Searching online for a COVID-19 vaccine: a step-by-step guide

1. Type `ph.lacounty.gov/howtogetvaccinated` into your web browser. (Recommend using Chrome or Safari. Do not use Internet Explorer.)

2. Scroll down to the “Find a location near you” section:
   - Enter your zip code and how far you want to go to get a vaccine (under *Distance within* drop down menu).
   - Click the **Search** button. A list of vaccine clinics will display. Select “View in Map” to show results by map.
You can add other additional filters, including to search by:

- **By age** - If you are looking for a vaccine for a child, go to “Age Group” and select the desired age range in the drop-down menu then click **Search**. Please be aware that pharmacies might not have staff authorized to vaccinate anyone under the age of 3.

- **By vaccine type** – Select desired vaccine under “Vaccine type”.

- **Other** - e.g. Hours/days of availability

---

If you need help, call the Vaccine Call Center at 833-540-0473.

The call center is open daily from 8am to 8:30 pm. Free transportation and in-home vaccination for those who are homebound are available. Assistance is also available in many languages 24/7 by calling 2-1-1.
