

COMMUNITY READINESS CHAMPIONS

Public Health will celebrate the successful training of 506,332 Los Angeles County residents and workers as part of our 2023 Heart Heroes Campaign and announce the launch of the Community Readiness Champions Initiative.

The Community Readiness Champions Initiative is a series of in-person and online trainings to increase lifesaving skills of community members who will likely be the true first responders when an emergency occurs. Training topics include:

- Hands Only CPR/AED awareness training
- Stop the Bleed – bleeding control training
- First Aid for Opioid Overdoses – Naloxone (NARCAN) training
- Mental Health First Aid training
