

TREATING YOUR PATIENT'S PARTNER IS STANDARD OF CARE

# PATIENT- DELIVERED PARTNER THERAPY

[essentialaccess.org/pdpt](http://essentialaccess.org/pdpt)

## Chlamydia/Gonorrhea (CT/GC) Patient-Delivered Partner Therapy (PDPT) Distribution Program

- Program provides **free CT + GC medication** to eligible clinic sites + local health jurisdictions (LHJs).
- Participating clinic sites + LHJs dispense the medication to patients that test positive for CT/GC **to give to their sex partner(s) for treatment.**
