NOW VACCINATING ANYONE 12 AND OLDER
Pfizer is the only vaccine available for people age 12-17.

3. Scroll down to the *"Find a location near you"* section:
   - Enter your zip code and how far you want to go to get a vaccine (under *Distance within* drop down menu).
   - Click the **Search** button. A list of vaccine clinics will display. Select "View in Map" to show results by map.
