

Beatriz Maria Solís, PhD, MPH

Dr. Beatriz Maria Solís is Director, Healthy Communities, South Region at The California Endowment. Solís is responsible for advancing the vision and strategic direction of the foundation's *Building Healthy Communities: California Living 2.0.* initiative, as well as helping achieve established goals and outcomes through The Endowment's philanthropic efforts in Southern California.

Her professional experience includes service as the director of Cultural and Linguistic Services for L.A. Care Health Plan where she was responsible for developing one of the first departments dedicated to cultural and linguistic issues in a managed care setting. In addition, she was a research associate for the UCLA Center for Health Policy Research and received her master's and doctorate in Public Health from UCLA's School of Public Health.

She has co-authored numerous articles, books, technical reports and policy briefs on a variety health and health-related issues and is a lecturer/trainer to health care providers on a variety of topics including racial and ethnic health disparities, and culturally and linguistically responsive health care, among others.
