

County of Los Angeles- Department of Public Health  
Tuberculosis Control Program

## **TRANSFER OPPORTUNITY**

### **PUBLIC HEALTH NURSE**

The PHN reports to a Program Specialist in the TB Control Program Education and Evaluation Unit. This position will assess TB screening services provided and serve as a liaison between the TBCP and the Community/Private sector providers.

#### **Minimum Requirements:**

- **Current, active license to practice as a Registered Nurse issued by the California Board of Registered Nursing and Public Health Nurse certificate**
- **Must currently be a permanent Los Angeles County employee who holds the payroll item of Public Health Nurse.**

#### **Essential Job Functions**

- Assess, evaluate, and monitor data and trends regarding targeted groups at risk for TB infection/disease.
- Provide consultation, education and collaborate with 31 HIV clinics and 5 Homeless medical providers on TB screening, documentation of screening results and initiation of treatment for latent TB infection per local guidelines.
- Coordinates and provides TB screening onsite at a homeless shelter weekly.

#### **Desired Qualifications:**

- District Public Health Nursing experience
- Knowledge of latent TB infection and tuberculosis disease
- Effective problem solving and analytical skills
- Outstanding written and verbal communication skills
- Experience conducting presentations
- Strong organization and customer service skills
- Ability to perform effectively and independently
- Experience working with community partners
- Proficiency in Microsoft Outlook, Word, Excel and Power Point

**Interested applicants may send (fax/e-mail) their cover letter, resume, last two Performance Evaluations, and Time Records for 2014 -2015 to Maria Cuevas, PS by 5-1-16.**

**Only the most qualified applicants will be called for an interview.**
