1. Type [VaccinateLACounty.com](https://www.VaccinateLACounty.com) into your web browser. (Recommend using Chrome or Safari. Do not use Internet Explorer.)

2. Click on “[Click here to get vaccinated](https://www.VaccinateLACounty.com)”. You will be redirected to the “COVID-19 Vaccine: How to get vaccinated” page.

3. Scroll down to the “Find a location near you” section:
   - Enter your zip code and how far you want to go to get a vaccine (under Distance within drop down menu).
   - Click the [Search](https://www.VaccinateLACounty.com) button. A list of vaccine clinics will display. Select “View in Map” to show results by map.
Searching online for a COVID-19 vaccine: a step-by-step guide

More search options

- If you are looking for a vaccine for someone by age, go to “Age Group” and select the appropriate age range in the drop-down menu then click [Search]. If you prefer a specific vaccine, select desired vaccine(s) listed by age range under “Vaccine type”. **Please be aware that pharmacies might not have staff authorized to vaccinate anyone under the age of 3.**

- You can also use additional filters to narrow your search such as hours of availability or type of location.

If you need help, call the Vaccine Call Center at 833-540-0473. The call center is open daily from 8am to 8:30 pm. Free transportation and in-home vaccination for those who are homebound are available. Assistance is also available in many languages 24/7 by calling 2-1-1.
