Ain’t nothing cool about what it can do to your brain.

Shrinks your IQ!

Think of all the cash you’ll burn through!

You got a lot of choices, make the right ones for you.

And think of all the cash you’ll burn through!

This is weed, pot, cannabis, Maryjane.

Smoking weed can hurt your lungs.

And affects your focus too.

It messes with your memory.

Who the who are you?

There are bigger choices than weed.

See the vids, hear the talk.
