

Novel Coronavirus (COVID-19)

Reopening Safer at Work and in the Community for Control of COVID-19 Order: Examples of What's Open in Los Angeles County

Novel Coronavirus (COVID-19) remains a serious risk in Los Angeles County. To help prevent its spread, please remain at home as much as practicable, limit contact with people who aren't part of your household, wear a cloth face covering whenever you are or may be around others, practice physical distancing, and wash your hands often. Also, stay home [if you are sick](#) or if you have been in [close contact with someone who is sick](#).

The following are some examples of public sites and activities that are open with modifications and some examples of sites that are temporarily closed. Click on the links to learn what's required at these sites to help prevent spread of COVID-19.
