

***Health Education Network– May 6, 2008 (1:30- 4:00pm)***  
***1000 N. Alameda St. Los Angeles, CA 90012—Catalina Rm.***

**Today’s Meeting:  
Chronic Disease and Aging**

**Purpose of Health Education Network Meetings:**

1. To provide a health education forum for countywide health educators to: collaborate on projects/activities, share resources, network, eliminate duplication of efforts, provide updates, and voice needs and concerns.
2. Address training and other health education needs based on health educators’ professional and personal areas of interest.
3. Keep the health education staff abreast of internal and external topics, including trends and issues affecting the practice of health education.

**Desired Outcomes of this Health Education Network Meeting:**

1. Identify available resources from American Cancer Society and American Heart Association in Los Angeles.
2. Learn about population trends and the impact it will have on health care delivery.
3. Learn about current efforts of the LADPH Office of Senior Health
4. Clarify the implication of these health issues on health education staff’s role within Los Angeles County.
