

County of Los Angeles- Department of Public Health  
Tuberculosis Control Program

## VACANCY ANNOUNCEMENT

# PUBLIC HEALTH NURSE

The Tuberculosis Control Program (TBCP) is seeking an experienced Public Health Nurse to act as a liaison between TBCP, Community Health Services and County correctional facilities. The vacancy is located at Men's Central Jail 441 Bauchet Street Los Angeles, CA 90012.

PHN duties include: 1) assessing, evaluating and monitoring the health status of hospitalized/incarcerated TB suspects and cases through direct patient interview and chart review; 2) consultation and collaboration to promote continuity of care once released from a County hospital/ correctional facility to district health center for continued management; 3) health teaching; 4) participation in process and outcome evaluation by monitoring identified nursing interventions or services.

### Minimum Qualifications:

- Valid CA RN License
- PHN certificate
- Hold the payroll title of PHN or on PHN certification list
- Valid California Driver's License

### Desired Qualifications:

- Desire to work with a diverse population.
- Strong knowledge of tuberculosis transmission principles, pathophysiology, and treatment standards.
- Experience and ability to work with all levels of professional staff and community partners.
- Excellent oral and written communication skills.
- Proficiency in Microsoft Word and Excel.
- Highly organized and ability to perform multiple tasks and establish priorities.
- Ability to perform job duties with minimal supervision, effectively and independently.

**Interested applicants may send (fax/e-mail) a cover letter, their resume, last two Performance Evaluations, and Time Records for 2014 -2016 to Rebecca Park, PHNS by September 30, 2016.**

**Only the most qualified applicants will be called for an interview.**
