\*: TB cases managed in the County Public Health Centers, County hospitals, or County Jails are classified as Public; all other cases are classified as Private.

\*\* HIV status categories are from the H290 form.

HIV information is missing for 2 foreign-born cases for both 2004 and 2005, and 8 TB cases for 2006.

Note: TB Cases in Pasadena and Long Beach are not included in the report because these two cities have their own TB Control Programs
