Dear Certified Swimming Pool Service Technician

Frequently, Recreational Waters staff is asked to provide contact information to pool owners searching for a Certified Swimming Pool Service Technician. In order to connect pool owners with certified pool techs, Recreational Waters is posting telephone numbers and email addresses on our online Certified Swimming Pool Service Technician List. http://publichealth.lacounty.gov/eh/docs/ep_rw_telist.pdf Technicians who wish to remove this public information may call our office at: 626-430-5360 or email rhealth@ph.lacounty.gov their request to opt out. Please include your Program Number (PR) from your wallet card when you call or email. Conversely, if you wish to include a business telephone or business email address, you may call, email, or return the form to the address below. Only certified technicians with paid accounts will be listed. Apprentice Technicians with valid certification will be listed without contact information.
