

Name: _____

Step 10: Practice Your Plan

An Emergency Preparedness Quiz Can your family pass the test?

Some healthy competition is good now and then! See who knows the most in your family when it comes to your family emergency plan.

- 1st Set a prize for the winner. For example: dinner at a favorite restaurant, some quiet time alone, rights to the remote control for one evening, etc)
- 2nd Ask each family member the following questions privately or have them write down their answers - no cheating or sharing answers!!
- 3rd Place a check in the box if they know the answer to the question.
- 4th Add up the number of checks to get their final score.

So... who won?

Each family member gets a column 					
Who is our out-of-state contact?					
Do we have a designated meeting place outside our home? Where is it?					
If a disaster occurs while everyone is at work or school, do we have a meeting place designated away from our home? Where is it?					
Identify 2 ways out of each room in our home.					
Where is our gas shut-off valve located?					
Where is our main electrical box (breaker box) located?					
Where is our main water shut-off valve?					
Where are our emergency supplies located?					
Where could you find a flashlight in our home?					
Where is our fire extinguisher?					
When using a fire extinguisher, do you know what P.A.S.S. stands for?					
Score:					

Name: _____

Reminders:

Time for an update and a battery change!

Has anything changed in your Family Emergency Plan?

- Phone numbers
- Contact people
- Location of supplies
- Have you moved?

Change your clock, Change your battery!

Remember to change the batteries in your smoke alarms with the upcoming time change the first Sunday in November.
