

## Los Angeles Members of the CPEDV Policy Council

The California Partnership to End Domestic Violence, the statewide DV Coalition (CPEDV) operates a Policy Council that discusses statewide legislation, issues and other policy considerations related to DV. The membership of the Council includes representatives from all areas of the state. Below is a list of the Los Angeles members of the Policy Council. If you have state level policy/legislation related issues that you would like to discuss or learn more about, please contact one of these representatives.

- Kendall Evans, Association for Batterers Intervention Programs: [Kendall@openpaths.org](mailto:Kendall@openpaths.org)
