VACANCY ANNOUNCEMENT

REGISTERED NURSE III

Under the direction of the Supervising Clinic Nurse I, the Registered Nurse III (RN III) will perform professional nursing duties for complex patients and is proficient in all areas of clinic operations and management. The RN III will identify patients' needs as they progress across the continuum and develop effective relationships with the health care team and community. The RN III will incorporate evidence-based practice, including current research and literature, consensus statements, community standards, and recommendations from professional organizations into nursing practice. The RN III may lead nurses, have responsibility and operational leadership and coordination of several services and is also responsible for organizing implementing and evaluating community outreach clinics.

MINIMUM REQUIREMENTS:

- A license to practice as a Registered Nurse issued by the California Board of Registered Nursing and a valid California Class C Driver License.
- Currently hold the payroll title of a RN III for lateral transfer or on a current RN III certification list

JOB DUTIES:

- Appropriately identifies population-specific client care needs during initial and ongoing assessments
- Reviews and validates all assessment data to appropriately identify and analyze client's condition to prioritize and determine care and interventions
- Accurately documents all pertinent information during the planning stages in accordance with departmental documentation policies and procedures
- Coordinates the client's medical care with private physicians, public facilities, and other health centers as needed.
- Collaborate with a multidisciplinary team to meet the needs of the client
- Monitors the quality of nursing care through observation of staff performance and chart audits; makes corrective, constructive recommendations
- Performs duties and responsibilities as established by the Department

DESIRABLE QUALIFICATIONS:

- Strong interpersonal and problem-solving skills
- Self-motivated, reliable, independent, organized and flexible
- Ability to facilitate meetings and lead groups
- Ability to work with multidisciplinary team and outside agencies
- Proficient in electronic health record and Microsoft applications (Word, PowerPoint, Excel)
- Bilingual Skills (Spanish)

Interested candidates should submit a cover letter, resume, and copies of last two performance evaluations via email to:

Bernadine Talanoa, STC
btalanoa@ph.lacounty.gov
Office (323) 568-8154

Only the most qualified candidates will be contacted for an interview.
