Contractors.
3.6 County estimates that selection of any Contractor shall occur within thirty (30) business days of completion of the evaluations of the particular Work Order bids. Following selection, all Contractors selected must be available to meet with County on the starting date specified in the Work Order. Inability of Contractor to comply with such commencement date may be cause for disqualification of Contractor from the particular Work Order as determined in the sole discretion of County’s Project Manager.

3.7 In the event Contractor defaults three times under sub-paragraph 3.6 within a given County fiscal year, then County may terminate this Master Agreement pursuant to Sub-paragraph 8.42, Termination for Default.

3.8 Contractor is not guaranteed a minimum or maximum amount of utilization of their services, and may or may not be utilized, at the County’s sole discretion. Failure of Contractor to provide services within the specified timeframes may disqualify Contractor from future utilization.

4.0 TERM OF MASTER AGREEMENT

4.1 The Master Agreement term will be effective upon the County Board of Supervisors (Board) approval and shall continue in full force for a period of six (6) years. At the conclusion of the six (6) year period, the County shall have the option to extend the term for three (3) years on a year-to-year basis not to exceed, in aggregate, a maximum total master agreement term of nine (9) years. The three (3) year-to-year extensions shall be exercised at the sole discretion of DPH.

4.2 Contractor shall notify DPH when this Master Agreement is within six (6) months from the expiration of the term as provided for hereinabove. Upon occurrence of this event, Contractor shall send written notification to DPH at the address herein provided in Exhibit A.

5.0 CONTRACT SUM

5.1 Contractor shall not be entitled to any payment by County under this Master Agreement except pursuant to validly executed and satisfactorily performed Work Orders. In each year of this Master Agreement, the total of all amounts actually expended by County hereunder (“maximum annual expenditures”) may not exceed amounts allocated to the Departments by the County Board of Supervisors in their approved budgets. The County has sole discretion to expend some, all, or none of such budgeted amounts. The sum of such annual expenditures for the duration of the Master Agreement is the Contract Sum.
5.2 The Contractor shall not be entitled to payment or reimbursement for any tasks or services performed, nor for any incidental or administrative expenses whatsoever incurred in or incidental to performance hereunder, except as specified herein. Assumption or takeover of any of the Contractor’s duties, responsibilities, or obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever, shall occur only with the County’s express prior written approval.

5.3 **No Payment for Services Provided Following Expiration/ Termination of Master Agreement**

Should Contractor receive any such payment it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Master Agreement shall not constitute a waiver of County’s right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Master Agreement.

5.4 **Invoices and Payments**

5.4.1 Contractor shall invoice the County, in arrears only, for providing the tasks, deliverables, services, and other work authorized pursuant to Master Agreement Work Order (MAWO). Contractor shall separately invoice County for each MAWO on a Cost Reimbursement basis. The type of County required invoice shall be specified in each MAWO.

8.19 Force Majeure

8.19.1 Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Master Agreement, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this sub-paragraph as "force majeure events").

8.19.2 Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. As used in this sub-paragraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.

8.19.3 In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.20 Governing Law, Jurisdiction, and Venue

This Master Agreement shall be governed by, and construed in accordance with, the laws of the State of California. The Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Master Agreement and further agrees and consents that venue of any action brought hereunder shall be exclusively in the County of Los Angeles.

8.27.7 If the County finds that any provisions of this sub-paragraph 8.27 have been violated, such violation shall constitute a material breach of this Master Agreement upon which the County may terminate or suspend this Master Agreement. While the County reserves the right to determine independently that the anti-discrimination provisions of this Master Agreement have been violated, in addition, a determination by the California Fair Employment and Housing Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated
Federal or State anti-discrimination laws or regulations shall constitute a finding by the County that the Contractor has violated the anti-discrimination provisions of this Master Agreement.

8.37.2 Failure on the part of the Contractor to comply with any of the provisions of this sub-paragraph shall constitute a material breach of this Master Agreement upon which the County may terminate or suspend this Master Agreement.

8.37.3 If, at any time during the term of this Master Agreement or within seven (7) years after the expiration or termination of this Master Agreement, representatives of the County may conduct an audit of the Contractor regarding the work performed under this Master Agreement, and if such audit finds that the County’s dollar liability for any such work is less than payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County’s Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Master Agreement or otherwise. If such audit finds that the County’s dollar liability for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County’s
maximum obligation for this Master Agreement exceed the funds appropriated by the County for the purpose of this Master Agreement.

8.39.5 The County’s consent to subcontract shall not waive the County’s right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Master Agreement. The Contractor is responsible to notify its subcontractors of this County right.

Without limiting the rights and remedies available to the County under any other provision of this Master Agreement, failure of Contractor to cure such default within 90 calendar days of written notice shall be grounds upon which the County may terminate this Master Agreement pursuant to sub-paragraph 8.42 - Termination for Default and pursue debarment of Contractor, pursuant to County Code Chapter 2.202.

8.41 Termination for Convenience

8.41.1 County may terminate this Master Agreement, and any Work Order issued hereunder, in whole or in part, from time to time or permanently, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to Contractor specifying the extent to which performance of
work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

8.42.2 In the event that the County terminates this Master Agreement in whole or in part as provided in sub-paragraph 8.42.1, the County may procure, upon such terms and in such
manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor shall continue the performance of this Master Agreement to the extent not terminated under the provisions of this sub-paragraph.

8.42.3 Except with respect to defaults of any subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in sub-paragraph 8.42.2 if its failure to perform this Master Agreement, including any Work Order issued hereunder, arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this sub-paragraph 8.42.3, the terms "subcontractor" and "subcontractors" mean subcontractor(s) at any tier.

8.42.4 If, after the County has given notice of termination under the provisions of this sub-paragraph 8.42, it is determined by the County that the Contractor was not in default under the provisions of this sub-paragraph 8.42, or that the default was excusable under the provisions of sub-paragraph 8.42.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to sub-paragraph 8.41 - Termination for Convenience.

8.42.5 The rights and remedies of the County provided in this sub-paragraph 8.42 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.
8.43 Termination for Improper Consideration

8.43.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Master Agreement if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Master Agreement or securing favorable treatment with respect to the award, amendment, or extension of this Master Agreement or the making of any determinations with respect to the Contractor’s performance pursuant to this Master Agreement. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

8.43.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

8.43.3 Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

8.44 Termination for Insolvency

8.44.1 The County may terminate this Master Agreement forthwith in the event of the occurrence of any of the following:

- Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;

- The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;

- The appointment of a Receiver or Trustee for the Contractor; or

- The execution by the Contractor of a general assignment for the benefit of creditors.
8.44.2 The rights and remedies of the County provided in this subparagraph 8.44 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

8.45 Termination for Non-Adherence of County Lobbyist Ordinance

The Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the Contractor, shall fully comply with the County’s Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County’s Lobbyist Ordinance shall constitute a material breach of this Master Agreement, upon which the County may in its sole discretion, immediately terminate or suspend this Master Agreement.

8.46 Termination for Non-Appropriation of Funds

Notwithstanding any other provision of this Master Agreement, the County shall not be obligated for the Contractor’s performance hereunder or by any provision of this Master Agreement during any of the County’s future fiscal years unless and until the County’s Board of Supervisors appropriates funds for this Master Agreement in the County’s Budget for each such future fiscal year. In the event that funds are not appropriated for this Master Agreement, then this Master Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.47 Validity

If any provision of this Master Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Master Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.

8.48 Waiver

No waiver by the County of any breach of any provision of this Master Agreement shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Master Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in this subparagraph 8.48 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.
8.49 Warranty Against Contingent Fees

8.49.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Master Agreement upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

8.49.2 For breach of this warranty, the County shall have the right to terminate this Master Agreement and, at its sole discretion, deduct from the Master Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

8.50 Warranty of Compliance with County’s Defaulted Property Tax Reduction Program

Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this Master Agreement will maintain compliance, with Los Angeles County Code Chapter 2.206.

8.51 Termination for Breach of Warranty to Maintain Compliance with County's Defaulted Property Tax Reduction Program

Failure of Contractor to maintain compliance with the requirements set forth in Paragraph 8.51 "Warranty of Compliance with County’s Defaulted Property Tax Reduction Program" shall constitute default under this Master Agreement. Without limiting the rights and remedies available to County under any other provision of this contract, failure of Contractor to cure such default within 10 days of notice shall be grounds upon which County may terminate this Master Agreement and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

8.52 Time off For Voting

The Contractor shall notify its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the time off for voting law (Elections Code Section 14000). Not less than 10 days before every statewide election, every Contractor and subcontractors shall keep posted conspicuously at
the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of Section 14000.

8.53 Compliance with County’s Zero Tolerance Policy on Human Trafficking

Contractor acknowledges that the County has established a Zero Tolerance Policy on Human Trafficking prohibiting contractors from engaging in human trafficking.

If a Contractor or member of Contractor’s staff is convicted of a human trafficking offense, the County shall require that the Contractor or member of Contractor’s staff be removed immediately from performing services under the Master Agreement. County will not be under any obligation to disclose confidential information regarding the offenses other than those required by law.

Disqualification of any member of Contractor’s staff pursuant to this paragraph shall not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of this Master Agreement.

8.54 Data Encryption

Contractor and Subcontractors that electronically transmit or store personal information (PI), protected health information (PHI) and/or medical information (MI) shall comply with the encryption standards set forth below. PI is defined in California Civil Code Section 1798.29(g). PHI is defined in Health Insurance Portability Act of 1996 (HIPAA), and implementing regulations. Secure Sockets Layer (SSL) is minimally required with minimum cipher strength of 128-bit.

C. Certification: The County must receive within ten (10) business days of its request, a certification from Contractor (for itself and any Subcontractors) that certifies and validates compliance with the encryption standards set forth above. In addition, Contractor shall maintain a copy of any validation/attestation reports that its data encryption products(s) generate and such reports shall be subject to audit in accordance with the Master Agreement. Failure on the part of the Contractor to comply with any of the provisions of this Paragraph 43 (Data Encryption) shall constitute a material breach of this Master Agreement upon which the County may terminate or suspend this Master Agreement.

8.55 Compliance with Fair Chance Employment Practices

Contractor shall comply with fair chance employment hiring practices set forth in California Government Code Section 12952, Employment Discrimination: Conviction History. Contractor’s violation of this paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract.

The above penalties shall also apply to any business that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the State and the Department of Consumer and Business Affairs of this information prior to responding to a solicitation or accepting a Master Agreement award/Work Order.

9.3.1 This Master Agreement is subject to the provisions of the County’s ordinance entitled SE Preference Program, as codified in Chapter 2.205 of the Los Angeles County Code.

9.5 **LSBE Prompt Payment Program**

It is the intent of the County that Certified the LSBEs receive prompt payment for services they provide to County Departments. Prompt payment is defined as fifteen (15) Calendar days after receipt of an undisputed invoice.

9.6 **Ownership of Materials, Software and Copyright**

9.6.1 County shall be the sole owner of all right, title and interest, including copyright, in and to all software, plans, diagrams, facilities, and tools (hereafter "materials") which are originated or created through Contractor’s work pursuant to this Master Agreement. Contractor, for valuable consideration herein provided, shall execute all documents necessary to assign and transfer to, and vest in the County all Contractor’s right, title and interest in and to such original materials, including any copyright, patent and trade secret rights which arise pursuant to Contractor’s work under this Master Agreement.

9.6.2 During the term of this Master Agreement and for seven (7) years thereafter, Contractor shall maintain and provide security for all Contractor’s working papers prepared under this Master Agreement. County shall have the right to inspect, copy and use at any time during and subsequent to the term of this Master Agreement, any and all such working papers and all information contained therein.

9.6.3 Any and all materials, software and tools which are developed or were originally acquired by Contractor outside the scope of this Master Agreement, which Contractor desires to use hereunder, and which Contractor considers to be proprietary or confidential, must be specifically identified by Contractor to
County’s Project Manager as proprietary or confidential, and shall be plainly and prominently marked by Contractor as "Propriety" or "Confidential" on each appropriate page of any document containing such material.

9.6.4 County will use reasonable means to ensure that Contractor’s proprietary and/or confidential items are safeguarded and held in confidence. County agrees not to reproduce, distribute or disclose to non-County entities any such proprietary and/or confidential items without the prior written consent of Contractor.

9.6.5 Notwithstanding any other provision of this Master Agreement, County will not be obligated to Contractor in any way under sub-paragraph 9.5.4 for any of Contractor’s proprietary and/or confidential items which are not plainly and prominently marked with restrictive legends as required by sub-paragraph 9.5.3 or for any disclosure which County is required to make under any state or federal law or order of court.

9.6.6 All the rights and obligations of this sub-paragraph 9.5 shall survive the expiration or termination of this Master Agreement.

9.7 Patent, Copyright and Trade Secret Indemnification

9.7.1 Contractor shall indemnify, hold harmless and defend County from and against any and all liability, damages, costs, and expenses, including, but not limited to, defense costs and attorneys’ fees, for or by reason of any actual or alleged infringement of any third party’s patent or copyright, or any actual or alleged unauthorized trade secret disclosure, arising from or related to the operation and utilization of Contractor’s work under this Master Agreement. County shall inform Contractor as soon as practicable of any claim or action alleging such infringement or unauthorized disclosure, and shall support Contractor’s defense and settlement thereof.

9.7.2 In the event any equipment, part thereof, or software product becomes the subject of any complaint, claim, or proceeding alleging infringement or unauthorized disclosure, such that County’s continued use of such item is formally restrained, enjoined, or subjected to a risk of damages, Contractor, at its sole expense, and providing that County’s continued use of the system is not materially impeded, shall either:

- Procure for County all rights to continued use of the questioned equipment, part, or software product; or
- Replace the questioned equipment, part, or software product with a non-questioned item; or
- Modify the questioned equipment, part, or software so that it is free of claims.

9.7.3 Contractor shall have no liability if the alleged infringement or unauthorized disclosure is based upon a use of the questioned product, either alone or in combination with other items not supplied by Contractor, in a manner for which the questioned product was not designed nor intended.

9.8 Contractor’s Charitable Activities Compliance

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The “Nonprofit Integrity Act of 2004” (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the Charitable Contributions Certification, Exhibit J, the County seeks to ensure that all County contractors which receive or raise charitable contributions comply with California law in order to protect the County and its taxpayers. A Contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either Master Agreement termination or debarment proceedings or both. (County Code Chapter 2.202)

9.9 Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transactions (45 D.F.R. Part 76)

Contractor hereby acknowledges that the County is prohibited from contracting with and making sub-awards to parties that are suspended, debarred, ineligible, or excluded or whose principals are suspended, debarred, ineligible, or excluded from securing federally funded contracts. By executing this Master Agreement, Contractor certifies that neither it nor any of its owners, officers, partners, or directors or other principals is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Further, by executing this Agreement, Contractor certifies that, to its knowledge, none of its subcontractors, at any tier, or any owner, officer, partner, director, or other principal of any subcontractor is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Contractor shall immediately notify County in writing, during the term of this Master Agreement, should it or any of its subcontractors or any principals of either be suspended, debarred, ineligible, or excluded from securing federally funded contracts. Failure of Contractor to comply with this provision shall constitute a material breach of this Agreement upon which the
County may immediately terminate or suspend this Master Agreement.

9.10 Contractor’s Exclusion From Participating in Federally Funded Program

9.9.1 Contractor hereby warrants that neither it nor any of its staff members is restricted or excluded from providing services under any health care program funded by the federal government, directly or indirectly, in whole or in part, and that Contractor will notify Director within thirty (30) calendar days in writing of: (1) any event that would require Contractor or a staff member’s mandatory exclusion from participation in a federally funded health care program; and (2) any exclusionary action taken by any agency of the federal government against Contractor or one or more staff members barring it or the staff members from participation in a federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

9.10.2 Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any federal exclusion of Contractor or its staff members from such participation in a federally funded health care program.

9.10.3 Failure by Contractor to meet the requirements of this Paragraph shall constitute a material breach of contract upon which County may immediately terminate or suspend this Master Agreement.

9.11 Federal Access to Record

If, and to the extent that, Section 1861(v)(1)(l) of the Social Security Act (42 U.S.C. Section 1395x(v)(1)(l) is applicable, Contractor agrees that for a period of seven (7) years following the furnishing of services under this Agreement, Contractor shall maintain and make available, upon written request, to the Secretary of the United States Department of Health and Human Services or the Controller General of the United States, or to any of their authorize representatives, the Agreements, books, documents and records of Contractor which are necessary to verify the nature and extent of the costs of services provided hereunder. Furthermore, if Contractor carries out any of the services provided hereunder through any subcontract with a value or cost of Ten Thousand Dollars ($10,000) or more over a twelve (12) month period with a related organization (as that term is defined under Federal law), Contractor agrees that each such subcontract shall provide for such access to the subcontract, books, documents and records of the subcontractor.
9.12 Whistleblower Protections

9.12.1 Per statute 41 United States Code (U.S.C.) 4712, all employees working for contractors, grantees, subcontractors, and subgrantees on federal grants and contracts are subject to whistleblower rights, remedies, and protections and may not be discharged, demoted, or otherwise discriminated against as a reprisal for whistleblowing. In addition, whistleblowing protections cannot be waived by any agreement, policy, form, or condition of employment.

9.12.2 Whistleblowing is defined as making a disclosure “that the employee reasonably believes” is evidence of any of the following: gross mismanagement of a federal contract or grant; a gross waste of federal funds; an abuse of authority relating to a federal contract or grant; a substantial and specific danger to public health or safety; or a violation of law, rule, or regulation related to a federal contract or grant (including the competition for, or negotiation of, a contract or grant). To qualify under the statute, the employee’s disclosure must be made to: a member of Congress, or a representative of a Congressional committee; an Inspector General; the Government Accountability Office; a federal employee responsible for contract or grant oversight or management at the relevant agency; an official from the Department of Justice, or other law enforcement agency; a court or grand jury; or a management official or other employee of the contractor, subcontractor, grantee, or subgrantee who has the responsibility to investigate, discover, or address misconduct.

9.12.3 The National Defense Authorization Act for fiscal year 2013, enacted January 2, 2013, mandates a Pilot Program for Enhancement of Contractor Employee Whistleblower Protections that requires that all grantees, their subgrantees, and subcontractors: to inform their employees working on any federal award that they are subject to the whistleblower rights and remedies of the pilot program; to inform their employees in writing of the employee whistleblower protections under statute 41 U.S.C. 4712 in the predominant native language of the workforce; and, contractors and grantees shall include such requirements in any agreement made with a subcontractor or subgrantee.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)
