Overview

1. SAPC plan requirements
2. What is CLAS?
3. Technical Support provided by CIBHS
4. Training Opportunities
SAPC CLAS Plan Requirements

- SAPC-contracted SUD treatment providers **MUST** submit Culturally & Linguistically Appropriate Services (CLAS) plans to include disability services by April 30, 2020.

- Individualized technical assistance is available to you at no-cost, provided by California Institute for Behavioral Health Solutions (CIBHS)!

- Though self-directed, SAPC-contracted providers **MUST** meet with CIBHS staff to discuss the development and implementation of your organization’s CLAS plan.
What Is CLAS?

- Culturally & Linguistically Appropriate Services (CLAS)
  - strategy to provide health care services that are respectful of and responsive to each person’s culture, physical ability and communication needs.
- The National CLAS Standards aim to improve health care quality and advance health equity by establishing a framework for organizations to serve the nation's increasingly diverse communities.
Technical Support Provided by CIBHS

Benefits of your participation in this unique opportunity:

- Be provided with your individually assigned CIBHS staff.
- Individualized self-directed assistance in identifying the best CLAS plan for your agency.
- Receive assistance with developing quality actionable Policies and Procedures.
- Receive guidance on identifying threshold languages and disability services needed at each facility.
- Receive resources and training on recruitment, and retention of dedicated certified bilingual staff.
Training Opportunity
