

What Clinicians Need to Know About Dengue in Los Angeles County

Aiman Halai, MD, MPH

Medical Epidemiologist,
Acute Communicable
Disease Control Program,
Los Angeles County
Department of Public Health

**Alfonso C Hernandez-
Romieu, MD, MPH**

Medical Officer,
Dengue Branch, Division of
Vector-Borne Diseases,
National Center for Emerging
and Zoonotic Infectious
Diseases, CDC

Thursday July 11, 2024

12:00PM – 1:00PM

At the completion of this activity, participants will feel more confident in their ability to:

1. Understand the risk of travel associated and locally acquired dengue in Los Angeles County.
2. Recognize clinical presentation of dengue and order appropriate tests for diagnosis.
3. Assess disease severity and provide recommended management.
4. Understand the public health response to dengue cases.
