

RENEW RFP
Applicants Selected for Funding
 Updated June 2, 2010

The following agencies have been selected for funding through the Renewing Environments for Nutrition, Exercise and Wellness (RENEW) Request for Proposals (RFP). RENEW initiatives will develop and implement policy, systems, and environmental changes to increase physical activity and improve nutrition within their respective jurisdictions. The RENEW initiatives are one of several components of the Los Angeles County Department of Public Health (DPH) Communities Putting Prevention to Work Initiative funded by a \$32 million grant awarded to DPH by the Centers for Disease Control and Prevention (CDC).

Please note, contracts with the agencies below are still under negotiation and have not been finalized. More information about the RENEW initiatives will be posted as contracts are adopted.
