

Children's Medical Services California Children's Services Provider Bulletin

DATE: July 1, 2015

SUBJECT: CCS CURRENT PROVIDER TRAINING

SAVE THE DATE!!

CCS Providers are invited to attend a training that will enhance your understanding of the many changes that have occurred at LA CCS including CMS-Net system implementation. This training is designed to provide CCS providers with current information and resources. The next session will be held:

Date: **Wednesday, August 19, 2015**
Location: **9320 Telstar Avenue, El Monte 91731**
Second Floor - Room 201
Time: **1pm-4pm**

Topics to be covered include:

- Program Overview
- Referral Process, Referral Tracking
- New CCS Fax cover sheet
- Understanding SAR request and submission process
- Service Code Groupings (SCGs) - What they include and how to use them
- Diagnosis Related Group (DRG) – New payment methodology
- Provider Electronic Data Interchange (PEDI) System
- CCS Provider Relations Unit - Frequently asked Billing questions, Claim challenges
- Share of Cost Procedure
- Available Resources
- Q & A session

To sign-up for this training, please email your provider name and contact information to Yvette Ruiz at YRuiz@ph.lacounty.gov or call (626) 569-3784

For information on possible onsite training please contact Angelica Ramos at alramos@ph.lacounty.gov or call at (626) 569-3868 for additional information.

To receive current updates and training information happening at LA County please sign up for our LA County CCS email blast system, please complete a Provider Contact Update form for each staff member:
