

County of Los Angeles-Department of Public Health
 Child Health and Disability Prevention Program (CHDP)

Fluoride Varnish Training Registration

Course Description: This training will discuss the importance of providing Fluoride Varnish (FV) in the medical office, understanding steps to FV application, and providing patient education after application.

- When:** Next available training via web or in-person
- Time:** Approximately 1 to 1^{1/2} hours, depending on number of clinic staff
- Who May Attend:** Physicians, Nurses, Physician Assistants, and Medical Assistants
 from CHDP Approved Provider Offices

Instructions: Complete the registration form and fax to the CHDP Southwest Regional Office. CHDP staff will contact you for the next available training or if web based requested you will be given the instructions on how to access the training. Please contact the regional office if you have additional questions.
