

# Novel Coronavirus (COVID-19)

## Reopening Safer at Work and in the Community for Control of COVID-19 Order: Examples of What's Open in Los Angeles County

There have been troubling increases in new cases and hospitalizations for Novel Coronavirus (COVID-19) in Los Angeles County, and COVID-19 remains a serious risk. To help prevent further transmission of COVID-19, please remain at home as much as practicable, limit contact with people who aren't part of your household, wear a cloth face covering whenever you are or may be around others, practice physical distancing, and wash your hands often. Also, please stay home [if you are sick](#) or if you have been in [close contact with someone who is sick](#).

The following are examples of public sites and activities that are open with required modifications and those that are temporarily closed. Click on the links to learn about requirements that you must follow at these sites to help prevent spread of COVID-19.
