What you need to know now about COVID-19

Los Angeles County is safely reopening in stages. As more businesses re-open, there are important things you should continue to do:

Wear a Cloth
Face Covering

Practice Physical
Distancing

Frequently Wash
Your Hands

Self-isolation when sick &
Self-quarantine when exposed

Are you concerned about going to the emergency room or calling 9-1-1 in an emergency?

Emergency rooms and calling 9-1-1 are SAFE

Hospital emergency rooms are taking extra steps to make sure you stay safe.

Is what you're hearing from friends, family, and social media confusing?

Remember, there is NO CURE for COVID-19

Talk to your doctor about any herbs or non-prescription drugs you are taking.

Get your information from reliable places and avoid scams.
