

TB 101 Half Day: TB Basics (Pre-Registration is required and enrollment is limited to 24 individuals)
(No continuing education credit is offered for this class)

A half day course for nurses (RNs, PHNs, NPs, and LVNs) either clinic or hospital-based, which reviews TB epidemiology, transmission, pathogenesis, screening, diagnosis, treatment, laboratory issues, and case management. An additional three hour afternoon session can be added to this class to cover tuberculin screening guidelines.
