

# HOW TO GET TESTED FOR MONKEYPOX

Residents who suspect they may have monkeypox and wish to get tested can:

- 1 Contact their healthcare provider
- 2 Call 2-1-1 (if they don't have a provider or health insurance)
- 3 Visit a Public Health Sexual Health Clinic

**There are no specific approved treatments for monkeypox infections.**

**However, medication, such as antivirals, may be used to ease the symptoms of illness. In some cases, vaccine can be given to prevent the disease after exposure to the monkeypox virus.**
