

Influenza (Flu) Vaccination Across the Lifespan

In-services Provided By:

Los Angeles County Immunization Program
Willie Watts-Troutman, RN, PHN, Adult Immunization Coordinator
www.publichealth.lacounty.gov/ip

***Registration required. Call or e-mail name & license # to: La Tisha Reed at 213.351.7418 or lareed@ph.lacounty.gov**

DESCRIPTION:

The Influenza Vaccine (**Flu**) in-service will focus on influenza disease information, vaccine indications, adverse reactions, contraindications, vaccine schedule, vaccine administration, and vaccine storage and handling.

OBJECTIVES:

After attending this course, participants will be able to:

- List the major categories of persons who should be vaccinated with influenza
- Differentiate between the two types of influenza vaccines
- Identify the contraindications to influenza vaccination
- Describe the most common adverse reactions associated with vaccination
- State the dose and route of influenza vaccine administration

CEU: Provider approved by the California Board of Registered Nursing, Provider Number 11808, for 1.5 contact hours (bring license number). A Certificate of Attendance will be given to non-licensed healthcare workers.

**In-services are provided
Free of charge**
