1.0 GENERAL INFORMATION

Background

The Los Angeles County Department of Public Health's Substance Abuse Prevention and Control (DPH-SAPC) Program has the primary responsibility of administering the County's continuum of substance use prevention, treatment, and recovery programs in order to reduce the impact of substance use and addiction on individuals, families and communities. DPH must meet County, State, and federal regulations through the promotion, development, and maintenance of a comprehensive network of programs that respond to public policy and regulatory requirements.

Substance misuse and abuse impact communities, not solely the people consuming alcohol and/or drugs (AOD). Substance use often adversely impacts family relationships, work/school success, and the community's quality of life. Further, substance use can contribute to violence or be a coping response to trauma, and/or facilitate risky behaviors that can impact health. Therefore, it is important not only to implement prevention efforts that reduce initiation or continuation of substance use, but also to diversify strategies to include opportunities for community members to engage in positive social activities and lead efforts to change the local environment to address both the direct and indirect effects of substance use and to support healthy behaviors. Strategies can include implementing policies and programs that reduce access (the ease of getting a substance) and availability (the physical existence within a community) of a substance and/or changing the social norms (the expected or established attitudes/behaviors) and community conditions (the social, economic and environmental factors) that influence the health of individuals and the communities in which they reside. Given the diversity of Los Angeles County (LAC) residents, it is also critical to implement programs and services that adequately and appropriately address the cultural, linguistic, and regional needs of communities and individuals.

In addition to the promotion of healthy behaviors, a central aim of prevention efforts is to reduce the individual and population health risks associated with substance misuse and abuse. Behavioral and educational interventions aim to mitigate the physical and mental health morbidity and mortality of individuals using AOD, while policy and advocacy interventions aim to address the community factors that enable social norms or environmental conditions that facilitate substance use.

Collectively, the following seven (7) substance use prevention services categories encompass a range of interventions which integrate social determinants of health linked specifically to substance abuse:

- Category 1: Individual Education and Skills Development
- Category 2: Community Health Promotion
- Category 3: Provider Education
- Category 4: Coalition and Network Development

- Category 5: Organizational Practices and Community Norms
- Category 6: Policy Advocacy for Environmental Change
- Category 7: Risk Reduction Initiatives

Factors that influence substance use include but are not limited to social isolation, childhood trauma, gender-based violence, and the built environment including access to behavioral healthcare, public safety and community cohesion.

The goal of prevention services is to decrease availability and accessibility of AOD in communities and impact the social norms and community conditions that facilitate use, through education, alternative activities, community coalitions, and community-based environmental prevention services. Prevention services are comprehensive and focus on individuals, families, and community-level interventions. Environmental prevention strategies are unique in their ability to affect change through policy, ordinances, and the promotion of practices that reduce the use and misuse of substances within target communities.

Purpose

The purpose of this Request for Statement of Qualifications (RFSQ) is to secure a pool of qualified vendors to enter into Master Agreements with the County to provide a variety of as-needed substance use prevention services required by DPH.

A Master Agreement will be offered to all vendors determined to be qualified in one (1) or more of the seven (7) substance use prevention services categories listed above.

Interested vendors are highly encouraged to respond to this RFSQ by submitting a Statement of Qualifications (SOQ), as further described in this RFSQ, for as many categories in which the vendor meets all the Vendor’s Minimum Mandatory Qualifications.

The execution of a Master Agreement does not guarantee any minimum or maximum amount of utilization of services which may or may not be utilized, at the County’s sole discretion.

The following is a quick reference to the RFSQ sections with key information and steps of the RFSQ process:

***Please note that the table above is provided to assist vendors in navigating the RFSQ. DPH strongly encourages vendors to review the entire RFSQ and not only the sections listed in the table above.**

1.1 Scope of Services

DPH is seeking qualified companies, agencies or firms with expertise providing as-needed substance use prevention services under one or more of the seven (7) categories identified in Section 1.0, General Information, to effectively implement culturally competent, community-focused, and evidence-based prevention services within LAC.

Please refer to Section 1.1.2 below, for additional information on these seven (7) as-needed substance use prevention services categories.

As used in this RFSQ, the term prevention is defined as the proactive process of helping individuals, families, and communities to develop and access resources needed to promote and maintain healthy lifestyles. Prevention is broad based in the sense that it is intended to alleviate a wide range of at-risk behaviors including, but not limited to, alcohol, tobacco, and other drug use, crime and delinquency, violence, vandalism, mental health problems, family conflict, parenting problems, stress, child abuse, learning programs, school failure, school dropout rates, teenage pregnancy, depression and suicide.¹

Substance use prevention services include activities targeting youth, young adults, parents, families, schools, community stakeholders, faith-based organizations, and health and social service agencies. Prevention services include activities and services provided in a variety of settings for both the general population, as well as targeting sub-groups who are at high risk for substance use.

Prevention services primarily include strategies directed at individuals who do not require direct substance use disorder (SUD) treatment services and do not/would not meet the criteria for a diagnosis of Substance-Related and Addictive Disorders under the current version of the Diagnostic and Statistical Manual of Mental Disorders.

1.1.1 Prevention Services Frameworks

There are four (4) distinct frameworks that when combined, guide the development of comprehensive, culturally competent, and effective prevention services that aim to strengthen individuals, families and

communities. Prevention services originating from this Master Agreement will utilize the following four (4) frameworks collectively:

1. The Spectrum of Prevention
2. Substance Abuse and Mental Health Services Administration (SAMHSA) Strategic Prevention Framework (SPF)
3. SAMHSA Center for Substance Abuse Prevention (CSAP) Strategies
4. Institute of Medicine (IOM) Classifications for Prevention

Three (3) of the frameworks: SPF, CSAP strategies, and the IOM classifications, are required by the California Department of Health Care Services (DHCS) and are included as part of the mandatory reporting requirements for the web-based SUD Prevention Substance Use Disorder Data System (PPSDS). Additionally, use of the Spectrum of Prevention is required by DPH to ensure a comprehensive strategy for prevention services.

a) The Spectrum of Prevention

The Spectrum of Prevention is a systematic tool that promotes a range of activities for effective prevention. The Spectrum of Prevention has been effectively used nationally in prevention initiatives for traffic safety, violence prevention, injury prevention, nutrition, and fitness.

The Spectrum framework identifies six levels of intervention (see chart below) and helps people move beyond the perception that prevention is merely education. At each level, the most important activities related to prevention objectives are defined. As these activities are identified, they lead to interrelated actions at other levels of the Spectrum. All six levels are complementary and synergistic: when used together, they have a greater effect than would be possible from a single activity or initiative.²

Spectrum of Prevention Levels	Definition
Supporting self-efficacy, knowledge and skill acquisition for individuals	Enhancing an individual's capability of preventing injury or crime and promoting well-being
Promoting Healthy Communities	Supporting groups of people with information and resources to promote health and safety, and mobilize their communities and neighborhoods.
Educating Providers	Informing providers who will transmit skills and knowledge to others

² <https://www.preventioninstitute.org/tools/spectrum-prevention-0>

Fostering Coalitions and Networks	Bringing together groups and individuals for broader goals and greater impact
Changing Organizational Practices and Community Norms	Adopting regulations and norms to improve health and safety and creating new models
Influencing Policy Legislation	Developing strategies to change laws and policies to influence outcomes

b) SAMHSA Strategic Prevention Framework (SPF)

The SAMHSA SPF is a five-step planning process that systematically guides the development of prevention services. Central to all steps is ensuring that efforts are sustainable and culturally and linguistically competent. By addressing each of these steps, prevention services should address the needs of the specific target community(ies) and population(s), enhance protective factors and reduce risk factors, build community capacity and collaboration, develop goals and measurable objectives, and emphasize evaluation to ensure the program achieves the intended outcomes.³ The following is a brief description of each SAMHSA SPF step.

- [Step 1: Assess Needs:](#) What is the problem, and how can I learn more?
- [Step 2: Build Capacity:](#) What do I have to work with?
- [Step 3: Plan:](#) What should I do and how should I do it?
- [Step 4: Implement:](#) How can I put my plan into action?
- [Step 5: Evaluate:](#) Is my plan succeeding?

c) SAMHSA Center for Substance Abuse Prevention (CSAP) Strategies

The SAMHSA CSAP has classified common prevention activities into six (6) strategies; 1) Information Dissemination; 2) Education; 3) Alternative Activities; 4) Community-Based Process; 5) Environmental; and 6) Problem Identification and Referral. These strategies and the associated activities are used for data reporting purposes; however, actual substance use prevention efforts must be selected based on evidence to achieve the desired prevention outcome.⁴

d) Institute of Medicine (IOM) Classifications for Prevention

The IOM model divides the continuum of services into three classifications: prevention, treatment, and maintenance. The prevention classifications are further subdivided into universal,

selective, and indicated.⁵ The IOM category is assigned by assessing the risk level of the individual or group receiving the service.

1.1.2 Substance Use Prevention Services Categories

The following seven (7) categories align with the Spectrum of Prevention. Under this RFSQ, vendors are highly encouraged to submit SOQs for as many categories of services as their agency expertise, experience, and capacity allow. With this RFSQ, DPH aims to create a comprehensive network of substance use prevention services for maximum countywide reach. In order to meet community needs and priority target areas, DPH shall provide multiple Work Order Solicitations (WOS) requiring eligibility in multiple categories. Therefore, it is advantageous to apply for as many categories as possible in order to be eligible for as many WOSs for your agency. These categories may be grouped together under one WOS. Only those Master Agreement contractors that are qualified in those grouped categories are eligible to apply for a Master Agreement Work Order (MAWO).

Category 1: Individual Education and Skills Development (See *Section 1.4.1.1 for Vendor's Minimum Mandatory Qualifications for this category*)

These evidence-based prevention services are designed to intervene early and at key transition points to produce beneficial effects. Specific risk and protective factors change with age, gender, ethnicity, culture and environment. These programs employ relevant and appropriate brief screening, educational sessions, and interactive techniques, such as peer discussion groups and role-playing that allow for active involvement in learning about underage alcohol and drug use and abuse and reinforcing skills.

Examples of projects that align with Category 1 include, but are not limited to, school-based education, resource/health centers, risk reduction education, naloxone administration training, and early intervention services.

Category 2: Community Health Promotion (See *Section 1.4.1.2 for Vendor's Minimum Mandatory Qualifications for this category*)

These prevention services are aimed at general populations in multiple settings, such as schools, clubs, and faith-based organization and match the needs, resources and cultural requirements of community(ies). These

programs reinforce and promote bonding to school, community and positive support systems. Additionally, community health promotion involves addressing priority alcohol and drug related problems by conducting an assessment, prioritization, and problem-solving process.

Examples of projects that align with Category 2 include, but are not limited to community-wide events (e.g., alcohol/drug free events, responsible consumption areas), media campaigns, and youth development leadership efforts with community-wide impact.

Category 3: Provider Education (See Section 1.4.1.3 for Vendor's Minimum Mandatory Qualifications for this category)

These services are aimed to educate and empower local health and human service providers to address community risk factors that contribute to AOD related problems. The Provider Education objectives include identifying the local determinants of health that impact local health conditions, such as neighborhood safety, green spaces, ongoing trauma; and introduce planning tools to reduce health inequities and support local prevention AOD strategies that promote positive norms.

Examples of projects that align with Category 3 include, but are not limited to, enhancing behavioral health referral and service options for school health professionals and teachers, increasing understanding and use of Medications for Addiction Treatment (MAT) and other overdose prevention options, and collaboration with pediatricians to identify and address early signs of risk for substance use.

Category 4: Coalition and Network Development (See Section 1.4.1.4 for Vendor's Minimum Mandatory Qualifications for this category)

These services consist of creating healthy communities safe from AOD problems. Coalition and network development are key strategies to engage all community groups on effective, culturally relevant, equitable and thoughtful systematic planning to address problematic AOD availability, distribution, promotion, sales, and consumption. Some activities include modifying alcohol and marijuana advertising, promotion of healthy retail practices, and providing Responsible Beverage Serving trainings.

Examples of projects that align with Category 4 include, but are not limited to, leading and/or developing community coalitions, community organizing to achieve a desired aim, and developing networks of providers to streamline access to care.

Category 5: Organizational Practices and Community Norms (See Section 1.4.1.5 for Vendor's Minimum Mandatory Qualifications for this category)

This service category includes facilitating collaboration on planning and resource deployment from diverse individuals and organizations to jointly address community priorities. This includes providing support and advancing the work of collaborations through activities such as community and volunteer training, neighborhood action training, accessing services and funding, multi-agency collaboration, community team-building, and technical assistance to communities to maximize local enforcement governing AOD availability and use.

Examples of projects that align with Category 5 include, but are not limited to, college campus-based binge drinking programs, risk reduction efforts such as needle exchange programs and overdose prevention, supportive employment policies, and implementation of newly passed federal/state legislation.

Category 6: Policy Advocacy for Environmental Change (See Section 1.4.1.6 for Vendor's Minimum Mandatory Qualifications for this category)

Solutions to eliminating health inequities and improving overall population health and their environment include policy advocacy and environmental change strategies. Facilitators in this sphere work to undo inequities and advance opportunities and outcomes for all by working with and educating elected officials, city councils, media, labor unions, government agencies and others. These services promote understanding of communities' social and economic conditions and create points for engagement and civic participation in a timely, flexible, and ever-moving environment.

Examples of projects that align with Category 6 include, but are not limited to, informing policy makers of evidence-based practices and successful initiatives to improve health outcomes for individuals and communities such as advocating and building the infrastructure for restrictions on hours of sale, social host ordinances, substance free housing/parks/public spaces, alcohol/marijuana advertising restrictions, expanded use of the Controlled Substance Utilization Review and Evaluation System (CURES), alcohol/marijuana outlet density, and needle exchange and safe injection/consumption sites.

Category 7: Risk Reduction Initiatives (See Section 1.4.1.7 for Vendor's Minimum Mandatory Qualifications for this category)

These services address the individual and community risk factors involved in norms that contribute to AOD use and misuse. Families, peers, music, movies and advertising all play a role in influencing beliefs and attitudes about AOD use. Reducing risk factors and providing protective initiatives and education can lead to less favorable attitudes around experimentation and/or use of AOD and assist in critical life and social skills development. These services provide activities that are constructive and healthy to offset the attraction to AOD use and misuse. Such activities include health fairs, media campaigns, speaking engagements, family management classes, student assistance programs, and peer leader programs.

Examples of projects that align with Category 7 include, but are not limited to, the distribution of overdose prevention medication for individuals with an opioid use disorder, distribution of sterile syringes and supplies for the prevention of diseases, and ancillary services such as wound care for related projects.

Upon DPH's execution of Substance Use Prevention Services Master Agreements (hereafter "Master Agreement"), the qualified vendors will become County contractors, and thereafter, specific substance use prevention services projects will be solicited under competitive conditions via WOS to be issued by County. WOS will include a Statement of Work which shall describe in detail the particular project and the work required for the performance thereof. Please see Section 1.6 for additional information.

1.1.3 Evidence-Based/Best Practices

Vendors must select substance use prevention services, activities, and/or programs that are determined to be evidence-based or locally innovative. Evidence-based programs are interventions that have demonstrated effectiveness in nationally recognized, well-established research. Locally innovative practices are contextually and culturally tailored interventions that show promising local impact in individual or community substance use and related outcomes. This includes 1) evidence-based programs or curricula; 2) locally innovative alcohol and/or drug related environmental strategies; or 3) where the program or curricula is not recognized as evidence-based, qualified vendors must provide justification in support of electing locally innovative practices. This information is not required in response to this RFSQ, but will be requested during the WOS process.

1.5 New Firm Eligibility (Intentionally Omitted)

1.6 Master Agreement/WOS Process

- 1.6.1 Master Agreements will be executed with each vendor determined by the County to be qualified in any of the substance use prevention services category(ies) for which a vendor applied. The execution of a Master Agreement does not guarantee a contractor any minimum or maximum amount of utilization of services, and may or may not be utilized, at the County's sole discretion.

- 1.6.2 Upon the execution of these Master Agreements, the qualified vendors will become County contractors, and will be added to the pool of qualified vendors to provide as-needed substance use prevention services in the category(ies) for which they qualified. Thereafter, DPH will issue each WOS for specific substance use prevention services projects on an as-needed basis. Each WOS will be issued to only those Master Agreement contractors that qualified for the appropriate substance use prevention services category(ies) based on the specific project solicited. The WOS will include a Statement of Work, which shall describe in detail the

particular project and the work required for the performance thereof. Furthermore, each WOS will describe any additional requirements (e.g. experience) needed by the Master Agreement contractor for the specific substance use prevention services project, the timeline to complete the project, and the selection process including whether based on low bid or proposal. Only Master Agreement contractors will be eligible to submit a bid or proposal in response to a WOS.

Payment for all work shall be issued in accordance with the methodology outlined in the WOS subject to the total maximum amount specified for each individual project.

- 1.6.3 If the Master Agreement includes various categories of services, only those contractors qualified for the specific category(ies) will be contacted to submit bids.

1.7 Master Agreement Term

- 1.7.1 The Master Agreement term is anticipated to be for an initial five (5) years as authorized by the Board. At the conclusion of the five (5) year period, the County shall have the option to extend the term for five (5) additional one-year terms not to exceed, in aggregate, a maximum total master agreement term of 10 years. The five (5) year-to-year extensions may be exercised at the sole discretion of DPH.
- 1.7.2 Notwithstanding any other provisions of this Section 1.7, any MAWO issued hereunder prior to the expiration date of the Master Agreement which has a MAWO expiration date later than the Master Agreement expiration date shall automatically extend such Master Agreement expiration date up to one hundred eighty (180) days or to the MAWO expiration date, whichever occurs earlier. Such extended Master Agreement expiration date shall apply only to such MAWO and shall not extend such date for any other purpose whatsoever, including issuing new WOS, MAWOs, and/or extending any MAWOs.
- 1.7.3 DPH will continuously accept SOQs throughout the duration of the Master Agreement term to qualify additional vendors and/or to allow contractors to apply for additional categories. New Master Agreements or amendments to Master Agreements will become effective upon the date of execution by the Director of DPH, or designee, and shall expire at the same time as the initially executed Master Agreements.

1.8 County Rights and Responsibilities

The County has the right to amend the RFSQ by written addendum. The County is responsible only for that which is expressly stated in the solicitation document and any authorized written addenda thereto. Such addendum shall be made available on the following websites:

1.20 Determination of Vendor Responsibility

- 1.20.1 A responsible vendor is a vendor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible vendors.
- 1.20.2 Vendors are hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may determine whether the vendor is responsible based on a review of the vendor's performance on any contracts, including but not limited to County contracts. Particular attention will be given to violations of labor laws related to employee compensation and benefits, and evidence of false claims made by the vendor against public entities. Labor law violations which are the fault of the subcontractors and of which the vendor had no knowledge shall not be the basis of a determination that the vendor is not responsible.
- 1.20.3 The County may declare a vendor to be non-responsible for purposes of this Master Agreement if the Board of Supervisors, in its discretion, finds that the vendor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the vendor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or omission which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.

DPH shall provide the vendor and/or the vendor's representative with an opportunity to present evidence as to why the vendor should be found to be responsible and to rebut evidence which is the basis for the DPH's recommendation.
- 1.20.5 If the vendor presents evidence in rebuttal to DPH, DPH shall evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board of Supervisors. The final decision concerning the responsibility of the vendor shall reside with the Board of Supervisors.
- 1.20.6 These terms shall also apply to proposed subcontractors of vendors on County contracts.

1.21 Vendor Debarment

- 1.21.1 Vendors are hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may debar a vendor from bidding or proposing on, or being awarded, and/or performing work on other County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and the County may terminate any or all of a vendor's existing contracts with County, if the Board of Supervisors finds, in its discretion, that a vendor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on vendor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.
- 1.21.2 If there is evidence that the apparent highest ranked vendor may be subject to debarment, DPH shall notify the vendor in writing of the evidence which is the basis for the proposed debarment and shall advise the vendor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
- 1.21.3 The Contractor Hearing Board shall conduct a hearing where evidence on the proposed debarment is presented. The vendor and/or vendor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the vendor should be debarred, and, if so, the appropriate length of time of the debarment. The vendor and DPH shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board.
- 1.21.4 After consideration of any objections, or if no objections are received, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.
- 1.21.5 If a vendor has been debarred for a period longer than five (5) years, that vendor may, after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of

debarment or terminate the debarment if it finds that the vendor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.

- 1.21.6 The Contractor Hearing Board will consider requests for review of a debarment determination only where (1) the vendor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.
- 1.21.7 The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

1.23 Gratuities

1.23.1 Attempt to Secure Favorable Treatment

It is improper for any County officer, employee or agent to solicit consideration, in any form, from a vendor with the implication, suggestion or statement that the vendor's provision of the consideration may secure more favorable treatment for the vendor in the award of a Master Agreement or that the vendor's failure to provide such consideration may negatively affect the County's consideration of the vendor's submission. A vendor shall not offer or give either directly or through an intermediary, consideration, in any form, to a County officer, employee or agent for the purpose of securing favorable treatment with respect to the award of a Master Agreement.

1.23.2 Vendor Notification to County

The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861. Failure to report such a solicitation may result in the vendor's submission being eliminated from consideration.

1.23.3 Form of Improper Consideration

Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

1.24 Notice to Vendors Regarding the County Lobbyist Ordinance

The Board of Supervisors of the County of Los Angeles has enacted an ordinance regulating the activities of persons who lobby County officials. This ordinance, referred to as the "Lobbyist Ordinance", defines a County Lobbyist and imposes certain registration requirements upon individuals meeting the definition. The complete text of the ordinance can be found in County Code Chapter 2.160. In effect, each person, corporation or other entity that seeks a County permit, license, franchise or contract must certify compliance with the ordinance. As part of this solicitation process, it will be the responsibility of each vendor to review the ordinance independently as the text of said ordinance is not contained within this RFSQ. Thereafter, each person, corporation or other entity submitting a response to this solicitation, must certify that each County Lobbyist, as defined by Los Angeles County Code Section 2.160.010, retained by the vendor is in full compliance with Chapter 2.160 of the Los Angeles County Code and each such County Lobbyist is not on the Executive Office's List of Terminated Registered Lobbyists by completing and

submitting the Familiarity with the County Lobbyist Ordinance Certification, as set forth in Appendix A - Required Forms Exhibit 6, as part of their SOQ.

1.26 Consideration of GAIN/GROW Participants for Employment

As a threshold requirement for consideration of a Master Agreement, vendors shall demonstrate a proven record of hiring participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) or General Relief Opportunity for Work (GROW) Programs or shall attest to a willingness to consider GAIN/GROW participants for any future employment openings if they meet the minimum qualifications for that opening. Vendors shall attest to a willingness to provide employed GAIN/GROW participants access to the vendor's employee mentoring program, if available, to assist these individuals in obtaining permanent employment and/or promotional opportunities. Vendors who are unable to meet this requirement shall not be considered for a Master Agreement.

Vendors shall complete and return the form, Attestation of Willingness to Consider GAIN/GROW Participants, as set forth in Appendix A - Required Forms Exhibit 10, as part of their SOQ.

1.27 County's Quality Assurance Plan

After award of a Master Agreement and subsequent Work Order(s), the County or its agent will monitor the contractor's performance under the Master Agreement and Work Order on an annual basis. Such monitoring will include assessing contractor's compliance with all terms and conditions in the Master Agreement and performance standards identified in the Work Order. Contractor's deficiencies which the County determines are significant or continuing and that may jeopardize performance of this Master Agreement and subsequent Work Orders will be reported to the County's Board of Supervisors. The report will include improvement/corrective action measures taken by the County and contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate the Master Agreement and/or Work Order in whole or in part, or impose other penalties as specified in the Master Agreement.

1.28 Recycled Bond Paper

Vendor shall be required to comply with the County's policy on recycled bond paper as specified in Appendix J – Sample Master Agreement, sub-paragraph 8.38.

1.29 Safely Surrendered Baby Law

The contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The information is set forth in Appendix G (Safely Surrendered Baby Law) of this solicitation document. Additional information is available at www.babysafela.org.

1.30 Jury Service Program

The prospective contract is subject to the requirements of the County's Contractor Employee Jury Service Ordinance ("Jury Service Program") (Los Angeles County Code, Chapter 2.203). Prospective contractors should carefully read the Jury Service Ordinance, Appendix D, and the pertinent jury service provisions of the Appendix J – Sample Master Agreement, subparagraph 8.7, both of which are incorporated by reference into and made a part of this RFSQ. The Jury Service Program applies to both contractors and their Subcontractors. SOQs that fail to demonstrate a vendor's compliance with the requirements of the Jury Service Program will be considered non-responsive and excluded from further consideration.

1.30.1 The Jury Service Program requires contractors and their subcontractors to have and adhere to a written policy that provides that its employees shall receive from the contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the contractor or that the contractor deduct from the employee's regular pay the fees received for jury service. For purposes of the Jury Service Program, "employee" means any California resident who is a full-time employee of a contractor and "full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) the contractor has a long-standing practice that defines the lesser number of hours as full-time. Therefore, the Jury Service Program applies to all of a contractor's full-time California employees, even those not working specifically on the County project. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program.

1.30.2 There are two ways in which a contractor might not be subject to the Jury Service Program. The first is if the contractor does not fall within the Jury Service Program's definition of "Contractor". The Jury Service Program defines "Contractor" to mean a person, partnership, corporation or other entity which has a contract with the County or a

subcontract with a County contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. The second is if the contractor meets one of the two exceptions to the Jury Service Program. The first exception concerns small businesses and applies to contractors that have 1) ten or fewer employees; and, 2) annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract is less than \$500,000, and, 3) is not an “affiliate or subsidiary of a business dominant in its field of operation”. The second exception applies to contractors that possess a collective bargaining agreement that expressly supersedes the provisions of the Jury Service Program. The contractor is subject to any provision of the Jury Service Program not expressly superseded by the collective bargaining agreement.

- 1.30.3 If a contractor does not fall within the Jury Service Program’s definition of “Contractor” or if it meets any of the exceptions to the Jury Service Program, then the contractor must so indicate in the contractor Employee Jury Service Program Certification Form and Application for Exception, as set forth in Appendix A - Required Forms Exhibit 11, and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the contractor’s application, the County will determine, in its sole discretion, whether the contractor falls within the definition of contractor or meets any of the exceptions to the Jury Service Program. The County’s decision will be final.

If the vendor is restricted from legally notifying the County of pending acquisitions/mergers, then it should notify the County of the actual acquisitions/mergers as soon as the law allows and provide to the County the legal framework that restricted it from notifying the County prior to the actual acquisitions/mergers. This information shall be provided by the vendor on Appendix A - Required Forms Exhibit 1, Vendor's Organization Questionnaire/Affidavit and CBE Information. Failure of the vendor to provide this information may eliminate its SOQ from any further consideration.

Should a response to WOS identify prospective subcontractors, or should vendor intend to use subcontractors in the provision of services under any subsequent contract, vendor must submit a certification, completed by each subcontractor, attesting that neither the subcontractor, as an organization, nor any of its owners, officers, partners, directors, or other principals is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts.

1.37.2 Failure to provide the required certification may eliminate vendor's response to a WOS from consideration.

1.37.3 In the event that vendor and/or its subcontractor(s) is or are unable to provide the required certification, vendor instead shall provide a written explanation concerning its and/or its subcontractor's inability to provide the certification. Vendor's written explanation shall describe the specific circumstances concerning the inability to certify. It further shall identify any owner, officer, partner, director, or other principal of the

vendor and/or subcontractor who is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Finally, the written explanation shall provide that person's or those persons' job description(s) and function(s) as they relate to the services to be performed under any WOS in association with this RFSQ.

Vendor acknowledges the existence of the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and its implementing regulations, as contained in Appendix J – Sample Master Agreement.

1.39 Contractor's Charitable Contributions Compliance (if applicable)

Among other requirements, those subject to the Charitable Purposes Act must register. The 2004 Nonprofit Integrity Act (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. Prospective contractors should carefully read the Background and Resources: California Charities Regulations, Appendix I. New rules cover California public benefit corporations, unincorporated associations, and trustee entities and may include similar foreign corporations doing business or holding property in California. Key Nonprofit Integrity Act requirements affect executive compensation, fund-raising practices and documentation. Charities with over \$2 million of revenues (excluding funds that must be accounted for to a governmental entity) have new audit requirements.

A completed Exhibit 12 is a required part of any agreement with the County.
- 1.39.3 In Exhibit 12, prospective contractors certify either that:
- they have determined that they do not now receive or raise charitable contributions regulated under the California Charitable Purposes Act, (including the Nonprofit Integrity Act) but will comply if they become subject to coverage of those laws during the term of a County agreement,

3.0 SOQ REVIEW/SELECTION/QUALIFICATION PROCESS

3.1 Review Process

3.1.1 Adherence to Minimum Mandatory Qualifications

County shall review Exhibit 1, Statement of SOQ Checklist, Exhibit 2, Vendor's Organization Questionnaire/Affidavit, and SOE determine if the vendor meets the minimum mandatory qualifications as outlined in Section 1.4 of this RFSQ. Exhibit 2 will serve as an Affidavit that a firm attests that it meets the minimum mandatory qualifications for the required services.

Failure of the vendor to meet the minimum mandatory qualifications may eliminate its SOQ from further consideration at this stage in the review process.

3.1.2 Vendor's Qualifications (Section A)

County's review shall include the following:

- Vendor's Background and Experience as provided in Section A.1 of the SOQ.
- Vendor's References as provided in Section A.2. The review will include verification of references submitted, a review of the County's Contract Database and Contractor Alert Reporting Database, if applicable, reflecting past performance history on County or other contracts, and a review of terminated contracts.
- If the vendor is a corporate entity, said entity's "active" status will be verified. For California corporations the "active" status will be verified via the California Secretary of State's website:
<http://BusinessSearch.sos.ca.gov>.
- A review to determine the magnitude of any pending litigation or judgments against the vendor as provided in Section A.3.
- A subject matter expert will evaluate and make a recommendation based on the financial strength and capability of the company in the provision of required services throughout the term of any resultant MAWO, as well as evidence of the Company's capability to absorb all costs related to the provision of services for a minimum of sixty (60) days, during any resultant MAWO, as provided in Section A.4.
- Financial statements that do not demonstrate financial strength or meet the sixty (60) day requirement may result in a requirement that vendor provide a performance security in the form of a certificate of

deposit, bank line of credit, or security bond prior to DPH making recommendations to the Board regarding the award of a contract or work order.

3.1.3 Required Forms (Section B)

Review to ensure all insurance requirements are met as set forth in sub-section 2.7.4 of the RFSQ.

3.1.4 Proof of Insurability (Section C)

Review of the proof of insurability provided to ensure all insurance requirements are met as set forth in sub-section 2.7.4 of the RFSQ.

3.2 Disqualification Review

An SOQ may be disqualified from consideration because DPH determined it was non-responsive at any time during the review/evaluation process. If DPH determines that an SOQ is disqualified due to non-responsiveness, DPH shall notify the vendor in writing.

Upon receipt of the written determination of non-responsiveness, the vendor may submit a written request for a Disqualification Review within the timeframe specified in the written determination.

A request for a Disqualification Review may, in DPH's sole discretion, be denied if the request does not satisfy all of the following criteria:

1. The request for a Disqualification Review is submitted timely (i.e., by the date and time specified in the written determination); and
2. The request for a Disqualification Review asserts that DPH's determination of disqualification due to non-responsiveness was erroneous (e.g. factual errors, etc.) and provides factual support on each ground asserted as well as copies of all documents and other material that support the assertions.

The Disqualification Review shall be completed and the determination shall be provided to the requesting vendor, in writing, prior to the conclusion of the evaluation process.

3.3 Selection/Qualification Process

DPH will generally select vendors that have experience in providing a broad range of substance use prevention services. However, in order to ensure DPH has a varied pool of qualified contractors, DPH may offer Master Agreements to vendors that offer a narrow scope of services in more highly specialized areas.

3.4 Master Agreement Award

Vendors who are notified by DPH that they appear to have the necessary qualifications and experience (i.e., they are qualified) may still not be recommended for a Master Agreement if other requirements necessary for award have not been met. Other requirements may include acceptance of the terms and conditions of the Master Agreement, and/or satisfactory documentation that required insurance will be obtained. Only when all such matters have been demonstrated to DPH's satisfaction can a vendor, which is otherwise deemed qualified, be regarded as "selected" for recommendation of a Master Agreement.

DPH will execute Board of Supervisors-authorized Master Agreements with each selected vendor. All vendors will be informed of the final selections. DPH will continuously accept SOQs throughout the Master Agreement term to qualify additional vendors. Master Agreements will become effective upon the date of execution by the Director of DPH or her designee and shall expire at the same time as the initially executed Master Agreements.

**COUNTY OF LOS ANGELES CONTRACTOR EMPLOYEE JURY SERVICE PROGRAM
CERTIFICATION FORM AND APPLICATION FOR EXCEPTION**

The County’s solicitation for this Request for Statement of Qualifications is subject to the County of Los Angeles Contractor Employee Jury Service Program (Program), Los Angeles County Code, Chapter 2.203. All vendors, whether a contractor or subcontractor, must complete this form to either certify compliance or request an exception from the Program requirements. Upon review of the submitted form, the County department will determine, in its sole discretion, whether the vendor is given an exemption from the Program

Solicitation For _____ Services:		

If you believe the Jury Service Program does not apply to your business, check the appropriate box in Part I (attach documentation to support your claim); or, complete Part II to certify compliance with the Program. Whether you complete Part I or Part II, please sign and date this form below.

Part I: Jury Service Program is Not Applicable to My Business

- My business does not meet the definition of “contractor,” as defined in the Program, as it has not received an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts (this exception is not available if the contract itself will exceed \$50,000). I understand that the exception will be lost and I must comply with the Program if my revenues from the County exceed an aggregate sum of \$50,000 in any 12-month period.
- My business is a small business as defined in the Program. It 1) has ten or fewer employees; and, 2) has annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract, are \$500,000 or less; and, 3) is not an affiliate or subsidiary of a business dominant in its field of operation, as defined below. I understand that the exception will be lost and I must comply with the Program if the number of employees in my business and my gross annual revenues exceed the above limits.

“**Dominant in its field of operation**” means having more than ten employees and annual gross revenues in the preceding twelve months, which, if added to the annual amount of the contract awarded, exceed \$500,000.

“**Affiliate or subsidiary of a business dominant in its field of operation**” means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

- My business is subject to a Collective Bargaining Agreement (attach agreement) that expressly provides that it supersedes all provisions of the Program.

OR

Part II: Certification of Compliance

- My business has and adheres to a written policy that provides, on an annual basis, no less than five days of regular pay for actual jury service for full-time employees of the business who are also California residents, or my company will have and adhere to such a policy prior to award of the contract.

I declare under penalty of perjury under the laws of the State of California that the information stated above is true and correct.

COUNTY OF LOS ANGELES POLICY ON DOING BUSINESS WITH SMALL BUSINESS

Forty-two percent of businesses in Los Angeles County have five or fewer employees. Only about four percent of businesses in the area exceed 100 employees. According to the Los Angeles Times and local economists, it is not large corporations, but these small companies that are generating new jobs and helping move Los Angeles County out of its worst recession in decades.

WE RECOGNIZE. . . .

The importance of small business to the County. . .

- in fueling local economic growth
- providing new jobs
- creating new local tax revenues
- offering new entrepreneurial opportunity to those historically under-represented in business

The County can play a positive role in helping small business grow. . .

- as a multi-billion dollar purchaser of goods and services
- as a broker of intergovernmental cooperation among numerous local jurisdictions
- by greater outreach in providing information and training
- by simplifying the bid/proposal process
- by maintaining selection criteria which are fair to all
- by streamlining the payment process

WE THEREFORE SHALL:

1. Constantly seek to streamline and simplify our processes for selecting our vendors and for conducting business with them.
2. Maintain a strong outreach program, fully-coordinated among our departments and districts, as well as other participating governments to: a) inform and assist the local business community in competing to provide goods and services; b) provide for ongoing dialogue with and involvement by the business community in implementing this policy.
3. Continually review and revise how we package and advertise solicitations, evaluate and select prospective vendors, address subcontracting and conduct business with our vendors, in order to: a) expand opportunity for small business to compete for our business; and b) to further opportunities for all businesses to compete regardless of size.
4. Insure that staff who manage and carry out the business of purchasing goods and services are well trained, capable and highly motivated to carry out the letter and spirit of this policy.

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

Department of the Treasury
Internal Revenue Service

Notice 1015

(Rev. December 2017)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What is the EIC?

The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whose wages you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note: You are encouraged to notify each employee whose wages for 2017 are less than \$53,930 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following.

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you give an employee a Form W-2 on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If you give an employee a substitute Form W-2, but it does not have the required information, you must notify

the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2018.

You must hand the notice directly to the employee or send it by first-class mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can download copies of the notice at www.irs.gov/FormsPubs. Or you can go to www.irs.gov/OrderForms to order it.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 596, Earned Income Credit (EIC), or the instructions for Form 1040, 1040A, or 1040EZ.

How Do My Employees Claim the EIC?

An eligible employee claims the EIC on his or her 2017 tax return. Even an employee who has no tax withheld from wages and owes no tax may claim the EIC and ask for a refund, but he or she must file a tax return to do so. For example, if an employee has no tax withheld in 2017 and owes no tax but is eligible for a credit of \$800, he or she must file a 2017 tax return to get the \$800 refund.

SAFELY SURRENDERED BABY LAW

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a baby, let her know there are other options. For three days (72 hours) after birth, a baby can be surrendered to staff at any hospital or fire station in Los Angeles County.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

In Los Angeles County: 1-877-BABY SAFE • 1-877-222-9723

www.babysafela.org

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

SAFELY SURRENDERED BABY LAW

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

En el Condado de Los Ángeles: 1-877-BABY SAFE • 1-877-222-9723

www.babysafela.org

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

BACKGROUND AND RESOURCES: CALIFORNIA CHARITIES REGULATION

There is a keen public interest in preventing misuse of charitable contributions. California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates those raising and receiving charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) tightened Charitable Purposes Act requirements for charitable organization administration and fundraising.

The Charitable Purposes Act rules cover California public benefit corporations, unincorporated associations, and trustee entities. They may include similar foreign corporations doing business or holding property in California. Generally, an organization is subject to the registration and reporting requirements of the Charitable Purposes Act if it is a California nonprofit public benefit corporation or is tax exempt under Internal Revenue Code § 501(c)(3), and not exempt from reporting under Government Code § 12583. Most educational institutions, hospitals, cemeteries, and religious organizations are exempt from Supervision of Trustees Act requirements.

Key new Charitable Purposes Act requirements affect executive compensation, fund-raising practices and documentation. Charities with over \$2 million of revenues (excluding grants and service-contract funds a governmental entity requires to be accounted for) have new audit requirements. Charities required to have audits must also establish an audit committee whose members have no material financial interest in any entity doing business with the charity.

Organizations or persons that receive or raise charitable contributions are likely to be subject to the Charitable Purposes Act. A vendor on Los Angeles County contracts must determine if it is subject to the Charitable Purposes Act and certify either that:

- It is not presently subject to the Act, but will comply if later activities make it subject, or,
- If subject, it is currently in compliance.

RESOURCES

The following references to resources are offered to assist vendors who engage in charitable contributions activities. Each vendor, however, is ultimately responsible to research and determine its own legal obligations and properly complete its compliance certification (Appendix A, Exhibit 11 – Charitable Contributions Certification).

In California, supervision of charities is the responsibility of the Attorney General, whose website, <http://oag.ca.gov> contains much information helpful to regulated charitable organizations.

1. LAWS AFFECTING NONPROFITS

The "Supervision of Trustees and Fundraisers for Charitable Purposes Act" is found at California Government Code §§ 12580 through 12599.7. Implementing regulations are found at Title 11, California Code of Regulations, §§ 300 through 312. In California, charitable solicitations ("advertising") are governed by Business & Professions Code §§ 17510 through 17510.95. Regulation of nonprofit corporations is found at Title 11, California Code of Regulations, §§ 999.1 through 999.5. (Amended regulations are pending.) Links to all of these rules are at: <http://oag.ca.gov/charities/laws>

2. SUPPORT FOR NONPROFIT ORGANIZATIONS

Several organizations offer both complimentary and fee-based assistance to nonprofits, including in Los Angeles, the Center for Nonprofit Management, 606 S. Olive St #2450, Los Angeles, CA 90014 (213) 623-7080 <http://www.cnmsocal.org/> and statewide, the California Association of Nonprofits, <http://www.calnonprofits.org/>. Both organizations' websites offer information about how to establish and manage a charitable organization.

The above information, including the organizations listed, provided under this sub-section of this Appendix H is for informational purposes only. Nothing contained in this sub-section shall be construed as an endorsement by the County of Los Angeles of such organizations.

- 2.15 Master Agreement Work Order (MAWO):** A subordinate agreement executed wholly within and subject to the provisions of this Master Agreement, for the performance of tasks and/or provision of deliverables as described in a specification or a SOW. Each MAWO shall result from bids, solicited by and tendered to County, by Qualified Contractors. Unless otherwise specified in the WOS, County shall select the lowest cost, qualified bid responding to the requirements of the proposed MAWO. No work shall

be performed by Contractors except in accordance with validly bid and executed MAWO.

2.16 WOS: A solicitation for bids/proposals submitted to Qualified Contractors.

3.0 WORK

3.1 Pursuant to the provisions of this Master Agreement, the Contractor shall fully perform, complete and deliver on time, all tasks, deliverables, services and other work as set forth herein.

3.2 MAWO shall generally conform to Exhibit E as determined by County. Each MAWO shall include an attached SOW, which shall describe in detail the particular project and the work required for the performance thereof. The payment methodology will vary according to the services to be performed, subject to the Total Maximum Amount specified on each individual MAWO.

3.3 If Contractor provides any task, deliverable, service, or other work to County that utilizes other than approved Contractor Personnel, and/or that goes beyond the MAWO expiration date, and/or that exceeds the Total Maximum Amount as specified in the MAWO as originally written or modified in accordance with sub-paragraph 8.1, Amendments, these shall be gratuitous efforts on the part of Contractor for which Contractor shall have no claim whatsoever against County.

3.4 County procedures for issuing and executing MAWOs are as set forth in this Section 3. Upon determination by County to issue a WOS, County shall issue a WOS containing a SOW to all Master Agreement Qualified Contractors. Each interested Qualified Contractor so contacted may submit a bid to the County address and within the timeframe specified in the solicitation. Failure of Contractor to provide a bid within the specified timeframe may disqualify Contractor for that particular MAWO.

3.5 Upon completion of bid reviews, County shall execute the MAWO by and through the DPH staff identified in this Master Agreement with the lowest cost Qualified Contractor unless the WOS specifies bid evaluation criteria other than lowest cost. It is understood by Contractor that County's competitive bidding procedure may have the effect that no MAWO(s) are awarded to some Master Agreement Qualified Contractors.

3.6 County estimates that selection of any Contractor shall occur within thirty (30) business days of completion of the evaluations of the particular WOS bids. Following selection, all Contractors selected by DPH must be available to meet with County on the starting date specified in the MAWO. Inability of Contractor to comply with such commencement date may be cause for disqualification of Contractor from the particular WOS as determined in the sole discretion of County's Project Manager.

3.7 In the event Contractor defaults three times under sub-paragraph 3.6 within a given County fiscal year, then County may terminate this Master Agreement pursuant to Sub-paragraph 8.42, Termination for Default.

- 3.8 Contractor is not guaranteed a minimum or maximum amount of utilization of their services, and may or may not be utilized, at the County's sole discretion. Failure of Contractor to provide services within the specified timeframes may disqualify Contractor from future utilization.
- 3.9 Contractor shall be responsible for monitoring and controlling the number of hours worked, and more particularly the resulting dollar value of chargeable services performed by Contractor personnel for excess hours worked resulting in charges exceeding any total maximum amounts stated on the MAWO.

4.0 TERM OF MASTER AGREEMENT

- 4.1 The Master Agreement term will be effective upon execution but no sooner than Board approval and shall continue in full force for a period of five (5) years. At the conclusion of the five (5) year period, the County shall have the option to extend the term for five (5) additional one-year periods not to exceed, in aggregate, a maximum total master agreement term of ten (10) years. The five (5) year-to-year extensions may be exercised at the sole discretion of DPH.
- 4.2 Notwithstanding any other provisions of this Section 4.0, any MAWO issued hereunder prior to the expiration date of this Master Agreement which has a MAWO expiration date later than the Master Agreement expiration date shall automatically extend such Master Agreement expiration date up to one hundred eighty (180) days or to the MAWO expiration date, whichever occurs first. Such extended Master Agreement expiration date shall apply only to such MAWO and shall not extend such date for any other purpose whatsoever, including issuing new WOS, MAWO(s), and/or extending any MAWO(s).

8.40 Termination for Breach of Warranty to Maintain Compliance with County's Child Support Compliance Program

Failure of the Contractor to maintain compliance with the requirements set forth in sub-paragraph 8.13 - Contractor's Warranty of Adherence to County's Child Support Compliance Program, shall constitute a default under this Master Agreement. Without limiting the rights and remedies available to the County under any other provision of this Master Agreement, failure of Contractor to cure such default within ninety (90) calendar days of written notice shall be grounds upon which the County may terminate this Master Agreement pursuant to sub-paragraph 8.42 - Termination for Default and pursue debarment of Contractor, pursuant to County Code Chapter 2.202.

8.41 Termination for Convenience

- 8.41.1 County may terminate this Master Agreement, and any Work Order issued hereunder, in whole or in part, from time to time or permanently, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which

such termination becomes effective shall be no less than ten (10) days after the notice is sent.

- 8.41.2 Upon receipt of a notice of termination and except as otherwise directed by the County, the Contractor shall immediately:
- Stop work under the MAWO or under this Master Agreement, as identified in such notice;
 - Transfer title and deliver to County all completed work and work in process; and

 - Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Master Agreement or any MAWO issued hereunder; or
 - Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements of any Work Order issued under this Master Agreement, or of any obligations of this Master Agreement and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.
- 8.42.2 In the event that the County terminates this Master Agreement in whole or in part as provided in sub-paragraph 8.42.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor shall continue the performance of this Master Agreement to the extent not terminated under the provisions of this sub-paragraph.

- 8.42.3 Except with respect to defaults of any subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in sub-paragraph 8.42.2 if its failure to perform this Master Agreement, including any MAWO issued hereunder, arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this sub-paragraph 8.42.3, the terms "subcontractor" and "subcontractors" mean subcontractor(s) at any tier.
- 8.42.4 If, after the County has given notice of termination under the provisions of this sub-paragraph 8.42, it is determined by the County that the Contractor was not in default under the provisions of this sub-paragraph 8.42, or that the default was excusable under the provisions of sub-paragraph 8.42.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to sub-paragraph 8.41 - Termination for Convenience.
- 8.42.5 The rights and remedies of the County provided in this sub-paragraph 8.42 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

In the event of such termination, the County shall be

entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

- 8.43.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or agent, or to the County Fraud Hotline at (800) 544-6861 or <http://fraud.lacounty.gov/>.

8.46 Termination for Non-Appropriation of Funds

Notwithstanding any other provision of this Master Agreement, the County shall not be obligated for the Contractor's performance hereunder or by any

provision of this Master Agreement during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Master Agreement in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Master Agreement, then this Master Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.47 Validity

If any provision of this Master Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Master Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.

No waiver by the County of any breach of any provision of this Master Agreement shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Master Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in this sub-paragraph 8.48 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

8.49 Warranty Against Contingent Fees

8.49.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Master Agreement upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

Without limiting the rights and remedies available to County under any other provision of this Master Agreement, failure of Contractor to cure such default within ten (10) days of notice shall be grounds upon which County may terminate this Master Agreement and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

8.52 Time Off For Voting

The Contractor shall notify its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the time off for voting law (Elections Code Section 14000). County will not be under any obligation to disclose confidential information regarding the offenses other than those required by law.

Disqualification of any member of Contractor's staff pursuant to this paragraph shall not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of this Master Agreement.

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

14. INDEMNIFICATION

- 14.1 Business Associate shall indemnify, defend, and hold harmless Covered Entity, its Special Districts, elected and appointed officers, employees, and agents from and against any and all liability, including but not limited to demands, claims, actions, fees, costs, expenses (including attorney and expert witness fees), and penalties and/or fines (including regulatory penalties and/or fines), arising from or connected with Business Associate's acts and/or omissions arising from and/or relating to this Business Associate Agreement, including, but not limited to, compliance and/or enforcement actions and/or activities, whether formal or informal, by the Secretary or by the Attorney General of the State of California.
- 14.2 Section 14.1 is not intended by the parties to limit in any way the scope of Business Associate's obligations related to Insurance and/or Indemnification in the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order, or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate.

15. OBLIGATIONS OF COVERED ENTITY

- 15.1 Covered Entity shall notify Business Associate of any current or future restrictions or limitations on the Use or Disclosure of Protected Health Information that would affect Business Associate's performance of the Services, and Business Associate shall thereafter restrict or limit its own Uses and Disclosures accordingly.
- 15.2 Covered Entity shall not request Business Associate to Use or Disclose Protected Health Information in any manner that would not be permissible under Subpart E of 45 C.F.R. Part 164 if done by Covered Entity, except to the extent that Business Associate may Use or Disclose Protected Health Information as provided in Sections 2.3, 2.5, and 2.6.

16. TERM

- 16.1 Unless sooner terminated as set forth in Section 17, the term of this Business Associate Agreement shall be the same as the term of the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order, or other service arrangement, with or

without payment, that gives rise to Contractor's status as a Business Associate.

- 16.2 Notwithstanding Section 16.1, Business Associate's obligations under Sections 11, 14, and 18 shall survive the termination or expiration of this Business Associate Agreement.

17. TERMINATION FOR CAUSE

17.1 In addition to and notwithstanding the termination provisions set forth in the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order, or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate, if either party determines that the other party has violated a material term of this Business Associate Agreement, and the breaching party has not cured the breach or ended the violation within the time specified by the non-breaching party, which shall be reasonable given the nature of the breach and/or violation, the non-breaching party may terminate this Business Associate Agreement.

17.2 In addition to and notwithstanding the termination provisions set forth in the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order, or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate, if either party determines that the other party has violated a material term of this Business Associate Agreement, and cure is not feasible, the non-breaching party may terminate this Business Associate Agreement immediately.

18. DISPOSITION OF PROTECTED HEALTH INFORMATION UPON TERMINATION OR EXPIRATION

18.1 Except as provided in Section 18.3, upon termination for any reason or expiration of this Business Associate Agreement, Business Associate shall return or, if agreed to by Covered entity, shall destroy as provided for in Section 18.2, all Protected Health Information received from Covered Entity, or created, maintained, or received by Business Associate on behalf of Covered Entity, that Business Associate, including any Subcontractor, still maintains in any form. Business Associate shall retain no copies of the Protected Health Information.

18.2 Destruction for purposes of Section 18.2 and Section 6.6 shall mean that media on which the Protected Health Information is stored or recorded has been destroyed and/or electronic media have been

cleared, purged, or destroyed in accordance with the use of a technology or methodology specified by the Secretary in guidance for rendering Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals.

18.3 Notwithstanding Section 18.1, in the event that return or destruction of Protected Health Information is not feasible or Business Associate determines that any such Protected Health Information is necessary for Business Associate to continue its proper management and administration or to carry out its legal responsibilities, Business Associate may retain that Protected Health Information for which destruction or return is infeasible or that Protected Health Information which is necessary for Business Associate to continue its proper management and administration or to carry out its legal responsibilities and shall return or destroy all other Protected Health Information.

18.3.1 Business Associate shall extend the protections of this Business Associate Agreement to such Protected Health Information, including continuing to use appropriate safeguards and continuing to comply with Subpart C of 45 C.F.R Part 164 with respect to Electronic Protected Health Information, to prevent the Use or Disclosure of such information other than as provided for in Sections 2.5 and 2.6 for so long as such Protected Health Information is retained, and Business Associate shall not Use or Disclose such Protected Health Information other than for the purposes for which such Protected Health Information was retained.

18.3.2 Business Associate shall return or, if agreed to by Covered entity, destroy the Protected Health Information retained by Business Associate when it is no longer needed by Business Associate for Business Associate's proper management and administration or to carry out its legal responsibilities.

18.4 Business Associate shall ensure that all Protected Health Information created, maintained, or received by Subcontractors is returned or, if agreed to by Covered entity, destroyed as provided for in Section 18.2.

19. AUDIT, INSPECTION, AND EXAMINATION

19.1 Covered Entity reserves the right to conduct a reasonable inspection of the facilities, systems, information systems, books, records, agreements, and policies and procedures relating to the Use or Disclosure of Protected Health Information for the purpose

determining whether Business Associate is in compliance with the terms of this Business Associate Agreement and any non-compliance may be a basis for termination of this Business Associate Agreement and the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate, as provided for in section 17.

- 19.2 Covered Entity and Business Associate shall mutually agree in advance upon the scope, timing, and location of any such inspection.
- 19.3 At Business Associate's request, and to the extent permitted by law, Covered Entity shall execute a nondisclosure agreement, upon terms and conditions mutually agreed to by the parties.
- 19.4 That Covered Entity inspects, fails to inspect, or has the right to inspect as provided for in Section 19.1 does not relieve Business Associate of its responsibility to comply with this Business Associate Agreement and/or the HIPAA Rules or impose on Covered Entity any responsibility for Business Associate's compliance with any applicable HIPAA Rules.
- 19.5 Covered Entity's failure to detect, its detection but failure to notify Business Associate, or its detection but failure to require remediation by Business Associate of an unsatisfactory practice by Business Associate, shall not constitute acceptance of such practice or a waiver of Covered Entity's enforcement rights under this Business Associate Agreement or the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate.
- 19.6 Section 19.1 is not intended by the parties to limit in any way the scope of Business Associate's obligations related to Inspection and/or Audit and/or similar review in the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order, or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate.

20. MISCELLANEOUS PROVISIONS

- 20.1 Disclaimer. Covered Entity makes no warranty or representation that compliance by Business Associate with the terms and conditions of this Business Associate Agreement will be adequate or satisfactory to meet the business needs or legal obligations of Business Associate.

- 20.2 HIPAA Requirements. The Parties agree that the provisions under HIPAA Rules that are required by law to be incorporated into this Amendment are hereby incorporated into this Agreement.
- 20.3 No Third Party Beneficiaries. Nothing in this Business Associate Agreement shall confer upon any person other than the parties and their respective successors or assigns, any rights, remedies, obligations, or liabilities whatsoever.
- 20.4 Construction. In the event that a provision of this Business Associate Agreement is contrary to a provision of the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order, or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate, the provision of this Business Associate Agreement shall control. Otherwise, this Business Associate Agreement shall be construed under, and in accordance with, the terms of the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate.
- 20.5 Regulatory References. A reference in this Business Associate Agreement to a section in the HIPAA Rules means the section as in effect or as amended.
- 20.6 Interpretation. Any ambiguity in this Business Associate Agreement shall be resolved in favor of a meaning that permits the parties to comply with the HIPAA Rules.
- 20.7 Amendment. The parties agree to take such action as is necessary to amend this Business Associate Agreement from time to time as is necessary for Covered Entity or Business Associate to comply with the requirements of the HIPAA Rules and any other privacy laws governing Protected Health Information.
