

Have questions about Tuberculosis? 2-1-1 can help.

Tuberculosis, also called TB, has been in the news lately. We know you may have questions. We have answers for you, your family, and community.

We're here to help.

The LA County Department of Public Health is working with the County's information line to answer your questions. Dial 2-1-1 from any phone in LA County to speak with a trained operator. They're ready to answer your TB questions in different languages, 24-hours a day, 7 days a week.

You can also find more information on our website: <http://publichealth.lacounty.gov>.
