# Sage Data Updates

- Setups to align Sage with fiscal year 18/19 Contracts
  - Updated every contracting provider and location to have the updated service codes and rates for contracted levels of care
    - Added ~36,000 contract procedure codes/provider program codes
  - Updated existing authorizations to align with the updated service codes
    - Processed more than 22,000 authorizations
  - Updated existing authorizations to align with the new authorization group names
    - Processed ~1,500 authorizations

## Sage Data Updates

- Setups to align Sage with fiscal year 18/19 Contracts
  - Updated existing authorizations to align with the new authorization group names
    - Processed ~1,500 authorizations
  - Updated remaining authorizations that were pending final contract to approved status
    - Processed ~7,500 authorizations

# Sage Data Updates

- Changed Rates
  - Room & Board Rate (Code - S9976) was changed
  - If treatments were entered (and not submitted) for July 1<sup>st</sup>, 2018 services before 9/20/2018, you should verify that they have the correct rate
  - Treatments entered after 9/20/2018 will have the correct rates

# Sage Updates

- Claiming
  - Sage Treatment (billing) forms are available:
    - Add Treatment
    - Delete Treatment
    - Edit Treatment
    - View Billing
    - View Treatment
    - Void Treatment
  - Sage Treatment can be submitted for processing

## Sage Data Updates

- Claiming – Secondary Providers Only

Given the changes to the Rates and Standards Matrix since July 1<sup>st</sup> you have a couple of choices:

- If you have **not** already submitted claims for services after July 1<sup>st</sup>, 2018
  - You should review your billing system to verify that it aligns with the updated Rates and Standards Matrix prior to submitting claims
- If you have already submitted claims for services after July 1<sup>st</sup>, 2018 (837 file), SAPC has not yet processed those claims:
  - Request that SAPC not process those claims and send in new claim batches (837 files) to align with the changes
  - Request that SAPC process the claims files sent

NOTE – you should notify SAPC of your decision soon
