

Health Education Network– July 1, 2008 (1:30- 4:00pm)
3530 Wilshire Blvd., LA 90010—8th Floor, Conference Room C

Today’s Meeting:

“Health Service Delivery and the Impact On Our Population's Health”

Purpose of Health Education Network Meetings:

1. To provide a health education forum for countywide health educators to: collaborate on projects/activities, share resources, network, eliminate duplication of efforts, provide updates, and voice needs and concerns.
2. Address training and other health education needs based on health educators’ professional and personal areas of interest.
3. Keep the health education staff abreast of internal and external topics, including trends and issues affecting the practice of health education.

Desired Outcomes of this Health Education Network Meeting:

1. Learn about the new LAC+USC General Hospital and what it’s impact will be.
2. Learn about the Communication Ambassadors program mission to respond to concerns brought about by the new facility and it’s community impact.
3. Learn about HIV Epidemiology Programs’s Medical Monitoring Project.
4. Clarify the implication of these projects on health education staff’s role within Los Angeles County.
