NURTURING RESILIENCE THROUGH BREASTFEEDING: A POWERFUL ACT OF RESISTANCE

In the face of ongoing challenges, the Los Angeles County African American Infant and Maternal Mortality Prevention (AAIMM) Initiative stands firm in our commitment to Black maternal health.

Breastfeeding is a vital act of nourishment AND a form of resistance. It is a reclaiming of control over our bodies, our babies, and our futures. Together, we will continue to ensure that the next generation is nurtured, protected, and empowered.
