Searching online for a COVID-19 vaccine: a step-by-step guide

1. Type **ph.lacounty.gov/howtogetvaccinated** into your web browser. (Recommend using Chrome or Safari. Do not use Internet Explorer.)

2. Scroll down to the *"Find a location near you"* section:
   - Enter your zip code and how far you want to go to get a vaccine (under *Distance within* drop down menu).
   - Click the Search button. A list of vaccine clinics will display. Select "View in Map" to show results by map.
