

Novel Coronavirus (COVID-19)

Los Angeles County Department of Public Health Guidance for Pregnancy and Breastfeeding

This guidance has been retired.

Information is available at the following webpages:

Los Angeles County

- [Vaccine FAQ - Pregnancy, Breastfeeding and Fertility](#)
- [Reproductive Health and COVID-19 Vaccines](#).
- **Department of Mental Health Access Center** 24/7 Helpline: 1-800 854-7771 dmh.lacounty.gov
- **For information on how to get vaccinated** Visit VaccinateLACounty.com and click on “[How to Get Vaccinated](#)” or call the Vaccine Call Center at 833-540-0473. The call center is open daily from 8:00 am to 8:30 pm and can help you find a vaccination location in your neighborhood, arrange transportation to and from a vaccination site and request vaccination at home if you are homebound.

Centers for Disease Control (CDC)

[Toolkit for Pregnant People and New Parents](#)

Includes handouts on topics such as protecting yourself and your baby from COVID-19, how to care for your baby and how to breastfeed if you have COVID-19, and several webpages, including:

- [Pregnant and Recently Pregnant People](#)
- [Breastfeeding and Caring for Newborns](#)
- [COVID-19 Vaccines for People who are Pregnant or Breastfeeding](#)
- [COVID-19 Vaccines for People Who Would Like to Have a Baby](#)

American College of Obstetrics and Gynecology

- [COVID-19 Pregnancy and Breastfeeding](#) – FAQs (including vaccine information)
