[JusticeVoices] REQUEST: Survivors of DV during COVID-19

Dear JusticeVoices community:

We're in search of survivors of domestic violence who are willing to speak with the media, especially if a pandemic-related lockdown was a contributing factor. We're seeing an uptick in media interest ([NBC Nightly News](#) at the 13-minute mark) so we want to be able to provide reporters with the stories they're looking for.

[CLICK HERE](#) to send us a story. The form provides options to share stories with varying levels of confidentiality (from using a pseudonym to fully on the record). Closed or open cases are fine, though we're looking for stories where civil legal aid played/is playing a role. We recognize how sensitive and difficult asking a survivor to speak publicly can be, and we appreciate every response we get.

Thank you,
Sam & the Voices team
