

# Immunization Skills Institute (ISI)

Los Angeles County Department of Public Health  
Vaccine Preventable Disease Control Program

## Purpose:

The Immunization Skills Institute (ISI) is an immunization training tailored for medical assistants (MA), pharmacists, licensed vocational nurses (LVN), or anyone who provides immunizations. This three-hour training combines lecture and mentored practice sessions, to increase competency in safe, effective, and caring immunization techniques.

## Goals:

- To promote a safe, effective, and caring immunization delivery system
- To recognize and support the important role of the MA in immunization delivery
- To improve immunization practices through competency based self-assessment and performance-based evaluation

## Prerequisites (Highly Recommended):

- [Storage and Handling](#)  
(Storing Vaccines, Monitoring Refrigerator & Freezer Temperatures)
- [Vaccine Administration](#)  
(Preparing and Administering Vaccines)
- [Vaccine Inventory Management](#)  
(Conducting a Vaccine Inventory)

## Registration Information:

Registration is required. Use this [link](#) or scan the QR Code to register for a training near you. Please provide accurate information during the registration process. Participants will receive an email reminder approximately one week prior to class. Space is limited and classes fill quickly, so, register today! For more information, please contact the Los Angeles County Department of Public Health [Vaccine Preventable Disease Control Program](#) at (213) 351-7800.
